Dear Fellow Members and Class B-2 Shareholders,

My name is Bruce Goldman and I am a candidate to represent you on the Board of Directors in the upcoming election. I have been a member of our exchange for 19 years and have been an independent market maker in the Eurodollar options pit since its inception. Throughout the years I have served on many CME committees, which I hope in some small way has helped foster the exchange's success.

I believe I possess a unique skill set that will prove valuable to the Board as it charts our path in the future. First, I would be the only options market maker on the Board. I feel that protecting our options franchise as it transitions to the electronic market place will be of the utmost importance. As our customers become more sophisticated, options will continue to fuel substantial growth for the exchange, as they have in the past few years. Our franchise has grown because we have provided the tightest and most liquid markets in a complex and competitive environment. We must fight the call-around market which threatens the values and competitive price discovery upon which our exchange was built, and upon which its growth has been founded.

Second, I have been associated with a private equity firm for over 15 years, and I worked there full time for five years a couple of years back. During that time I sat on several for-profit company boards and worked on many mergers, acquisitions, and other types of business development. As the exchange becomes more and more efficient, the only way to promote the benefits of membership and increase profits and growth for the benefit of all of our shareholders will be to leverage our platform into new markets. This will require creative business solutions. My private equity experience will be a valuable tool to help tackle these endeavors.

Please feel free to call me or talk to me in person on the floor with any questions you may have. I ask for your support in the upcoming election.

Sincerely,

/s/ Bruce L. Goldman
