Enclosure: Partner Communications announces receiving a motion to approve a derivative claim

PARTNER COMMUNICATIONS ANNOUNCES
RECEIVING A MOTION TO APPROVE A DERIVATIVE
CLAIM

ROSH HA'AYIN, Israel, December 1, 2011 - Partner Communications Company Ltd. ("Partner" or the "Company") (NASDAQ and TASE: PTNR), a leading Israeli communications operator, announces that it was served with a motion to approve the filing of a derivative claim ("the Motion") and a copy of the derivative claim (the "Claim"), which were filed in the Economic Division of the Tel Aviv-Jaffa District Court on November 24, 2011 by a person who claims to hold 100 shares of the Company (the "Applicant").

In the Motion, the District Court was requested to approve the filing of a derivative claim against the following directors: Mr. Ilan Ben-Dov (as the controlling shareholder and as a director), Dr. Michael Anghel, Mr. Barry Ben-Zeev, Mr. Avraham Zeldman, Mr. Yaron Bloch, Mr. Yacov Gelbard, Mr. Erez Gissin, Dr. Shlomo Nass, Ms. Osnat Ronen and Mr. Yahel Shachar.

The Claim alleges, inter alia, that the said directors breached their duty of care towards the Company by resolving to raise capital through notes and by approving dividend distributions, in order to assist the parent company in repayment of the financing it undertook to acquire the controlling stake in the Company, all of which were not in the Company's best interest. The Applicant alleges that due to the breach of the duty of care, the Company suffered the following damages: finance expenses in connection with the issuance of the notes in the amount of NIS 653 million and the inability to deduct these finance expenses from taxation in the amount of NIS 150 million. The Applicant alleges that the directors should be liable for these damages.

The Claim further alleges, that the controlling shareholder of the Company, Mr. Ilan Ben-Dov, also breached his duty of loyalty and duty of fairness towards the Company and that due to the said breach the Company suffered damages in connection with the extraordinary dividend distribution in the amount of NIS 624 million. The Applicant alleges that Mr. Ilan Ben-Dov should be liable for these damages.

At this preliminary stage, the Company is examining the Motion and will submit its response to the Court.

In addition, the Company announces that its directors received a letter from a company claiming to be a shareholder of the Company, in which a change was requested with respect to the dividend distribution resolution announced by the Company on November 23, 2011, alleging that the resolution was flawed. The Company is examining the letter.
