**Item 1.01. Entry into a Material Definitive Agreement.**

On December 28, 2006, Lennar Corporation (the Company) and LNR Property Corporation (LNR) reached an agreement to admit a new partner into their LandSource Communities Development LLC (LandSource) joint venture. The new partner is MW Housing Partners, which is co-managed by MacFarlane Partners and includes the California Public Employees Retirement System. The MW Housing venture will contribute cash and property with a combined value of approximately \$900 million in exchange for a 62% interest in LandSource. The property, which is part of an existing land bank relationship between MW Housing Partners and the Company is being contributed at today's fair market value. The Company will continue to have options to purchase those homesites at the market price at the time of the exercise. Both the Company and LNR will retain options and rights of first offer to purchase property currently owned by LandSource. The transaction will result in a distribution of approximately \$660 million each to the Company and LNR. The Company will retain an approximate 19% interest in LandSource. The Company issued a press release on January 2, 2007 announcing this transaction, a copy of which is filed as Exhibit 99.1 to this Current Report on Form 8-K.
