Barclays Recommended Merger with ABN AMRO - Update on filings

Further to the announcement of 23 May, updating as to progress on the agreed merger between Barclays PLC ("Barclays") and ABN AMRO Holding N.V, ("ABN AMRO"), Barclays announces today that, in collaboration with ABN AMRO, it has made substantially all of the pre-acquisition competition and regulatory filings required to proceed with its recommended offer to ABN AMRO shareholders (the "Offer") and expects to publish Offer documentation in July.

In connection with the Offer there are 107 regulatory authorities in 52 countries with whom a change of control filing needs to be made. A change of control consent is required from 52 of these regulatory authorities to enable closing of the Offer. Barclays and ABN AMRO have made excellent progress in respect of these regulatory processes and have now made substantially all of the relevant filings where a consent or notification is required prior to closing of the public offer. Approval is currently pending with the relevant regulatory

authorities.

Barclays notes that Bank of America has now submitted its application to the Board of Governors of the US Federal Reserve System to acquire LaSalle Bank Corporation.

A draft of the Offer Document has been submitted to the AFM and drafts of the Prospectus and the Class 1 Circular have been submitted to the UKLA. A registration statement on Form F-4, which contains the preliminary version of the US Offer Document/Prospectus, has also been submitted to the SEC and will be available today via the website of the SEC ([www.sec.gov](http://www.sec.gov)). Together, Barclays and ABN AMRO will continue to work with all of the relevant regulatory bodies with the aim of publishing the offer documentation in July.

John Varley, the CEO of Barclays, said:

"Barclays recommended Offer for ABN AMRO will provide significant and sustained value for shareholders by creating a powerful force in global financial services delivering more and better products to our customers worldwide. The progress which Barclays has made with its regulatory filings and Offer documentation demonstrates the high degree of deliverability and certainty which the Barclays Offer provides ABN AMRO shareholders."

This is an announcement within the meaning of article 9b paragraph 1 of the Dutch Securities Market Supervision Decree (Besluit toezicht effectenverkeer 1995).
