This Proxy Statement (the "Proxy Statement") is being furnished to stockholders of Knight Trading Group, Inc., a Delaware corporation (together with its subsidiaries, except where the context otherwise requires, "Knight" or the "Company"), in connection with the solicitation of proxies by the Board of Directors of the Company (the "Board of Directors" or the "Board") for use at the Annual Meeting of Stockholders (including any adjournments or postponements thereof), which will be held at our corporate headquarters located at 545 Washington Boulevard, Jersey City, New Jersey 07310 on May 11, 2005 at 1:00 p.m. (the "Annual Meeting"). Edgar Filing: KNIGHT TRADING GROUP INC - Form DEF 14A

and returned without indicating any voting instructions for any particular matter or matters, shares of Knight Class A Common Stock represented by such proxy will be voted as follows:

FOR the proposal to change the Company's name to Knight Capital Group, Inc.;

FOR the election of each of the eight nominees to the Company's Board of Directors; and

FOR the ratification of the selection of PricewaterhouseCoopers LLP as the Company's independent auditor for 2005.

The Board of Directors is not currently aware of any business to be acted upon at the Annual Meeting other than as described herein. If, however, other matters are properly brought before the Annual Meeting or any

adjournments or postponements thereof, the persons appointed as proxies will have the discretion to vote or act thereon in accordance with their best judgment, unless authority to do so is withheld in the proxy.

Any proxy given pursuant to this solicitation may be revoked by the person giving it at any time before the shares represented by such proxy are voted at the Annual Meeting by: (i) attending and voting in person at the Annual Meeting; (ii) giving notice of revocation of the proxy at the Annual Meeting; or (iii) delivering to the Corporate Secretary of Knight (a) a written notice of revocation or (b) a duly executed proxy card relating to the same shares and matters to be considered at the Annual Meeting, bearing a date later than the proxy previously executed. Attendance at the Annual Meeting will not in and of itself constitute a revocation of a proxy. All written notices of revocation and other communications with respect to revocation of proxies should be addressed as follows: Knight Trading Group, Inc., 545 Washington Boulevard, Jersey City, New Jersey 07310, Attention: Corporate Secretary, and must be received before the taking of the votes at the Annual Meeting. **If you own shares held in street name and wish to vote at the Annual Meeting, you must have a legal proxy from your broker.**

The Company will bear the entire cost of the solicitation of Proxies and the cost of printing and mailing this Proxy Statement. The Company has retained the services of Mellon Investor Services LLC (Mellon) to assist in the solicitation of proxies. Mellon will receive a fee from the Company for services rendered of approximately \$8,500, plus out-of-pocket expenses. In addition to solicitation by mail, the Directors, officers and employees of the Company may solicit proxies from stockholders of the Company by telephone, electronic communication or by personal interview. Such Directors, officers and employees will not be additionally compensated for any such solicitation but may be reimbursed for reasonable out-of-pocket expenses in connection therewith. Arrangements will also be made with brokerage houses and other custodians, nominees and fiduciaries for the forwarding of solicitation material to the beneficial owners of shares held of record by such persons and the Company will reimburse such custodians, nominees and fiduciaries for their reasonable out-of-pocket expenses in connection therewith.

You can save the Company additional expense by electing to receive future proxy statements and annual reports electronically. If you would like to request this electronic delivery, please enroll after you complete your voting. If your shares are held in street name, you may enroll at www.icsdelivery.com. If you are a registered stockholder, you may enroll at www.melloninvestor.com/isd.

Record Date; Outstanding Shares; Voting at the Annual Meeting

Only holders of Knight Class A Common Stock at the close of business on March 21, 2005 will be entitled to receive notice of, and to vote at, the Annual Meeting. At the close of business on March 21, 2005, the Company had outstanding and entitled to vote 109,656,993 shares of Knight Class A Common Stock. Shares of Knight Class A Common Stock represented by proxies which are marked abstain will be counted as shares present for purposes of determining the presence of a quorum on all matters, but will not be counted as votes cast in favor of the matters brought before the stockholders at the Annual Meeting. Proxies relating to street name shares that are voted by brokers will be counted as shares present for purposes of determining the presence of a quorum on all matters, but will not be treated as shares having voted at the Annual Meeting as to any proposal as to which authority to vote is withheld by the broker.

The presence, in person or by proxy, at the Annual Meeting of the holders of at least a majority of the votes entitled to be cast at the Annual Meeting is necessary to constitute a quorum for the transaction of business. Under applicable Delaware law, the affirmative vote of the holders of a majority of the Class A Common Stock outstanding on the record date is required to adopt the proposed amendment to our Amended and Restated Certificate of Incorporation. As a result, abstentions and broker non-votes are effectively equivalent to votes against this proposal. Furthermore, because the ratification of PricewaterhouseCoopers LLP requires the approval of a majority of the shares present, in person or by proxy, and entitled to vote at the Annual Meeting, abstentions will have the same effect as a negative vote on these proposals. However, broker non-votes will be disregarded.

and have no effect on the outcome of the vote for this matter. Abstentions from voting on the election of Directors (including broker non-votes) will be disregarded and have no effect on the outcome of the vote.

No Appraisal Rights

Stockholders have no rights under Delaware law, our Amended and Restated Certificate of Incorporation or our Amended and Restated Bylaws to exercise dissenters' rights of appraisal with respect to any of the matters to be voted upon at the Annual Meeting.

PROPOSAL 1 CHANGE OF CORPORATE NAME

The Board of Directors has unanimously adopted resolutions setting forth and declaring advisable an amendment to the Company's Amended and Restated Certificate of Incorporation to change the name of the Company from Knight Trading Group, Inc. to Knight Capital Group, Inc. The Board of Directors believes that the change in name will better reflect the Company's broader business operations beyond equities trading.

If this proposal is approved, Article First of the Company's Amended and Restated Certificate of Incorporation will be amended to read as follows: The name of the Corporation is Knight Capital Group, Inc. (hereinafter called the Corporation). Current Company stock certificates will remain valid and no exchange of certificates will be required, unless and until the securities are sold or transferred. Under Delaware law, the amendment to the Amended and Restated Certificate of Incorporation would become effective upon stockholder approval and the filing of the amendment with the Secretary of State of the State of Delaware. The amendment to the Amended and Restated Certificate of Incorporation will be filed as soon as reasonably practicable after the approval of this proposal by the stockholders. Under applicable Delaware law, the affirmative vote of the holders of a majority of the Class A Common Stock outstanding on the record date is required to adopt the proposed amendment to the Amended and Restated Certificate of Incorporation. As a result, abstentions and broker non-votes are effectively equivalent to votes against this proposal. Unless otherwise instructed, properly executed proxies that are timely received and not subsequently revoked, but not marked, will be voted in favor of the proposed amendment to the Amended and Restated Certificate of Incorporation.

THE BOARD OF DIRECTORS RECOMMENDS THAT STOCKHOLDERS VOTE FOR THE PROPOSAL TO CHANGE THE NAME OF THE COMPANY TO KNIGHT CAPITAL GROUP, INC.

PROPOSAL 2 ELECTION OF DIRECTORS

Directors of the Company will be elected by a plurality vote of the outstanding shares of Knight Class A Common Stock present in person or represented by proxy at the Annual Meeting. Under applicable Delaware law, in tabulating the votes, abstentions from voting on the election of Directors (including broker non-votes) will be disregarded and have no effect on the outcome of the vote.

Knight currently has seven members on its Board of Directors. All of the current members have been approved, recommended and nominated for re-election to the Board of Directors by our Nominating and Corporate Governance Committee and by the Board of Directors. In addition, James T. Milde has been nominated for election this year. Accordingly, the Board of Directors has resolved to increase the size of the Board to eight (8) members effective as of the Annual Meeting. Each of the seven current Directors nominated for election this year was elected by the stockholders at the 2004 Annual Meeting of Stockholders. The Board of Directors has determined that Mr. Milde and each of its current Directors, except for Mr. Joyce, our Chairman and Chief Executive Officer, are independent within the meaning of the Securities and Exchange

The Board of Directors has been informed that all persons listed below are willing to serve as Directors, but if any of them should decline or be unable to act as a Director, the individuals named in the proxies will vote for the election of such other person or persons as they, in their discretion, may choose. The Board of Directors has no reason to believe that any such nominees will be unable or unwilling to serve.

The Finance and Audit Committee operates under a written charter adopted by the Board of Directors on March 29, 2004 which is available through the Knight corporate web site at www.knight.com in the Corporate Governance section. Bolster and Doherty. The 162(m) Committee provided assistance to the Board of Directors and the Compensation Committee in 2004 by setting performance-based compensation criteria for the Company's Chief Executive Officer and other key executives, certifying the results of such performance at the end of the annual performance period and awarding the resulting performance-based compensation to such key executives. The NCGC met three (3) times during 2004.

The NCGC is governed by a written charter, a current copy of which is available on our corporate website at www.knight.com in the Corporate Governance section. The Board has also adopted a set of written Corporate Governance Guidelines recommended by the NCGC, which is also available on our corporate website. A copy of the charter, along with the Corporate Governance Guidelines, is also available in print to stockholders upon request, addressed to Corporate Communication and Investor Relations at Knight Trading Group, Inc., 545 Washington Boulevard, Jersey City, New Jersey 07310.

Nomination Process

The NCGC believes that the minimum qualifications for serving as a Director of the Company are that a nominee demonstrate, by significant accomplishment in his or her field, an ability to make a meaningful contribution to the Board's oversight of the business and affairs of the Company and have an impeccable record and reputation for honest and ethical conduct in both his or her professional and personal activities. In

this regard, the NCGC examines a candidate s specific experiences and skills, time availability in light of other

commitments, potential conflicts of interest and independence from management and the Company. Annex A to our Nominating and Corporate Governance Committee Charter lists criteria for nomination to our Board. Also, our Corporate Governance Guidelines list specific qualification rules for all of our Board members and nominees.

The NCGC, through its Nomination Sub-Committee, identifies potential nominees by asking current Directors and executive officers to notify the Nomination Sub-Committee if they become aware of persons meeting the criteria described above. The NCGC also, from time to time, engages firms that specialize in identifying director candidates. As described below, the Committee will also consider candidates recommended by stockholders.

Once a person has been identified by the Nomination Sub-Committee as a potential candidate, the NCGC may collect and review publicly available information regarding the person to assess whether the person should be considered further. If the NCGC determines that the candidate warrants further consideration, the Nomination Sub-Committee contacts the person. Generally, if the person expresses a willingness to be considered and to serve on the Board, the Nomination Sub-Committee requests information from the candidate, reviews the person's accomplishments and qualifications, and conducts one or more interviews with the candidate. In certain instances, the Nomination Sub-Committee members may contact one or more references provided by the candidate or may contact other members of the business community or other persons who may have greater first-hand knowledge of the candidate's accomplishments and qualifications. Once the Nomination Sub-Committee has completed its work, it provides the NCGC with all information regarding the candidate. The NCGC's evaluation process does not vary based on whether or not a candidate is recommended by a stockholder.

In December 2004, Mr. Lazarowitz, chairman of our Nomination Sub-Committee, suggested that the NCGC consider Mr. Milde as a candidate for nomination to the Board due to his strong management and technological background. After a review of his qualifications, the NCGC recommended that Mr. Milde be considered for election to the Board of Directors. The Board of Directors followed the NCGC recommendation and has nominated Mr. Milde for election to the Board of Directors at this Annual Meeting.

Corporate Governance Guidelines

The NCGC is responsible for overseeing the Corporate Governance Guidelines and reporting and making recommendations to the Board concerning governance matters. Among other matters, the Corporate Governance Guidelines include the following items concerning the Board of Directors: (i) independent Directors will comprise a majority of the Board; (ii) disqualifying factors preventing a Board candidate or member from serving or continuing to serve on the Board, absent a waiver by a majority of the Board; and (iii) qualifications for non-employee and employee Board members.

Nominations of Directors by Stockholders

The NCGC will consider director candidates recommended by stockholders. In considering candidates submitted by stockholders, the NCGC will take into consideration the needs of the Board and the qualifications of the candidate. To have a candidate considered by the NCGC, a stockholder must submit the recommendation in writing and must include the following information (as more fully described in the Company's Amended and Restated By-Laws): (i) the name of the stockholder and evidence of the person's ownership of Company stock, including the number of shares owned; and (ii) the name of the candidate, the candidate's resume or a listing of his or her qualifications to be a Director of the Company, and the person's consent to be named as a Director if selected by the NCGC and nominated by the Board.

COMPENSATION COMMITTEE

REPORT ON EXECUTIVE COMPENSATION

The Compensation Committee was formed in April 1998 and has responsibility for approving and evaluating executive officer compensation, incentive compensation and equity-based plans, policies and programs of the Company and its subsidiaries. The Compensation Committee also evaluates the performance of the Company's Chief Executive Officer, and based on such evaluation, reviews and approves his annual salary, cash incentive and long-term equity incentive.

The Compensation Committee operates pursuant to a written Charter that was amended and restated in January 2004, which Charter is available on our website at www.knight.com in the Corporate Governance section. The Compensation Committee currently consists of Messrs. Doherty, Bolster, Lazarowitz and Riney, none of whom, except for Mr. Lazarowitz, has ever been an employee of the Company. Mr. Doherty serves as the Chairman of the Compensation Committee. The Board of Directors has determined that each member of the Compensation Committee is independent within the meaning of Nasdaq's independence standards, as currently in effect.

In 2002, the Board formed a formal 162(m) Committee which provided assistance to the Board of Directors and the Compensation Committee by setting performance-based compensation criteria for the Company's Chief Executive Officer and other key executives, certifying the results of such performance at the end of the annual performance period and awarding the resulting performance-based compensation to such key executives. The 162(m) Committee also made grants of equity-based compensation to the Company's Chief Executive Officer and other key executives. Each member of the 162(m) Committee qualified as a non-employee director under Rule 16b-3 of the Securities Exchange Act of 1934 (the Exchange Act) and as an outside director under Section 162(m) of the Internal Revenue Code (the Code). As of January 21, 2004, the Board dissolved the 162(m) Committee and in its place constituted a sub-committee of the Compensation Committee of which the members are Messrs. Bolster and Doherty. Each member of the 162(m) Sub-Committee qualifies as a non-employee director under Rule 16b-3 of the Exchange Act and as an outside director under Section 162(m) of the Code.

The Compensation Committee's primary responsibilities include reviewing the Company's executive compensation plans; reviewing and approving corporate goals and objectives relevant to the Chief Executive Officer's compensation; annually reviewing the performance and compensation of executive officers, including the Chief Executive Officer; reviewing the Company's incentive compensation plans and equity-based plans, and approving specified awards to employees and officers; assisting the Board of Directors in its oversight of the development, implementation and effectiveness of our policies and strategies relating to our human capital management function; and preparing this Report. As part of this responsibility, the Compensation Committee administers the 1998 Plan, the EIP, the 2003 Plan and the Knight Trading Group, Inc. 2003 Incentive Share Program (the 2003 ISP Plan). The 2003 Plan is intended to supplement the 1998 Plan and replace it upon all authorized shares being granted under the 1998 Plan.

Set forth below is a description of the policies and practices that the Compensation Committee implemented in 2004 and will implement with respect to future compensation determinations.

Edgar Filing: KNIGHT TRADING GROUP INC - Form DEF 14A

Compensation Philosophy. The Company's compensation program is designed to align executive and employee compensation with stockholder interests, to attract, reward and retain highly qualified executives and

employees, and to encourage the achievement of business objectives and superior corporate performance. The program ensures the Board of Directors and stockholders that: (1) the achievement of the overall goals and objectives of the Company can be supported by adopting an appropriate executive and employee compensation policy and implementing it through an effective total compensation program; and (2) the total compensation program and practices of the Company are designed with full consideration of all accounting, tax, securities law and other regulatory requirements and are of the highest quality.

The Company's executive officer compensation program generally consists of three key elements: salary, annual awards under the EIP and other long-term equity-based awards. Salary is paid in cash on a monthly or semi-monthly basis throughout the year. Awards allowable under the EIP consist of a combination of cash, deferred cash and long-term equity-based awards consisting of stock options, restricted stock and/or restricted stock units. Such long-term equity-based awards are made pursuant to the 1998 Plan and/or the 2003 Plan, while deferred cash is awarded through the 2003 ISP Plan. Other long-term equity-based awards are made pursuant to either the 1998 Plan and/or the 2003 Plan. In addition to the above, executive officers may also be granted compensation outside of the EIP.

Compensation. The target compensation of executive officers is determined by first establishing the competitive range of compensation in peer companies of like size and complexity. The amount of each officer's target compensation is then established within that range based upon an evaluation of the officer's relative responsibility and the individual's overall level of experience with the Company and within the industry. Annual target compensation adjustments are determined by giving consideration to several factors: the Company's performance for the year; the individual's contribution to that performance; comparison with pay levels of comparable positions in the marketplace; internal comparisons; and, where applicable, the terms of existing employment contracts.

Salaries. Salaries of executive officers are fixed at the beginning of each year and typically are not changed during the year except for changes in responsibility. In general, salaries are intended to make up a smaller portion of overall executive compensation.

Executive Incentive Plan. The EIP was designed to: (1) advance the interests of the Company and its stockholders by providing incentives in the form of periodic bonus awards to certain key employees who contribute significantly to the strategic and long-term performance objectives and growth of the Company; and (2) further align the interests of the Company's key employees with the interests of the stockholders since payment of bonus awards under the EIP are based on Company or subsidiary performance criteria. The EIP provides for additional annual compensation based on the achievement of performance goals. Allocation of annual incentive compensation among cash, deferred cash, stock options and restricted stock (or restricted stock units) is based on a formula that provides a higher percentage of current cash to individuals who receive smaller awards and a higher percentage of deferred cash and equity awards to individuals with larger awards. Stock options, restricted stock and restricted stock units are awarded under the 1998 Plan and/or the 2003 Plan.

Deferred cash compensation vests after two years and is paid out upon vesting; earnings on this compensation depend on the Company's operating income during those years of deferral. Deferred cash compensation is awarded in accordance with the 2003 ISP Plan that was approved by the Board of Directors in early 2003. We did not make any awards under the 2003 ISP Plan related to 2003 or 2004 executive compensation, but did make awards under the 2003 ISP Plan related to 2002 executive compensation. These 2002 awards to executive officers vested and were paid in January of 2005.

Section 162(m) of the Code limits the deductibility of certain compensation paid to the Chief Executive Officer and the four most highly compensated executive officers (the "covered employees") in excess of the statutory maximum of \$1 million per covered employee. Compensation which is performance-based is not subject to this statutory maximum on deductibility. The Compensation Committee's general policy is, where

feasible, to structure the compensation paid to the covered employees so as to allow it to qualify as performance-based compensation; however, the Compensation Committee retains the flexibility, where necessary to promote incentive and retention goals, to pay compensation which may not qualify as performance-based compensation.

Long-term Incentives. The Company also issues long-term equity awards whose value is directly related to the value of the Company's Class A Common Stock. These equity-based awards are granted by the Compensation Committee pursuant to the 1998 Plan and/or the 2003 Plan. Individuals to whom equity-based awards are granted and the amount of Knight Class A Common Stock related to such equity-based awards are determined at the discretion of the Compensation Committee. Because individual equity-based award levels will be based on a subjective evaluation of each individual's overall past and expected future contribution, no specific formula is used to determine such awards for any executive.

Compensation of Chief Executive Officer. For 2004, Mr. Joyce received compensation valued at \$9,000,000 consisting of the following: (i) base salary of \$750,000; and (ii) awards under the EIP valued at \$8,250,000 after Mr. Joyce satisfied the performance criteria previously set by the Company. The awards under the EIP consisted of the following: (i) cash equal to \$5,112,500 which, with the exception of \$60,000 paid in August 2004, was paid in January 2005; and (ii) shares of restricted stock granted on January 31, 2005 having a value of \$3,137,500 based on the average of the high and low sales prices of a share of Class A Common Stock on the day preceding such grant date. All restricted shares vest in three equal installments on the first, second and third anniversaries of the grant date. Mr. Joyce also received other compensation of \$67,997 as reimbursement for car services, and related taxes thereon, provided under his employment agreement.

Employment Contracts. Mr. Joyce is the only Named Executive Officer currently under an employment contract. See Management Contracts and Change in Control Agreements.

Copies of these reports must also be furnished to the Company. Based solely upon its review of copies of such reports furnished to the Company through the date hereof, or written representations that no reports were required to be filed, the Company believes that during the fiscal year ended December 31, 2004, all filing requirements applicable to its officers and Directors were complied with in a timely manner.

FINANCE AND AUDIT COMMITTEE REPORT

During 2004, the Finance and Audit Committee of the Board of Directors (the Committee) provided assistance to the Company's Board of Directors in fulfilling its oversight of: (1) the integrity of the financial statements and its risk and control environment; (2) the relationship with the independent auditor; (3) the Company's internal audit function; (4) compliance with applicable legal and regulatory requirements; and (5) compliance with the Company's Code of Business Conduct and Ethics. The Committee also reviewed and made recommendations to the Board regarding: (i) all proposed material capital formation plans, including planned issuances of equity securities and debt instruments, and stock repurchase programs; and (ii) certain acquisitions, investments, new business ventures, and divestitures by the Company. The Committee

Edgar Filing: KNIGHT TRADING GROUP INC - Form DEF 14A

operated under an amended and restated Charter adopted on March 29, 2004 (the "Charter").

The Committee comprises three independent Directors. The Board of Directors has determined in its business judgment that each Committee member complied with the independence, experience and financial literacy requirements set forth by The Nasdaq Stock Market, Inc., The Sarbanes-Oxley Act of 2002 and rules adopted by the SEC pursuant to The Sarbanes-Oxley Act of 2002, as currently in effect (the "Act"). The Board of Directors has also determined in its business judgment that Messrs. Griffith, Doherty and Lockburner are each an

audit committee financial expert as defined under SEC rules. The SEC provides that an audit committee financial expert does not have additional duties, obligations or liabilities and is not considered an expert under the U.S. Securities Act of 1933.

For 2004, PricewaterhouseCoopers LLP (PwC) was the Company's independent auditor. The Committee is responsible for retaining and, as necessary, terminating, the independent auditor and pre-approves all audit and non-audit services and fees to be provided by the independent auditor. The Committee received and reviewed the written disclosures and the letter from its current independent auditor, PwC, required by Independence Standards Board Standard No. 1 (Independence Discussions with Audit Committees) regarding auditor independence, and held discussions and reviewed with the independent auditor all relationships it has with the Company to determine and satisfy itself regarding the independent auditor's independence. When considering the independence of the Company's independent auditor, the Committee considered whether the auditor's provision of services to the Company beyond those rendered in connection with its audit and review of the Company's consolidated financial statements was compatible with maintaining its objectivity and independence. The Committee reviewed and approved, among other matters, the amount of fees paid to PwC for audit and non-audit services. All non-audit services performed by the independent auditor must be pre-approved by the Committee or a specified member thereof. The Committee also evaluated the qualifications and performance of the independent auditor. Based on its review of these matters, the Committee selected PwC as the Company's independent auditor for the year ended December 31, 2005, which selection was ratified by the Board of Directors and has also been submitted to the stockholders for ratification at the Annual Meeting.

Management is responsible for the financial reporting process, including the system of internal control and the preparation, presentation and integrity of the consolidated financial statements in accordance with generally accepted accounting principles. The independent auditor is responsible for conducting an independent audit of the financial statements in accordance with generally accepted auditing standards. The Committee is responsible for monitoring and reviewing these processes. The Committee relies, without independent verification, on the information provided to it and on the representations made by management and the independent auditor.

In performing its duties, the Committee held fifteen (15) meetings during 2004. The Committee met in executive session six (6) times during regularly scheduled meetings held throughout the year. Additionally, the Committee met in private session with the Chief Financial Officer, Chief Legal Officer/General Counsel, Director of Risk Management, Director of Internal Audit, and independent auditor during various meetings held throughout the year. These meetings were designed, among other things, to encourage free and open communications among the Committee, management and independent auditor. The independent auditor has free access to the Committee to discuss any matters it deems appropriate. The Committee has discussed with the independent auditor, with and without management present, the overall scope and plan for its annual audit, the results of its examination and the overall quality of the Company's financial reporting and its evaluation of the Company's internal controls, including its assessment on management's assertion of the adequacy of the Company's controls over financial reporting. Additionally, the Committee discussed matters related to the conduct of the audit and other matters required to be discussed by Statements on Auditing Standards No. 61, as amended (Communications with Audit Committees). The Committee also reviewed and discussed the audited consolidated financial statements for the year ended December 31, 2004 with management and the independent auditor.

During the course of 2004, management completed the documentation, testing and evaluation of the Company's system of internal control over financial reporting in response to the requirements set forth in Section 404 of The Sarbanes-Oxley Act of 2002 and related regulations. The Finance and Audit Committee was kept apprised of the progress of the evaluation and provided oversight and advice to management during the process. In connection with this oversight, the Finance and Audit Committee received periodic updates provided by management and the independent auditors at each regularly scheduled Finance and Audit Committee meeting. At the conclusion of the process, management provided the Finance and Audit Committee with its report on the effectiveness of the Company's internal control over financial reporting.

For the year ended December 31, 2004, the Committee performed all of its duties and responsibilities under the Charter. Based on the Committee's discussions with management and the independent auditor, review of the representations of management, including management's Report on Internal Control over Financial Reporting as required by Section 404 of the Act, and the report of the independent auditor to the Committee, and subject to the limitations on the role of the Committee referred to above and in the Charter, the Committee recommended to the Board of Directors that the Company's audited consolidated financial statements for the year ended December 31, 2004 be included in the Company's Annual Report on Form 10-K.

Fees Paid To Our Independent Auditor

In addition to retaining PwC to audit the consolidated financial statements for 2004, the Company retained PwC, as well as other accounting and consulting firms, to provide various consulting services in 2004, and expects to continue to do so in the future. The Company understands the need for PwC to maintain its objectivity and independence in its audit of the Company's financial statements and, therefore, the Company does not use PwC for strategic consulting services, development of tax planning transactions or for services prohibited by The Sarbanes-Oxley Act of 2002 such as internal audit work and financial information system design and implementation. The Company uses PwC for non-audit work when it concludes that PwC is the most appropriate provider of that service and such work is compatible with maintaining its objectivity and independence.

The following fees were paid to PwC, the Company's independent auditor, for services rendered in 2004 and 2003:

	2004	2003
Audit fees	\$ 1,233,145	\$ 713,346
Non-audit fees:		
Audit-related fees	83,500	145,734
Tax Fees	232,516	338,823
Total Non-audit fees	316,016	484,557
Total Fees Paid to PwC	\$ 1,549,161	\$ 1,197,903

Audit fees represent the aggregate fees for professional services rendered for the audit of the Company's annual financial statements for the applicable year and reviews of the Company's financial statements included in SEC Forms 10-Q during such year. Audit fees for 2004 also include the audit of management's report on the effectiveness of the Company's internal control over financial reporting, as required by Section 404 of The Sarbanes-Oxley Act of 2002 (Section 404).

Audit-related fees primarily represent fees paid in the applicable year for audits of benefit plans, due diligence related to acquisitions and financial accounting consultations. Audit-related fees for 2003 also include advice and consultations in connection with planning for the attestation required by Section 404.

Tax fees represent fees paid in the applicable year for assistance with domestic and international income tax compliance, expatriate employee tax compliance, tax examinations, and general tax advice. This amount includes \$59,000 paid in January 2005 related to tax services performed in 2004.

Policy on Finance and Audit Committee Pre-Approval of Audit and Non-Audit Services of Independent Auditor

The Finance and Audit Committee (the Committee) is responsible for appointing, setting compensation and overseeing the work of the independent auditor. The Committee has established a policy regarding pre-approval of all audit and non-audit services provided by the independent auditor and fees related to such services.

On an ongoing basis, management communicates specific projects and categories of service for which the advance approval of the Committee is requested. The Committee reviews these requests and advises management if the Committee approves the engagement of the independent auditor. The Committee may delegate to one or more of its members the authority to grant pre-approval required by this policy. On a periodic basis, management reports to the Committee regarding the actual spending for such projects and services compared to the pre-approved amounts.

In granting pre-approval of non-audit services, the Committee considered whether the provision of non-audit services rendered by our independent auditor is compatible with maintaining their objectivity and independence. The Committee concluded that such objectivity and independence has been maintained.

PROPOSAL 3 RATIFICATION OF SELECTION OF INDEPENDENT AUDITOR

The Finance and Audit Committee of the Board of Directors has selected PricewaterhouseCoopers LLP (PwC) as the Company s independent auditor for the fiscal year ending December 31, 2005 as required under The Sarbanes-Oxley Act of 2002 and rules adopted by the SEC pursuant to The Sarbanes-Oxley Act of 2002. Additionally, the Board of Directors has ratified the selection of PwC as the Company s independent auditor and we are submitting the selection of PwC for stockholder ratification at the Annual Meeting.

PwC representatives will be present at the Annual Meeting and will have an opportunity to make a statement if they desire to do so and will be available to respond to appropriate questions.

Although stockholder action on this matter is not required under our Amended and Restated By-Laws or Amended and Restated Certificate of Incorporation, this appointment is being recommended to the stockholders for ratification (as we have done in prior years) because we believe it is a matter of good corporate practice. If our stockholders do not ratify the selection of PwC, the Finance and Audit Committee will reconsider whether or not to retain PwC, but still may retain them. Even if the selection is ratified, the Finance and Audit Committee, in its discretion, may change the appointment at any time during the year if it determines that such a change would be in the best interests of the Company and its stockholders.

Pursuant to applicable Delaware law, the ratification of the selection of PwC requires the affirmative vote of the holders of a majority of the votes cast at the Annual Meeting, in person or by proxy, and entitled to vote. Abstentions will be counted and will have the same effect as a vote against the proposal. Broker non-votes will be disregarded and have no effect on the outcome of the vote.

THE FINANCE AND AUDIT COMMITTEE OF THE BOARD OF DIRECTORS RECOMMENDS THAT STOCKHOLDERS VOTE **FOR** THE RATIFICATION OF THE SELECTION OF PRICEWATERHOUSECOOPERS LLP AS THE COMPANY S INDEPENDENT AUDITOR FOR 2005.
