Each restricted stock unit award entitles the holder to receive, without payment to the Company, the number of shares of the Company's Common Stock, par value \$.01 (the "Common Stock") equal to the number of restricted stock units that become vested and to receive dividend equivalents on the restricted stock units determined by multiplying the number of restricted stock units by the dividend per share paid on the Common Stock on each date on which a dividend is paid to the holders of Common Stock after the grant date. The restricted stock units vest 33.34% on August 14, 2009 and 33.33% on each of August 14, 2010 and August 14, 2011.

The restricted stock units become non-forfeitable in the event the holder retires on or after February 14, 2009; provided, that the holder is at least 62 years old and has at least five years of service (a "Qualified Retirement") and executes a covenant not to compete and release of claims.

The restricted stock units will be accelerated and become payable upon termination of the holder due to the holder's death or disability or upon a change in control of the Company. In the event of the holder's termination for any other reason, the unvested portion of the restricted stock units shall be forfeited.

### **Performance Share Awards**

The performance share awards are to be earned as follows: 33.34% for fiscal year 2007 and 33.33% for each of fiscal years 2008 and 2009, upon attainment of designated basic earnings per share; provided, that upon a change in control of the Company, all of the performance share awards shall be deemed to be earned.

In the event of a voluntary termination, involuntary termination with or without cause or a Qualified Retirement, the holder shall forfeit all unearned performance share awards. In the event of termination due to death or disability, any performance share unit awards earned in the year of such termination shall be paid and the remainder shall be forfeited.

On or about March 1 of each year following the year in which the performance share awards are earned, the number of shares of Common Stock equal to the number of earned awards will be delivered to the named executive officers. Dividend equivalents on all earned performance share unit awards, if any, will be paid at the same time and same rate as dividends are paid on outstanding shares of Common Stock.

The exercise price of each stock option is \$ 22.335, the Fair Market Value of a share of the Common Stock on the date of the grant, determined in accordance with the Barnes Group Inc. Stock and Incentive Award Plan.

In the event of a termination due to death, disability or a change in control of the Company, the stock options will become exercisable in full. In the event of a death or disability termination, the stock options may be exercised within one year of such termination.

In the event of an involuntary termination without cause, unvested stock options shall be forfeited and the holder shall have one year to exercise vested stock options. In the event of an involuntary termination for cause all stock options are forfeited. In the event of a voluntary termination, unvested stock options shall be forfeited and vested options shall terminate as of the last day of employment.

In the event of a Qualified Retirement on or after February 14, 2008, so long as the holder executes a covenant not to compete, stock options shall continue to vest as scheduled. If the holder does not execute such covenant, unvested stock options shall be forfeited. If the holder also executes a release of claims, the holder shall have five years from the retirement date to exercise vested stock options. If the holder does not execute such release, the holder shall have one year to exercise vested stock options.
