PROXY STATEMENT

This Proxy Statement and the 2010 Annual Report to Shareholders are being mailed on or about April 1, 2011 to shareholders of Ducommun Incorporated (the Corporation) who are such of record on March 14, 2011, in connection with the solicitation of proxies for use at the Corporation's Annual Meeting of Shareholders to be held at 9:00 o'clock A.M. on May 4, 2011, or at any adjournments or postponements thereof (the Annual Meeting), for the purposes set forth herein and in the accompanying Notice of Annual Meeting. The accompanying proxy is solicited by the Board of Directors (the Board) of the Corporation. Solicitation will be made by mail, interview, telephone, facsimile and internet. D. F. King & Co., Inc. has been retained to assist in the solicitation of proxies for which it will be paid a fee of \$6,000 plus reimbursement of out-of-pocket expenses. Brokers, nominees, banks and other custodians will be reimbursed for their costs incurred in forwarding solicitation material to beneficial owners. All expenses incident to the proxy solicitation will be paid by the Corporation.

Proxies in the accompanying form will be voted in accordance with the instructions given therein. If the proxy is completed and submitted (and not revoked) prior to the Annual Meeting, but no instructions are given, the proxies will be voted for the election as directors of the management nominees, for approval of the advisory resolution on executive compensation, for ratification of the selection of PricewaterhouseCoopers LLP as the Corporation's independent accountants for the fiscal year ending December 31, 2011, and in their discretion on such other business as may properly come before the meeting. If no instructions are given with respect to the future advisory votes on executive compensation, those proxies will be treated as abstaining from that vote. Any shareholder may revoke his proxy at any time prior to its use by filing with the Secretary of the Corporation a written notice of revocation or a duly executed proxy bearing a later date or by voting in person at the Annual Meeting.

The close of business on March 14, 2011 has been fixed as the record date (the Record Date) for the determination of holders of shares of Common Stock entitled to notice of, and to vote at, the Annual Meeting. At the close of business on the Record Date, the Corporation had outstanding 10,530,866 shares (excluding treasury shares) of Common Stock, \$.01 par value per share (the Common Stock). In the election of directors, holders of Common Stock have cumulative voting rights. Cumulative voting rights entitle a shareholder to a number of votes equal to the number of directors to be elected multiplied by the number of shares held. The votes so determined may be cast for one candidate or distributed among one or more candidates. Votes may not be cast, however, for a greater number of candidates than the number of nominees named herein. On all other matters to come before the Annual Meeting, each holder of Common Stock will be entitled to one vote for each share owned.

A majority of the outstanding shares of Common Stock will constitute a quorum at the Annual Meeting. Abstentions and broker non-votes will be counted for purposes of determining whether a quorum has been obtained. In the election of directors, abstentions and broker non-votes will not be counted. On all other matters, abstentions will be counted, but broker non-votes will not be counted, for purposes of determining whether a proposal has been approved.

In the election of directors, the candidates receiving the highest number of votes will be elected to fill the vacancies on the Board of Directors. The ratification of PricewaterhouseCoopers LLP as the Corporation's independent accountants for the fiscal year ending December 31, 2011 requires approval by the affirmative vote of a majority of the votes cast.

ITEM 1: ELECTION OF DIRECTORS

Two directors (out of a total of eight) are to be elected at the forthcoming Annual Meeting to serve for a three-year term expiring at the Annual Meeting in 2014 and thereafter until their successors are elected and qualified. The nominees for such positions are Joseph C. Berenato and Robert D. Paulson. In the absence of a contrary direction, proxies in the accompanying form will be voted for the election of the foregoing nominees. Management does not contemplate that any of the nominees will be unable to serve as a director, but if that should occur the person designated in the proxies will cast votes for other persons in accordance with their best judgment. In the event that any person other than the nominees named herein should be nominated for election as a director, the proxy holders may vote for less than all of the nominees and in their discretion may cumulate votes. Should any of the directors whose terms continue past the 2011 Annual Meeting cease to serve as directors prior to the Annual Meeting, the authorized number of directors will be reduced accordingly. **THE BOARD OF DIRECTORS UNANIMOUSLY RECOMMENDS THAT YOU VOTE FOR MESSRS. BERENATO AND PAULSON.**

Directors Qualifications

The Board of Directors believes that the Board of Directors, as a whole, should possess a combination of skills, professional experience, and backgrounds necessary to oversee the Corporation's business. In addition, the Board of Directors believes that there are certain attributes that every director should possess, as reflected in the Board's membership criteria. Accordingly, the Board of Directors and its Corporate Governance and Nominating Committee consider the qualifications of directors and director candidates individually and in the broader context of the Board of Directors' overall composition and the Corporation's current and future needs.

The Corporate Governance and Nominating Committee is responsible for developing and recommending Board of Director membership criteria to the Board for approval. The criteria, which are set forth in the Corporation's Corporate Governance Guidelines, include independent and sound judgment, integrity, the ability to commit sufficient time and attention to Board of Director activities, and the absence of potential conflicts with the Corporation's interests. In addition, the Corporate Governance and Nominating Committee periodically evaluates the composition of the Board of Directors to assess the skills and experience that are currently represented on the Board of Directors as well as the skills and experience that the Board of Directors will find valuable in the future, given the Corporation's current situation and strategic plans. While the Corporate Governance and Nominating Committee does not have an explicit policy with respect to diversity, it carefully considers the Board's diversity of qualifications in terms of industry experience, functional skills, age, governance service on other boards, prior work experience, educational background, and other important considerations. The Corporate Governance and Nominating Committee believes that it is important that Board of Director members represent diverse viewpoints and perspectives in their application of judgment to company matters.

In evaluating director candidates, and considering incumbent directors for renomination to the Board of Directors, the Corporate Governance and Nominating Committee has considered a variety of factors. These include each nominee's independence, financial literacy, personal and professional accomplishments and experience.

The following information is furnished as of March 14, 2011, with respect to the persons who are nominees for election to the Board of Directors, as well as for the other six directors of the Corporation whose terms of office will continue after the 2011 Annual Meeting.

The Corporation strongly encourages all directors to attend the Annual Meeting of Shareholders, and all of the directors attended the 2010 Annual Meeting of Shareholders. COMPENSATION OF DIRECTORS

Description of Director Compensation

Directors who are not employees of the Corporation or a subsidiary are paid an annual retainer of \$45,000 and receive \$1,000 for each meeting of a committee of the Board of Directors they attend. The chairman of each of the Audit Committee, Compensation Committee and the Corporate Governance and Nominating Committee are paid an additional annual retainer fee of \$7,500. The presiding director is paid an additional annual retainer of \$15,000. Directors also are granted, following the Annual Meeting of Shareholders, restricted stock units for a number of shares (rounded to the nearest 100 shares) equal to \$50,000 divided by the average closing price of the Corporation's Common Stock on the New York Stock Exchange on the five trading days immediately preceding the date of grant.

Under the Directors Deferred Income and Retirement Plan, a director may elect to defer payment of all or part of his fees for service as a director until he retires from service on the Board of Directors. Deferred directors' fees may be placed, at the election of the director, in a fixed interest account or a phantom stock account which tracks the Common Stock of the Corporation with dividends (if any), and will be paid with earnings thereon following the retirement of the director. Upon retirement, Mr. Ducommun will receive the annual retainer fee of \$25,000, which was in effect in 2009, for life or for a period of years equal to his service as a director prior to 1997 (when the accrual of additional years of service was terminated), whichever is shorter, provided that he retires after the age of 65, and is not an employee of the Corporation when he retires.

- (4) Mr. Crosby's director's fees were deferred into an account to which 2,992.15 shares of phantom stock were credited, in lieu of cash, in 2010.

Director Stock Ownership Policy

In early 2011, the Board of Directors adopted a stock ownership policy covering all non-employee directors. Under the policy, non-employee directors must acquire and hold shares of the Corporation's common stock equal in value to at least three times the annual cash and stock retainer paid to all non-employee directors. Non-employee directors have five years from the later of the adoption of the policy or their initial election to meet this stock ownership guideline.

BOARD LEADERSHIP STRUCTURE

The Corporation's Chief Executive Officer is Anthony J. Reardon and the Chairman of the Board is Joseph C. Berenato, the Corporation's former Chief Executive Officer. Since January 1, 2010, the roles of Chairman of the Board and Chief Executive Officer have been divided in order to provide a transition in leadership. Mr. Berenato, who had been Chairman of the Board and Chief Executive Officer, retired as an executive officer of the Corporation effective January 1, 2010 but continues to work full time as the Chairman of the Board. Mr. Reardon was elected Chief Executive Officer effective January 1, 2010 following the retirement of Mr. Berenato.

The Board of Directors believes that strong, independent leadership and oversight of management is an important component of an effective Board of Directors. In this regard, the Board has elected Robert D. Paulson as the independent lead director with leadership authority and responsibilities. Mr. Paulson, together with the other members of the Board of Directors, review the agenda for all Board meetings, and Mr. Paulson sets the agenda for and leads all executive sessions of the independent directors and provides consolidated feedback from those meetings to the Chairman and the Chief Executive Officer. The Board of Directors regularly meets in

executive session without management present following each Board meeting and outside of regularly scheduled Board meetings on key issues as required. The lead director's responsibilities and authority include:

coordinating the activities of the independent directors;

presiding at meetings of the Board of Directors at which the Chairman and the CEO are not present, including executive sessions of the independent directors;

setting the agenda for and leading non-management and independent director sessions held by the Board regularly, and briefing the Chairman and the CEO on any issues arising from those sessions;

having the authority to call executive sessions of the independent directors;

servicing as a liaison between the Chairman and the CEO and the independent directors;

advising on the flow of information sent to the Board of Directors, and reviewing the agenda, materials and schedule for Board meetings; and

being available for consultation and communication with major shareholders as appropriate.

The independent members of the Board of Directors have determined that having a separate Chairman and Chief Executive Officer will be the most effective in assuring an efficient transition of the duties of the Chief Executive Officer and is the most appropriate leadership structure for the Board of Directors at this time. However, the roles of Chairman and CEO may be filled by the same or different individuals. This allows the Board of Directors flexibility to determine whether the two roles should be combined in the future based upon the Corporation's needs and the Board of Directors' assessment of the Corporation's leadership from time to time. The Board of Directors periodically reviews the structure of Board and Corporation leadership as part of the succession planning process.

THE BOARD'S ROLE IN RISK OVERSIGHT

The Board of Directors oversees risk management as a whole and through its Committees. The Board regularly reviews information regarding, and risks associated with, the Corporation's operations and liquidity.

While the full Board of Directors has the ultimate oversight responsibility for the risk management process, various Board Committees also have responsibilities for risk management in certain areas. In particular, the Audit Committee reviews risks related to financial reporting and internal controls. The Audit Committee also, at least annually, reviews and assesses enterprise-wide risks and risk mitigation plans implemented by management. Management regularly reports on each such risk to the Audit Committee or the full Board of Directors, as appropriate, and additional review or reporting on enterprise risks is conducted as needed or as requested by the Board of Directors or the Audit Committee. The Compensation Committee reviews the Corporation's overall compensation programs and their effectiveness aligning executive pay with performance in the interests of shareholders. The Corporate Governance and Nominating Committee reviews and makes recommendations to the Board concerning the Corporation's leadership structure and director independence.

The Compensation Committee reviews the risks associated with the Corporation's compensation policies and practices for executive officers and employees generally. The Compensation Committee did not identify any risks arising from these policies and practices which are reasonably likely to have a material adverse effect on the Corporation. In the course of its review, the Compensation Committee considered various features of the compensation policies and practices that discourage excessive risk taking, including, but not limited to, the following:

An appropriate compensation philosophy based on peer group and other market compensation data,

An effective balance between cash and equity-based compensation,

An appropriate mix of short and longer-term performance measures, and

Financial and non-financial performance measurements, together with Compensation Committee and management discretion to adjust compensation appropriately.

COMMITTEES OF THE BOARD OF DIRECTORS

The Corporation has standing Audit, Compensation, and Corporate Governance and Nominating Committees. The members of each of the Committees are listed above under Directors Qualifications.

The Audit Committee, which met formally four times during 2010, oversees the integrity of the Corporation's financial statements, the Corporation's compliance with legal and regulatory requirements, the independent auditor's qualifications and independence, and the performance of the Corporation's internal audit function and the Corporation's independent auditor. The Audit Committee is governed by a charter which was adopted by the Board of Directors, and which is attached to this Proxy Statement as Appendix A. The Corporation's securities are listed on the New York Stock Exchange and are governed by its listing standards. All of the members of the Audit Committee meet the independence standards of the New York Stock Exchange's listing standards. The Board of Directors has determined that Mr. Haberland, the chairman of the Audit Committee, is an audit committee financial expert as such term is defined under the regulations of the Securities and Exchange Commission (SEC).

The Compensation Committee, which met formally six times during 2010, reviews and approves compensation for executive officers, grants stock options and other stock-based awards, administers stock option and stock-based award programs, reviews and recommends retirement plans, reviews and approves employment agreements and severance arrangements for executive officers, and oversees the evaluation of management of the Corporation. All of the members of the Compensation Committee meet the independence standards of the New York Stock Exchange's listing standards.

The Corporate Governance and Nominating Committee, which met formally one time during 2010, reviews and recommends to the Board of Directors the nominees for election as directors of the Corporation and oversees the corporate governance of the Corporation. All of the members of the Corporate Governance and Nominating Committee meet the independence standards of the New York Stock Exchange's listing standards.

The charters of each of the committees of the Board of Directors and the Corporation's Corporate Governance Guidelines are available on the Corporation's website at www.ducommun.com and are available in writing upon the written request of any shareholder of the Corporation. Such requests should be addressed to Ducommun Incorporated, 23301 Wilmington Ave., Carson, CA 90745-6209, Attn: James S. Heiser, Secretary.

COMPENSATION COMMITTEE INTERLOCKS AND INSIDER PARTICIPATION

During 2010, no member of the Compensation Committee of the Board of Directors was or had been an officer or employee of the Corporation, or had any relationship requiring disclosure hereunder. During 2010, no executive officer of the Corporation served as a member of the Compensation Committee or as a director of another entity, one of whose executive officers served on the Compensation Committee of the Board of Directors or as a director of the Corporation.

NOMINATING PROCESS

The Corporate Governance and Nominating Committee will consider director candidates recommended by security holders of the Corporation, provided that any security holder recommending a director candidate must have beneficially owned more than five percent (5%) of the Corporation's voting common stock continuously for at least one (1) year as of the date the recommendation is made and any such security holder may submit the name of only one person each year for consideration as a director candidate. All such security holders' recommendations of director candidates must be submitted to the Secretary of the Corporation in writing no later than October 31 of the year preceding the annual meeting of shareholders, and must include (i) the full name, address and Social Security number of the director candidate recommended, (ii) the full name, address and taxpayer identification number of each of the security holders, and (iii) an affidavit of each of the security holders that they satisfy the minimum beneficial ownership of common stock requirements set forth above. The Corporate Governance and Nominating Committee considers and evaluates candidates recommended by security holders in the same manner that it considers and evaluates other director candidates.

The Corporate Governance and Nominating Committee believes that all Committee-recommended nominees for election as a director of the Corporation must, at a minimum, have (i) diverse expertise, business experience, sound judgment and a record of accomplishment in areas relevant to the Corporation's business activities, (ii) unquestionable integrity, (iii) commitment to representing the interests of the Corporation's shareholders, (iv) willingness to devote sufficient time, energy and attention to carrying out their duties and responsibilities effectively, and (v) willingness to serve on the Board for an extended period of time. In identifying candidates to serve on the Board of Directors, the Corporate Governance and Nominating Committee first determines the evolving needs of the Board of Directors, taking into account such factors as it deems appropriate, including the current composition of the Board of Directors, the range of talents, experiences and skills that would best complement those already represented on the Board of Directors, the balance of management and independent directors and the need for financial or other specialized expertise, as discussed in greater detail above under Directors' Qualifications.

The Corporate Governance and Nominating Committee also believes that at least a majority, and preferably two-thirds, of the Corporation's directors must be independent under the NYSE rules, and that at least one member of the Board of Directors must be an audit committee financial expert as defined by SEC rules. All persons to be considered for nomination as a director of the Corporation by the Corporate Governance and Nominating Committee must complete a questionnaire, provide such additional information as the Corporate Governance and Nominating Committee may request, and meet in person with directors of the Corporation.

SECURITY HOLDERS AND OTHER INTERESTED PARTIES

COMMUNICATIONS WITH THE BOARD OF DIRECTORS

Security holders and other interested parties may communicate with the Corporation's Board of Directors in writing by mail, addressed to Board of Directors, Ducommun Incorporated, 23301 Wilmington Ave., Carson, CA 90745-6209. Persons wishing to communicate with the Board of Directors should include their full name and address. Security holders and other interested parties wishing to communicate with the Board of Directors should also include the number of shares of common stock beneficially owned, and the name of the record holder of the common stock if different from themselves (e.g., the name of any broker or bank holding the stock). The Corporation intends to forward all communications from security holders and other interested parties in the manner described above to the Corporate Governance and Nominating Committee members, who will then determine whether the communications should be distributed to the entire Board of Directors of the Corporation. If the Board of Directors of the Corporation receives a substantial number of communications from security holders and other interested parties, the Corporate Governance and Nominating Committee may delegate to the general counsel of the Corporation the screening of these communications to remove solicitations and communications unrelated to the Corporation's business. Should shareholders or other interested parties desire to

communicate with the Corporation's presiding director or non-management directors as a group, such communications should be addressed to either the presiding director or the non-management directors at the address set forth above.

SECTION 16(a) BENEFICIAL OWNERSHIP REPORTING COMPLIANCE

Section 16(a) of the Securities Exchange Act of 1934, as amended (the Exchange Act), requires the Corporation's officers and directors, and persons who own more than 10% of the Corporation's equity securities, to file reports of ownership and changes in ownership with the SEC and to furnish copies of such forms to the Corporation. Based solely on a review of the copies of such forms furnished to the Corporation, and on written representations that no Forms 5 were required, the Corporation believes that during its past fiscal year all of its officers, directors and greater than 10% owners complied with the filing requirements of Section 16(a) except that Mr. Reardon failed to report one transaction on a timely basis on one Form 4 that was subsequently filed and Michael Pollack, the Corporation's vice president of sales and marketing, failed to file on a timely basis a Form 3 that was subsequently filed.

CODE OF ETHICS

The Corporation has adopted a Code of Ethics for Senior Financial Officers and a Code of Business Conduct and Ethics, the text of each of which is posted on the Corporation's website at www.ducommun.com and is available in writing upon the written request of any shareholder of the Corporation. Such requests should be addressed to Ducommun Incorporated, 23301 Wilmington Ave., Carson, CA 90745-6209, Attn: James S. Heiser, Secretary.

SECURITY OWNERSHIP OF CERTAIN BENEFICIAL OWNERS AND MANAGEMENT
