**Item 2.02. Results of Operations and Financial Condition**

On January 23, 2008, Cohen & Steers, Inc. (the Company) issued a press release regarding the Company's earnings and business for the quarter and year ended December 31, 2007. A copy of the press release issued by the Company is attached as Exhibit 99.1. All information in the press release is furnished, but not filed.

In the attached press release, the Company discloses earnings per diluted share for the year ended December 31, 2007 adjusted to exclude the effect of an expense associated with the payment of an additional compensation agreement entered into in connection with the launch of a Cohen & Steers closed-end mutual fund. Further, the Company discloses earnings per diluted share for the year ended December 31, 2006, adjusted to exclude the effect of an expense associated with the termination of certain fund compensation agreements and a gain from the sale of property and equipment.

The Company's management believes that because these items are unusual to its business, the disclosed non-GAAP earnings per share information enhance understanding of the Company's operating performance.

A reconciliation of these non-GAAP financial measures to the most directly comparable financial measures calculated and presented in accordance with GAAP are included in the press release. While the Company's management believes that this non-GAAP financial information is useful in evaluating the Company's operations, this information should be considered as supplemental in nature and not as a substitute for the related financial information prepared in accordance with GAAP.
