PROXY STATEMENT

General Information

This proxy statement is furnished to holders of Newmont Mining Corporation common stock, Newmont Mining Corporation of Canada Limited exchangeable shares, and Newmont Mining Corporation CHESSE Depository Interests in connection with the solicitation of proxies on behalf of the Board of Directors of Newmont Mining Corporation (Newmont or the Company) to be voted at the Annual Meeting of Stockholders of Newmont on April 24, 2007. Stockholders of record at the close of business on February 27, 2007 are entitled to notice of and to vote at the meeting and at all adjournments.

Stockholders Entitled to Vote.

The holders of record of the following securities at the close of business on February 27, 2007 (the Record Date) are entitled to vote at Newmont's 2007 Annual Meeting of Stockholders (the Annual Meeting) to be held on Tuesday, April 24, 2007:

common stock of the Company, par value \$1.60 per share (the Newmont Common Stock), of which there were 424,385,476 shares outstanding as of the Record Date (including shares represented by the Newmont CHESSE Depository Interests (CDIs) referred to below);

exchangeable shares of Newmont Mining Corporation of Canada Limited, a Canadian corporation (Newmont Canada), of which there were 26,566,693 shares (the Newmont Exchangeable Shares) as of the Record Date entitled to vote pursuant to the terms of the Newmont Special Voting Stock described below; and

CDIs, of which there were 50,908,443 outstanding as of the Record Date, which vote on a ten-for-one basis.

Voting Your Shares.

Newmont Common Stock. Each share of Newmont Common Stock that you own entitles you to one vote. Your proxy card shows the number of shares of Newmont Common Stock that you own.

You may vote your shares by signing and returning the enclosed proxy card. If you vote by proxy card, your proxy (each or any of the individuals named on the proxy card) will vote your shares as you instruct on the proxy card. If you sign and return the proxy card, but do not give instructions on how to vote your shares, your shares will be voted as recommended by the Newmont Board of Directors.

You may vote by telephone or by the Internet by following the instructions that are included with your proxy card. If you vote by telephone or the Internet, you do not need to return your proxy card.

You may attend the Annual Meeting and vote in person. We will give you a ballot when you arrive. However, if your stock is held in the name of your broker, bank or another nominee, you must get a proxy from the broker, bank or other nominee. This is the only way we can be sure that the broker, bank or other nominee has not already voted your shares on your behalf.

Newmont Exchangeable Shares. Each Newmont Exchangeable Share that you own has economic rights (such as the right to receive dividends and other distributions) that are, as nearly as practicable, equivalent to those of shares of Newmont Common Stock. Holders of Newmont Exchangeable Shares have a right through a Voting and Exchange Trust Agreement (the Voting Agreement) to vote at stockholders

Edgar Filing: NEWMONT MINING CORP /DE/ - Form DEF 14A

meetings of the Company. The Newmont Exchangeable Shares, however, are not shares issued by Newmont and, therefore, a holder of Exchangeable Shares is not a registered stockholder of Newmont, but is a registered shareholder of Newmont Canada. The Newmont Exchangeable Shares are exchangeable at the option of the holders into Newmont Common Stock on a one-for-one basis.

Table of Contents

There are two ways to vote your Newmont Exchangeable Shares.

You may vote by signing and returning the enclosed Voting Instruction Form. This form permits you to instruct Computershare Investor Services Inc., as trustee under the Voting Agreement (the Trustee), to vote at the Annual Meeting. The Trustee holds one share of special voting stock of the Company (the Newmont Special Voting Stock) that is entitled to vote on all matters on which the shares of Newmont Common Stock vote. The share of Newmont Special Voting Stock has a number of votes in respect to the Annual Meeting equal to the lesser of (a) the number of Newmont Exchangeable Shares outstanding on the Record Date (other than Newmont Exchangeable Shares held by Newmont or its affiliates) or (b) 10% of the total number of votes attaching to the Newmont Common Stock then outstanding. Based upon the foregoing, the Trustee will be entitled to cast up to 26,566,693 votes at the Annual Meeting. The Trustee must receive your voting instructions by 9:00 a.m. in Toronto, Ontario, Canada, on April 24, 2007. This will give the Trustee time to tabulate the voting instructions and vote on your behalf. The Trustee will exercise each vote attached to the Newmont Special Voting Stock only on the basis of instructions received from the relevant holders of Newmont Exchangeable Shares. In the absence of instructions from a holder as to voting, the Trustee will not have any voting rights with respect to such Newmont Exchangeable Shares.

You may attend the Annual Meeting and vote in person. As a holder of Newmont Exchangeable Shares, you may attend the Annual Meeting in person to vote directly the number of votes to which you are entitled. Please refer to the Notice to Exchangeable Shareholders and Voting Instruction Form enclosed with this proxy material for additional instructions on voting at the meeting.

Newmont CDIs. The Newmont CDIs are units of beneficial ownership in Newmont Common Stock held by CHESSE Depository Nominees Pty Ltd (ACN 071 346 506) (CDN), a wholly-owned subsidiary of the Australian Stock Exchange Limited (ACN 008 624 691). References to Newmont Mining Corporation for purposes of Australian equity holders are to Newmont Mining Corporation ARBN 099 065 997, organized in Delaware with limited liability, and principally regulated in accordance with the laws and rules of Delaware. Since July 1, 2002, Newmont CDIs have traded on the Australian Stock Exchange (ASX) as a Foreign Exempt Listing granted by the ASX, which provides an ancillary trading facility to the Company's primary listing on the New York Stock Exchange. Newmont CDIs entitle holders to dividends and other rights economically equivalent to Newmont Common Stock on a ten-for-one basis. CDN, as the stockholder of record (or its proxy or substitute), will vote the underlying shares of Newmont Common Stock in accordance with the directions of the CDI holders. Your CDI Voting Instruction Form shows the number of Newmont CDIs that you own.

You may vote by signing and returning the enclosed CDI Voting Instruction Form. Newmont has appointed National Shareholder Services Pty Ltd in Adelaide, South Australia, Australia, as its agent with respect to the collection and processing of voting instructions from Newmont CDI holders. The enclosed CDI Voting Instruction Form permits you to instruct National Shareholder Services to vote your Newmont CDIs on your behalf. National Shareholder Services must receive your voting instructions by 5:00 p.m., Adelaide time, on April 19, 2007, to give them enough time to tabulate the voting instructions on your behalf.

You may attend the Annual Meeting; however, to vote your shares, please use the enclosed CDI Voting Instruction Form as described above.

Revocation of Proxy or Voting Instruction Form.

Revocation of Newmont Common Stock Proxy. A stockholder who executes a proxy may revoke it by delivering to the Secretary of the Company, at any time before the proxies are voted, a written notice of revocation bearing a later date than the proxy, or attending the Annual Meeting and voting in person (although attendance at the Annual Meeting will not in and of itself constitute a revocation of a proxy). Written notice revoking a proxy should be sent to the attention of the Secretary, 1700 Lincoln Street, Denver, Colorado 80203. A stockholder may substitute another person in place of those persons presently named as proxies.

Table of Contents

Revocation of Exchangeable Shares Voting Instruction Form. A registered holder of Newmont Exchangeable Shares who has submitted a Voting Instruction Form may revoke the Voting Instruction Form by completing and signing a Voting Instruction Form bearing a later date and depositing it with the Trustee. No notice of revocation or later-dated Voting Instruction Form, however, will be effective unless received by the Trustee prior to 5:00 p.m., Toronto time, on April 23, 2007.

A non-registered holder of Newmont Exchangeable Shares may revoke a Voting Instruction Form at any time by written notice to the intermediary, except that an intermediary is not required to act on a revocation of a Voting Instruction Form that is not received by the intermediary at least ten days prior to the Annual Meeting.

Revocation of Newmont CDI Voting Instruction Form. A holder of Newmont CDIs who has completed and returned a CDI Voting Instruction Form (in the manner described above) may revoke the directions to CDN contained therein by delivering to National Shareholder Services, 100 Hutt Street, Adelaide 5000, South Australia, Australia, no later than April 19, 2007, a written notice of revocation bearing a later date than the CDI Voting Instruction Form previously sent.

Quorum, Tabulation and Broker Non-Votes and Abstentions.

Quorum. The holders of a majority of the outstanding shares of capital stock of the Company entitled to vote at the Annual Meeting must be present in person or represented by proxy in order to constitute a quorum for all matters to come before the meeting. For purposes of determining the presence of a quorum, shares of capital stock of the Company include all shares of Newmont Common Stock (including shares represented by Newmont CDIs) and the maximum number of shares of Newmont Common Stock that the Trustee of the Newmont Exchangeable Shares is entitled to vote at the Annual Meeting.

Tabulating Votes. Votes at the Annual Meeting will be tabulated by two inspectors of election who will be appointed by the Chairman of the meeting and who will not be candidates for election to the Board of Directors. The inspectors of election will treat shares of capital stock represented by a properly signed and returned proxy as present at the Annual Meeting for purposes of determining a quorum, without regard to whether the proxy is marked as casting a vote or abstaining.

Broker Non-Votes and Abstentions. Abstentions and broker non-votes as to particular matters are counted for purposes of determining whether a quorum is present at the Annual Meeting. Abstentions are counted in tabulations of the votes cast on proposals presented to stockholders, whereas broker non-votes are not counted for purposes of determining whether a proposal has been approved. Abstentions have the same effect as votes against proposals presented to stockholders. A non-vote occurs when a nominee holding shares for a beneficial owner votes on one proposal, but does not vote on another proposal because the nominee does not have discretionary voting power and has not received instructions to do so from the beneficial owner.

Votes Required to Approve the Proposals.

Election of Directors. Directors will be elected by a favorable vote of a plurality (meaning the largest number of votes cast) of those shares of capital stock present and entitled to vote, in person or by proxy, at the Annual Meeting. A stockholder may withhold votes from any or all nominees.

Ratify PricewaterhouseCoopers LLP as the Company's Independent Auditors for 2007. The affirmative vote of a majority of the shares present and entitled to vote, in person or by proxy, at the Annual Meeting is required to ratify the Audit Committee's appointment of PricewaterhouseCoopers LLP as the Company's independent auditors for 2007.

Other Items. If any other items are presented at the Annual Meeting, they must receive an affirmative vote of a majority of the shares present and entitled to vote, in person or by proxy, in order to be approved.

All costs of the solicitation of proxies will be borne by the Company. Board Recommendation.

THE BOARD OF DIRECTORS RECOMMENDS THAT THE STOCKHOLDERS VOTE FOR ALL OF THE FOREGOING NOMINEES AND, UNLESS A STOCKHOLDER GIVES INSTRUCTIONS ON THE PROXY CARD TO THE CONTRARY, THE PROXIES NAMED THEREON INTEND SO TO VOTE.

Independence of Directors.

The Board affirmatively determines the independence of each director and each nominee for election as director. For each individual deemed to be independent, the Board has determined (a) that there is no relationship with the Company, or (b) the relationship is immaterial. The Board has considered the independence standards of the New York Stock Exchange and adopted more stringent categorical independence standards described below.

The Board has determined that the relationships that fall within the standards described in its independence standards are categorically immaterial. As such, provided that no law, rule or regulation precludes a determination of independence, the following relationships are not considered to be material relationships with the Corporation for purposes of assessing independence: service as an officer, director, employee or trustee or greater than five percent beneficial ownership in (i) a supplier of goods or services to the Corporation if the annual sales to the Corporation are less than \$1 million or two percent of the gross revenues or sales of the supplier, whichever is greater; (ii) a lender to the Corporation if the total amount of the Corporation's indebtedness is less than one percent of the total consolidated assets of the lender; (iii) a charitable organization if the total amount of the Corporation's total annual charitable contributions to the organization are less than \$1

Table of Contents

million or two percent of that organization's total annual gross receipts (excluding any amounts received through the Corporation's employee matching program for charitable contributions), whichever is greater; or (iv) any relationship arising out of a transaction, or series of transactions, in which the amount involved is less than \$60,000.

In making its independence determinations, the Board considered the circumstances described below.

Mr. Hamson is a director of Genesis Emerging Markets Ltd. The committee administering the investment of Company funds for its pension plan selected one of the Genesis Emerging Market funds as one investment in its portfolio. This relationship meets categorical independence standard (i) above.

Two subsidiaries of the Company made contributions totaling \$20,000 to Mr. Miller's son, who was elected the Secretary of State of Nevada in November 2006. The Company made these contributions in light of its significant assets in and interests in the affairs of the State of Nevada. This relationship meets the categorical independence standard (iv) above.

Dr. Taranik is the director of the Mackay School of Earth Sciences and Engineering at University of Nevada, Reno. The Company donated \$500,000 to the University of Nevada Foundation in 2006, for the benefit of mining education at the Mackay School of Earth Sciences and Engineering. Dr. Taranik is not a director, trustee or employee of the University of Nevada Foundation, and the Company's donation to the Foundation constituted less than 2% of the Foundation's charitable receipts in 2006. The Company's donation reflects its strong interest in promoting mining education in Nevada, one of its core operating regions. The Board of Directors has considered these circumstances and determined that the donation does not constitute a material relationship with the Company that would affect independence.

Based on the foregoing analysis, the Board determined that the following directors are independent:

Glen A Barton	Robert J. Miller
Vincent A. Calarco	Robin A. Plumbridge
Noreen Doyle	John B. Prescott
Veronica M. Hagen	Donald C. Roth
Michael S. Hamson	James V. Taranik

In addition, based on these standards, the Board has affirmatively determined that (a) Mr. Murdy is not independent because he serves as the Chief Executive Officer, (b) Mr. Lassonde is not independent because he served as President until December 31, 2006, (c) Mr. Schulich, who will serve on the Board of Directors until April 24, 2007, is not independent because he serves as an officer of and a consultant for a subsidiary of the Company, and (d) Mr. Leo I. Higdon, Jr., who served on the Board until April 2006, was independent during his tenure.

Stock Ownership of Directors and Executive Officers.

As of February 27, 2007, the directors and executive officers of the Company as a group beneficially owned, in the aggregate, the following:

Directors and Executive Officers Beneficial Ownership of Newmont Common Stock (including Newmont CDIs) and Newmont Exchangeable Shares	8,314,364
--	-----------

Percentage of Voting Power of Outstanding Capital Stock	1.84%
---	-------

Except as set forth below, no director or executive officer beneficially owned (a) more than 1% of the outstanding shares of Newmont Common Stock or Newmont Exchangeable Shares, or (b) shares with voting

Table of Contents

power in excess of 1% of the voting power of the outstanding capital stock of the Company. Each director and executive officer has sole voting power and dispositive power with respect to all shares beneficially owned by them, except as set forth below.

Messrs. Lassonde and Schulich beneficially owned 2,429,931 and 3,731,243 shares, respectively, of Newmont Exchangeable Shares, constituting 9.15% and 14.04%, respectively, of the outstanding Newmont Exchangeable Shares.

The following table sets forth the beneficial ownership of Newmont Common Stock, including shares in the form of Newmont CDIs and Newmont Exchangeable Shares, as of February 27, 2007 held by (a) each current director and nominee; (b) the Chief Executive Officer, the Chief Financial Officer and each of the other three most highly compensated executive officers and Bruce D. Hansen, who resigned as an executive officer during 2006 (the Named Executive Officers); and (c) all current directors and executive officers as a group. (1) For 2006, director stock units were awarded to all non-employee directors under the 2005 Stock Incentive Plan, except Mr. Plumbridge who received Newmont Common Stock. The director stock units represent the right to receive shares of Newmont Common Stock and are immediately fully vested and non-forfeitable. The holders of director stock units do not have the right to vote the underlying shares; however, the director stock units accrue dividend equivalents, which are paid at vesting, during the period from the date of award until such shares are delivered. Upon retirement from the board of directors, the holder of director stock units is entitled to receive one share of Newmont Common Stock for each director stock unit.

(2) Restricted shares of Newmont Common Stock and restricted stock units (RSUs) of Newmont were awarded under the Company's 1999 Employees Stock Plan and the 2005 Stock Incentive Plan. Restricted stock can be voted, but is subject to forfeiture risk or other restrictions. RSUs are awarded to employees in certain foreign jurisdictions. Prior to vesting, a holder of RSUs does not have the right to vote the underlying shares; however, the RSUs accrue dividend equivalents, which are paid when the RSUs vest. The RSUs vest in three equal increments over three years. Upon vesting, the holder of RSUs is entitled to receive one share of Newmont Common Stock for each restricted stock unit.

(3) Equivalent shares of Newmont Common Stock held by the trustee of the Company's Retirement Savings Plan. Each participant in such plan instructs the trustee as to how the participant's shares should be voted.
