provide professional valuation and opinion in respect  
of  
(a)  
the Property with the Car Parking Spaces

The Purchaser's final  
offer price was arrived at with reference to the  
said professional  
valuation

and opinion of Jones Lang LaSalle and after taking into account various factors. Such factors include (but are not limited to) the existence of a competing potential purchaser which is the owner of the majority part of the Building; the supply of Class-A office spaces with naming and signage rights in Little Lujiazui, Shanghai which go with similarly small footage; and the future needs of the Purchaser's operations and business in the PRC.

The Consideration is apportioned as follows:

- (i) RMB355 million (approximately HK\$404.7), for the sale and purchase of the Property with the exclusive right to use the Car Parking Spaces
- ;

A deposit of 10 per cent of the total Consideration was paid in cash by the Purchaser upon signing of the Sale and Purchase Agreement and the balance of the Consideration will be payable in cash upon Completion. The Consideration will be funded by internal resources of the Company

**Conditions**

Completion is conditional upon all relevant government and regulatory approvals, consents of Senmao and other owner(s) of the Building having been obtained for the assignment of the Naming Right and Signage Rights, and the exclusive right to use the Car Parking Spaces, to the Purchaser.

**Completion**

Subject to the postponement of Completion as described below and fulfilment of all the conditions, Completion will take place on 20 November 2010

If all the conditions are fulfilled before 20

November 2010

, then

Completion

will take place

within

three

business days after fulfilment of all the conditions.

In the event that any of the applications for building name change and new signage of the Building has not been approved by the relevant government authorities by 20

November

2010, the date for Completion shall be postponed to a date not later than

six

months from such date.

Completion will then take place

three

business days after such approvals have been obtained.

In the event that any of the aforesaid is not done by such extended Completion date, then the sale and purchase

of the Property, the right to the exclusive use of the Car Parking Spaces and the Naming and Signage Rights shall be cancelled and the deposit shall be refunded to the Purchaser. Such refund shall be without interest

unless the foregoing failure to obtain approval is solely caused by the default of the Vendor in which event the Vendor shall pay the interest at the interest rate for savings deposits announced by the Vendor as applicable at the time of refund

The Purchaser shall, at the Vendor's request, take all reasonable steps to assist with the applications for building name change and new signage of the Building in order to procure the issuance of the relevant governmental approvals. In the event that the Purchaser fails to take any such steps reasonably requested by the Vendor within a reasonable time of such request, which results in the relevant governmental approvals not being issued by the date of Completion, the Vendor shall have the right to require the Purchaser to proceed with the transaction and pay in full the balance of the purchase price by the date of Completion or any later date reasonably determined by the Vendor.

## **REASONS FOR AND BENEFITS OF THE ACQUISITION**

The Acquisition will allow the Purchaser to relocate its headquarters to the Property for the long term development of the Purchaser and achievement of the China strategies of the Group. The acquisition of the Naming Right and the Signage Rights will serve the dual purposes of enhancing the Group's corporate profile and image in the PRC, and signifying its commitment to the PRC market. The Directors consider that, with the PRC Government's commitment to developing Shanghai as an international financial and shipping centre, the property market in Shanghai is expected to prosper in the long run. Therefore, ownership of the Property by the Purchaser will ensure that the headquarters of the Purchaser will not be affected by scarcity of prominent site as well as increase in rent in Shanghai. There is also the advantage of potential gain from appreciation of property price.

The Directors (including the independent non-executive Directors) consider that the Acquisition is in the ordinary and usual course of business of the Company and the terms of the Acquisition are on normal commercial terms, fair and reasonable and in the interests of the Company and its Shareholders as a whole.

## **GENERAL**

The Group is principally engaged in commercial and retail banking business and offers a comprehensive range of financial products and services to its customers.

The Vendor is engaged in commercial banking business in the PRC

Senmao is engaged in urban redevelopment, real estate sales, leasing and management.
