ITEM 2.02. RESULTS OF OPERATIONS AND FINANCIAL CONDITION.

On October 8, 2010, the Registrant issued a press release entitled Waterside Capital Announces Earnings Release. The press release disclosed the Registrant's twelve month fiscal year 2010 financial results. A copy of the press release is being furnished as Exhibit 99.1 to this report and is incorporated by reference into this Item 2.02.

ITEM 2.03. CREATION OF A DIRECT FINANCIAL OBLIGATION OR AN OBLIGATION UNDER AN OFF-BALANCE SHEET ARRANGEMENT OF A REGISTRANT.

On October 6, 2010, the Registrant executed a Loan Agreement with the United States Small Business Administration that is effective as of September 1, 2010 (the Loan Agreement). The Loan Agreement allows the Registrant through its current management team to manage and liquidate the Registrant's portfolio so long as the Registrant remains in compliance with the terms of the agreements without triggering any of the events of default described in the Loan Agreement.

Under the terms of the Loan Agreement, the Registrant's existing debentures were repurchased effective September 1, 2010 by the SBA and a new debt instrument was put into place. Under this new arrangement, the Registrant's restructured debt to the SBA matures March 31, 2013 and the Registrant must make quarterly payments to the SBA with an interest rate of 6.442%, the same interest rate that had been in place under the remaining debentures that were repurchased under the terms of the Loan Agreement. The Loan Agreement provides that the SBA is granted a first priority security interest in the Registrant's assets and contains certain covenants, including limitations on lending and investing activities other than approved follow-on investments, expense limitations, indebtedness restrictions, a prohibition on distributions, and certain reporting requirements.

The Loan Agreement reserves to the SBA the ability to revisit and change all provisions in one year as outlined in the Loan Agreement and related documents. Events of default under the Loan Agreement include covenant violations, a material adverse change in the Registrant's financial condition, and failure to pay according to the terms of the Loan Agreement. If there is an event of default, the SBA has the ability to seek a receivership without opposition by the Registrant. In that case, the receiver would assume and control the operation of the Registrant to pursue and preserve all of its claims.

The descriptions of the material terms of the Loan Agreement contained in this report are qualified in their entirety by reference to the text of the Loan Agreement, a copy of which is filed as Exhibit 10.1 to this report and incorporated herein by reference.
