Pursuant to the terms of the Teradata Corporation 2007 Stock Incentive Plan (SIP), the Committee approved the program design and performance objectives for the performance-based restricted stock unit awards (PBRsUs) granted to certain employees, including the Company's executive officers, on October 1, 2007, and for any PBRsUs granted to employees from October 1, 2007 to December 31, 2008 (collectively, the LTIP Awards). As approved by the Committee at its March 27, 2008 meeting:

3. the payout levels for the LTIP Awards, which are based on a percentage of each executive officer's base salary, will be as follows: trigger, 25%; target, 100%; and maximum, 200%; and
4. when determining achievement of performance against objectives, to the extent permitted under the SIP, adjustments shall be made to eliminate the adverse effect of charges for restructurings, discontinued operations, extraordinary items and other unusual, infrequent or non-recurring items, and the cumulative effect of tax or accounting changes, each as defined by GAAP or identified in the Company's financial statements, notes to the financial statements or management's discussion and analysis, as well as: (a) the impairment of tangible or intangible assets; (b) litigation or claim judgments or settlements; (c) changes in tax laws, accounting principles or other such laws or provisions affecting reported results; and (d) reductions in force and early retirement incentives.
