Serena Software, Inc. s (the Company ) Quarterly Report on Form 10-Q for the quarter ended April 30, 2007 (the Form 10-Q ) could not be filed within the prescribed time period because the Company could not complete the preparation of the required information without unreasonable effort and expense. The Company identified a misclassification in the Consolidated Statement of Cash Flows for the period from March 10, 2006 to January 31, 2007 and is preparing an amendment to its Annual Report on Form 10-K for the fiscal year ended January 31, 2007 (the Form 10-K ). The Company s review of its Consolidated Statements of the Cash Flows is being conducted with the assistance of independent registered public accounting firm KPMG LLP. To that end, Serena will require additional time to complete the internal review process, including the Company s independent registered public accounting firm s reviews and until the review is complete, the Company will be unable to file an amendment to the Form 10-K or complete and file its Form 10-Q. Once finished with the review, the Company intends to become current again in its U.S. Securities and Exchange Commission filings as soon as practicable.
