**Item 1.01. Entry into a Material Definitive Agreement.**

On August 31, 2007, Altera Corporation. ( Altera ) entered into a Credit Agreement (the Credit Agreement ) by and among Altera, Citicorp USA, Inc., as administrative agent and swing line lender, Bank of America, N.A, as syndication agent, and the Other Lenders party thereto (the Lenders ).

The Credit Agreement provides for a \$750 million unsecured revolving credit facility (the Facility ) that is scheduled to expire on August 31, 2012. Altera may also, upon the agreement of either the then existing Lenders or of additional lenders not currently parties to the Credit Agreement, increase the commitments under the Facility up to a total of \$250 million through additional revolving credit commitments for an aggregate Facility of \$1 billion, and/or extend the expiration date of the Facility annually for additional one year periods, subject to certain conditions. Altera may generally prepay the Facility in whole or in part at any time without premium or penalty, subject to certain conditions. Repayments of the Facility may be reborrowed, up to the commitment. At this time, Altera has not borrowed any funds under the Credit Agreement.

The proceeds of the Facility may be used for general corporate purposes, including without limitation for the repurchase of shares of Altera s common stock.

The interest rate applicable to outstanding balances under the Credit Agreement will be based on either (i) the higher of the Federal Funds rate plus 0.50% or Citibank N.A. s prime rate as announced from time to time, or (ii) the London interbank offered rate plus a margin based on Altera s leverage ratio. Altera will pay a quarterly commitment fee during the term of the Credit Agreement which also varies depending on Altera s leverage ratio.

The Credit Agreement contains customary representations and warranties as well as customary affirmative and negative covenants. Negative covenants include, among others, limitations on liens and limitations on incurrence of indebtedness by Altera s subsidiaries. In addition, the Credit Agreement requires that Altera maintain a ratio of consolidated EBITDA to consolidated interest expense of not less than 3.00 to 1.00 and a ratio of consolidated debt to consolidated EBITDA of not greater than 3.00 to 1.00.

The Credit Agreement also contains customary events of default. Upon the occurrence and during the continuance of an event of default, the Lenders may declare the outstanding loans and all other obligations under the Credit Agreement immediately due and payable.

Citigroup Global Markets Inc. and Banc of America Securities LLC acted as joint lead arrangers and book managers for the Facility.

Altera and its affiliates maintain various commercial and service relationships with certain of the Lenders and their affiliates in the ordinary course of business. In the ordinary course of their respective businesses, certain of the Lenders and their affiliates have engaged, and may in the future engage, in commercial banking, investment banking, financial advisory or other services with Altera and its affiliates.
