The forward-looking statements contained in this Current Report on Form 8-K and the script include statements about future financial and operating results, and risks and uncertainties that could affect the Company's products under development. These statements are based on management's current expectations and beliefs and are subject to a number of factors and uncertainties that could cause actual results to differ materially from those described in the forward-looking statements. These statements are not guarantees of future performance, involve certain risks, uncertainties and assumptions that are difficult to predict, and are based upon assumptions as to future events that may not prove accurate.
