Item 5.02 Departure of Directors or Certain Officers; Election of Directors; Appointment of Certain officers; Compensatory Arrangements of Certain Officers

(e)

On March 14, 2011, STEC, Inc. (the Company) approved an amendment and restatement of the Severance and Change in Control Agreements entered into on February 22, 2010 with each of Manouch Moshayedi, the Company's Chief Executive Officer; Mark Moshayedi, the Company's President, Chief Operating Officer, Chief Technology Officer and Secretary; and Raymond Cook, the Company's Chief Financial Officer (as amended and restated, the Amended and Restated Severance and Change in Control Agreements). The key difference between the Amended and Restated Severance and Change in Control Agreements and the original agreements is that upon a termination of employment without cause or for good reason within eighteen (18) months following a change in control (i) each executive's outstanding equity awards will accelerate in full, regardless of whether the successor corporation assumes the awards or replaces the awards with a qualifying cash incentive program, and (ii) each executive will be entitled to the payment of his target annual bonus (or, if a target bonus has yet to be established for the fiscal year in which the termination occurs, the executive's target bonus for the prior fiscal year), rather than pro-rated annual bonus.

On that same date, the Company also terminated its existing Severance and Change in Control Agreement and entered into a new Severance and Change in Control Agreement with Robert Saman, the Company's General Counsel and Assistant Secretary (the Saman Agreement). The Saman Agreement has an initial term of four years and is subject to automatic one-year extensions unless the Company gives notice of its intent to not renew at least sixty (60) days prior to the expiration of the then-current term.

Under the Saman Agreement, if the Company terminates Mr. Saman's employment without cause or if Mr. Saman terminates his employment for good reason (each, as defined in the Saman Agreement), in exchange for a general release and waiver of claims against the Company, the Company will provide Mr. Saman with a lump sum severance payment, in cash, equal to twelve (12) months of Mr. Saman's then-current annual base salary; and the continuation of group medical and group dental plan coverage for twelve (12) months after the termination date as well as certain Company-paid COBRA benefits.

If there is a change in control (as defined in the Saman Agreement) of the Company and within eighteen (18) months following such change in control the Company terminates Mr. Saman without cause or if Mr. Saman terminates his employment for good reason, he will be entitled to receive (i) the same benefits as described above, subject to his signing a general release and waiver of claims against the Company, (ii) the payment of his target annual bonus (or, if a target bonus has yet to be established for the fiscal year in which the termination occurs, his target bonus for the prior fiscal year), and (iii) accelerated vesting of all outstanding equity awards held by him on the termination date.

The summary of the Amended and Restated Severance and Change in Control Agreements and the Saman Agreement contained in this Item 5.02(e) is qualified in its entirety by reference to the Amended and Restated Severance and Change in Control Agreements and the Saman Agreement, copies of which are filed as Exhibits 10.1, 10.2 and 10.3 to this Current Report on Form 8-K and which are incorporated by reference to this Item 5.02(e) in their entirety.
