⁽²⁾ Estimated solely for the purpose of calculating the amount of the registration fee pursuant to Rule 457(h) of the 1933 Act and computed on the basis of the average of the high and low sales prices per share of Renasant Corporation common stock, \$5.00 par value, as reported on the NASDAQ Global Select Market on August 29, 2006.

EXPLANATORY NOTE

On December 23, 2002, Renasant Corporation (formerly known as The Peoples Holding Company, the registrant) filed a registration statement on Form S-8 (registration number 333-102152) (the 2002 Registrant Statement) registering 250,000 shares of the registrant's \$5.00 par value common stock (the common stock) for grant, award or issuance under the The Peoples Holding Company 2001 Long-Term Incentive Plan (as amended, the Plan). On December 1, 2003, the registrant effected a three-for-two stock split of its common stock, and as provided in the 2002 Registration Statement, the number of shares registered increased to 375,000 in accordance with Rule 416(a) under the Securities Act of 1933, as amended.

At its annual meeting held on April 19, 2005, shareholders of the registrant approved an amendment to the Plan providing for the grant, award or issuance of an additional 650,000 shares of common stock under the Plan. On August 28, 2006, the registrant effected a three-for-two stock split of its common stock. Pursuant to Article 4 of the Plan, the aggregate number of shares of the registrant's common stock available for issuance under the Plan, which includes the additional 650,000 shares approved by the shareholders of the registrant, was automatically adjusted to reflect such stock split. Accordingly, the number of shares approved by the shareholders in 2005 was adjusted to 975,000 shares. Pursuant to General Instruction E of Form S-8, this Registration Statement is being filed to register such additional 975,000 shares. An aggregate of 152,250 shares (after giving effect to the three-for-two stock split) of the shares registered pursuant to this Registration Statement relate to incentives previously granted and awarded under the Plan, in the form of 5,250 shares of restricted stock and 147,000 shares issuable upon exercise of stock options, which stock options are not currently exercisable. The remainder of the shares registered pursuant to this Registration Statement are reserved for future grants of incentives under the Plan. Pursuant to Form S-8, General Instruction E, the registrant incorporates by reference herein the contents of the 2002 Registration Statement (registration number 333-102152).
