**Re: Immediate Report Pursuant to the Securities Regulations
(Immediate and Periodic reports), 5730 - 1970**

We hereby notify you that on October 28, 2003, Super-Sol Ltd. (hereafter the Company) resolved to close loss-generating stores. Subsequent to this resolution, and to previous resolutions concerning the closing of additional stores, the Company expects to record in its financial statements for September 30, 2003, a provision for the impairment of assets, a provision for future rental costs and a provision for employee severance payments, in an aggregate amount of between NIS 60 million and NIS 70 million, net after the effect of taxes on income.

The abovementioned data are currently in the process of being examined and are subject to changes, considering, among other matters, that the process of preparing and reviewing the Company's financial statements as of September 30, 2003 has not yet been completed, and will continue until shortly prior to their approval.

The approval and release of the Company's financial statements for the period ended September 30, 2003 is scheduled for the beginning of November 2003.

Yours faithfully,

BY: /S/ Linda Shafir
