In this proxy statement, TER shall refer to Trump Entertainment Resorts, Inc., a Delaware corporation, and words such as we, us, our, and our company shall mean TER and its subsidiaries, including, Trump Entertainment Resorts Holdings, L.P. (TER Holdings), and each of their respective predecessors-in-interest, Trump Hotels & Casino Resorts, Inc. and Trump Hotels & Casino Resorts Holdings, L.P., which we collectively refer to as THCR.

Our principal executive offices are located at the Trump Taj Mahal Casino Resort at 1000 Boardwalk at Virginia Avenue, Atlantic City, New Jersey 08401. The main telephone number of our executive offices is (609) 449-5573. A copy of our 2005 Annual Report, this proxy statement and the accompanying proxy card and entrance pass are first being sent or given to stockholders on or about March 27, 2006.

Date, Time and Place

The meeting will be held at 8:30 a.m., local time, on Thursday, April 27, 2006, at the law offices of Weil, Gotshal & Manges LLP, 767 Fifth Avenue, New York, New York 10153 on the 25th floor.

Matters to be Considered

At the meeting, stockholders will be asked to elect three Class II Directors to our Board. See ELECTION OF CLASS II DIRECTORS. The Board does not know of any matters to be brought before the meeting other than as set forth in the notice of meeting. If any other matters properly come before the meeting, the persons named in the enclosed form of proxy or their substitutes will vote in accordance with their best judgment on such matters.

Record Date; Shares Outstanding and Entitled to Vote

Stockholders as of the close of business on March 20, 2006, the record date, are entitled to receive notice of and to vote at the meeting. As of the record date, there were 27,745,860 shares of our Common Stock outstanding and 900 shares of our Class B Common Stock outstanding. Each share of our Common Stock is entitled to one vote. The 900 shares of our Class B Common Stock, all of which are owned by Donald J. Trump, represent Mr. Trump's limited partnership interest in TER Holdings, and have the voting equivalency of 9,377,484 shares of our Common Stock. TER is the sole general partner, as well as a limited partner, of TER Holdings.

Our Common Stock and Class B Common Stock will vote as a single class on the election of Class II Directors.

In order to attend the meeting, you must bring photo identification and the enclosed entrance pass.

Required Votes

The affirmative vote of a plurality of shares of Common Stock and Class B Common Stock, voting as a single class, present in person or by proxy and entitled to vote at the meeting is required for the election of directors. Consequently, only shares that are voted in favor of a particular nominee will be counted. Shares present at the meeting that are not voted for a particular nominee or shares present by proxy where the stockholder properly withholds authority to vote for the nominee, including broker non-votes, will not be counted toward each nominee's achievement of a plurality.

Donald J. Trump, our Board's Chairman, beneficially owns 9,379,696, or approximately 25.3% of the shares of our Common Stock outstanding as of the record date, including 9,377,484 shares of Common Stock

Table of Contents

represented by 900 shares of our Class B Common Stock. These amounts exclude 2,664,639 shares of our Common Stock issuable upon the exercise of warrants held by Mr. Trump which do not have any voting rights until exercised. Mr. Trump has advised us that he intends to vote for the election of each Class II Director named herein. In addition to Mr. Trump's holdings, all our other directors and executive officers beneficially own in the aggregate approximately 1.4% of our Common Stock outstanding at the record date, excluding shares of our Common Stock issuable upon the exercise of options and warrants.

Voting and Revocation of Proxies

Stockholders are requested to date, sign and promptly return their proxy card in the enclosed postage prepaid envelope. Voting instructions are provided on the proxy card.

Shares represented by properly executed proxy cards, received by us which are not later revoked will be voted at the meeting in accordance with the instructions contained therein. If instructions are not given, executed proxies will be voted *FOR* the election of each Class II Director.

You can vote one of three ways for the election of the Class II Directors. By checking the appropriate box on your proxy card, you may:

Vote *FOR* all of the Class II Directors as a group;

WITHHOLD AUTHORITY to vote for all the Class II Directors; or

Vote *FOR* all the Class II Directors as a group except for those nominees you specifically identify on the appropriate line.

If your shares are held in the name of a bank or broker, you should follow the voting instructions on the form you receive from them.

If a stockholder does not return a signed proxy card or attend the meeting and vote in person, his or her shares will not be voted.

A proxy card may be revoked at any time before it is exercised by executing and delivering a later-dated proxy card to the Secretary of our company at our address set forth herein by voting in person at the meeting. Attendance at the meeting will not alone constitute revocation of a proxy.

Householding of Annual Report and Proxy Materials

Edgar Filing: TRUMP ENTERTAINMENT RESORTS, INC. - Form DEF 14A

We have adopted a procedure approved by the Securities and Exchange Commission (the SEC) called householding. Under this procedure, stockholders of record who have the same address and last name and do not participate in electronic delivery of proxy materials will receive only one copy of our 2005 Annual Report and proxy statement, unless one or more of these stockholders notifies us that they wish to continue receiving individual copies. This procedure will reduce our printing costs and postage fees. Stockholders who participate in householding will continue to receive separate proxy cards.

If you are eligible for householding, but you and other stockholders of record with whom you share an address currently receive multiple copies of the 2005 Annual Report and/or the proxy statement, or if you hold stock in more than one account, and in either case you wish to receive only a single copy of each of these documents for your household, please contact our stock transfer agent, Continental Stock Transfer & Trust Company (in writing: 2 Broadway, 19th Floor, New York, New York 10004; Attention: Bruce Jacoby; by telephone: (212) 509-4000).

If you participate in householding and wish to receive a separate copy of the 2005 Annual Report or this proxy statement, or if you do not wish to participate in householding and prefer to receive separate copies of these documents in the future, please contact Continental Stock & Transfer Company as indicated above.

Beneficial owners can request information about householding from their banks, brokers or other holders of record.

REPORT OF THE COMPENSATION COMMITTEE ON EXECUTIVE COMPENSATION

The following report of the Compensation Committee shall not be deemed to be soliciting material or to be filed with the SEC, nor shall the information be incorporated by reference into any future filings under the Securities Act or the Exchange Act, except to the extent that we specifically incorporate it by reference in a filing.

Our Compensation Committee acts on behalf of the Board of Directors and is responsible for setting the compensation levels of the company's Chief Executive Officer and other senior executives, including those executive officers named in the Summary Compensation Table. The Compensation Committee is also responsible for the administration of certain compensation and benefit plans. The Compensation Committee acts under a charter adopted by the Board and which provides for its governance. On June 3, 2005, our Board appointed the current members of the Compensation Committee, Morton E. Handel (Chairman), Edward H. D'Alenio and Don M. Thomas, each of whom are deemed to be independent.

Fundamental Objective

The fundamental objective of the Compensation Committee is to design and implement a competitive compensation program that attracts, motivates, rewards and retains executives while aligning their interests with the interests of our security holders. The objective gives the Board and our security holders comfort that (i) the achievement of our overall goals and objectives can be supported by adopting an appropriate executive compensation policy and implementing it through an effective comprehensive compensation program and (ii) our total compensation programs and practices are designed with full consideration of all accounting, tax, securities law and other regulatory requirements, and are of the highest quality.

During 2005, our executive compensation program consisted of two key elements: (i) an annual compensation component composed of base salary and bonus and (ii) a long-term compensation component composed of equity-based awards granted under the Trump Entertainment Resorts, Inc. 2005 Incentive Award Plan approved by our Board and subsequently adopted by our stockholders at the 2005 Annual Stockholders Meeting on October 6, 2005.

Evaluation Process

In order to meet our committee's fundamental objective, we are engaged in an ongoing process of re-examining executive compensation in light of current market conditions, the overall performance of our company and of each of our individual properties, and the executives on an individual basis. As part of this process and in anticipation of our emergence from reorganization proceedings in May 2005, our predecessor company had engaged an independent compensation consulting firm which conducted one-on-one interviews with certain members of our predecessor's management team, examined its compensation practices and prepared a report regarding the appropriate compensation guidelines for our executive officers. Generally, their report provided a comparative analysis of each of the components which make up our compensation program based on our peer companies, including annual base salary, annual bonus compensation based on our overall performance and for a particular property when relevant, and long-term incentive compensation.

Compensation Decisions in 2005

Annual base salaries and bonuses paid to our executives in 2005 were paid either under contractual obligations entered into by our predecessor company prior to the Effective Date or in connection with our recruitment and retention of key management personnel after the Effective Date. Base salary and bonus levels for executives joining the company after the Effective Date were based on our assessment of various quantitative and qualitative factors, and our anticipated performance in relation to industry and peer performance, progress toward achievement of our long-term business goals, quality of our earnings and the overall business and economic environment. The Compensation Committee believes that, in accordance with its exercise of sound business judgment, the determination of annual salary and bonus levels is inherently subjective and must include a review of all relevant information, with no predetermined weight given to any of the factors considered.

Table of Contents

Long-Term Compensation

In order to align stockholders' and executive officers' interests, the long-term component of our executive compensation program utilizes equity-based awards whose value is directly related to the value of our Common Stock. These equity-based awards are granted by the Compensation Committee pursuant to the Trump Entertainment Resorts, Inc. 2005 Incentive Award Plan which was adopted by our stockholders at the 2005 Annual Stockholders' Meeting and permits the grant of equity-based awards to our non-employee directors, key employees and consultants. An aggregate amount of four million shares of Common Stock may be issued under the Plan until its expiration in 2015. Because individual equity-based award levels will be based on a subjective evaluation of an individual's overall past and expected future contribution, no specific formula is used to determine such awards for any executive. During 2005, we granted awards for 560,000 shares of common stock under the 2005 Incentive Award Plan, consisting of (i) restrictive stock awards of an aggregate of 70,000 shares of Common Stock to our non-employee directors and 190,000 shares of Common Stock to certain executive officers and (ii) stock options exercisable for up to 300,000 shares of Common Stock.

CEO Compensation

On July 6, 2005, we entered into an employment agreement with James B. Perry pursuant to which the Board appointed Mr. Perry as the company's Chief Executive Officer and President. Mr. Perry's compensation under the employment agreement primarily consists of the following components: (i) an annual base salary of not less than \$850,000; (ii) a cash bonus of \$320,000 paid in January 2006; (iii) a restrictive stock award grant of 100,000 shares, subject to vesting schedules tied to Mr. Perry's continued employment with the company; (iv) reimbursement of business related and certain personal expenses; and (v) an annual bonus commencing in 2006 pursuant to which Mr. Perry will be eligible to receive an annual cash bonus based upon the achievement of reasonable objective performance targets established by the Compensation Committee in consultation with Mr. Perry and which would be at least 75% of Mr. Perry's annual base salary (the "Target Bonus") if Mr. Perry meets the minimum targets set by the Compensation Committee and up to 175% of the Target Bonus if Mr. Perry meets the maximum targets set by the Compensation Committee. The actual earned annual bonus payable to Mr. Perry for any performance period over the minimum will depend upon the extent to which the applicable reasonable performance goals specified by the Compensation Committee are achieved as determined by the Compensation Committee in connection with Mr. Perry.

The terms of Mr. Perry's employment agreement, including annual base salary, bonuses, and restrictive stock grant, were targeted and evaluated by the Compensation Committee to be competitive with other similarly sized and situated companies in the casino entertainment industry and the responsibilities associated with the position being filled in light of the company's recent emergence from chapter 11 reorganization proceedings and Mr. Perry's individual overall level of experience.

Tax Deductibility of Executive Compensation.

Section 162(m) of the Internal Revenue Code of 1986, as amended, limits the tax deductibility of compensation in excess of \$1.0 million paid to certain members of senior management, unless the payments are made under a performance-based plan as defined in Section 162(m) of the Code. The 2005 Incentive Award Plan is designed to allow for the grant of equity-based awards that are performance-based and therefore exempt from the application of Section 162(m) of the Code. While the Compensation Committee considers the deductibility of senior management compensation in making its decisions, it also believes it is important to maintain the flexibility to take actions it considers to be in the best interests of our company and our stockholders, which may be based on considerations in addition to Section 162(m) of the Internal Revenue Code.

- the soundness of our internal controls.

The Audit Committee fulfills its responsibilities through periodic meetings with our independent auditors, internal auditors and management.

The directors who serve on the Audit Committee all meet the independence requirements promulgated by the SEC, including Rule 10A-3(b)(1) pursuant to the Exchange Act, and the independence rules of the Nasdaq Stock Market. Our Board made an affirmative determination as to the independence of each member of the Audit Committee, including a determination that no member of the Audit Committee has a relationship with the Company that may interfere with his or her independence from our company and its management. No member of the Audit Committee has participated in the preparation of our financial statements, and each member is able to read and understand fundamental financial statements. In addition, as disclosed above, our Board has determined that Michael A. Kramer is an audit committee financial expert, as defined in the applicable rules and regulations of the Exchange Act.

During the Pre-Effective Date Period, the Audit Committee of THCR's Board of Directors met with management and the independent auditors four times. From the Effective Date to December 31, 2005, our Audit Committee met ten times and discussed the interim financial information contained in each quarterly earnings announcement with our Chief Financial Officer, the independent auditors and in-house counsel prior to public release.

The Board has adopted a written charter setting out the authority and responsibilities of the Audit Committee. A copy of the Audit Committee Charter is available on our website and provides greater detail regarding the activities of the Audit Committee.

Management has primary responsibility for our consolidated financial statements and the overall reporting process, including our system of internal controls.

The independent registered public accounting firm audits the annual consolidated financial statements prepared by management, expresses an opinion as to whether those consolidated financial statements fairly present our financial position, results of operations and cash flows in conformity with generally accepted accounting principles and discusses with the Audit Committee any issues they believe should be raised with the Audit Committee.

For 2005, the Audit Committee engaged Ernst & Young LLP, as our independent registered public accounting firm. The Audit Committee reviewed our audited consolidated financial statements and met with both management and Ernst & Young LLP to discuss those consolidated financial statements. Management has represented to the Audit Committee that the consolidated financial statements were prepared in accordance with generally accepted accounting principles and fairly represent our financial condition and results of operations.

The Audit Committee monitors matters related to the independence of Ernst & Young LLP. The Audit Committee received a letter from Ernst & Young LLP containing a description of all relationships between the auditors and our company. Ernst & Young LLP has also confirmed in a letter to us that in their judgment, they are independent of our company within the requirements of Independence Standards (IBS) Standard No. 1, Independence Discussion with Audit Committees. The Audit Committee has discussed with the independent auditors the matters required to be discussed by SAS 61 (Codification of Statements on Auditing Standards, AU § 380).

Based on these reviews and discussions, the Audit Committee recommended to the Board that our audited consolidated financial statements be included in our Annual Report on Form 10-K for the fiscal year ended December 31, 2005.

During 2005, we completed the documentation, testing and evaluation of our system of internal control over financial reporting in response to the requirements set forth in Section 404 of the Sarbanes-Oxley Act of 2002. The Audit Committee was kept apprised of the progress of the evaluation and provided oversight and advice to management during the process. In connection with this oversight, the Audit Committee received periodic updates provided by management and Ernst & Young LLP. The Audit Committee reviewed the report of management contained in our Annual Report on Form 10-K for the year ended December 31, 2005. The Audit Committee also reviewed Ernst & Young LLP's Report of Independent Registered Public Accounting Firm included in our Form 10-K related to Ernst & Young LLP's audit of (i) our consolidated financial statements; (ii) management's assessment of the effectiveness of our internal control over financial reporting and (iii) the effectiveness of our internal control over financial reporting. The Audit Committee continues to oversee our efforts related to internal control over financial reporting and management's preparations for the evaluation in fiscal 2006.
