Disclaimer

This document has been prepared by BHP Billiton Limited and BHP Billiton Plc ( "BHP Billiton") and comprises the written material forming part of BHP Billiton's offers for Rio Tinto Limited and Rio Tinto plc ( "Rio Tinto" ). By reviewing/attending this presentation you agree to be bound by the terms and conditions of the offer. The directors of BHP Billiton accept responsibility for the information contained in this presentation. Having taken all reasonable steps to ensure that the information contained in this presentation is, to the best of the knowledge and belief of the directors of BHP Billiton, in accordance with the requirements of the law, to affect its import.

Subject to the above, neither BHP Billiton nor any of its directors, officers, employees or advisers nor any other person makes any representation as to, and accordingly no reliance should be placed on, the fairness, accuracy or completeness of the information contained in this presentation. To the extent permitted by law, neither BHP Billiton nor any of its directors, officers, employees or advisers nor any other person is responsible for any loss howsoever arising, directly or indirectly, from any use of this information or its contents or otherwise. This presentation is for information purposes only and does not constitute or form part of any offer or invitation to acquire, sell or dispose of, or any offer to sell or otherwise dispose of, purchase or subscribe for, any securities, nor does it constitute investment advice, nor is it to be distributed from the basis of, or be relied on in connection with, any contract or investment decision, nor does it constitute a recommendation or any vote or approval in any jurisdiction, nor shall there be any

sale of securities in any jurisdiction in which such offer, solicitation or sale would be unlawful prior to registration or qualification

under

the

securities

laws

of

any

such

jurisdiction

(or

under

an

exemption

from

such

requirements).

No

offering

of

securities

shall

be

made

into

the

United

States

except pursuant to registration under the US Securities Act of 1933, as amended, or an exemption therefrom.

Neither this presentation nor any copy of it may be taken or transmitted or distributed or redistributed (directly or indirectly) in any jurisdiction

may

be

restricted  
by  
law  
and  
persons  
into  
whose  
possession  
this  
document  
comes  
should  
inform  
themselves  
about,  
and  
observe,  
any  
such  
restrictions.

Information about Rio Tinto is based on public information which has not been independently verified.

This presentation is directed only at persons who (i) are persons falling within Article 49(2)(a) to (d) ("high net worth companies") of the Financial Services and Markets Act 2000 (Financial Promotion) Order 2005 (as amended) (the "Order") or (ii) have professional qualifications falling within Article 19(5) of the Order or (iii) are outside the United Kingdom (all such persons being referred to as "relevant persons") or relied on by persons who are not relevant persons.

Certain statements in this presentation are forward-looking statements. The forward-looking statements include statements regarding the cost and timing of development projects, future production volumes, increases in production and infrastructure capacity, the identification of additional mineral Reserves and

Resources  
and  
project  
lives  
and,  
without  
limitation,  
other  
statements  
typically  
containing  
words  
such  
as  
"intends",  
"expects",  
"anticipates",  
"targets",  
"plans",  
"estimates"

and words of similar import. These forward-looking statements speak only as at the date of this presentation. These statements and, by their nature, are subject to a number of known and unknown risks and uncertainties that could cause actual results, performance or achievements expressed or implied by such forward-looking statements. The

numerous  
assumptions  
regarding  
BHP  
Billiton's  
present  
and  
future  
business  
strategies  
and  
the  
environments  
in  
which  
BHP  
Billiton  
and  
Rio  
Tinto  
will  
operate  
in  
the  
future  
and  
such assumptions may or may not prove to be correct.

There are a number of factors that could cause actual results or performance to differ materially from those expressed or implied in the forward-looking statements.

Factors that could cause actual results or performance to differ materially from those described in the forward-looking statements include:

the businesses of BHP Billiton and Rio Tinto and to realise expected synergies from that combination, the presence of a competitive proposal

in  
relation  
to

Rio Tinto, satisfaction of any conditions to any proposed transaction, including the receipt of required regulatory and anti-trust proposed transaction, the successful completion of any transaction, as well as additional factors such as changes in global, political regulatory forces, future exchange and interest rates, changes in tax rates, future business combinations or dispositions and the Additional risks and factors that could cause BHP Billiton results to differ materially from those described in the forward-looking with the US Securities and Exchange Commission (the "SEC"), including BHP Billiton's Annual Report on Form 20-F for the

filings  
with  
the  
SEC,  
including  
Rio  
Tinto's  
Annual  
Report  
on  
Form  
20-F  
for  
the  
fiscal  
year-ended  
December  
31,  
2007,  
which  
are  
available  
at  
the  
SEC's  
website

(<http://www.sec.gov>). Other unknown or unpredictable factors could cause actual results to differ materially from those in the opinions expressed in this presentation are subject to change without notice and BHP Billiton expressly

disclaims  
any  
obligation  
(except  
as  
required  
by  
law  
or  
the  
rules  
of  
the

UK Listing Authority and the London Stock Exchange, the UK Takeover Panel, or the listing rules of ASX Limited) or undertakes

forward-looking

statements

Investors and security holders will be able to obtain a free copy of the Registration Statement and the Prospectus as well as oth the SEC's website (<http://www.sec.gov>), once such documents are filed with the SEC. Copies of such documents may also be once they are filed with the SEC.

Information for US Holders of Rio Tinto Limited Shares

BHP  
Billiton  
Limited  
is  
not  
required  
to,  
and  
does  
not  
plan  
to,  
prepare  
and  
file  
with  
the  
SEC  
a  
registration  
statement  
in  
respect  
of  
the  
Rio  
Tinto  
Limited  
Offer. Accordingly, Rio  
Tinto Limited shareholders should carefully consider the following:  
Information  
Relating  
to  
the  
US  
Offer  
for  
Rio

Tinto  
plc  
and  
the  
Rio  
Tinto  
Limited  
Offer  
for  
Rio  
Tinto  
shareholders  
located  
in  
the  
US

It may be difficult for you to enforce your rights and any claim  
you may have arising under the U.S. federal securities laws, since the issuers are located in a  
foreign  
country,  
and  
some  
or  
all  
of  
their  
officers  
and  
directors  
may  
be  
residents  
of  
foreign  
countries.

You  
may  
not  
be  
able  
to  
sue  
a  
foreign  
company  
or  
its officers or directors  
in a foreign court for violations of the U.S. securities laws. It may be difficult to compel a foreign company and its affiliates to  
You  
should

be  
aware  
that  
BHP  
Billiton  
may  
purchase  
securities  
of  
either  
Rio  
Tinto  
plc  
or  
Rio  
Tinto  
Limited  
otherwise  
than  
under  
the  
exchange  
offer,  
such  
as in open market  
or privately negotiated purchases.

Summary of the offer for Rio Tinto

BHP Billiton has made a pre-conditional offer for Rio Tinto, it will be capable of acceptance by shareholders following regulatory approvals and posting of offer documents

The offer is being made direct to the shareholders of Rio Tinto

Rio Tinto shareholders are being offered 3.4 BHP Billiton shares for every Rio Tinto share held

The 3.4:1 offer represents a 45%

(a)

premium

The offer is conditional on more than 50% acceptances of the publicly held shares in each of Rio Tinto plc and Rio Tinto Ltd

BHP Billiton has conducted global roadshows speaking to the major shareholders of BHP Billiton and Rio Tinto which has confirmed that shareholders have a clear understanding of the industrial logic of the deal

BHP Billiton believes this offer is compelling for Rio Tinto shareholders, and value enhancing for BHP Billiton shareholders

and it makes even more sense if you own both

Notes:

a)

Based on the volume weighted average market capitalisation of Rio Tinto and BHP Billiton for the month prior to BHP Billiton the Rio Tinto Board on 1-Nov-2007.

Conclusion

Strength, stability and growth

BHP Billiton on a standalone basis has a bright future

The core strategy remains unchanged

Focused on producing volumes from low cost assets

A combination of BHP Billiton and Rio Tinto can generate substantial additional

value

for

shareholders

we

are

a

natural

fit

In addition to the synergies, combining the two would create a company that is:

Unique in character;

Capable of delivering superior returns for its shareholders; and

An Australian champion on the global stage

BHP

Billiton

believes

the

terms

of

the

Rio

Tinto

offer

reflect

a

good

deal

for  
both companies  
shareholders

The  
process  
has  
a  
long  
time  
to  
run

an  
offer  
document  
is  
not  
expected  
to  
be posted to shareholders until late 2008
