Item 1.01. Entry into a Material Definitive Agreement.

On March 17, 2008, Allscripts Healthcare Solutions, Inc. (the Company) entered into (i) an Agreement and Plan of Merger (the Merger Agreement) with Misys plc, a public limited company incorporated under the laws of England (Parent), Misys Healthcare Systems LLC, a North Carolina limited liability company and wholly-owned indirect subsidiary of Parent (MHS), and Patriot Merger Company, LLC, a North Carolina limited liability company and wholly-owned subsidiary of the Company (Sub), (ii) a Voting Agreement with each of ValueAct Capital Master Fund L.P. and ValueAct Capital Master Fund III, L.P. (collectively, ValueAct), each a shareholder of Parent (collectively the Voting Agreements), and (iii) a Relationship Agreement with Parent (the Relationship Agreement).

Shares of the Company's common stock, par value \$0.01 per share (the Company Common Stock), outstanding immediately prior to the effective time of the Merger will not be affected by the Merger and shall remain outstanding after the consummation thereof. Pursuant to the Merger Agreement, the Company will declare and pay a special dividend of \$330,000,000, in the aggregate, to holders of Company Common Stock as of the close of business on the business day immediately prior to the date on which the Merger (as defined below) is consummated.

Merger Agreement

The Merger Agreement provides for (i) the purchase by Parent or its affiliated designee of 18,857,142 shares of Company Common Stock for \$330,000,000 (the Share Purchase) and (ii) the merger of Sub with and into MHS, with MHS being the surviving company (the Merger and, together with the Share Purchase, the Transactions). At the effective time of, and as a result of the Merger, each issued and outstanding limited liability company interest of MHS shall be cancelled and converted into the right to receive that number of newly issued shares of Company Common Stock that, together with the shares of Company Common Stock to be purchased by Parent or its affiliated designee in the Share Purchase, shall equal 54.5% of the aggregate number of fully-diluted shares (as such term is defined in the Merger Agreement).

The Merger Agreement provides that, following the effective time of the Merger, the Company will expand its board of directors to ten members, which will include four continuing Company directors, including Glen Tullman, and six new directors nominated by Parent, including Michael Lawrie. Mr. Tullman, the current Chairman and Chief Executive Officer of the Company, will remain the Chief Executive Officer of the Company. Mr. Lawrie, Chief Executive Officer of Parent, will also serve as the Company's executive Chairman.

The parties have made customary representations, warranties and covenants in the Merger Agreement, including, among others, covenants (i) not to solicit proposals relating to alternative business combination transactions or not to enter into discussions concerning alternative business combination transactions, subject to the fiduciary duties of the board of directors, and (ii) with respect to the Parent and the Company to cause their respective stockholders meetings to be held to consider approval of, in the case of Parent, the Merger Agreement and the Merger, and, in the case of the Company, the issuance of shares of Company Common Stock in connection with the Transactions and various amendments to the Company's Charter and By-laws as set forth in the Merger

Agreement, subject to the right to terminate the Merger Agreement to accept a superior proposal (as described in the Merger Agreement) and to the fiduciary duties of the board of directors.

Consummation of the Merger is subject to various conditions, including, without limitation, the approval by the stockholders of the Company and the shareholders of Parent, respectively, no legal impediment, the receipt of required regulatory approvals, the absence of a material adverse effect (as such term is defined in the Merger Agreement) on the Company or MHS, and, unless Parent makes the tax election specified in the Merger Agreement, the receipt of an opinion from legal counsel that the Merger constitutes a tax-free reorganization under Section 368(a) of the Internal Revenue Code. There is not a financing condition to the consummation of the Merger.

The Merger Agreement contains certain termination rights for both the Company and Parent, and further provides that, upon termination of the Merger Agreement, a termination fee may be payable by either Parent or the Company. A termination fee of \$14,281,883 may be payable by the Company under specified circumstances, including if the Company enters into an agreement with respect to a superior proposal or terminates for certain intervening events (as such term is defined in the Merger Agreement) or if the board of directors of the Company changes its recommendation (so long as Parent has not forced a vote, if entitled to do so). A termination fee of GBP£7,136,657 may be payable by Parent and MHS under specified circumstances, including if Parent enters into an agreement with respect to a superior proposal for MHS or terminates for certain intervening events or if the board of directors of Parent changes its recommendation (so long as the Company has not forced a vote, if entitled to do so).

The Company and Parent may terminate the Merger Agreement in response to a superior proposal that was determined as such prior to the later of (i) May 1, 2008 and (ii) the date the other party delivers its required financial information (as further described in the next paragraph), which financial information each party has nine weeks from March 17, 2008 to provide. After the later to occur of the dates set forth in the prior sentence, if the board of directors of either Parent or the Company changes its recommendation in response to a superior proposal, the other party may force a vote of such changing party's shareholders. If a party exercises its right to force a vote, it is not entitled to a termination fee if such forced shareholder approval is not obtained.

The Merger Agreement provides that (a) Parent must deliver to the Company certain audited financial statements of MHS and (b) the Company must deliver to Parent a reconciliation from U.S. generally accepted accounting principals to International Financial Reporting Standards, in each case, as promptly as practicable, and in any event within nine weeks from March 17, 2008.

The foregoing summary of the Merger Agreement and the transactions contemplated thereby, does not purport to be complete and is subject to, and qualified in its entirety by, the full text of the Merger Agreement, which is attached as Exhibit 2.1 and incorporated herein by reference.

The Merger Agreement has been included to provide investors and security holders with information regarding its terms. It is not intended to provide any other factual information about the Company. The representations, warranties and covenants contained in the Merger Agreement

were made only for purposes of that agreement and as of specific dates, were solely for the benefit of the parties to the Merger Agreement, may be subject to limitations agreed upon by the contracting parties, including being qualified by confidential disclosures made for the purposes of allocating contractual risk between the parties to the Merger Agreement instead of establishing these matters as facts, and may be subject to standards of materiality applicable to the contracting parties that differ from those applicable to investors. Investors are not third-party beneficiaries under the Merger Agreement and should not rely on the representations, warranties and covenants or any descriptions thereof as characterizations of the actual state of facts or condition of the Company, Parent, MHS or Sub or any of their respective subsidiaries or affiliates. Moreover, information concerning the subject matter of the representations and warranties may change after the date of the Merger Agreement, which subsequent information may or may not be fully reflected in the Company's public disclosures.

Voting Agreement

In connection with the Merger Agreement, ValueAct and the Company, entered into the Voting Agreements, pursuant to which ValueAct has agreed, among other things, to vote its ordinary shares of Parent to approve the Merger, the Merger Agreement and the other transactions contemplated thereby.

The foregoing summary of the Voting Agreements does not purport to be complete and is subject to, and qualified in its entirety by, the full text of the Voting Agreements, which are attached as Exhibits 10.1 and 10.2 and incorporated herein by reference.

Relationship Agreement

In connection with the entry into the Merger Agreement, the Company and Parent entered into the Relationship Agreement. The Relationship Agreement sets forth the agreement between Parent and the Company with respect to certain governance and other matters, including the composition of the board of directors, a voting agreement from Parent and a standstill agreement that Parent will not acquire more than 60 percent of the fully-diluted number of shares of Company Common Stock. Parent has agreed that it will not sell, transfer or dispose of 15 percent of more of the outstanding shares of Company Common Stock unless approved by the Company's board of directors. The Relationship Agreement also contains anti-dilution protection for Parent in the event of issuances of Company Common Stock, subject to limited exceptions, such as grants under Company benefit plans under 1.5 percent of the fully-diluted number of shares of Company Common Stock. Substantially all of the provisions of the Relationship Agreement will become effective as of the effective time of the Merger.

The foregoing summary of the Relationship Agreement does not purport to be complete and is subject to, and qualified in its entirety by, the full text of the Relationship Agreement, which is attached as Exhibit 10.3 and incorporated herein by reference.

Item 5.02. Departure of Directors or Certain Officers; Election of Directors; Appointment of Certain Officers; Compensatory Arrangements of Certain Officers.

(a) On March 17, 2008, John P. McConnell voluntarily resigned from the Company's board of directors. Mr. McConnell resigned prior to the Company's board of directors taking final action regarding the transactions contemplated by the Merger Agreement and in anticipation thereof, for the reasons specified in his electronic transmission to the Company's Chairman and Chief Executive Officer. Mr. McConnell's electronic transmission is attached as Exhibit 17.1 hereto and is incorporated by reference herein.

At the time of his resignation, Mr. McConnell was not a member of any committees of the board of directors.
