A. Election of Directors
(Proposal 1)

The Board of Directors is presently comprised of eleven Directors. The Board is divided into three classes, two of which consist of four directors and one of which consists of three directors. Members of each class hold office for a term of three years unless elected in the interim. The term of one class expires in each year.

At the Meeting this year, four Directors are to be elected. Dr. Alice S. Ilchman and Messrs. Frank A. McPherson, Leroy C. Richie and Brian T. Zino, each of whose current term will expire at the 2004 Annual Meeting, have been recommended by the Director Nominating Committee of the Board of Directors of the Corporation for election to the class whose term will expire in 2007.

It is the intention of the persons named in the accompanying form of Proxy to nominate and to vote such Proxy for the election of Dr. Ilchman and Messrs. McPherson, Richie and Zino. Dr. Ilchman has been a Director of the Corporation since 1990, Mr. McPherson has been a Director of the Corporation since 1995, Mr. Richie has been a Director of the Corporation since 2000, and Mr. Zino has been Director and President of the Corporation since 1993 and 1995, respectively, and Chief Executive Officer of the Corporation since 2002. Dr. Ilchman and Messrs. McPherson, Richie and Zino were last elected by Stockholders at the 2001 Annual Meeting.

Each nominee has agreed to serve if elected. There is no reason to believe that any of the nominees will become unavailable for election as a Director of the Corporation, but if that should occur before the Meeting, Proxies will be voted for the persons the Director Nominating Committee and the Board of Directors recommend.

Background information regarding Dr. Ilchman and Messrs. McPherson, Richie and Zino, as well as the other Directors of the Corporation, follows.

B. Ratification of Selection of Auditors
(Proposal 2)

The Audit Committee of the Board of Directors has recommended, and the Board of Directors, including a majority of those members who are not "interested persons" of the Corporation (as defined in the 1940 Act), has selected, Deloitte & Touche LLP as auditors of the Corporation for 2004. The firm of Deloitte & Touche LLP has extensive experience in investment company accounting and auditing. It is expected that a representative of Deloitte & Touche LLP will be present at the Meeting and will have the opportunity to make a statement and respond to questions.

Deloitte & Touche LLP, in accordance with Independence Standards Board Standard No. 1, has confirmed to the Audit Committee that they are independent auditors with respect to the Corporation. Deloitte & Touche LLP has audited the annual financial statements of the Corporation and provided tax and other non-audit services to the Corporation. Deloitte & Touche LLP has also rendered non-audit services to the Manager, Seligman Advisors, Inc., an affiliate of the Manager, and Seligman Data Corp. ("SDC"), the stockholder service agent for the Corporation, which is partially owned by the Corporation (together, the "Affiliated Service Providers").

In making its recommendation, the Audit Committee considered whether the provision by the independent auditors to the Corporation of non-audit services to the Corporation or of professional services to the Affiliated Service Providers is compatible with maintaining the auditors' independence and has discussed the auditors' independence with them.

Principal Accountant Fees and Services

Audit Fees.....	\$56,336	\$54,850
Audit-Related Fees.....	--	--
Tax Fees.....	2,100	2,000
All Other Fees.....	1,897	2,609

Edgar Filing: TRI-CONTINENTAL CORP - Form DEF 14A

Audit fees include amounts related to the audit of the Corporation's annual financial statements and services normally provided by Deloitte & Touche LLP in connection with statutory and regulatory filings. Tax fees include amounts related to tax compliance, tax planning, and tax advice. Other fees include the Corporation's pro-rata share of amounts for services related to documentation of certain internal control procedures for the Corporation and other investment companies advised by the Manager.

Aggregate fees billed by Deloitte & Touche LLP for the last two fiscal years for non-audit services provided to the Manager and any affiliate of the Manager that provides ongoing services to the Corporation, where the engagement related directly to the operations and financial reporting of the Corporation, were as follows:

	2003	2002
	-----	-----
Audit-Related Fees.....	\$89,130	\$105,355
Tax Fees.....	7,500	18,450

Audit-related fees include amounts for (i) attestation services for SDC; (ii) review of certain internal controls of SDC's sub-agent; and (iii) actuarial services provided prior to May 6, 2003 to the Manager and SDC (such services were no longer permitted to be performed for SDC after May 5, 2003). Tax fees include amounts related to tax compliance, tax planning, and tax advice for and an evaluation of certain tax reporting procedures of SDC.

The Audit Committee is required to preapprove audit and non-audit services performed for the Corporation by Deloitte & Touche LLP in order to assure that the provision of such services does not impair the Deloitte & Touche LLP's independence. The Audit Committee also is required to preapprove certain non-audit services performed for the Manager and certain of its affiliates that provide services directly related to the operations and financial reporting of the Corporation. Unless

15

a type of service to be provided by Deloitte & Touche LLP has received preapproval, it will require specific preapproval by the Audit Committee. The Audit Committee has delegated preapproval authority to Mr. James N. Whitson, the Audit Committee's Chairman. Mr. Whitson will report any preapproval decisions to the Audit Committee at its next scheduled meeting. Notwithstanding the foregoing, under certain circumstances, preapproval of non-audit services of a de minimis amount is not required.

The aggregate fees billed for the most recent fiscal year and the preceding fiscal year by the Deloitte & Touche LLP for non-audit services rendered to the Corporation, the Manager, and any of the Manager's affiliates that provided ongoing services to the Corporation were \$100,627 and \$128,414, respectively. All non-audit services discussed above were preapproved by the Audit Committee, who considered whether these services were compatible with maintaining Deloitte & Touche LLP's independence.

The affirmative vote of a majority of the votes cast at the Meeting is required to ratify the selection of auditors.

Your Board of Directors Unanimously Recommends that the Stockholders

Edgar Filing: TRI-CONTINENTAL CORP - Form DEF 14A

Vote FOR the Ratification of the Selection of Deloitte & Touche LLP
as Auditors of the Corporation.

C. Other Matters

The Corporation has received one proposal from a Stockholder for inclusion in this year's proxy materials, which is set forth below. The Corporation will provide the name and address of such Stockholder and the number of shares of the Corporation's common stock owned by him upon oral or written request.

YOUR BOARD OF DIRECTORS UNANIMOUSLY RECOMMENDS THAT THE STOCKHOLDERS VOTE AGAINST THE STOCKHOLDER PROPOSAL. THE BOARD'S REASONING IS SET FORTH FOLLOWING THE PROPOSAL IN A STATEMENT OF OPPOSITION. STOCKHOLDERS ARE URGED TO READ CAREFULLY THE PROPOSAL, THE SUPPORTING STATEMENT AND THE STATEMENT OF OPPOSITION.

16

Stockholder Proposal

RESOLVED: That the shareholders of Tri-Continental Corporation, assembled in Annual Meeting in person and by proxy, hereby request the Board of Directors to take the necessary steps to provide for cumulative voting in the election of directors, which means each shareholder shall be entitled to as many votes as shall equal the number of shares he or she owns multiplied by the number of directors to be elected, and he or she may cast all of such votes for a single candidate or any two or more candidates as he or she may see fit.

The Stockholder has submitted the following statement in support of his proposal:

SUPPORTING STATEMENT: Some states have mandatory cumulative voting, so do national banks. In addition, many corporations have adopted cumulative voting.

As the 2002 Annual Report from the Corporation states, during the past five years we the shareholders have suffered an annual loss of 3.08% on the market price of our shares and 3.32% on the asset value. Living with Tri-Continental for the past 5 years has not been a pleasant experience.

For this performance last year we paid \$16,295,925 in total costs, or about 34% of the income of the fund or .67% of the average assets of the fund for the year. The only people sure to make money from the fund are the fund's managers. We provide the money, we take the risk, why do they charge so much for managing the fund?

Wherever I have brought up the unsatisfactory performance of the fund and the cost of managing the fund with the directors at shareholder's past meetings, I have been met with silence or a defense of the fund.

It is my opinion the problem we active shareholder's have is that the fund has so many passive shareholders, it makes it difficult, if not impossible, for us to vote for someone who does not have the blessing of Seligman. Many of Tri-Continental's present directors serve on more than one Seligman Fund, would this influence their objective responsibilities to us the shareholders? It is my hope that this proposal will enhance the influence of the active shareholders. Please vote yes on this proposal.

YOUR BOARD OF DIRECTORS UNANIMOUSLY RECOMMENDS THAT YOU VOTE AGAINST THIS

Edgar Filing: TRI-CONTINENTAL CORP - Form DEF 14A

STOCKHOLDER PROPOSAL FOR THE REASONS SET FORTH BELOW.

For the reasons set forth below, your Board of Directors believes that the adoption of this proposal would not be in the best interests of the Corporation or its stockholders.

17

The present system of voting for directors provides the best assurance that the decisions of the directors will be in the interests of all stockholders, and that each director will be elected by a majority of the stockholders and will not owe any allegiance toward a particular group of minority stockholders.

The stockholders considered and rejected a similar proposal regarding adoption of cumulative voting at the 1996 annual meeting. Approximately 87% of the votes cast were cast against the proposal at that meeting. Your Board of Directors believes that the reasons for rejecting the proposal in 1996 remain valid today.

Cumulative voting might make it possible for a special interest group to elect one or more directors whose loyalty might be directed more to the narrow interests of that particular group of stockholders rather than to the interests of all stockholders. It introduces the possibility of partisanship among your Corporation's Board of Directors and could impair the Board's ability to work effectively as a cohesive unit. The present voting system, long utilized by the Corporation and by most leading corporations, prevents the "stacking" of votes behind a single nominee for director and thereby promotes the election of each director on the basis of representing the interests of the Corporation and the stockholders as a whole.

The Proponent incorrectly states that "[s]ome states have mandatory cumulative voting so do national banks. In addition, many corporations have adopted cumulative voting." The State of Maryland, in which the Corporation is incorporated, does not require cumulative voting. Moreover, according to the Investor Responsibility Research Center (IRRC), only six states make cumulative voting mandatory under their corporation law statutes. According to the IRRC, only 9.2% percent of the 1,500 major U.S. companies tracked by it allowed cumulative voting in 2002 (the most recent year for which IRRC has published this information).

The Proponent states that "[m]any of Tri-Continental's present directors serve on more than one Seligman Fund, would this influence their objective responsibilities to us the shareholders?" Each of the Corporation's directors is well aware that he or she owes, and each strives to fulfill, the same fiduciary duties to each of the Seligman investment companies on whose board he or she sits. Their service as directors of other investment funds does not affect their commitment to the Corporation. In fact, your directors believe that the insight gained from serving as directors for investment funds with differing investment objectives helps provide a valuable perspective that would otherwise be unavailable.

18

This proposal will not be adopted unless the votes cast in its favor exceed the votes cast against it. Abstentions and broker non-votes will not be counted as either for or against the proposal. If not otherwise specified, Proxies will be voted AGAINST approval of the proposal. The adoption of the proposal would not in itself result in any action, but would simply amount to a request for

Edgar Filing: TRI-CONTINENTAL CORP - Form DEF 14A

action by the Board. In order to implement the proposal, the Board would need to approve an amendment to the Corporation's charter providing for cumulative voting, and the amendment would then have to be submitted to stockholders for approval. Approval of a charter amendment to permit cumulative voting would require the affirmative vote of a majority of all outstanding shares of stock of the Corporation.

Your Directors believe that your vote AGAINST this proposal will be in the best interests of the Corporation and all its stockholders.

The Corporation knows of no other matters which are to be brought before the Meeting. However, if any other matters come before the Meeting, it is intended that the persons named in the enclosed form of Proxy, or their substitutes, will vote the Proxy in accordance with their judgment on such matters. The persons named in the form of Proxy, or their substitutes, will have discretionary authority to vote on any Stockholder proposal of which the Corporation's first received notice after March 7, 2004. In addition, the Corporation's By-laws permit the Corporation to exclude from consideration at the Meeting any Stockholder proposal first brought to the attention of the Corporation after March 16, 2004.

Notice is hereby given that, under the Securities Exchange Act's stockholder proposal rule (Rule 14a-8), any Stockholder proposal that may properly be included in the Proxy solicitation material for the next Annual Meeting, now scheduled for May 2005, must be received by the Corporation no later than December 22, 2004. Timely notice of Stockholder proposals submitted outside of the Rule 14a-8 process must be received by the Corporation no earlier than February 19, 2005 and no later than March 21, 2005, to be eligible for presentation at the May 2005 Annual Meeting.

D. Expenses

The Corporation will bear the cost of soliciting Proxies. In addition to the use of the mails, Proxies may be solicited personally or via facsimile or telegraph by Directors, officers and employees of the Corporation, the Manager, Seligman Advisors, Inc., Seligman Services, Inc. and SDC, and the

19

Corporation may reimburse persons holding shares in their names or names of their nominees for their expenses in sending solicitation material to their beneficial owners. The Corporation has engaged Morrow & Co., Inc., 445 Park Avenue, New York, N.Y. 10022 to assist in soliciting for a fee of \$4,000 plus expenses.

By order of the Board of Directors,

/s/ Frank J. Nasta

Secretary

It is important that Proxies be returned promptly. All Stockholders, including those who expect to attend the Meeting, are urged to date, fill in, sign and mail the enclosed form of Proxy in the enclosed return envelope, which requires no postage if mailed in the United States. A Proxy is not required for

Edgar Filing: TRI-CONTINENTAL CORP - Form DEF 14A

admission to the Meeting.

VI. Resources and Authority of the Audit Committee: The Audit Committee shall have the resources and authority appropriate to discharge its duties and responsibilities, including the authority to select, retain, terminate, and approve the fees and other retention terms of special or independent counsel, accountants or other experts and advisors, as it deems necessary or appropriate, without seeking approval of the Board or management.

APPENDIX 2

TRI-CONTINENTAL CORPORATION (the "Fund")

AUDIT COMMITTEE REPORT

The Audit Committee operates pursuant to a written charter that was last amended and restated by the Fund's Board of Directors on March 18, 2004. The purposes of the Audit Committee are to 1) assist the Board of Directors in its oversight of (i) the integrity of the Fund's financial statements; (ii) the Fund's compliance with legal and regulatory requirements; and (iii) the independent auditors' independence, qualifications and performance; and 2) to prepare this report. Management of the Fund is responsible for the preparation, presentation and integrity of the Fund's financial statements, the Fund's accounting and financial reporting principles and internal controls and procedures designed to assure compliance with accounting standards and applicable laws and regulations. The independent auditors are responsible for auditing the Fund's financial statements and expressing an opinion as to their conformity with generally accepted accounting principles.

In the performance of its oversight function, the Audit Committee has considered and discussed the audited financial statements with management and the independent auditors of the Fund. The Audit Committee has also discussed with the independent auditors the matters required to be discussed by Statement on Auditing Standards No. 61, Communication with Audit Committees, as currently in effect. The Audit Committee has also considered whether the provision of any non-audit services not pre-approved by the Audit Committee provided by the Fund's independent auditors to the Adviser or Manager and to any entity controlling, controlled by or under common control with the Adviser or Manager that provides ongoing services to the Fund is compatible with maintaining the auditors' independence. Finally, the Audit Committee has received the written disclosures and the letter from the independent auditors required by Independence Standards Board Standard No. 1, Independence Discussions with Audit Committees, as currently in effect, and has discussed with the auditors the auditors' independence.

The members of the Audit Committee are not full-time employees of the Fund and are not performing the functions of auditors or accountants. As such, it is not the duty or responsibility of the Audit Committee or its members to conduct "field work" or other types of auditing or accounting reviews or procedures or to set auditor independence standards. Members of the Audit Committee necessarily rely on the information provided to them by management and the independent auditors. Accordingly, the Audit Committee's considerations and

Edgar Filing: TRI-CONTINENTAL CORP - Form DEF 14A

discussions referred to above do not assure

2-i

that the audit of the Fund's financial statements has been carried out in accordance with generally accepted auditing standards, that the financial statements are presented in accordance with generally accepted accounting principles or that the Fund's auditors are in fact "independent."

Based upon the reports and discussions described in this report, and subject to the limitations on the role and responsibilities of the Audit Committee referred to above, the Audit Committee recommended to the Board of Directors of the Fund that the audited financial statements of the Fund be included in the Fund's annual report to stockholders for the most recent fiscal period.

APPENDIX 3

SELIGMAN QUALITY MUNICIPAL FUND, INC.

SELIGMAN SELECT MUNICIPAL FUND, INC.

TRI-CONTINENTAL CORPORATION

The Board of Directors (each a "Board") of each of the registered investment companies listed above (each, separately, a "Fund" and, collectively, the "Funds"), has adopted this Charter to govern the activities of the Nominating Committee (the "Committee") of the particular Board. This Charter applies separately to each Fund and its particular Board and Committee.

Statement of Purposes and Responsibilities

The primary purposes and responsibilities of the Committee are (i) to identify individuals qualified to become members of the Board in the event that a position is vacated or created, (ii) to consider all candidates proposed to become members of the Board, subject to the procedures and policies set forth in this Charter, the Fund's Bylaws or resolutions of the Board, (iii) to select and nominate, or recommend for nomination by the Board, candidates for election as Directors (iv) to set any necessary standards or qualifications for service on the Board, and (v) to make recommendations with respect to compensation of the Independent Directors (as defined below).

Organization and Governance

The Committee shall be composed of as many Directors as the Board shall

Edgar Filing: TRI-CONTINENTAL CORP - Form DEF 14A

determine in accordance with the Fund's Bylaws, but in any event not less than two (2) Directors. The Committee must consist entirely of Board members who are not "interested persons" of the Fund, as defined in Section 2(a)(19) of the Investment Company Act of 1940, as amended ("Independent Directors"). The Board may remove or replace any member of the Committee at any time in its sole discretion.

One or more members of the Committee may be designated by the Board as the Committee's chairman or co-chairman, as the case may be.

Committee meetings shall be held in accordance with the Fund's Bylaws as and when the Committee or the Board determines necessary or appropriate. Except as may be otherwise set forth in the Fund's Bylaws, the chairman, a co-chairman, any two members of the Committee or the Fund's secretary may set the time and place of its meeting unless the Board shall otherwise provide.

3-i

Criteria for Director Nominees

The Committee may take into account a wide variety of factors in considering Director candidates, including (but not limited to): (i) the candidate's knowledge in matters relating to the investment company industry; (ii) any experience possessed by the candidate as a director or senior officer of other public or private companies; (iii) the candidate's educational background; (iv) the candidate's reputation for high ethical standards and personal and professional integrity; (v) any specific financial, technical or other expertise possessed by the candidate, and the extent to which such expertise would complement the Board's existing mix of skills and qualifications; (vi) the candidate's perceived ability to contribute to the ongoing functions of the Board, including the candidate's ability and commitment to attend meetings regularly, work collaboratively with other members of the Board and carry out his or her duties in the best interests of the Fund; (vii) the candidate's ability to qualify as an Independent Director; and (viii) such other criteria as the Nominating Committee determines to be relevant in light of the existing composition of the Board and any anticipated vacancies or other factors.

Identification of Nominees

In identifying potential nominees for the Board, the Committee may consider candidates recommended by one or more of the following sources: (i) the Fund's Directors, (ii) the Fund's officers, (iii) the Fund's investment adviser(s), (iv) the Fund's stockholders (see below) and (v) any other source the Committee deems to be appropriate. The Committee will not consider self-nominated candidates or candidates nominated by members of a candidate's family, including such candidate's spouse, children, parents, uncles, aunts, grandparents, nieces and nephews. The Committee may, but is not required to, retain a third party search firm at the Fund's expense to identify potential candidates.

Consideration of Candidates Recommended by Stockholders

The Committee will consider and evaluate nominee candidates properly submitted by stockholders on the same basis as it considers and evaluates candidates recommended by other sources. Appendix A to this Charter, as it may be amended from time to time by the Committee, sets forth qualifications and procedures that must be met or followed by stockholders to properly submit a nominee candidate to the Committee (recommendations not properly submitted in accordance with Appendix A will not be considered by the Committee).

Procedures for Stockholders to Submit Nominee Candidates

(As of March 18, 2004)

A Fund stockholder must follow the following procedures to properly submit a nominee recommendation for the Committee's consideration.

1. A stockholder or group of stockholders (referred to in either case as a "Nominating Stockholder") that, individually or as a group, has beneficially owned at least \$10,000 of the Fund's common stock for at least one year prior to the date the Nominating Stockholder submits a candidate for nomination as a Director may submit one candidate to the Committee for consideration at an annual meeting or other meeting of stockholders at which directors will be elected. Nominations will not be considered except in connection with such meetings of stockholders.
2. The Nominating Stockholder must submit any such recommendation (a "Stockholder Recommendation") in writing to the Fund via first class mail, to the attention of the Secretary, at the address of the principal executive offices of the Fund.
3. The Stockholder Recommendation must be mailed via first class mail and received at the principal executive offices of the Fund not less than one hundred twenty (120) calendar days before the date of the Fund's proxy statement released to stockholders in connection with the previous year's annual meeting. If an annual meeting of stockholders was not held in the previous year, the Stockholder Recommendation must be so delivered or mailed and received by a date specified in a public notice by the Fund. Such public notice shall be made at least 30 calendar days prior to the deadline for submission of Stockholder Recommendations for the upcoming annual meeting of stockholders (for this purpose, a special meeting at which directors will be elected shall be considered an annual meeting), which is expected under normal circumstances to be approximately 120 calendar days prior to the anticipated date of the proxy statement for such meeting. Such public notice may be given in a stockholder report or other mailing to stockholders or by any other means deemed by the Nominating Committee or the Board of Directors to be reasonably calculated to inform stockholders.
4. The Stockholder Recommendation must include:
 - (i) a statement in writing setting forth

- A) the name, date of birth, business address and residence address of the person recommended by the Nominating Stockholder (the "candidate");
- B) any position or business relationship of the candidate, currently or within the preceding five years, with the Nominating Stockholder or an Associated Person of the Nominating Stockholder;

Edgar Filing: TRI-CONTINENTAL CORP - Form DEF 14A

- C) the class or series and number of all shares of the Fund owned of record or beneficially by the candidate, as reported to such Nominating Stockholder by the candidate;
 - D) any other information regarding the candidate that is required to be disclosed about a nominee in a proxy statement or other filing required to be made in connection with the solicitation of proxies for election of Directors pursuant to Section 14 of the Securities Exchange Act of 1934, as amended (the "Exchange Act") and the rules and regulations promulgated thereunder;
 - E) whether the Nominating Stockholder believes that the candidate is or will be an "interested person" of the Fund (as defined in the Investment Company Act of 1940, as amended) and, if believed not to be an "interested person," information regarding the candidate that will be sufficient for the Fund to make such determination; and
 - F) information as to the candidate's knowledge of the investment company industry, experience as a director or senior officer of public or private companies, directorships on the boards of other registered investment companies and educational background;
- (ii) the written and signed consent of the candidate to be named as a nominee and to serve as a Director if elected;
 - (iii) the written and signed agreement of the candidate to complete a directors' and officers' questionnaire if elected;
 - (iv) the Nominating Stockholder's name as it appears on the Fund's books and consent to be named as such by the Fund;
 - (v) the class or series and number of all shares of the Fund owned beneficially and of record by the Nominating Stockholder and any Associated Person of the Nominating Stockholder and the dates on which such shares were acquired, specifying the number of shares owned beneficially but not of record by each and identifying the nominee holders for the Nominating Stockholder and each such Associated Person of the Nominating Stockholder; and
- 3-iv
- (vi) a description of all arrangements or understandings between the Nominating Stockholder (including any member of a group that constitutes a Nominating Stockholder), the candidate and/or any other person or persons (including their names) pursuant to which the recommendation is being made by the Nominating Stockholder.

"Associated Person of the Nominating Stockholder" as used in this paragraph 4 means any person required to be identified pursuant to clause (vi) and any other person controlling, controlled by or under common control with, directly or indirectly, the Nominating Stockholder or any person required to be identified pursuant to clause (vi).

5. The Committee may require the Nominating Stockholder to furnish such other information as it may reasonably require or deem necessary to verify any information furnished pursuant to paragraph 4 above or to determine the qualifications and eligibility of the candidate proposed by the Nominating Stockholder to serve on the Board. If the Nominating Stockholder fails to provide such other information in writing within seven days of receipt of written request from the Committee, the recommendation of such candidate as

Edgar Filing: TRI-CONTINENTAL CORP - Form DEF 14A

a nominee will be deemed not properly submitted and will not be considered by the Committee.
