(e) Compensatory Arrangements of Certain Officers.
2007 Equity Incentive Plan

The Board of Directors (the Board) of Cell Therapeutics, Inc. (the Company) previously approved, subject to stockholder approval, an amendment to the Cell Therapeutics, Inc. 2007 Equity Incentive Plan (the 2007 Plan) that would increase the number of shares of the Company's common stock that may be delivered pursuant to awards granted under the 2007 Plan by an additional 45,000,000 shares. According to the preliminary results from the Company's annual stockholder meeting held on October 20, 2009 (the Annual Meeting), the Company's stockholders have approved the amendment to the 2007 Plan.

The following summary of the 2007 Plan is qualified in its entirety by reference to the text of the amended and restated 2007 Plan attached hereto as Exhibit 10.1.

The Board or one or more committees appointed by the Board administers the 2007 Plan. The Board has delegated general administrative authority for the 2007 Plan to the Compensation Committee of the Board. The administrator of the 2007 Plan has broad authority under the 2007 Plan to, among other things, select participants and determine the type(s) of award(s) that they are to receive, and determine the number of shares that are to be subject to awards and the terms and conditions of awards, including the price (if any) to be paid for the shares or the award.

Persons eligible to receive awards under the 2007 Plan include officers or employees of the Company or any of its subsidiaries, directors of the Company, and certain consultants and advisors to the Company or any of its subsidiaries.

After giving effect to the 2007 Plan amendment, the maximum number of shares of the Company's common stock that may be issued or transferred pursuant to awards under the 2007 Plan equals 71,661,082 shares. The types of awards that may be granted under the 2007 Plan include stock options, stock appreciation rights, restricted stock and other forms of awards granted or denominated in the Company's common stock or units of the Company's common stock, as well as certain cash bonus awards.

As is customary in incentive plans of this nature, each share limit and the number and kind of shares available under the 2007 Plan and any outstanding awards, as well as the exercise or purchase prices of awards, and performance targets under certain types of performance-based awards, are subject to adjustment in the event of certain reorganizations, mergers, combinations, recapitalizations, stock splits, stock dividends, or other similar events that change the number or kind of shares outstanding, and extraordinary dividends or distributions of property to the stockholders.

2007 Employee Stock Purchase Plan

The Board previously approved, subject to stockholder approval, an amendment to the Cell Therapeutics, Inc. 2007 Employee Stock Purchase Plan (the Purchase Plan) to increase the number of shares authorized for issuance under the Purchase Plan by 500,000 shares (so that the maximum aggregate number of shares that may be issued under the Purchase Plan would increase to 1,525,000 shares). According to the preliminary results from the Annual Meeting, the Company's stockholders have approved the amendment to the Purchase Plan.

A copy of the amended and restated Purchase Plan is attached hereto as Exhibit 10.2.
