**Item 5.02 Departure of Directors or Certain Officers; Election of Directors; Appointment of Certain Officers; Compensatory Arrangements of Certain Officers.**

On March 11, 2009, the independent members of the Board of Directors (the Independent Directors ) of Capital One Financial Corporation (the Company ), on the recommendation of its Compensation Committee, approved a new compensation plan for its named executive officers, excluding its Chief Executive Officer (the NEOs ).

This plan is designed to comply with the executive compensation requirements of Section 111(b) of the Emergency Economic Stabilization Act of 2008, as amended ( EESA ), which are subject to implementing standards to be issued by the U.S. Department of the Treasury ( Treasury ).

The new plan eliminates any cash bonus and other forms of prohibited equity incentive compensation for each NEO and shifts compensation to a combination of salary and restricted stock, as defined by and in the proportions required by EESA. Under the new plan, each NEO will receive two-thirds of his or her maximum compensation opportunity in salary, and up to one-third in an opportunity to be awarded shares of restricted stock at or near the end of each year. On average, the total compensation that may be delivered to the NEOs in 2009 under this new plan will be 23% to 49% less than the actual compensation delivered to the NEOs in 2008, depending upon whether the Independent Directors make any award of restricted stock under the plan at the end of the year and the amount of any such award. Any such award of restricted stock will be made only at the discretion of the Independent Directors, and will be based on the assessment of the Company s and the individual NEO s performance for a given year. Any award of restricted stock under the new plan will not vest during the period that the Company s obligations to the U.S. government under EESA remain outstanding, to the extent required by EESA and future Treasury standards. The Independent Directors also approved employment agreements between the Company and each of its NEOs reflecting the new plan. These agreements will be for a term of three years, but will expire sooner if the Company repays all of its obligations (other than with respect to outstanding warrants) under EESA before the end of the three year term.
