**Item 1.01 Entry into a Material Definitive Agreement.**

On March 8, 2012, Gold Resource Corporation (the Company) entered into an employment agreement with Brad Blacketor (the Agreement). See Item 5.02 below for a discussion of the appointment of Mr. Blacketor as the Company's Chief Financial Officer and a description of the material terms and conditions of the Agreement. A copy of the Agreement is filed with this report as Exhibit 10.1.

**Item 5.02 Departure of Directors or Certain Officers; Election of Directors; Appointment of Certain Officers; Compensatory Arrangements of Certain Officers.**

On March 8, 2012, the Company hired Brad Blacketor to serve as the Company's full-time Chief Financial Officer beginning as soon as he completes the transition out of his position with his current employer but in no event later than May 8, 2012. At the same time, the Company notified Paul Oberman, the Company's part-time Chief Financial Officer serving on a contractual basis that it intends to terminate its services agreement with Mr. Oberman. It is anticipated that Mr. Oberman will continue to assist the Company during the transition period.

Mr. Blacketor joins the Company from Bear Creek Mining Corporation (TSX-V: BCM), a Canadian mineral exploration company where he has been serving as Chief Financial Officer since February 2011. Mr. Blacketor has more than 30 years of management and financial experience, including over 20 years in the mining industry. Prior to joining Bear Creek Mining, he served in various capacities with Metallica Resources Inc. (TSX:MR / NYSE AMEX:MRB) from April 1997 to May 2009, including as its Vice President, Secretary and Chief Financial Officer prior to the company's merger with New Gold Inc. (TSX:NGD / NYSE AMEX: NGD). He also served as Chief Financial Officer and Secretary for MinCorp Ltd. from July 1991 to April 1997 and as Vice President, Secretary and Controller of Pincock Allen, & Holt, Inc. from July 1988 to July 1991. Mr. Blacketor is a CPA who began his career in public accounting with Baller & Associates and Deloitte & Touche in Denver, Colorado. He received his MBA from Colorado State University and Bachelor of Science degree in Business Administration from Indiana University.

The Agreement with Mr. Blacketor provides for, among other things: (i) an initial term of three years with an automatic annual renewal unless sooner terminated in accordance with the Agreement; (ii) an annual base salary of \$250,000; (iii) additional incentive compensation in the form of cash bonuses payable in the discretion of the Board of Directors; and (iv) severance payments under certain circumstances as set forth in the Agreement, including 12 months' base salary if Mr. Blacketor should be terminated without cause or 35 months' base salary if he is terminated in the event of a change in control of the Company. The foregoing is a summary only and the complete Agreement is attached to this report as Exhibit 10.1. Mr. Blacketor will also receive stock options to purchase 240,000 shares of the Company's common stock at an exercise price equal to the closing sales price of such stock on the NYSE Amex as of his first day of active employment with the Company, vesting in equal installments over a three-year period and with an option period term of 10 years.
