is a very high priority for us", commented Mr. Jonathan Bloomer, Group Chief

expand our relationship with Prudential to Beijing. CITIC's local market knowledge and strong distribution, and Prudential's over 150 years of life insurance experience are a powerful combination. Our partnership provides a strong foundation upon which we can build a substantial life insurance business in Beijing and eventually, the rest of China."

Mr. Dominic Leung, Managing Director Greater China, Prudential Corporation Asia added, "CITIC Prudential's focus on understanding our customers' needs is an important part of the way we operate. We intend to continue our successful track record by listening to the people of Beijing and offering a wide range of savings and protection products designed to meet their needs."

CITIC Prudential Beijing will be headed by Mr. Calvin Chang, General Manager, and will offer Beijing customers innovative products and excellent service through its high quality agents.

CITIC Prudential first established a presence in China with the launch of its Guangzhou operation in October 2000, and has been growing rapidly since. It is already number four in the Guangzhou market in terms of new business with a share of 14 per cent. CITIC Prudential now has over 4,000 staff and agents and continues to build high quality distribution and focus on delivering excellent customer service.
