PART III NARRATIVE

State below in reasonable detail why forms 10-K, 20-F, 11-K, 10-Q, 10-D, N-SAR, N-CSR or the transition report or portion thereof, could not be filed within the prescribed time period.

The Registrant is unable to file its Annual Report on Form 20-F for the year ended December 31, 2008 without unreasonable effort or expense as the Registrant has been unable to complete its financial statements prior to the due date for the filing of this Annual Report due to:

- (i) a delay in the Registrant's completion of its analysis that may result in a significant provision for contingencies that the Registrant would recognize in the second quarter of 2009. This provision would require subsequent events disclosure in a note to its financial statements for the year ended December 31, 2008. The Registrant's documentation relating to these contingencies is also in the process of being audited by the Registrant's independent auditors; and
- (ii) delays in the completion of the U.S. GAAP reconciliation of the financial statements of the Registrant resulting from the Registrant's preparation of a restatement of the U.S. GAAP reconciliation of its financial statements at December 31, 2007 and for the years ended December 31, 2007 and 2006 to correct certain errors discovered by the Registrant in its previously filed financial statements. As a result of this restatement, the Registrant expects to report net income under U.S. GAAP of R\$778 million and R\$568 million for the years ended December 31, 2007 and 2006, respectively, and shareholder's equity under U.S. GAAP of R\$6,606 million at December 31, 2007. This restatement relates solely to our U.S. GAAP reconciliation and will have no effect on the presentation of our primary financial statements prepared in Brazilian GAAP.

We anticipate being able to file our Form 20-F within the permitted 15 calendar day extension period.
