Item 5.02 Departure of Directors or Certain Officers; Election of Directors; Appointment of Certain Officers; Compensatory Arrangements of Certain Officers

As of July 20, 2007, and as contemplated by that certain Agreement and Plan of Merger, dated July 10, 2007, by and among Chaparral Steel Company (the Company), Gerdau Ameristeel Corporation, GVC Inc. and, solely for purposes of Section 1.15 and Article III A thereof, Gerdau, S.A., the Company made salary adjustments for, and made incentive award grants to, its named executive officers pursuant to the Chaparral Steel Company 2006 Omnibus Incentive Plan (the 2006 Plan). The purposes of the 2006 Plan are to attract and retain able persons as employees and provide such employees with incentive and reward opportunities designed to enhance the profitable growth of the Company. The 2006 Plan is further intended to provide the Company with flexibility to motivate the employees and officers upon whose judgment, interest and special effort the successful conduct of the Company's operation is largely dependent.

Grants under the 2006 Plan consist of performance awards, annual incentive awards or a combination of such awards. Awards under the 2006 Plan may be paid in cash or in shares of the Company's common stock. Any shares of common stock used to settle awards will be issued under the Company's Amended and Restated 2005 Omnibus Equity Compensation Plan (the 2005 Plan) as Other Stock-Based Awards and will count against the maximum number of shares that may be issued under the 2005 Plan.

With respect to the 2008 fiscal year, the Compensation Committee of the Company's Board of Directors has approved a method for compensating our executive officers that utilizes a market-based total compensation approach. Under this method, the total compensation of each incentive award recipient (Recipient) will be composed of (i) base salary that approximates the average salary for executives performing equivalent functions for companies included in the peer group selected by our Compensation Committee and (ii) incentives.

The incentive component consists of an annual cash incentive and a long-term equity incentive, which, in the aggregate, will approximate (i) the average incentive compensation paid by members of our peer group to their officers for comparable performance or (ii) if the peer group does not provide an adequate sampling, incentive compensation reflected in national compensation surveys for persons performing comparable duties. The incentive component will be paid under the 2006 Plan upon our attainment of the performance goals described below.

In addition, the Compensation Committee will grant stock options under the 2005 Plan to the Recipients under the 2006 Plan twice during fiscal 2008. The number of shares to be included in each grant will be equal to the base salary of the applicable Recipient divided by the weighted average sales price of our common stock on the Global Select Market of The Nasdaq Stock Market, LLC on the grant date. The grant price of the stock options will be equal to the weighted average sales price of our common stock on the Global Select Market on the grant date. The awards will be granted effective as of the April and October meetings of our board of directors.

The amount of incentive compensation to be paid to the Recipients pursuant to awards under the 2006 Plan will be determined based on our annual return on adjusted assets (ROA) for the 2008 fiscal year.

Pursuant to the approved compensation plan, the incentive compensation to be paid with respect to fiscal year 2008 will be a multiple of the base salary of each Recipient. The multiple will vary depending upon the ROA we achieve for fiscal year 2008 (*i.e.*, the multiple will be higher if we achieve a higher ROA and lower if we achieve a lower ROA). For the fiscal year beginning June 1, 2007, the Compensation Committee approved granting awards under the 2006 Plan that reward the Recipients based on a ROA that exceeds the five (5) year peer group average of 12%.

The following table sets forth the base salaries for fiscal year 2008 for the Recipients who are our named executive officers .

Name	Base Salary
Tommy A. Valenta <i>President and Chief Executive Officer</i>	\$ 720,000
William H. Dickert, Jr. <i>Vice President and Chief Operating Officer</i>	\$ 400,000
J. Celtyn Hughes <i>Vice President and Chief Financial Officer</i>	\$ 395,000
Robert E. Crawford, Jr. <i>Vice President, Secretary and General Counsel</i>	\$ 300,000
Daniel W. Brock <i>Vice President Human Resources</i>	\$ 220,000

For fiscal year 2008, approximately 60% of the total incentive compensation to be paid to each Recipient pursuant to an award made under the 2006 Plan will be paid in the form of cash; provided, in no event will the cash portion of incentive compensation to be paid exceed three times the Recipient's base salary. The remaining portion of the total incentive compensation to be paid to each Recipient pursuant to an award for fiscal year 2008 will be paid in the form of restricted stock that vests in two equal annual increments on the first and second anniversaries of the date the award is settled. Vesting of such restricted stock awards will be accelerated in the event of the Recipient's death, retirement on or after age 55, termination of employment by us for any reason other than cause or termination of employment by the Recipient for good reason. To the extent the cap on the payment of cash incentive compensation would otherwise be exceeded, amounts earned in excess of the cap will be paid in the form of additional shares of restricted stock, subject to the same vesting conditions as described in the preceding sentence; provided, however, a 10% premium will be added to any cash incentive which is converted into shares of restricted stock as a result of exceeding the cap on the payment of cash incentive compensation.

The number of shares of restricted stock awarded to a Recipient will be determined based on the weighted average sales price of one share of our common stock on the Global Select Market System of The Nasdaq Stock Market, LLC on the first trading date, that is not within the black-out period prescribed by our insider trading policy, following the date the award is settled and will be issued as Other Stock-Based Awards under the 2005 Plan.
