On March 28, 2005, the Company filed a registration statement (the Registration Statement) under the Securities Act of 1933 registering 33,101,305 shares of Common Stock (including shares of Common Stock covering the option expected to be granted to the underwriters by Philips

However, the Reporting Persons may determine not to proceed with the public offering or may determine to retain all or some portion of the Common Stock as an investment. Accordingly, the Reporting Persons may change their plans and intentions at any time and from time to time, as they deem appropriate. In particular, each Reporting Person may at any time and from time to time dispose of shares of Common Stock or acquire additional shares of Common Stock which would be sufficient to acquire a majority ownership interest in the Common Stock.
