REPORT OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

The Trustees and Participants of

United-Lafayette 401(k) Profit Sharing Plan

We have audited the accompanying statements of net assets available for benefits of United-Lafayette 401(k) Profit Sharing Plan as of December 31, 2003 and 2002, and the related statement of changes in net assets available for benefits for the year ended December 31, 2003. These financial statements are the responsibility of the Plan's management. Our responsibility is to express an opinion on these financial statements based on our audits.

We conducted our audits in accordance with the standards of the Public Company Accounting Oversight Board (United States). Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe our audits provide a reasonable basis for our opinion.

In our opinion, the financial statements referred to above present fairly, in all material respects, the net assets available for benefits of the Plan at December 31, 2003 and 2002, and the changes in its net assets available for benefits for the year ended December 31, 2003, in conformity with U.S. generally accepted accounting principles.

Our audits were performed for the purpose of forming an opinion on the basic financial statements taken as a whole. The accompanying supplemental schedule of assets (held at end of year) as of December 31, 2003, is presented for purposes of additional analysis and is not a required part of the financial statements, but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974. This supplemental schedule is the responsibility of the Plan's management. Such information has been subjected to the auditing procedures applied in our audits of the basic financial statements and, in our opinion, is fairly stated in all material respects in relation to the basic financial statements taken as a whole.

UNITED-LAFAYETTE 401(k) PROFIT SHARING PLAN

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2003

1. DESCRIPTION OF PLAN

The following description of the United-Lafayette 401(k) Profit Sharing Plan (the Plan) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General The Plan is a defined contribution plan covering all employees of United Fire & Casualty Company and its affiliated companies: United Life Insurance Company, Lafayette Insurance Company, United Fire Group Foundation, Addison Insurance Company, Texas General Indemnity Company, American Indemnity Company, United Fire & Indemnity Company, United Fire Lloyds, and American Indemnity Financial Corporation (collectively the Companies), who have at least one hour of service and have attained age 21 or older. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Contributions Each year, participants may elect to contribute up to an annual dollar limitation, of their eligible compensation to the Plan through salary reduction. The Plan provides for payments by the participating employers to the Plan in such amounts as the Board of Directors of each of the Companies shall direct. No payments by participating employers have been made since the inception of the Plan.

Participant Accounts Individual accounts are maintained for each Plan participant. Each participant's account is credited with the participant's contribution and allocations of (a) the Companies' discretionary contributions and (b) Plan earnings, and charged with an allocation of Plan losses. Allocations are based on participant earnings (losses) or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Participants direct the investment of employer and participant contributions into various investment options offered by the Plan. Participants may change their investment options daily. The Plan currently offers fifteen mutual funds, a common collective trust, United Fire & Casualty Company common stock and a self-directed account in which participants have access to a money market account, nine mutual funds and common stocks offered by The Charles Schwab Trust Company. Participants can purchase United Fire & Casualty Company common stock twice a month with new contributions or by transferring a portion of their existing account balances.

Vesting Participants are immediately vested in their voluntary contributions plus actual earnings (losses) thereon. Vesting in the remainder of the participant account balances is based on years of continuous service with full vesting after two years. A participant with less than two years of credited service is 0 percent vested except in the event of the participant's death or disability while employed by the Companies, at which time the participant becomes 100 percent vested.

Edgar Filing: UNITED FIRE & CASUALTY CO - Form 11-K

Forfeitures Upon termination, the nonvested portion of a participant's account balance is forfeited. Forfeitures are to be used to first reduce the Plan's ordinary and necessary administrative expenses for the Plan year and then reduce the employer contributions for the Plan year. There were no forfeited account balances included in the Plan's net assets available for benefits at December 31, 2003 and 2002.

Participant Loans Participants may borrow from their accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50 percent of their vested account balance. Loan terms range from 1-5 years, except for the purpose of acquiring the person's personal residence for which the term is commensurate with local prevailing terms, as determined by the Companies. The loans are secured by the balance in the participant's account and bear interest at a rate determined at the time of each loan by the Plan administrator. Principal and interest is paid ratably through semi-monthly payroll deductions.

Payment of Benefits Upon termination of service, a participant may elect to receive either a direct rollover, a lump-sum amount equal to the value of their vested accounts or installment payments over a fixed period of time not to exceed the participant's life expectancy or the joint life expectancy of the participant and the participant's designated beneficiary. Prior to separation from service, participants may elect a hardship distribution in accordance with Plan policy.

Administrative Expenses The Plan's administrative expenses are paid by either the Plan or the Companies, as provided by the Plan document. The Companies paid substantially all administrative expenses for 2003.

Table of Contents**2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES**

Basis of Accounting The financial statements of the Plan are prepared on the accrual basis of accounting in accordance with U.S. generally accepted accounting principles.

Use of Estimates The preparation of financial statements in conformity with U.S. generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of net assets available for benefits at the date of the financial statements and changes therein during the reporting period. Actual results could differ from those estimates.

The Plan offers various investment instruments to its participants. Investment securities, in general, are exposed to various risks, such as interest rate, credit, and overall market volatility. Due to the level of risk associated with certain investment securities, it is reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect the amounts reported in the financial statements.

Valuation of Participant-Directed Investments at Fair Value and Participant Loans Investments in mutual funds are stated at fair value based upon quoted market prices reported on recognized securities exchanges on the last business day of the year, which represents the net asset values of shares held by the Plan at the reporting date. The fair value of the participation units owned in the common collective trust fund is based on quoted redemption values on the last business day of the plan year. Investments in money market funds and participant loans are stated at cost, which approximates fair value. Purchases and sales of securities are recorded as of the trade date.

Withdrawals Participant withdrawals are recorded upon distribution. Amounts allocated to accounts of persons who have elected to withdraw from the Plan but have not yet been paid were \$108 at December 31, 2003 and 2002, respectively.

3. INVESTMENTS

The Charles Schwab Trust Company is the trustee of the Plan and custodian of the Plan's assets. The Plan's investments that represented five percent or more of the Plan's net assets available for benefits as of December 31, 2003 and 2002 are as follows:

| <u>Identity of Issuer</u> | <u>Description of Investment</u> | <u>Shares</u> | <u>2003</u> | <u>2002</u> |
|------------------------------------------|----------------------------------|-----------------------------------------------------------------------------|--------------|-------------|
| Charles Schwab & Co., Inc.* | Schwab S&P 500 Investment Shares | 68,398 shares at December 31, 2003; 55,475 shares at December 31, 2002 | \$ 1,171,652 | \$ 751,126 |
| First Eagle Fund of America, Inc. | First Eagle Fund of America | 43,497 shares at December 31, 2003; 37,813 shares at December 31, 2002 | 1,043,495 | 757,007 |
| Gartmore Morley Financial Services, Inc. | Morley Stable Value Fund | 226,351 shares at December 31, 2003; 202,026 shares at December 31, 2002 | 3,933,929 | 3,377,142 |

Table of Contents

4. PLAN TERMINATION

Although it has not expressed any intention to do so, United Fire and Casualty Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions set forth in ERISA. In the event of any termination of the Plan, or upon complete or partial discontinuance of contributions, the accounts of each affected participant become fully vested.

5. FEDERAL INCOME TAX STATUS

The Plan has received a determination letter, dated March 2, 1995, and a separate non-standardized prototype opinion letter, dated November 21, 2001, stating that the Plan is qualified under Section 401(a) of the Internal Revenue Code and, therefore, the related trust is exempt from taxation. Subsequent to these letters by the Internal Revenue Service, the Plan was amended. Once qualified, the Plan is required to operate in conformity with the Internal Revenue Code to maintain its qualification. United Fire & Casualty Company believes the Plan is being operated in compliance with the applicable requirements of the Internal Revenue Code and, therefore, believes that the Plan, as amended, is qualified and the related trust is tax exempt.
