Item 4.02 Non-Reliance on Previously Issued Financial Statements or a Related Audit Report or Completed Interim Review.

On July 6, 2016 the board of directors (the “Board”) of 6D Global Technologies, Inc. (the “Company”), including all members of the audit committee of the Board (the “Audit Committee”) and in consultation with the Company’s independent accounting firm SingerLewak LLP (“SingerLewak”), concluded that the Company’s interim financial statements as reported on the Company’s Quarterly Report on Form 10-Q for the period ended September 30, 2015 should not be relied upon because they incorrectly recorded the accretion for deemed dividends and issuance costs associated with the Company’s Series A Redeemable Convertible Preferred Stock, resulting in an overstatement in our net loss per common share attributable to common stockholders; incorrectly calculated an adjustment for the beneficial conversion feature associated with the Company’s Series A Redeemable Convertible Preferred Stock; and need to record an adjustment to goodwill to reflect the fair value of the stock consideration for the business acquisitions made during the first quarter of 2015.

The Company plans to amend its Quarterly Report on Form 10-Q for the quarterly period ended September 30, 2015 to correct the above mentioned error.

Prior to filing this Form 8-K, the Audit Committee discussed the matters disclosed in this filing with SingerLewak.
