**Item 5.02. Departure of Directors or Certain Officers; Election of Directors; Appointment of Certain Officers; Compensatory Arrangement of Certain Officers.**

Non-union employees of YRC Worldwide Inc. (the Company) and its subsidiaries participate in multiple retirement and pension plans, which include, among others, the Roadway LLC Pension Plan and the Yellow Corporation Pension Plan that were frozen to new participants on January 1, 2004. As previously announced, the Company plans to move to a common benefits platform across its multiple operating units. The Company is in the process of designing a new defined contribution retirement plan for non-union employees that is expected to be effective January 1, 2009.

As part of the plan to move to a common benefits platform, the Compensation Committee (the Committee) of the Board of Directors of the Company approved amendments to freeze benefit accruals on and after July 1, 2008 for non-union participants in the Roadway LLC Pension Plan and Yellow Corporation Pension Plan. As a result of these amendments, the supplemental pension benefits of certain executives under the YRC Worldwide Inc. Supplemental Executive Pension Plan and YRC Worldwide Inc. Transferred Executives Supplemental Retirement Plan were also frozen, effective July 1, 2008. As a result of the amendment to the Yellow Corporation Pension Plan to freeze benefit accruals, the supplemental retirement benefits to which William D. Zollars, our Chairman of the Board, President and Chief Executive Officer, is entitled to receive pursuant to the terms of his employment agreement were also frozen, effective July 1, 2008. As with other impacted employees, the Committee expects that it will consider a replacement supplemental retirement benefit for Mr. Zollars due to the unilateral impact of the pension benefit freeze on the retirement benefit in his employment agreement. Mr. Zollars employment agreement was previously filed as Exhibit 10.2 to our Current Report on Form 8-K, filed January 26, 2006.

In addition, the amendment to the Roadway LLC Pension Plan contains a clarifying amendment to correct the definition of Average Annual Compensation used to compute a participant's benefit for plan years beginning on or after January 1, 2008 that was approved in connection with Amendment No. 2 to the Roadway LLC Pension Plan.

A copy of the amendments to the pension plans described above are included with this Form 8-K as Exhibits 10.1, 10.2, 10.3 and 10.4 and are incorporated herein by reference, and the foregoing summary is qualified in its entirety by reference to the terms and provisions of the amendments.

**Item 7.01. Regulation FD Disclosure.**

The Company expects to have a net curtailment gain in the third quarter of 2008, subject to final actuarial analysis, as a result of the pension plan amendments described under Item 5.02 above to freeze benefit accruals, effective July 1, 2008. This curtailment gain is separate from the curtailment gain that the Company announced on June 17, 2008 in connection with the Company's update of its guidance for the second quarter of 2008.
