Item 2.02. Results of Operations and Financial Condition

On October 18, 2006, the Company issued a press release announcing its financial results for the third quarter ended September 30, 2006. A copy of the Company's press release is attached and filed herewith as Exhibit 99.1 to this Form 8-K and is incorporated herein by reference.

The Company's consolidated financial statements prepared in accordance with generally accepted accounting principles (GAAP) are referred to as its reported financial statements. Loans included in securitization transactions which qualified as sales under GAAP have been removed from the Company's reported balance sheet. However, servicing fees, finance charges, and other fees, net of charge-offs, and interest paid to investors of securitizations are recognized as servicing and securitizations income on the reported income statement.

The Company's managed consolidated financial statements reflect adjustments made related to effects of securitization transactions qualifying as sales under GAAP. The Company generates earnings from its managed loan portfolio which includes both the on-balance sheet loans and off-balance sheet loans. The Company's managed income statement takes the components of the servicing and securitizations income generated from the securitized portfolio and distributes the revenue and expense to appropriate income statement line items from which it originated. For this reason the Company believes the managed consolidated financial statements and related managed metrics to be useful to stakeholders.

Item 7.01. Regulation FD Disclosure.

The Company hereby furnishes the information in Exhibit 99.2 hereto, Third Quarter Earnings Presentation for the quarter ended September 30, 2006.

Note: Information in Exhibit 99.2 furnished pursuant to Item 7.01 shall not be deemed to be filed for the purposes of Section 18 of the Securities Exchange Act of 1934 or otherwise subject to the liabilities of that section. Furthermore, the information provided in Exhibit 99.2 shall not be deemed to be incorporated by reference into the filings of the Company under the Securities Act of 1933.
