### Explanatory Note

On March 4, 2010, IRIDEX Corporation (the Company) filed a Current Report on Form 8-K (the Original Filing) in which it announced that it had issued a press release discussing its financial results for the fourth quarter and full fiscal year 2009 (the Press Release). The Press Release incorrectly stated the number of shares used in computing net income (loss) per share diluted, and net income per share diluted, for the three months ended January 2, 2010 and the twelve months ended January 2, 2010. This 8-K/A is being filed for the sole purpose of amending these errors contained in the Press Release that was filed as an exhibit to the Original Filing. The items that have been revised in the Press Release are set forth in this explanatory note below. All other items in the Press Release remain unchanged.
