The disclosure set forth below under Item 3.02 (Unregistered Sales of Equity Securities) is hereby incorporated by reference into this Item 1.01.

Item 3.02. *Unregistered Sales of Equity Securities.*

On December 17, 2007, Odyssey Marine Exploration, Inc., a Nevada corporation (the *Company*), issued and sold 22 shares of its Series F Convertible Preferred Stock, par value \$0.0001 per share (*Series F Preferred Stock*), at a price of \$540,000 per share, for an aggregate purchase price of \$11,880,000 in cash, pursuant to a Series F Convertible Preferred Stock Purchase Agreement (the *Purchase Agreement*) between the investors. The Company expects to use the net proceeds of the transaction for general corporate purposes. Based upon the Company's planned operations for 2008, the Company believes the proceeds of the financing, existing cash on hand and other sources of working capital will be sufficient to meet its capital needs in 2008.

The Series F Preferred Stock has no voting rights, except as required by Nevada law. Each share of Series F Preferred Stock is convertible into 100,000 shares of the Company's Common Stock. However, the Company shall not effect any conversion of the Series F Preferred Stock or any other preferred stock or warrant held by a holder of Series F Preferred Stock (a *Holder*), and no such Holder shall have the right to convert any Series F Preferred Stock or any other preferred stock or exercise any warrant held by such Holder, to the extent that after giving effect to such conversion or exercise, the beneficial owner of such shares (together with such beneficial owner's affiliates) would beneficially own in excess of 9.9% of the shares of the Company's Common Stock outstanding immediately after giving effect to such conversion or exercise. Holders of the Series F Preferred Stock have the right to participate in any dividends declared by the Company on the Company's Common Stock on an as-if-converted basis.

In connection with this offering, the Company relied on the exemption provided by Section 4(2) of the Securities Act of 1933, as amended (the *Securities Act*), and Rule 506 of Regulation D promulgated under the Securities Act. The investor is an accredited investor as such term is defined in Rule 501 of Regulation D. The investor was given access to complete information concerning the Company. The investor has represented that it has acquired the shares for investment purposes. Restrictive legends were placed on the certificate issued to the investor.

The Company has agreed to file a registration statement with the Securities and Exchange Commission to register the offer and sale of the shares of the Company's Common Stock into which the shares of Series F Preferred Stock may be converted, as well as certain other securities held by the investor, for resale under the Securities Act by the investor as soon as practicable but in no event later than 90 days after December 17, 2007.

Item 5.03. *Amendments to Articles of Incorporation or Bylaws; Change in Fiscal Year.*

On December 17, 2007, the Company filed a Certificate of Designation with the Nevada Secretary of State relating to the Series F Preferred Stock.
