B The Offer

B1 Q What is going on?

A On November 28, 2006, ScottishPower and Iberdrola announced the proposed acquisition of ScottishPower by Iberdrola. This acquisition is now in the process of being effected by way of a scheme of arrangement which is subject to various conditions including the approval of ScottishPower Shareholders and ADS Holders (in a Court Meeting and an EGM), and the Scottish Court of Session.

B2 Q Why is this happening?

A Please refer to the Chairman's letter in Part 1 of the Scheme Document for an explanation.

B3 Q What is the impact on me?

A As a current ScottishPower ADS Holder, you are being asked to approve the Offer, which is to be effected by way of a scheme of arrangement.

If the Offer becomes effective, following approval by ScottishPower Shareholders and ADS Holders and the Scottish Court of Session, then Iberdrola will acquire all the ordinary issued shares of ScottishPower (including the shares underlying ScottishPower ADSs).

B4 Q What will I receive under the Offer?

A You will receive 1,600p in cash and 0.6584 of an Iberdrola ADS for every ScottishPower ADS you hold at the Reorganisation Record Time, subject to elections made under the Mix and Match Facility, where ScottishPower Shareholders and ADS Holders may opt to vary the proportion of cash and shares or Iberdrola ADSs received subject to equal and opposite elections being made by other ScottishPower Shareholders and ADS Holders.

You should note that the underlying asset of one Iberdrola ADS is one New Iberdrola Share.

You will also be entitled to receive a Special Dividend of 48 pence for each ScottishPower ADS you hold at the Special Dividend Record Time, which is expected to be 9.00 a.m. (London time) on April 20, 2007.

B5 Q What does the Offer value my shares at?

- A** The value of the Offer per ScottishPower ADS consists of i) 1,600 pence in cash, ii) the Special Dividend of 48 pence and iii) for each ScottishPower ADS 0.6584 of an Iberdrola ADS (share component of the Offer).

While the value of the first two cash components is fixed, the value of the Iberdrola ADS component depends on the market value of an Iberdrola Share at any point in time and the most current Euro to Sterling exchange rate.

Based on the closing price of an Iberdrola Share on February 22, 2007 (the last practicable date prior to the publication of the Scheme Document) of £23.32 per Iberdrola Share (based on an exchange rate of £0.67125: 1, being the exchange rate on February 22, 2007), the Offer values each ScottishPower Share (including the Special Dividend) at 795.6 pence and therefore values each ScottishPower ADS at £31.82. [TO BE UPDATED DAILY]

Please note the US Dollar amount received upon any subsequent sale of an Iberdrola ADS will depend upon both the market price of an Iberdrola Share and the relevant Dollar/Euro exchange rate at the relevant time. No assurances can be given as to the price that will be received for Iberdrola ADSs sold.

B6 Q Do I need to return the ADS Letter of Transmittal and Election Form?

- A** As explained in paragraph 4 of Part 4 of the Scheme Document, you even if you do not wish to make an election under the Mix and Match Facility, if you are a registered ScottishPower ADS Holder you must return your ADS Letter of Transmittal and Election Form, along with any ScottishPower ADSs that you hold in certificated form, in order to receive the Basic Consideration, which in economic terms is equivalent to 1,600 pence and 0.6584 of an Iberdrola ADS for every ScottishPower ADS owned.

Any Iberdrola ADSs that have not been claimed six months after the effective date of the scheme of arrangement (expected to be April 23, 2007) may be sold by the ScottishPower Depository. If you return your ADS Letter of Transmittal and Election Form after that six-month period has expired, you will be entitled to receive only the cash consideration of 1,600 pence per ScottishPower ADS and the net cash proceeds from any such sale of the Iberdrola ADSs to which you otherwise would have been entitled. No assurances can be given as to the price that will be received for Iberdrola ADSs sold.

B7 Q How does the Mix and Match Facility work?

- A** As explained in paragraph 4 of Part 4 of the Scheme Document, you may elect to vary the proportions of cash consideration and Iberdrola ADSs to which you are entitled under the Offer. However, the total number of New Iberdrola Shares (including those underlying Iberdrola ADSs) and the amount of cash available will not be varied, so Iberdrola's ability to satisfy all elections for Iberdrola ADSs or cash consideration will depend on other ScottishPower Shareholders and ADS Holders making equal and opposite elections. To the extent that elections for New Iberdrola Shares (including those underlying Iberdrola ADSs) and/or cash consideration cannot be satisfied in full, they will be scaled down on a pro rata basis.

The Mix and Match Facility will remain open until 3.00 p.m. (New York time) on April 4, 2007 and, if you are a registered ScottishPower ADS Holder, can be elected for by using the ADS Letter of Transmittal and Election Form, which you should return, along with any ScottishPower ADSs that you hold in certificated form, in the non-postage-paid envelope provided, by post (properly insured) or by hand (during normal business hours) so as to be received by JPMorgan Chase Bank, N.A., Reorganization Department at one of the addresses provided on the ADS Letter of Transmittal and Election Form.

Edgar Filing: SCOTTISH POWER PLC - Form SC14D9C

Even if you do not wish to make an election under the Mix and Match Facility, if you are a registered ScottishPower ADS Holder, you must return your ADS Letter of Transmittal and

Election Form, along with any ScottishPower ADSs that you hold in certificated form, in order to receive the Basic Consideration, i.e. 1,600 pence and 0.6584 of an Iberdrola ADS for every ScottishPower ADS owned. Any Iberdrola ADSs that have not been claimed six months after the effective date of the scheme of arrangement (expected to be April 23, 2007) may be sold by the ScottishPower Depository. Therefore, if you return your ADS Letter of Transmittal and Election Form after that six-month period has expired, you will be entitled to receive only the cash consideration of 1,600 pence per ScottishPower ADS and the net cash proceeds from any such sale of the Iberdrola ADSs to which you otherwise would have been entitled.

If you hold your ScottishPower ADSs indirectly, you must rely on the procedures of the bank, broker, financial institution, share plan administrator or other nominee through which you hold your ScottishPower ADSs if you wish to make an election under the Mix and Match Facility.

B8 Q What ratio is used to determine elections under the Mix and Match Facility?

A As explained in paragraph 4 of Part 4 of the Scheme Document, under the Mix and Match Facility, ScottishPower ADS Holders will receive 1,520 pence in cash for each 0.6584 of an Iberdrola ADS (one Iberdrola ADS represents one Iberdrola Share) foregone, or 0.6584 of an Iberdrola ADS for every 1,520 pence in cash foregone.

This ratio has been calculated on the basis of the average closing price of an Iberdrola Share in pounds Sterling over the 15 trading days ending on February 22, 2007 (the last practicable date prior to the publication of the Scheme Document).

B9 Q When will I have to decide whether to accept Iberdrola's Offer?

A You do not have to accept the Offer but are being asked to vote on it:

To register your vote or indicate that you intend to attend and vote at the Meetings in person, complete and sign the ADS Voting Instruction Card and return it in the enclosed reply-paid envelope (for use in the US only) to JPMorgan Chase Bank, N.A., to be received no later than 3.00 p.m. (New York time) on March 26, 2007.

You may also cast your vote by calling +1-866-540-5760 or by logging onto www.proxyvoting.com/spi, where details of the procedure to be followed are set out. You can also refer to your ADS Voting Instruction Card for further details. You can cast your vote in this way any time before 11.59 p.m. (New York time) on March 25, 2007.

If you hold your ScottishPower ADSs indirectly, you must rely on the procedures of the bank, broker, financial institution, share plan administrator or other nominee through which you hold your ScottishPower ADSs if you wish to vote. Alternatively, if you wish to attend and vote at the Meetings in person, you may present your ScottishPower ADSs to the ScottishPower Depository for cancellation and receive (upon compliance with the terms of the ScottishPower Deposit Agreement, including payment of the ScottishPower Depository's fees and any applicable taxes and governmental charges) delivery of your ScottishPower Shares so as to become a registered holder of ScottishPower Shares prior to the Voting Record Time, which is 6.00 p.m. on 28 March 2007.

Even if you vote against the Offer or do not vote on it, it will be binding on you if a sufficient number of ScottishPower Shareholders and ScottishPower ADS Holders vote in favor of it and certain other conditions are met.

B10 Q What percentage of shareholders must vote in favour of the proposals?

A The scheme of arrangement will only become effective if: (a) more than 50 per cent. in number of the ScottishPower Shareholders present and voting at the Court Meeting (whether in person or by proxy) vote in favour of the Scheme; and (b) such majority holds 75 per cent. or more in value of the ScottishPower Shares (including ScottishPower ADS Holders as holders of ScottishPower Shares underlying their ADSs) present and voting at the Court Meeting (whether in person or by proxy).

In addition, it is necessary for the special resolution at the EGM to be approved by ScottishPower Shareholders and ScottishPower ADS Holders holding not less than 75 per cent. of the votes cast at the EGM (whether in person or by proxy).

B11 Q What happens if the Court Meeting or EGM does not approve the proposal?

A Then the scheme of arrangement will not take effect.

B12 Q What happens if I am not in favour of the Offer?

A If you do not approve of the Offer, then you are entitled to vote against the resolutions.

However, if the scheme of arrangement becomes effective, then the Offer will become binding on all ScottishPower Shareholders and ADS Holders and you will receive cash and Iberdrola ADSs (subject to any Mix and Match Election) for your ScottishPower ADSs, even if you voted against the resolutions.

B13 Q If the offer goes through, how will I receive my cash and ADSs?

A Completion of the Offer is expected to take place on April 23, 2007, with the cash consideration and Iberdrola ADSs expected to be despatched to the ScottishPower Depository within 14 days of the Effective Date (expected to be by May 7, 2007).

The ScottishPower Depository will send you a cheque for your portion of the cash consideration and a statement of entitlement to your Iberdrola ADSs as soon as possible thereafter (so long as it has received your completed ADS Letter of Transmittal and Election Form, along with any ScottishPower ADSs you hold in certificated form).

B14 Q What documentation will I receive in respect of my Iberdrola ADSs?

A All Iberdrola ADSs issued will be issued in book entry form through the direct registration system maintained by the Iberdrola Depository. You will receive a statement from Iberdrola's Depository evidencing that your name and the number of Iberdrola ADSs you hold have been entered in the register of Iberdrola ADS Holders.

B15 Q Where will the Iberdrola ADSs trade?

A Since the Iberdrola ADSs will not be listed or traded on any exchange, the Iberdrola ADSs will only be eligible for trading over-the-counter. Iberdrola currently intends to maintain the Iberdrola ADR Facility on an ongoing basis. However, in the event that Iberdrola terminates the Iberdrola ADR Facility, holders of Iberdrola ADS will receive the New Iberdrola Shares underlying their Iberdrola ADSs. US resident holders of such New Iberdrola Shares may be required to sell such underlying shares on the Bolsas de Valores in Spain, which could be more time consuming and costly for such holders than settling trades in Iberdrola ADSs.

B16 Q Can I convert Iberdrola ADSs into the underlying Iberdrola Shares?

A If you wish to convert your Iberdrola ADSs into the underlying New Iberdrola Shares you will have the option to present your Iberdrola ADSs to the Iberdrola Depositary for cancellation and delivery of New Iberdrola Shares so as to become registered holders of the New Iberdrola Shares, through a participating entity in Iberclear. Fees, taxes and governmental charges may apply to any such exchange.

B17 Q What are my ScottishPower ADSs currently worth?

A We do not have the latest trading price of ScottishPower ADSs. You can find the ADS price in the financial press or by contacting your broker, or by checking on www.scottishpower.com.

B18 Q I have now sold my ScottishPower ADSs, but I have received documents in relation to the proposal. What should I do?

A If you sold your ScottishPower ADSs prior to 4.00 p.m. (New York time) on February 20, 2007, please immediately contact the stockbroker or other agent through whom you sold the ScottishPower ADSs, as the person to whom you sold the ScottishPower ADSs will now be entitled to vote and the company's records need to be updated with the current and correct information. If you sold your ScottishPower ADSs after 4:00 p.m. (New York time) on February 20, 2007, you are still entitled to vote on the Offer, although you will not receive the Special Dividend or any other consideration in respect of those ScottishPower ADSs if the scheme of arrangement becomes effective.

B19 Q I hold my ScottishPower ADS indirectly. What should I do?

A If you hold your ScottishPower ADSs indirectly, you should contact the bank, broker, financial institution, share plan administrator or other nominee through who you hold your ADSs in order to vote on the proposals at the Meetings, make an election under the Mix and Match Facility or receive any consideration under the Mix and Match Facility.

Alternatively, you may present your ScottishPower ADSs to the ScottishPower Depositary for cancellation and receive (upon compliance with the terms of the ScottishPower Deposit Agreement, including payment of the ScottishPower Depositary's fees and any applicable taxes and governmental charges) delivery of your ScottishPower Shares in order to be treated like other registered holders of ScottishPower Shares.

B20 Q Requests for documents.

A If I can take your details, we will arrange for the documents to be sent to you.

Check registered address and complete remail request (note documents required)

If address incorrect:

Refer to Section H for address change procedure.

C Reasons for the Offer

C1 Q Why is the ScottishPower Board recommending the Offer?

A Please refer to paragraphs 3 and 7 of the Chairman's letter in Part 1 of the Scheme Document for details of the ScottishPower Board's recommendation and its reasons for recommending the Offer.

C2 Q Are the ScottishPower Directors intending to accept this offer?

A Iberdrola has received irrevocable undertakings to vote in favour of the Offer and the resolutions to be proposed at the Court Meeting and the ScottishPower EGM from the ScottishPower Directors in respect of 142,196 ScottishPower Shares, representing approximately 0.1 per cent. of the ScottishPower Shares. These undertakings are in respect of the ScottishPower Directors' aggregate entire beneficial holdings of ScottishPower Shares.

C3 Q How will the Offer be implemented?

A As explained in paragraph 19 of Part 4 of the Scheme Document, the Offer will be implemented by way of a scheme of arrangement of ScottishPower under section 425 of the UK Companies Act 1985. Under the terms of the scheme of arrangement, the ScottishPower Shares underlying your ADSs will be cancelled and you will receive cash and/or Iberdrola ADSs in exchange, plus the Special Dividend.

You should note that the underlying asset of one Iberdrola ADS is one New Iberdrola Share.

In addition, before the scheme of arrangement can become effective, a number of Conditions need to be satisfied or waived. These are listed in Part 5 of the Scheme Document.

C4 Q What is a scheme of arrangement?

A As explained in paragraph 19 of Part 4 of the Scheme Document, a scheme of arrangement is a legal arrangement between a company and its shareholders. It is a common process for dealing with acquisitions of listed companies in the UK. It requires approval of the shareholders and ADS holders both at a Court Meeting and, in this case, at a separate EGM.

ScottishPower Shareholders and ADS Holders will vote on whether to approve the scheme of arrangement at the Court Meeting and then on certain resolutions required to implement it at the EGM.

All ScottishPower ADS Holders who held their ScottishPower ADSs as of 4.00 p.m. (New York time) on February 20, 2007 will have the opportunity to vote at both the Court Meeting and the EGM and their votes (if properly received) will be counted. Once approved by ScottishPower Shareholders and ADS Holders, the scheme of arrangement will only become effective if approved by the Court.

C5 Q Why are you using a scheme of arrangement?

A A scheme of arrangement is a normal process for dealing with acquisitions of public companies in the UK, particularly when they involve a large number of retail shareholders (approximately 400,000 in this case).

This process was followed, for example, in takeovers and mergers involving Barclays (with the Woolwich), Lloyds (with TSB), Halifax (with Bank of Scotland) and CGU (with Norwich Union).

In order for the scheme of arrangement to become effective, resolutions at the Court Meeting and the EGM must be approved by ScottishPower Shareholders and ADS Holders. It is therefore important that as many votes as possible are cast at the Court Meeting, in particular, so that the Court may be satisfied that there is a fair representation of ScottishPower Shareholder and ADS Holder opinion.

C6 Q Can I raise any concerns I have in relation to the Scheme with the Court?

A Yes. Please see paragraph 19(g) of Part 4 of the Scheme Document for details.

C7 Q Why does the scheme of arrangement involve a reorganisation of ScottishPower's share capital?

A In order to allow the scheme of arrangement to incorporate a Mix and Match Facility and to be subject to a more favourable tax treatment, it is necessary to reorganise ScottishPower's share capital. Your rights are not adversely affected by this reorganisation.

C8 Q Will I receive share certificates for the new shares created by the reorganisation of capital?

A No. The shares created by the reorganisation will exist only for a very short time before being cancelled under the scheme of arrangement and therefore it is neither practical nor necessary to issue new share certificates.

D EGM and Court Meeting Process

D1 Q What are the Meetings?

- A** The acquisition is being implemented by way of a scheme of arrangement, which means that the proposals must be approved by the Scottish Court of Session. ScottishPower Shareholders (and ADS Holders) are required to pass resolutions at two separate Meetings, first at the Court Meeting and second at an EGM.

D2 Q What will I be voting on at the Meetings?

- A** At the Court Meeting you will be asked to vote on whether to approve the scheme of arrangement, and therefore the Offer from Iberdrola. Further details of the Court Meeting are set out in the Notice of Court Meeting in Part 16 of the Scheme Document.

At the EGM, you will be asked to vote on a special resolution which will do a number of things to enable the scheme of arrangement to be put into effect as described in the Scheme Document, including amending ScottishPower's Articles of Association and its capital structure. The resolution being voted on at the EGM is set out in the notice of EGM, which is in Part 17 of the Scheme Document.

D3 Q Can I attend the shareholders Meetings (Court Meeting and EGM)?

- A** If you are a registered ScottishPower ADS Holder, you may attend and vote at the Meetings in person. If you wish to do so, please indicate this on the ADS Voting Instruction Card that you wish to attend and vote at the Meetings. Please note that you will not be admitted to the Meetings unless you present a valid passport or other government issued photo identification.

If you hold your ScottishPower ADSs indirectly, you must rely on the procedures of the bank, broker, financial institution, share plan administrator or other nominee through which you hold your ScottishPower ADSs if you wish to vote. Alternatively, if you wish to attend and vote at the Meetings in person, you may present your ScottishPower ADSs to the ScottishPower Depository for cancellation and receive (upon compliance with the terms of the ScottishPower Deposit Agreement, including payment of the ScottishPower Depository's fees and any applicable taxes and governmental charges) delivery of your ScottishPower Shares so as to become a registered holder of ScottishPower Shares prior to the Voting Record Time, which is 6.00 p.m. on 28 March 2007.

D4 Q I cannot find my ADS certificate. Can I still vote?

- A** Yes, irrespective of whether or not you can find your ADS certificate, if you were a registered holder of ScottishPower ADSs at 4.00 p.m. (New York time) on February 20, 2007, you should have received an ADS Voting Instruction Card with respect to your voting rights. The ADS Voting Instruction Card will set forth how many ScottishPower ADSs are registered in your name as of 4.00 p.m. (New York time) on February 20, 2007.

For the replacement of lost, missing or destroyed certificate(s), registered holders must complete Section D of the ADS Letter of Transmittal and Election Form sent to them and submit this to JP Morgan Chase Bank, N.A.

D5 Do I need to vote?

Although you do not have to vote, it is your right to do so as an ADS Holder of ScottishPower. You can vote by simply returning the ADS Voting Instruction Card by post (or, if you are an indirect ADS holder, by following the procedures of the nominee through which you hold your ScottishPower ADSs). You do not need to attend the Meetings in person.

It is important for the sanctioning of the scheme of arrangement by the Court that as many ScottishPower Shareholders and ADS Holders as possible vote, so that the court may be satisfied that there is a fair and reasonable representation of ScottishPower Shareholders and ADS Holders' opinion. If the Court is not satisfied, it is open to the Court to refuse to sanction the scheme of arrangement.

D6 Can someone else vote on my behalf?

Yes. You are able to appoint someone else the nominee of the ScottishPower Depository or another person as your proxy. If you appoint the nominee of the ScottishPower Depository as your proxy, the nominee will vote in accordance with your instructions.

If you appoint a person other than the nominee of the ScottishPower Depository as your proxy, you are responsible for ensuring that the person you appoint is able and willing to attend the Meetings on your behalf. If your proxy does not attend the Meetings, your votes will not be cast.

D7 How should I vote on the resolutions at the Meetings?

We are not able to advise you how to vote. You will have received details of the proposals to be considered at the Meetings. You should read this information before deciding how to vote.

If you have any questions, you should consult an independent professional adviser.

D8 Q What percentage of shareholders must vote in favour of the proposals?

A The scheme of arrangement will only become effective if: (a) more than 50 per cent. in number of the ScottishPower Shareholders present and voting at the Court Meeting (whether in person or by proxy) vote in favour of the Scheme; and (b) such majority holds 75 per cent. or more in value of the ScottishPower Shares (including ScottishPower ADS Holders as holders of ScottishPower Shares underlying their ADSs) present and voting at the Court Meeting (whether in person or by proxy).

In addition, it is necessary for the special resolution at the EGM to be approved by ScottishPower Shareholders and ScottishPower ADS Holders holding not less than 75 per cent. of the votes cast at the EGM (whether in person or by proxy).

D9 Q What happens if the Court Meeting or EGM does not approve the proposal?

A Then the scheme of arrangement will not take effect.

D10 Q What happens if I am not in favour of the Offer?

A If you do not approve of the Offer, then you are entitled to vote against the resolutions on the ADS Voting Instruction Card.

However, if the scheme of arrangement becomes effective, then the Offer will become binding on all ScottishPower ADS Holders and you will receive cash and Iberdrola ADSs (subject to any Mix and Match Election) for your ScottishPower ADSs, even if you voted against the proposal.

D11 Q When and where will the Court Meeting and the EGM be held?

A Both Meetings will be held at the Crowne Plaza, Congress Road, Glasgow G3 8QT, Scotland. The Court meeting will start at 11.00 a.m. The EGM will start immediately after the Court Meeting has finished or been adjourned, which is currently expected to be at 11.10 a.m.

D12 Q How do I get to the Meetings?

A If you are driving, you should take the exit at Junction 19 of the M8 and follow the signs for the Scottish Exhibition and Conference Centre (SECC). The hotel is next to the SECC. Free car parking will be offered in Car Park 1 in front of the Clyde Auditorium and spaces for disabled drivers will be available.

If you are travelling by train, travel west on the low level service from Glasgow Central Station to Exhibition Centre Station. Trains from Glasgow run every 20 minutes.

D13 Q Are there any facilities for disabled shareholders?

A An interpreter for the deaf will be present at the meeting. If you have a companion to guide you, he/she will be admitted to the Meetings as a guest. Guide dogs will also be admitted and there will be staff available to assist shareholders.

D14 Q Will there be refreshments at the Meetings?

A Catering will be available before and after the Meetings.

D15 Q Can I still attend the Court Meeting and/ or EGM and vote even if I have submitted my ADS Voting Instruction Card?

A Yes. Returning the ADS Voting Instruction Card will not prevent you from attending the Meetings (unless you have appointed a person other than the nominee of the ScottishPower Depositary as your proxy). Please note that you will not be admitted to the Meetings unless you present a valid passport or other government issued photo identification.

D16 Q Can I bring a guest to the Meetings?

A Only registered ScottishPower Shareholders and ADS Holders and persons nominated by them as a proxy are legally entitled to attend the Meetings. Disabled shareholders and ADS Holders are welcome to bring a companion to the Meetings.

D17 Q Will there be an opportunity for ADS Holders to ask questions at the Meetings?

A Yes, you are entitled to attend and speak at the Meetings. If you want to ask a question, please send it beforehand to The Company Secretary, Scottish Power plc, 1 Atlantic Quay, Glasgow G2 8SP, Scotland. This will help to make sure that it is answered as fully as possible. If you cannot come to the Meetings, but would like a written answer to your question, please state this when you send your question.

E Holding Iberdrola ADSs

E1 Q If the Offer is approved what do I receive?

- A** The acquisition of ScottishPower is being made by Iberdrola, and if the scheme of arrangement becomes effective, you will receive 1,600 pence in cash (converted into US dollars at the exchange rate prevailing at the time of conversion), and 0.6584 of an Iberdrola ADS (equivalent to 0.6584 of a New Iberdrola Share) for each ScottishPower ADS you hold as of the Reorganisation Record Time, which is expected to be 3.00 p.m. (London time) on April 22, 2007, subject to any Mix and Match Election.

You should note that the underlying asset of one Iberdrola ADS is one New Iberdrola Share.

E2 Q Can you explain what the tax consequences are for me?

- A** Sorry, we are not in a position to give advice on an individual basis. Summaries of the tax consequences of the scheme of arrangement for ADS Holders who are resident in the US are set out in paragraph 26 of Part 4 of the Scheme Document.

If you are in any doubt as to your tax position you should consult an appropriate independent professional adviser.

E3 Q When will I receive my cash and Iberdrola ADSs?

- A** Completion of the Offer is expected to take place on April 23, 2007, with the cash consideration and Iberdrola ADSs expected to be despatched to the ScottishPower Depository within 14 days of the Effective Date (expected to be by May 7, 2007).

The ScottishPower Depository will send you a cheque for your portion of the cash consideration and a statement of entitlement to your Iberdrola ADSs as soon as possible thereafter (so long as it has received your completed ADS Letter of Transmittal and Election Form, along with any ScottishPower ADSs you hold in certificated form).

E4 Q What happens if, when calculating the number of Iberdrola ADSs allotted to me, there is a fractional remainder, i.e. it does not result in a whole number of shares for me?

- A** Only whole Iberdrola ADSs will be allotted. Any remaining fractions of Iberdrola ADSs will be

aggregated and sold after the effective date of the scheme of arrangement, which is expected to be April 23, 2007. The net proceeds of that sale will be paid in cash in US Dollars to you according to your fractional entitlements. No assurances can be given as to the price that will be received for Iberdrola ADSs sold in this way.

E5 Q What documentation will I receive in respect of my Iberdrola ADSs?

- A** All Iberdrola ADSs issued will be issued in book entry form through the direct registration system maintained by the Iberdrola Depository. You will receive a statement from Iberdrola's Depository evidencing that your name and the number of Iberdrola ADSs you hold have been entered in the register of Iberdrola ADS Holders.

E6 Q Where will the Iberdrola ADSs trade?

- A** Since the Iberdrola ADSs will not be listed or traded on any exchange, the Iberdrola ADSs will only be eligible for trading over-the-counter. Iberdrola currently intends to maintain the Iberdrola ADR Facility on an ongoing basis. However, in the event that Iberdrola terminates the

Iberdrola ADR Facility, holders of Iberdrola ADS will receive the New Iberdrola Shares underlying their Iberdrola ADSs. US resident holders of such New Iberdrola Shares may be required to sell such underlying shares on the Bolsas de Valores in Spain, which could be more time consuming and costly for such holders than settling trades in Iberdrola ADSs.

E7 Q Can I convert Iberdrola ADSs into the underlying Iberdrola Shares?

A If you wish to convert your Iberdrola ADSs into the underlying New Iberdrola Shares you will have the option to present your Iberdrola ADSs to the Iberdrola Depositary for cancellation and delivery of New Iberdrola Shares so as to become registered holders of New Iberdrola Shares through a participating entity in Iberclear. Fees, taxes and governmental charges may apply to any such exchange.

E8 Q Where can I find out Iberdrola's share price?

A Iberdrola's share price can be found on Iberdrola's website (www.iberdrola.com), as well as other financial websites.

E9 Q Does Iberdrola pay dividends?

A Iberdrola currently pays dividends twice a year with record dates typically in June and December.

Iberdrola's final dividend for the 2005 financial year amounted to 0.5181 per Iberdrola Share. Iberdrola's interim dividend for the first six months of the 2006 financial year amounted to 0.4500 per Iberdrola Share and therefore would have amounted to 0.4500 per Iberdrola ADS.

Subject to its shareholders' approval, Iberdrola has proposed to distribute a final dividend for the 2006 financial year of 0.6100 per Iberdrola Share (which includes a 0.02 attendance premium for attendance of the Iberdrola general shareholders' meeting) with reference to a record date of the last business day in June 2007. The dividend itself will be paid to shareholders (and ADS holders) shortly thereafter.

Although Iberdrola has paid dividends in the past, there can be no assurance that it will pay dividends in the future.

E10 Q Will I receive dividends from Iberdrola in Euros or US Dollars?

A Following the scheme of arrangement becoming effective and for such period as the Iberdrola ADR Facility is in existence, Iberdrola ADS holders will have amounts in respect of dividends paid in Euros by Iberdrola converted into and paid to them in US Dollars in accordance with the provisions of the deposit agreement governing the Iberdrola ADSs.

E11 Q Will I be able to vote my Iberdrola ADSs?

A As explained in paragraph 3(c) of Part 8 of the Scheme Document, you will be able to instruct the Iberdrola Depositary how to vote the New Iberdrola Shares underlying your Iberdrola ADSs, and the Iberdrola Depositary will be obligated to follow your instructions. If you want to vote directly or to attend Iberdrola shareholders' meetings in person, you will need to exchange your Iberdrola ADSs for the New Iberdrola Shares underlying them. Fees, taxes and governmental charges may apply to any such exchange.

E12 Q Will I be required to pay any fees on my Iberdrola ADSs?

A As described in paragraph 22 of Part 4 and paragraph 3(e) of Part 8 of the Scheme Document, there will be no cancellation or issuance charges in connection with the surrender of any ScottishPower ADSs in exchange for Iberdrola ADSs pursuant to the scheme of arrangement, but certain fees and other charges will apply to holding Iberdrola ADSs.

For further information with respect to the fees and other charges that will apply to holding Iberdrola ADSs, please see Part 8 of the Scheme Document.

E13 Q What is the Iberdrola stock split and how will it affect me?

A As described in paragraph 1(r)(iii) of Part 8 of the Scheme Document, the stock split is the proposal by the Iberdrola Board to split each Iberdrola Share into four shares with a quarter of the value of the original share. The stock split is common practice among large companies listed on the Spanish stock exchanges, like Iberdrola, and, among other things, makes Iberdrola Shares easier to trade. The stock split, if approved by the Iberdrola shareholders, will only take place after the Effective Date and after the Iberdrola ADSs have been issued. It will not reduce any entitlements you may have under the scheme of arrangement.

The stock split will multiply the amount of Iberdrola ADSs you hold (or, if you have not yet collected them, are entitled to hold), along with the New Iberdrola Shares they represent, by four, but the value of your aggregate holding, and your rights, should remain the same.
