Item 4. Description of Securities.

Not applicable.

Item 5. Interests of Named Experts and Counsel.

Not applicable.

Item 6. Indemnification of Directors and Officers.

Section 309(c) of the California Corporations Code (the "CCC") permits a provision in the articles of incorporation eliminating or limiting, with certain exceptions, the personal liability of a director to the corporation or its shareholders for monetary damages for breach of fiduciary duty as a director. On May 28, 2003, the shareholders of the Registrant approved an amendment to Article V of the Williams-Sonoma, Inc. Restated Articles of Incorporation, as amended. The amendment authorizes the Registrant to indemnify its agents (as defined in Section 317(a) of the CCC) to the fullest extent permissible under California law. The Registrant filed the amendment with the California Secretary of State on July 23, 2003.

Section 317 of the CCC provides for the indemnification of any agent of a corporation (as defined in Section 317(a) of the CCC) under certain circumstances. Section 204(a)(11) of the CCC allows for the indemnification of agents for breach of duty in excess of the indemnification provided for agents in Section 317 of the CCC, but prohibits the Registrant from indemnifying agents for acts, omissions or transactions that a director may not be indemnified for as set forth in Section 204(a)(10) of the CCC or for circumstances for which indemnity is expressly prohibited by Section 317 of the CCC.

Consistent with California law, Section 6.1(a) of the Registrant's Amended and Restated Bylaws, as amended (the "Bylaws"), requires the Registrant to indemnify its directors and officers, to the fullest extent permitted by California law, against all expenses, liability and loss reasonably incurred or suffered by such person in connection with any Proceeding (as defined in Section 6.1(a) of the Bylaws) arising by reason of the fact that he or she, or a person of whom he or she is the legal representative, is or was a director or officer of the Registrant or is or was serving (during such person's tenure as director or officer) at the request of the Registrant, any other corporation, partnership, joint venture, trust or other enterprise in any capacity, whether the basis of a Proceeding is an alleged action in an official capacity as a director or officer or in any other capacity while serving as director or officer. Pursuant to California law, the Registrant is required to indemnify directors, officers, employees and other agents against expenses actually and reasonably incurred by them if that person acted in good faith and in a manner the person reasonably believed to be in the best interests of the Registrant and, in the case of a criminal proceeding, had no reasonable cause to believe the conduct of the person was unlawful.

Section 317(i) of the CCC also provides that a corporation shall have the power to purchase and maintain insurance on behalf of any agent (as defined in Section 317(a) of the CCC) of the corporation against any liability asserted against or incurred by the agent in such capacity or arising out of the agent's status as such whether or not the corporation would have the power to indemnify the agent against that liability under Section 317 of the CCC. The Registrant maintains director's and officer's liability insurance insuring the Registrant's directors and officers against certain liabilities and expenses incurred by such person in their capacities as such, and insuring the Registrant under certain circumstances in the event that indemnification payments are made by the Registrant to such directors and officers.

Item 7. Exemption from Registration Claimed.

Not applicable.

Item 9. Undertakings.

(a) The Registrant hereby undertakes:

(1) To file, during any period in which offers or sales are being made, a post-effective amendment to this Registration Statement:

(i) to include any prospectus required by Section 10(a)(3) of the Securities Act;

(ii) to reflect in the prospectus any facts or events arising after the effective date of the Registration Statement (or the most recent post-effective amendment thereof) which, individually or in the aggregate, represent a fundamental change in the information set forth in the Registration Statement. Notwithstanding the foregoing, any increase or decrease in volume of securities offered (if the total dollar value of the securities offered would not exceed that which was registered) and any deviation from the low or high end of the estimated maximum offering range may be reflected in the form of prospectus filed with the Commission pursuant to Rule 424(b) if, in the aggregate, the changes in volume and price represent no more than a 20% change in the maximum aggregate offering price set forth in the Calculation of Registration Fee table in the effective registration statement;

(iii) to include any material information with respect to the plan of distribution not previously disclosed in the Registration Statement or any material change to such information in the Registration Statement;

provided, however, that (a)(1)(i) and (a)(1)(ii) above do not apply if the information required to be included in a post-effective amendment by those paragraphs is contained in the periodic reports filed with or furnished to the Commission by the Registrant pursuant to Section 13 or Section 15(d) of the Exchange Act that are incorporated by reference into this Registration Statement.

(2) That, for the purpose of determining any liability under the Securities Act, each such post-effective amendment shall be deemed to be a new Registration Statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

(3) To remove from registration by means of a post-effective amendment any of the securities being registered which remain unsold at the termination of the offering.

(b) The Registrant hereby undertakes that, for purposes of determining any liability under the Securities Act, each filing of the Registrant's annual report pursuant to Section 13(a) or Section 15(d) of the Exchange Act (and, where applicable, each filing of an employee benefit plan's annual report pursuant to Section 15(d) of the Exchange Act) that is incorporated by reference in the Registration Statement shall be deemed to be a new Registration Statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

(c) Insofar as indemnification for liabilities arising under the Securities Act may be permitted to directors, officers and controlling persons of the Registrant pursuant to the foregoing provisions, or otherwise, the Registrant has been advised that in the opinion of the Securities and Exchange Commission such indemnification is against public policy as expressed in the Securities Act and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by the Registrant of expenses incurred or paid by a director, officer or controlling person of the Registrant in the successful defense of any action, suit or proceeding) is asserted by such director, officer or controlling person in connection with the securities being registered, the Registrant will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by it is against public policy as expressed in the Securities Act and will be governed by the final adjudication of such issue.
