PROXY STATEMENT

2012 ANNUAL MEETING OF STOCKHOLDERS

QUESTIONS AND ANSWERS

Q: Why did you send me this proxy statement?

A: We sent you this proxy statement and the enclosed proxy card because our board of directors is soliciting proxies to be voted at our annual meeting. The annual meeting will be held at our corporate headquarters, 16 Maiden Lane, Fifth Floor, San Francisco, California 94108 on Friday, May 4, 2012, at 8:00 a.m., local time. This proxy statement summarizes the information you need to know to vote by proxy or in person at the annual meeting. You do not need to attend the annual meeting in person in order to vote.

Q: When was the proxy statement mailed?

A: The proxy statement, the enclosed proxy card and the 2011 annual report are being mailed to stockholders beginning on or about March 19, 2012.

Q: Who is entitled to vote?

A: All stockholders of record as of the close of business on March 1, 2012, the record date, are entitled to receive notice of the annual meeting and to cast one vote for each share of common stock they held of record at the close of business on the record date.

Q: What is the quorum for the meeting?

A: Stockholders entitled to cast a majority of all votes entitled to be cast, as of the close of business on the record date, will constitute a quorum for the transaction of business at the annual meeting. No business may be conducted at the meeting if a quorum is not present. Broker non-votes (defined below) and abstentions will be counted as present in determining whether or not there is a quorum. As of the close of business on the record date, 13,366,610 shares of common stock were issued and outstanding.

If stockholders entitled to cast a majority of all votes entitled to be cast are not present, in person or by proxy, at the annual meeting, the chairman of the meeting may adjourn the annual meeting to another date, time or place, not later than 120 days after the original record date of

Edgar Filing: Terreno Realty Corp - Form DEF 14A

March 1, 2012. Notice need not be given of the new date, time or place if announced at the meeting before an adjournment is taken.

Q: How many votes do I have without attending the annual meeting?

A: You are entitled to cast one vote for each share of our common stock you owned of record on the record date on each item submitted to you for consideration.

Q: How do I vote without attending the annual meeting?

A: Whether or not you plan to attend the annual meeting, we urge you to authorize your proxy to vote by completing, dating, signing and promptly returning the proxy card in the self-addressed stamped envelope provided. You may also authorize your proxy to vote your shares by the Internet or telephone as described in

Table of Contents

your proxy card. Authorizing your proxy by the Internet, mailing a proxy card or telephone will not limit your right to attend the annual meeting and vote your shares in person. Your proxy (one of the individuals named in your proxy card) will vote your shares per your instructions.

Q: How do I vote my shares that are held by my broker, bank or other nominee?

A: If you have shares held through a broker, bank or other nominee, you should instruct your broker, bank or other nominee to vote your shares by following the instructions that the broker, bank or other nominee provides to you. Most brokers, banks or other nominees allow you to provide voting instructions by the Internet, mail or telephone.

Q: What am I voting on?

A: You are being asked to consider and vote on the following proposals:

a proposal to elect six directors, each to serve until the next annual meeting of stockholders and until his successor has been duly elected and qualifies;

a proposal to adopt a resolution to approve, on a non-binding, advisory basis, certain executive compensation as more fully described in this proxy statement; and

a proposal to ratify the appointment of Ernst & Young LLP as our independent registered certified public accounting firm for the 2012 fiscal year.

In addition, your proxies will have the authority to vote in their discretion as to any other business as may properly come before the annual meeting, including any adjournments or postponements thereof.

Q: What vote is required to approve the proposals assuming that a quorum is present at the annual meeting?

The following table sets forth the voting requirements with respect to each of the proposals:

Proposal 1	Election of Directors	Each director must be elected by a majority of the votes cast at the annual meeting. Accordingly, in an uncontested election, a nominee is elected if he or she receives more FOR votes than the total number of AGAINST and WITHHELD votes. Please see the section entitled Vote Required Majority Vote Standard for Election of Directors for a more detailed description of the majority voting standard in our bylaws.
Proposal 2	Non-binding, advisory approval of executive compensation	To be adopted by stockholders, this resolution must receive the affirmative FOR vote of a majority of votes cast on this proposal at the annual meeting.
Proposal 3	Ratification of the Appointment of Independent Registered Certified Public Accounting Firm	To be approved by stockholders, this proposal must receive the affirmative FOR vote of a majority of votes cast on this proposal at the annual meeting.

For each of the proposals, abstentions and broker non-votes are not counted as votes cast and will have no effect on the result of the vote. Instructions to withhold authority to vote for any nominee will have the effect of a vote against the election of that nominee.

Edgar Filing: Terreno Realty Corp - Form DEF 14A

Q: Will there be any other items of business on the agenda?

A: Our board of directors does not know of any other matters that may be properly brought before the annual meeting nor does it foresee or have reason to believe that proxy holders will have to vote for substitute or

Table of Contents

alternate nominees for election to our board of directors. In the event that any other matter should properly come before the annual meeting or any nominee is not available for election, the persons named in the enclosed proxy will have discretionary authority to vote all proxies with respect to such matters in accordance with their discretion.

Q: What happens if I submit my proxy without providing voting instructions on all proposals?

A: If you are a stockholder of record and properly submit your proxy via the Internet, mail or telephone, your proxy will be voted at the annual meeting in accordance with your directions. If you sign and return a proxy card without giving specific voting instructions, then the Company-designated proxy holders will vote your shares in the manner recommended by our board of directors on all matters presented in this proxy statement and as the proxy holders may determine in their discretion regarding any other matters properly presented for a vote at the meeting.

If you are a beneficial owner of shares and your broker, bank or nominee does not receive instructions from you about how your shares are to be voted, one of two things can happen, depending on the type of proposal. Pursuant to New York Stock Exchange, or NYSE, rules, brokers, banks and nominees have discretionary power to vote your shares with respect to routine matters such as the ratification of the appointment of our independent registered certified public accounting firm, but they do not have discretionary power to vote your shares on non-routine matters. The election of directors and the non-binding, advisory approval of executive compensation are considered non-routine matters. A broker, bank or nominee may not vote your shares with respect to non-routine matters if you have not provided instructions. This is called a broker non-vote. We strongly encourage you to submit your proxy and exercise your right to vote as a stockholder.

Q: Who has paid for this proxy solicitation?

A: We have paid the entire expense of preparing, printing and mailing this proxy statement and any additional materials furnished to stockholders.

Q: May stockholders ask questions at the annual meeting?

A: *Yes.* There will be time allotted at the end of the meeting when our representatives will answer appropriate questions from the floor.

Q: How do I submit a proposal or nominate a candidate for election as a director at the 2013 annual meeting of stockholders?

A: Our bylaws currently provide that in order for a stockholder to nominate a candidate for election as a director at an annual meeting of stockholders or propose business for consideration at such meeting, written notice accompanied by the information and other materials specified in our bylaws generally must be delivered to our corporate secretary not later than the close of business on the 120th day, and not earlier than the 150th day, prior to the first anniversary of the date of the notice for the preceding year's annual meeting. Accordingly, a stockholder nomination or proposal intended to be considered at the 2013 annual meeting of stockholders, but not included in our proxy statement, generally must be received by our corporate secretary after October 20, 2012 and prior to 5:00 p.m., Eastern Time, the close of business, on November 19, 2012. If the 2013 annual meeting of stockholders is scheduled to take place before April 4, 2013 or after June 3, 2013, then notice must be delivered no earlier than the 150th day prior to the 2013 annual meeting of stockholders and not later than the close of business on the later of the 120th day prior to the 2013 annual meeting of stockholders or the tenth day following the day on which public announcement of the date of the 2013 annual meeting of stockholders is first made by the Company. If the number of directors to be elected at the 2013 annual meeting of stockholders is increased, and there is no public announcement of such increase before November 9, 2012, then notice of nominees for any new positions created by such increase must be delivered not later than 5:00 p.m., Eastern Time, the close of business, on the later of November 19, 2012 and the tenth day after the day on which public announcement of such increase is first made by the Company. Proposals or nominations and the other materials required by our

Table of Contents

bylaws should be mailed to the attention of our corporate secretary at 16 Maiden Lane, Fifth Floor, San Francisco, CA 94108. A copy of the bylaws may be obtained from our corporate secretary by written request to the same address.

The date by which we must receive stockholder proposals for inclusion in the proxy materials relating to the 2013 annual meeting of stockholders, or for presentation at such meeting, is November 19, 2012. Stockholder proposals to be included in our proxy materials relating to the 2013 annual meeting of stockholders must comply with all of the applicable requirements set forth in the rules and regulations of the Securities and Exchange Commission, or SEC, including Rule 14a-8. Our board of directors will review any stockholder proposals that are timely submitted and will determine whether such proposals meet the criteria for inclusion in the proxy solicitation materials or for consideration at the 2013 annual meeting.

Q: Can I change my vote after I have voted?

A: *Yes.* Proxies properly submitted by the Internet, mail or telephone do not preclude a stockholder from voting in person at the meeting. A stockholder may revoke a proxy at any time prior to its exercise by filing with our corporate secretary a duly executed revocation of proxy, by properly submitting, either by Internet, mail or telephone, a proxy to our corporate secretary bearing a later date or by appearing at the meeting and voting in person. Attendance at the meeting will not by itself constitute revocation of a proxy. If you have shares held through a broker, bank or other nominee and you instructed your broker, bank or other nominee to vote your shares by following the instructions that the broker, bank or other nominee provided to you, you may change your voting instructions by submitting new voting instructions to your broker, bank or nominee.

Q: Can I find additional information on the Company's website?

A: *Yes.* Our website is located at <http://www.terreno.com>. Although the information contained on our website is not part of this proxy statement and is not incorporated by reference in this proxy statement, you can view additional information on the website, such as our corporate governance guidelines, our code of business conduct and ethics, charters of our board committees and reports that we file with the SEC.

CORPORATE GOVERNANCE AND RELATED MATTERS

Our business is managed under the direction of our board of directors. Our board of directors establishes our overall corporate policies, reviews the performance of our senior management in executing our business strategy and managing our day-to-day operations and acts as an advisor to our senior management. Our board's mission is to further the long-term interests of our stockholders. Members of our board of directors are kept informed of our business through discussions with our management, primarily at meetings of our board of directors and its committees, and through reports and analyses presented to them. Significant communications between our directors and senior management occur apart from such meetings. Our board of directors and each of its committees' audit, compensation and nominating and corporate governance also have the authority to retain, at our expense, outside counsel, consultants or other advisors in the performance of their duties.

Charters for the audit, compensation and nominating and corporate governance committees, our corporate governance guidelines and our code of business conduct and ethics may be viewed on our website at <http://www.terreno.com> under the Investors & Media tab under the subheading Corporate Information and under the heading entitled Governance Documents. These documents are also available without charge to stockholders who request them by contacting Terreno Realty Corporation Investor Relations, 16 Maiden Lane, Fifth Floor, San Francisco, California 94108.

Independent Directors

Under the corporate governance standards of the NYSE, at least a majority of our directors and all of the members of the audit committee, compensation committee and nominating and corporate governance committee must meet the test of independence as defined by the NYSE. The NYSE standards provide that to qualify as an independent director, in addition to satisfying certain bright-line criteria, our board of directors must affirmatively determine that a director has no material relationship with us (either directly or as a partner, shareholder or officer of an organization that has a relationship with us). In addition, our corporate governance guidelines provide that at least annually, our board of directors will evaluate all relationships between the Company and each director in light of relevant facts and circumstances for the purposes of determining whether a material relationship exists that might signal a potential conflict of interest or that might cause the director to cease to meet the applicable independence requirements or interfere with such director's ability to satisfy his or her duties as a director. Our board of directors has determined that each of Messrs. Carlson, Merlone, Pasquale and Polk is an independent director under the corporate governance standards of the NYSE and the SEC. Therefore, following the election of the director nominees at the annual meeting, we believe that 67% of our board members will be independent under those rules.

Executive Sessions

Our non-management directors meet regularly in separate executive sessions without management participation. The executive sessions typically occur after each regularly scheduled meeting of our entire board of directors and at such other times that our non-management directors deem appropriate. The executive sessions are chaired by Mr. Pasquale, our Lead Director.

Nominations for Directors

The nominating and corporate governance committee will consider nominees for director suggested by stockholders in written submissions to our corporate secretary. Our bylaws currently provide that in order for a stockholder to nominate a candidate for election as a director at an annual meeting of stockholders or propose business for consideration at such meeting, written notice containing the information and materials required by our bylaws generally must be delivered to our corporate secretary not later than the close of business on the 120th day, and not earlier than the 150th day, prior to the first anniversary of the date of the notice for the preceding year's annual meeting.

Table of Contents

In evaluating nominees for director, the nominating and corporate governance committee does not differentiate between nominees recommended by stockholders and others. The nominating and corporate governance committee develops and recommends to our board of directors for its consideration and approval such criteria for identifying and recommending prospective nominees for election as directors as the nominating and corporate governance committee deems necessary or advisable in the context of the current make-up of our board of directors. The criteria include such factors as diversity, age, qualities (such as character, professional integrity, independence, judgment and business acumen), skills and experience, industry knowledge and experience, requirements of the NYSE to maintain a minimum number of independent directors, requirements of the SEC to have persons with financial expertise on the Company's audit committee, the ability of a candidate to devote sufficient time to the affairs of the Company, any actual or potential conflicts of interest, and the extent to which the candidate generally would be a desirable addition to our board of directors and any committees of our board of directors.

We do not have a formal diversity policy. However, the criteria above include a broad range of factors such as relevant experience, independence, commitment, compatibility with our board of directors and its committees and diversity.

Stockholder or Interested Party Communications

Our board of directors has implemented a process by which our stockholders or any interested parties may communicate with our board of directors as a whole or with individual members of our board of directors. Communications directed at our board of directors as a whole should be addressed to Terreno Realty Corporation, 16 Maiden Lane, Fifth Floor, San Francisco, California 94108, Attn: Corporate Secretary, and communications directed at individual directors, including our Lead Director, should be addressed to the attention of the individual director at the same address. Such communications may be made on an anonymous or confidential basis. Our board of directors has instructed our Corporate Secretary to promptly forward all such communications to the specified addressees thereof.

Board Leadership Structure

Our corporate governance guidelines provide that our board of directors will periodically appoint a chairman of the board, who may either be independent or a management director, including our chief executive officer. The positions of chairman and chief executive officer are currently occupied by one individual, Mr. Baird. Our board of directors believes that this leadership structure serves us well, as Mr. Baird's deep industrial real estate expertise across markets and cycles, as well as extensive public REIT operating experience, uniquely qualify him to serve as both chairman and chief executive officer. Combining the chairman and chief executive officer roles fosters clear accountability, effective decision-making and aligns corporate strategy with the Company's day-to-day operations. Combining the roles also promotes unified leadership and direction for our board of directors and management.

In his combined role, Mr. Baird sets the agenda for board meetings in consultation with our Lead Director and presides over all meetings of the full board. Since the chairman and chief executive officer positions are currently occupied by Mr. Baird, our board of directors appointed Mr. Pasquale, an independent director, as our Lead Director to ensure strong independent oversight. As Lead Director, Mr. Pasquale chairs the executive sessions of the non-employee directors, facilitates communications and resolves conflicts, if any, between our non-employee directors, other directors and our management and consults with and provides counsel to our chief executive officer as needed or requested. In performing these duties, our Lead Director consults with the chairpersons of the appropriate committees of our board of directors and solicits their participation in order to avoid diluting the authority or responsibility of the board committees and their chairpersons.

Table of Contents

Risk Oversight

Our board of directors provides oversight of the Company's risk exposure by receiving periodic reports from senior management regarding matters relating to financial, operational, legal and strategic risks and mitigation strategies for such risks. In addition, as reflected in the audit committee charter, our board of directors has delegated to the audit committee responsibility to discuss and evaluate our policies and guidelines with respect to risk assessment and risk management. During these discussions, the audit committee may discuss or consider our major financial risk exposures and the steps that our management has taken to monitor and control such exposures.

Code of Business Conduct and Ethics

Our board of directors has adopted a code of business conduct and ethics that applies to all of our directors, officers and employees. Day-to-day responsibility for administering and interpreting our code of business conduct and ethics has been delegated by our board of directors to our chief financial officer. Our code of business conduct and ethics contains compliance procedures, allows for the anonymous reporting of a suspected violation of our code of business conduct and ethics and specifically forbids retaliation against any officer or employee who reports suspected misconduct in good faith. The provisions of our code of business conduct and ethics may only be amended, or waived for the benefit of our directors and executive officers, by our board of directors or, if permitted, a committee of our board of directors. Such waivers or amendments must be promptly disclosed to our stockholders in accordance with applicable laws and rules and regulations of the NYSE. We intend to disclose any amendments or waivers to our code of business conduct and ethics that apply to any of our executive officers on our website at <http://www.terreno.com>. The full text of our code of business conduct and ethics is available on our website at <http://www.terreno.com>, under the heading "Investors & Media", under the subheading "Corporate Information" and under the heading entitled "Governance Documents".

Corporate Governance Guidelines

Our board of directors has adopted Corporate Governance Guidelines, a copy of which is available on our website at <http://www.terreno.com> under the heading "Investors & Media", under the subheading "Corporate Information" and under the heading entitled "Governance Documents".

RECOMMENDATION Our board of directors unanimously recommends a vote **FOR** each named nominee.

Vote Required Majority Vote Standard for Election of Directors

Our bylaws provide that the vote standard for election of directors is a majority vote of the votes cast standard in uncontested elections of directors. This means that in an uncontested election, a nominee is elected as a director if he or she receives more for votes than the total number of against votes and votes affirmatively withheld. In an election where the number of nominees is greater than the number of directors to be elected at the meeting, the nominees will be elected by a plurality of the votes cast in the election of directors.

Under our corporate governance guidelines, any director who fails to be elected by a majority vote is required to tender his or her resignation to our board of directors, subject to acceptance. The nominating and corporate governance committee will make a recommendation to our board of directors on whether to accept or reject the resignation or whether other action should be taken. Our board of directors will then act on the nominating and corporate governance committee's recommendation and publicly disclose its decision and the rationale behind it within 90 days from the date of the certification of election results. If the resignation is not accepted, the director will continue to serve until the next annual meeting and until the director's successor is duly elected and qualifies. The director who tenders his or her resignation will not participate in our board's decision.

PROPOSAL 2 NON-BINDING, ADVISORY APPROVAL OF EXECUTIVE COMPENSATION

General

As required by Section 14A of the Securities Exchange Act of 1934, as amended, or the Exchange Act, our board of directors is submitting for stockholder action a resolution to approve, on a non-binding, advisory basis, the compensation paid to our named executive officers as disclosed in this proxy statement. This is commonly known as, and is referred to in this proxy statement as, a say-on-pay proposal or resolution. At the 2011 annual meeting of stockholders, our stockholders voted, on a non-binding, advisory basis, for the Company to hold future, non-binding advisory votes on the compensation of our named executive officers on an annual basis. After taking into consideration this voting result and the prior recommendation of our board of directors in favor of an annual non-binding, advisory stockholder vote on the compensation of our named executive officers, the Board determined that it intends to hold non-binding advisory votes on the compensation of our named executive officers every year.

This say-on-pay proposal gives our stockholders the opportunity to express their views on the compensation of our named executive officers. We are asking our stockholders to indicate their support for the compensation of our named executive officers as described in this proxy statement. This vote is not limited to any specific item of compensation, but rather addresses the overall compensation of our named executive officers and our philosophy, policies and practices relating to their compensation as described in this proxy statement.

As described in detail under the heading *Compensation Discussion and Analysis* in this proxy statement, our executive compensation programs are designed to attract, retain and motivate our named executive officers, who are critical to our success. Our compensation program is designed to create incentives for our named executive officers to maximize long-term stockholder value. Under these programs, our named executive officers are rewarded for the achievement of our annual, long-term and strategic objectives, and the realization of increased stockholder value. Please refer to the *Compensation Discussion and Analysis* in this proxy statement for additional details about our executive compensation programs, including information about the year ended December 31, 2011 compensation of our named executive officers.

Text of Resolution

RESOLVED, that the stockholders of the Company approve, on a non-binding, advisory basis, the compensation of the Company's named executive officers, as disclosed in this proxy statement pursuant to Item 402 of Regulation S-K, including the Compensation Discussion and Analysis, compensation tables and narrative discussion.

RECOMMENDATION Our board of directors unanimously recommends a vote FOR adoption of this resolution.

Vote Required; Effect of Vote

The affirmative vote of a majority of the votes cast on this proposal will be required for adoption of this resolution. Abstentions and broker non-votes will not be treated as votes cast and, accordingly, will have no effect on the outcome of the vote on this proposal.

The say-on-pay resolution is advisory, and therefore will not have any binding legal effect on the Company, our board of directors or the compensation committee and may not be construed as overruling a decision by the Company, our board of directors or the compensation committee or to create or imply any change to the fiduciary duties of our board of directors. Furthermore, because this non-binding advisory resolution primarily relates to compensation of the named executive officers that has already been paid or contractually committed, there is generally no opportunity for us to revisit those decisions.

However, the compensation committee does value the opinions of our stockholders and intends to take the results of the vote on this proposal into account in its future decisions regarding the compensation of our named executive officers.

PROPOSAL 3 RATIFICATION OF THE APPOINTMENT OF INDEPENDENT REGISTERED CERTIFIED PUBLIC ACCOUNTING FIRM

The audit committee has selected and appointed the firm of Ernst & Young LLP to act as our independent registered certified public accounting firm for 2012. Ratification of the appointment of our independent registered certified public accounting firm requires a majority of the votes cast on this proposal. Any votes not cast, whether by abstention, broker non-vote, or otherwise, will have no impact on the vote.

RECOMMENDATION: Our board of directors unanimously recommends that the stockholders vote FOR ratification of the appointment of Ernst & Young LLP.

Although stockholder ratification of the appointment of our independent registered certified public accounting firm is not required by our bylaws or otherwise, we are submitting the selection of Ernst & Young LLP to our stockholders for ratification as a matter of good corporate governance practice. Even if the selection is ratified, the audit committee in its discretion may select a different independent registered certified public accounting firm at any time if it determines that such a change would be in our best interest and the best interests of our stockholders. If our stockholders do not ratify the audit committee's selection, the audit committee will take that fact into consideration, together with such other factors it deems relevant, in determining its next selection of independent registered certified public accounting firm.

In choosing our independent registered certified public accounting firm, the audit committee conducts a comprehensive review of the qualifications of those individuals who will lead and serve on the engagement team, the quality control procedures the firm has established and any material issue raised by the most recent quality control review of the firm. The review also includes matters required to be considered under the SEC rules on auditor independence, including the nature and extent of non-audit services to ensure that they will not impair the independence of any such firm.

Representatives of Ernst & Young LLP are expected to be present at the annual meeting. These representatives will have an opportunity to make a statement if they so desire and will be available to respond to appropriate questions.

As previously reported on a current report on Form 8-K filed with the SEC on March 12, 2012, effective March 6, 2012, the audit committee dismissed Deloitte & Touche LLP as our independent registered certified public accounting firm and engaged Ernst & Young LLP as our independent registered certified public accounting firm for the year ending December 31, 2012. Deloitte & Touche LLP had served as our independent registered certified public accounting firm since our incorporation in November 2009. Representatives of Deloitte & Touche LLP are not expected to be present at the annual meeting.

Deloitte & Touche LLP's reports on our consolidated financial statements for the year ended December 31, 2011 and for the period from February 16, 2010 (commencement of operations) to December 31, 2010 did not contain an adverse opinion or a disclaimer of opinion and were not qualified or modified as to uncertainty, audit scope or accounting principles. During the year ended December 31, 2011, the period from February 16, 2010 (commencement of operations) to December 31, 2010 and the subsequent interim period through March 6, 2012, we did not have any disagreements (as defined in Item 304(a)(1)(iv) of Regulation S-K and the related instructions to Item 304 of Regulation S-K) with Deloitte & Touche LLP on any matter of accounting principles or practices, financial statement disclosure, or auditing scope or procedure, which disagreements, if not resolved to the satisfaction of Deloitte & Touche LLP, would have caused it to make reference to the subject matter of the disagreements in connection with its reports. Also during these periods, there were no reportable events as that term is defined in Item 304(a)(1)(v) of Regulation S-K.

We provided Deloitte & Touche LLP with a copy of our current report on Form 8-K prior to its filing with the SEC on March 12, 2012 and requested that Deloitte & Touche LLP furnish us with a letter addressed to the

Table of Contents

SEC as to whether it agreed with the above statements and, if not, stating the respects in which it did not agree. A copy of the letter from Deloitte & Touche LLP, dated March 12, 2012, is attached as Exhibit 16.1 to such current report on Form 8-K.

During the year ended December 31, 2011, the period from February 16, 2010 (commencement of operations) to December 31, 2010, and through the subsequent period prior to our engaging Ernst & Young LLP, we did not consult with Ernst & Young LLP, nor did anyone acting on our behalf, regarding any of the matters or events described in Items 304(a)(2)(i) and (ii) of Regulation S-K.

Fees Paid to Independent Registered Certified Public Accounting Firm

Ernst & Young LLP did not bill us for any audit fees or tax fees for the year ended December 31, 2011 or the period from February 16, 2010 (commencement of operations) to December 31, 2010 as they were not engaged by the audit committee as our independent registered certified public accounting firm until March 6, 2012.

Deloitte & Touche LLP served as our independent registered certified public accounting during the 2011 and 2010 fiscal years, which consisted of the year ended December 31, 2011 and the period from February 16, 2010 (commencement of operations) through December 31, 2010. Aggregate fees for professional services rendered by Deloitte & Touche LLP during such periods were as follows:

All Other Fees		
Total	\$ 393,100	\$ 197,700

The tax fees set forth in the table above for 2011 and 2010 related to tax compliance, tax advice and tax planning services rendered by Deloitte & Touche LLP.

REPORT OF THE AUDIT COMMITTEE

The following report of the audit committee does not constitute soliciting material and should not be deemed filed or incorporated by reference into any of our other filings under the Securities Act of 1933 or the Securities Exchange Act of 1934.

In accordance with its written charter adopted by the board of directors, the audit committee's role is to assist the board of directors in the oversight of the integrity of the Company's financial statements, the Company's compliance with legal and regulatory requirements, the qualifications, independence and performance of the Company's independent auditors and the Company's internal audit function. The audit committee currently consists of four members, each of whom is independent as that term is defined by the governance standards of the NYSE and the rules and regulations of the SEC.

Management is responsible for the Company's financial reporting process including its system of internal controls, and for the preparation of the Company's consolidated financial statements in accordance with generally accepted accounting principles. The Company's independent auditors are responsible for auditing those financial statements. It is the audit committee's responsibility to monitor and review these processes. It is not the audit committee's duty or responsibility to conduct auditing or accounting reviews or procedures. The audit committee does not consist of the Company's employees and it may not be, and may not represent itself to be or to serve as, accountants or accountants by profession or experts in the fields of accounting or auditing. Therefore, the audit committee has relied on management's representation that the financial statements have been prepared with integrity and objectivity and in conformity with accounting principles generally accepted in the United States and on the representations of the Company's independent auditors included in their report on our financial statements. The audit committee's oversight does not provide it with an independent basis to determine that management has maintained appropriate accounting and financial reporting principles or policies, or appropriate internal controls and procedures designed to assure compliance with accounting standards and applicable laws and regulations. Furthermore, the audit committee's considerations and discussions with management and with our independent auditors do not assure that our financial statements are presented in accordance with generally accepted accounting principles, that the audit of our financial statements has been carried out in accordance with generally accepted auditing standards or that the Company's independent auditors are in fact independent.

In fulfilling its oversight responsibilities, the audit committee reviewed the audited financial statements for the year ended December 31, 2011 with management, including a discussion of the quality of the accounting principles, the reasonableness of significant judgments, the clarity of disclosures in the financial statements and the effectiveness of our disclosure controls and procedures and internal controls over financial reporting. The audit committee reviewed the financial statements for the year ended December 31, 2011 with our independent auditors and discussed with them all of the matters required to be discussed by Statement of Auditing Standards No. 61 (Communications with Audit Committees), as amended and as adopted by the Public Company Accounting Oversight Board, including their judgments as to the quality, not just the acceptability, of our accounting principles. In addition, the audit committee has received the written disclosures and the letter from our independent auditors required by applicable requirements of the Public Company Accounting Oversight Board regarding the independent auditors' communications with the audit committee concerning independence and has discussed with our independent auditors their independence from our management and from us. Upon its review, the audit committee has satisfied itself as to our independent auditors' independence.

Based on the review and discussions with management and the independent auditors, and subject to the limitations on its role and responsibilities described above, the audit committee recommended to the board of directors, and the board of directors has approved, that the audited financial statements be included in the Company's annual report on Form 10-K for the year ended December 31, 2011. The undersigned members of the audit committee have submitted this report to the Company.

COMPENSATION DISCUSSION AND ANALYSIS

Overview

The following discussion is intended to supplement the more detailed information concerning executive compensation that appears in the tables and the accompanying narrative that follows. It is also intended to provide both a review of our compensation policies for 2011 and describe our compensation policies with respect to our executive officers. Our goal is to provide a better understanding of our compensation practices and the decisions made concerning the compensation payable to our executive officers, consisting of the chairman and chief executive officer and the president and chief financial officer in the Summary Compensation Table below. These officers are referred to herein as the named executive officers.

The compensation committee of our board of directors, referred to in this section as the committee, designs and administers our executive compensation program. All principal elements of compensation paid to our executive officers are subject to approval by the compensation committee. The Compensation Committee Report appears on page 19 of this proxy statement.

Objectives

The principal objectives of our executive compensation program are to:

align the interest of our executives and stockholders by motivating executives to increase stockholder value and rewarding executives when stockholder value increases;

motivate our executives to manage our business to meet our near, medium, and long-term objectives; and reward them for meeting these objectives and for exceptional performance;

assist in attracting and retaining talented and well-qualified executives;

be competitive with other industrial real estate investment trusts; and

encourage executives to achieve meaningful levels of ownership of our stock.

Management's and Advisors' Role in Compensation Decisions

The compensation committee evaluates the performance of our chairman and chief executive officer, Mr. Baird, and president and chief financial officer, Mr. Coke, and determines their compensation based on this evaluation. Mr. Baird and Mr. Coke make recommendations to the compensation committee for equity awards to other employees throughout the Company. The compensation committee can accept, reject or modify Mr. Baird and Mr. Coke's recommendations as it sees fit. Under its charter, the compensation committee has the authority to engage independent compensation consultants or other advisors. To date, we have not retained a compensation consultant.

Principal Elements of Compensation and Total Direct Compensation

We have designed our executive compensation program to include two principal elements—base salary and long-term equity incentives, such as stock awards. Both base salary and long-term equity incentives are integrated into our compensation program and are intended to achieve different objectives. For example, we believe that a competitive base salary is a necessary element of any compensation program that is designed to attract and retain talented and experienced executives. We also believe that attractive base salaries can motivate and reward executives. We believe that long-term equity incentives align the interests of our executives and stockholders by motivating executives to increase stockholder value and rewarding executives when stockholder value increases and encourage executives to achieve meaningful levels of ownership of our stock. We do not currently have an annual cash incentive bonus plan for our named executives.

Edgar Filing: Terreno Realty Corp - Form DEF 14A

Base Salaries. In order to attract and retain the most talented executives in our industry, we must set the base salaries of executive officers at levels that are competitive with other companies engaged in the industrial

Table of Contents

real estate industry and of comparable size and scope that compete with us for executive talent. Although base salaries are established in part based on the individual experience, skills and expected contributions during the coming year of our executive and our executive's performance during the prior year, we do not view base salaries as primarily serving our objective of paying for performance.

Increases in base salary are left to the discretion of the compensation committee. The annual base salary of each of Mr. Baird and Mr. Coke, which was established prior to the time of our initial public offering and subsequently ratified by the compensation committee following our February 2010 initial public offering, was \$400,000 until March 1, 2012. The compensation committee did not adjust the annual base salaries of Mr. Baird or Mr. Coke in 2011. Effective March 1, 2012, the compensation committee increased the base salaries of Mr. Baird and Mr. Coke to \$425,000.

Annual Cash Incentive Bonus. We do not have, nor are we currently planning to adopt, an annual cash incentive bonus plan for our executives, although we reserve our right to do so in the future.

Long-Term Incentive Plan. In order to directly align the long-term incentive compensation of our executives with the achievement of enhanced value for our stockholders and to provide executives with the potential to earn equity awards subject to the long-term performance of our common stock, in 2010, the compensation committee adopted the Company's Long-Term Incentive Plan (the "Long-Term Incentive Plan"). Under our Long-Term Incentive Plan, our executives are granted a target award (generally measured as a percentage of the executive's base salary) measured in dollars, that may be payable in shares of our common stock after the conclusion of each pre-established performance measurement period. Generally, performance measurement periods under the Long-Term Incentive Plan will run for three calendar years and begin on January 1 of each year, however, the first performance measurement period began on the closing of our initial public offering and ended on December 31, 2011 and the second performance measurement period began on the closing of our initial public offering and will end on December 31, 2012. No dividends will be paid to our executives related to these awards during the performance measurement periods.

The amount that will be earned under our Long-Term Incentive Plan for any performance measurement period will be determined by our success in attaining or exceeding performance goals linked to each of two metrics during the performance measurement period:

50% of the determination will be based on our total stockholder return for the performance measurement period, measured at the end of the period compared to the total stockholder return for the same period of the MSCI U.S. REIT Index; and

50% of the determination will be based on our total stockholder return for the performance measurement period, measured at the end of the period compared to the total stockholder return for the same period of the FTSE NAREIT Equity Industrial Index.

The two main performance goals were established to focus our named executive officers on generating significant total stockholder returns over time. Our management believes that achievement of the target level of performance of the two main performance goals, i.e., exceeding the applicable indices, will require significant effort and substantial progress toward the goals of our strategic plan. At the target level for each performance goal, each participating executive will receive an award equal to 50% of his target award. Accordingly, if we achieve the target level for both performance goals, each participating executive will receive an award equal to 100% of his target award for the performance period. If our performance is below the target level for either of the performance goals, then no payouts will be made with respect to such goal. To the extent that our performance exceeds the applicable index by at least 100 basis points per year, each participating executive will receive an award equal to 150% of his target award. Accordingly, if our performance exceeds both indices by at least 100 basis points per year, each participating executive will receive an award equal to 300% of his target award. In the event that our total stockholder return is negative for any performance period, even if we have outperformed the applicable indices, any incentive compensation earned for that performance period will be reduced by 50%. Once

Table of Contents

we have determined the dollar value of the award earned for any performance period, such amount will be converted to shares of our common stock based on the average closing price of our common stock for the last ten business days immediately preceding the day the shares are issued. Our compensation committee determined, based on the methodology above, that the awards previously granted to Mr. Baird and Mr. Coke for the performance period from February 16, 2010 (commencement of operations) to December 31, 2011 were not earned and, therefore, no shares of common stock were issued in connection with such awards.

Our compensation committee granted the following target awards to our executives under the Long-Term Incentive Plan in 2011 and 2012 for the following performance measurement periods:

	January 1, 2011 December 31, 2013 Performance Measurement Period	January 1, 2012 December 31, 2014 Performance Measurement Period
W. Blake Baird	\$ 400,000	\$ 400,000
Michael A. Coke	\$ 400,000	\$ 400,000

2010 Equity Incentive Plan. We believe that providing our executives with equity incentives will create longer-term alignment with stockholders and further meet the Company's objectives of building equity ownership and meaningful value for the Company's executives. As such, our executives are eligible to receive grants of restricted stock under our 2010 Equity Incentive Plan. At the completion of our initial public offering, each of Mr. Baird and Mr. Coke received a grant of 50,000 shares of restricted stock with an approximate value of \$1,000,000, based on the initial public offering price of \$20.00 per share. These grants vest ratably in annual installments over a five-year period commencing on the completion of our initial public offering, with the first vesting having occurred on February 16, 2011, the first anniversary of our initial public offering. The compensation committee determined not to grant restricted stock awards to Mr. Baird or Mr. Coke in 2011 consistent with our long-term compensation philosophy.

Other Elements of Compensation

Retirement Benefits. We maintain a 401(k) retirement plan in which all employees can participate on the same terms. Under the 401(k) retirement plan, we contribute 3% of the participant's annual compensation. Our contributions are 100% vested when made and are subject to applicable IRS limits and regulations.

Severance Agreements. We have severance agreements with Mr. Baird and Mr. Coke. A summary of these severance agreements appears in the section of this proxy statement entitled "Payments Upon Termination of Employment and Change of Control." These agreements provide for various payments and benefits to the executives if their employment with us is terminated for certain reasons or if there is a termination for certain reasons upon a change of control. The circumstances in which payments may be made and the potential amounts of those payments are described in more detail below. These agreements are intended to ensure the ongoing commitment and continued attention and dedication of these executive officers to their assigned duties and to the best interest of our stockholders in the event of a change of control or other potential termination events.

Other Compensation Practices and Policies

Equity Award Grant Practices. The compensation committee expects to make annual equity awards at its quarterly meeting in February or March each year. In 2011, awards were made to our non-executive employees at the compensation committee's regularly scheduled meeting in February. In 2012, awards were made to our non-executive employees at the compensation committee's regularly scheduled meeting on February 21, 2012. The grant date of those awards is the date of the meeting, which date is determined without regard to current or anticipated stock price levels or the release of material non-public information and is set during the prior calendar year.

The compensation committee may also make special grants during the course of the year, primarily for new hires, promotions to retain valued employees, to award exceptional performance or otherwise. Generally, these

Table of Contents

special grants are subject to performance or time vesting, and are issued on the date of grant approval or upon a date certain following the grant approval date, such as the date on which a new hire commences his or her employment with the Company.

Section 162(m). The SEC requires that we comment upon our policy with respect to Section 162(m) of the Internal Revenue Code of 1986, as amended (the Code), which limits the deductibility on our tax return of compensation over \$1 million to any of the named executive officers unless, in general, the compensation is paid pursuant to a plan which is performance-related, non-discretionary and has been approved by our stockholders. We believe that, because we intend to qualify as a REIT under the Code and pay distributions sufficient to minimize federal income taxes, the payment of compensation that does not satisfy the requirements of Section 162(m) will generally not affect our net income. To the extent that compensation does not qualify for a deduction under Section 162(m), a larger portion of stockholder distributions may be subject to federal income taxation as dividend income rather than return of capital. We do not believe that Section 162(m) will materially affect the taxability of stockholder distributions, although no assurance can be given in this regard due to the variety of factors that affect the tax position of each stockholder. For these reasons, the compensation committee's compensation policy and practices are not directly guided by considerations relating to Section 162(m).

Non-Binding Advisory Vote on Executive Compensation. In determining executive compensation for 2011, the compensation committee also considered the overwhelming stockholder support that the non-binding advisory vote on the compensation of our named executive officers received at our 2011 annual meeting of stockholders. As a result, in part, of such stockholder support, we continued in 2011 to use the same approach and philosophy as we used in 2010 in determining executive compensation.

The table below summarizes the total compensation paid or awarded to each of our named executive officers for 2011 and 2010. For a more thorough discussion of our executive compensation program, see Compensation Discussion and Analysis which begins on page 20 of this proxy statement.

Table of Contents**STOCK VESTED TABLE**

The following table sets forth the number of shares of common stock that vested and the aggregate dollar value realized as a result of the vesting of restricted stock during fiscal 2011 with respect to our named executive officers:

Name	Number of Shares Acquired on Vesting	Stock Awards	
			Value Realized on Vesting
W. Blake Baird	10,000	\$	178,400(1)
Michael A. Coke	10,000	\$	178,400(1)

- (1) The value realized upon vesting was determined by multiplying the number of shares that vested by the price per share of our common stock at the time of vesting.

PAYMENTS UPON TERMINATION OF EMPLOYMENT AND CHANGE OF CONTROL

Severance agreements that we entered into upon the completion of our initial public offering with our chairman and chief executive officer and our president and chief financial officer require us to make certain payments and provide certain benefits to them in the event of a termination of their employment in certain circumstances, including following a change of control of our company. This section provides a discussion of those payments and benefits, along with certain other terms of those agreements that are in effect as of the date of this proxy statement.

Severance Agreements. We entered into severance agreements with Mr. Baird and Mr. Coke effective on February 16, 2010. Under these agreements, each of these executives will be entitled to receive benefits under the agreements if (1) we terminate the executive's employment without cause, or (2) the executive resigns with good reason. Under these scenarios, each of the executives is entitled to receive, subject to the executive's execution of a general release of claims, a severance payment equal to one times the executive's current salary plus the dollar value of his most recent target award under the Long-Term Incentive Plan. In addition, all time-based restricted stock will fully vest while all long-term incentive awards will be forfeited. The executive will also receive health insurance coverage for a period of 18 months. If such termination of employment occurs after a change of control, the severance payment, subject to the executive's execution of a general release of claims, will be two times the sum of the executive's current salary plus the dollar value of the most recent target award under the Long-Term Incentive Plan. No payments will be made to compensate the executive for additional taxes, if any, imposed under Section 4999 of the Code for receipt of excess parachute payments.

In the event an executive's employment is terminated on account of death or disability, all his time-based restricted stock will fully vest. Additionally, to compensate the executive for the loss of opportunity to earn his long-term incentive awards, we will also provide him (or his estate in the case of death) with a cash payment equal to his most recent target award under the Long-Term Incentive Plan, subject to the executive's execution of a general release of claims in the case of disability.

The severance agreements provide that during the term of each executive's employment and for 12 months after the termination of their employment for any reason, each executive has agreed not to solicit our employees to leave their employment with us or to solicit any customer or supplier to terminate or otherwise modify adversely its business relationship with us.

Table of Contents

The following chart sets forth the cost that we would have incurred if one of the executives were terminated as of December 31, 2011 under the terms of the severance agreements assuming a stock price of \$15.14, the closing market price of our common stock on the NYSE on December 30, 2011.

- (1) Under our severance agreement with each executive, we may terminate the executive's employment in the event that the executive is disabled and unable to perform the essential functions of his employment with or without reasonable accommodation for a period of 180 days (which need not be consecutive) in any 12-month period.
- (2) Under our severance agreement with each executive, we may terminate the executive's employment at any time without cause. Cause generally includes, among other things, (i) conduct by the executive constituting a material act of misconduct in connection with the performance of his duties; (ii) the commission by the executive of any felony or a misdemeanor involving moral turpitude, deceit, dishonesty or fraud, or any conduct by the executive that would reasonably be expected to result in material injury or reputational harm to us if he were retained in his position; (iii) continued non-performance by the executive of his duties (other than by reason of the executive's physical or mental illness, incapacity or disability) which has continued for more than 30 days following written notice of such non-performance from our board of directors; (iv) a breach by the executive of any of his confidentiality or non-solicitation obligations under his severance agreement; (v) a material violation by the executive of our written employment policies, or (vi) failure to cooperate with a bona fide internal investigation or an investigation by regulatory or law enforcement authorities, after being instructed by the Company to cooperate, or the willful destruction or failure to preserve documents or other materials known to be relevant to such investigation or the inducement of others to fail to cooperate or to produce documents or other materials in connection with such investigation.
- (3) Under our severance agreement with each executive, the executive may terminate his employment with good reason. Good reason means that the executive has complied with the good reason process following the occurrence of any of the following events: (i) a material diminution in the executive's responsibilities, authority or duties; (ii) a material diminution in the executive's base salary except for across-the-board salary reductions based on our financial performance similarly affecting all or substantially all senior management employees of the Company; (iii) a material change in the geographic location at which the executive provides services to the Company; or (iv) our material breach of the severance agreement. Good reason process means that (i) the executive reasonably determines in good faith that a good reason condition has occurred; (ii) the executive notifies us in writing of the first occurrence of the good reason condition within 60 days of the first occurrence of such condition; (iii) the executive cooperates in good faith with our efforts, for a cure period not less than 30 days following such notice, to remedy the condition;

Table of Contents

- (iv) notwithstanding such efforts, the good reason condition continues to exist; and (v) the executive terminates his employment within 60 days after the end of the cure period. If we cure the good reason condition during the cure period, good reason will not be deemed to have occurred.
- (4) Under our severance agreement with each executive, if we terminate the executive's employment without cause or the executive terminates his employment with us with good reason as described in footnotes 2 and 3 above and such termination occurs within 12 months after a change in control, the severance amount will be equal to two times the sum of the executive's current salary plus the dollar value of his most recent target award under our Long-Term Incentive Plan.
- (5) Under our severance agreement with each executive, if the executive's employment is terminated upon death or disability as described in footnote 1, the executive, or his estate, as the case may be, is entitled to receive the dollar value of his most recent target award under our Long-Term Incentive Plan.
- (6) Under our severance agreement with each executive, if we terminate the executive's employment without cause or the executive terminates his employment with us with good reason as described in footnotes 2 and 3 above, the executive is entitled to receive a severance payment equal to one times the executive's current salary plus the dollar value of his most recent target award under our Long-Term Incentive Plan.
- (7) Represents the value of the acceleration of the executive's unvested shares of restricted stock owned by the executive as of December 31, 2011, calculated by multiplying the number of shares by \$15.14, the closing market price of our common stock on the NYSE on December 30, 2011.
