Item 1.01. Entry into a Material Definitive Agreement.

As previously disclosed, on February 15, 2012 Kellogg entered into (i) a definitive transaction agreement to acquire the *Pringles*[®] business from The Procter & Gamble Company (the Acquisition) and (ii) a commitment letter for a 364-day senior unsecured bridge term loan facility in an aggregate principal amount of \$1,000,000,000 to be available to fund, in part, the Acquisition and pay related fees and expenses (the Commitment Letter).

On March 16, 2012 (the Effective Date), Kellogg entered into an unsecured 364-Day Term Loan Agreement dated as of March 16, 2012 (the New Credit Agreement) with 9 lenders (the Lenders), Barclays Bank PLC, as Administrative Agent (the Administrative Agent), JPMorgan Chase Bank, N.A., as Syndication Agent and Coöperatieve Centrale Raiffeisen-Boerenleenbank B.A., Rabobank Nederland , New York Branch and Wells Fargo Bank, N.A., as Documentation Agents. The New Credit Agreement is the definitive documentation implementing the transactions contemplated by the Commitment Letter.

Borrowings by Kellogg under the New Credit Agreement will bear interest at a fluctuating rate per annum equal to, at Kellogg's option, the base rate or the reserve adjusted LIBO rate, in each case, plus an applicable margin calculated as described in the New Credit Agreement. The base rate is equal to the greatest of (i) the rate determined from time to time by the Administrative Agent as its prime rate in effect at its principle office in New York City, (ii) the federal funds effective rate plus 0.50% and (iii) the one-month reserve adjusted LIBO rate plus 1.00%. The reserve adjusted LIBO rate equals, if available, the rate per annum determined by the Administrative Agent by reference to the British Bankers Association Interest Settlement Rates for deposits in U.S. dollars (as reflected on the applicable Reuters screen) for a period equal to the applicable interest period. Kellogg will also pay to the Lenders under the New Credit Agreement certain customary fees, including duration fees and commitment fees as described in the New Credit Agreement.

From and after the date on which Kellogg completes the Acquisition, the New Credit Agreement will allow Kellogg to borrow up to \$1,000,000,000 to fund, in part, the Acquisition and to pay related fees and expenses. The availability of the loans under the New Credit Agreement is subject to the satisfaction of certain conditions as provided in the New Credit Agreement. The loans under the New Credit Agreement will mature and be payable in full on the date that is 364 days after the date on which such loans are made (and if such date is not a business day, then the immediately preceding business day).

The New Credit Agreement contains representations and warranties, affirmative, negative and financial covenants and events of default that are customary for financings of this type and substantially based upon the corresponding provisions of Kellogg's existing credit agreement, dated as of March 4, 2011 and amended on January 6, 2012 (the Existing Credit Agreement), with such changes as are required to reflect the Acquisition; provided, that the *No Material Adverse Change* representation (as set forth in Section 3.06 of the New Credit Agreement) shall be made only on the Effective Date. If an event of default occurs, then, to the extent permitted under the New Credit Agreement, the Administrative Agent may (i) not earlier than the date on which the Acquisition is or is to be consummated, terminate the commitments under the New Credit Agreement and (ii) accelerate any outstanding loans under the New Credit Agreement.

Many of the Lenders have in the past performed, and may in the future from time to time perform, investment banking, financial advisory, lending and/or commercial banking services, or other services for Kellogg and its subsidiaries, for which they have received, and may in the future receive, customary compensation and expense reimbursement.

The description of the New Credit Agreement in this Current Report on Form 8-K is qualified in its entirety by reference to the complete text of the New Credit Agreement, a copy of which is filed as Exhibit 10.1 hereto and is incorporated herein by reference.

Item 2.03. Creation of a Direct Financial Obligation of a Registrant.

The information set forth under Item 1.01 of this Form 8-K is incorporated into this Item 2.03 by reference.

Item 9.01. Financial Statements and Exhibits.
