PROXY STATEMENT

FOR THE ANNUAL MEETING OF STOCKHOLDERS

TO BE HELD ON

JUNE 13, 2012

INFORMATION CONCERNING SOLICITATION AND VOTING

Introduction

We are furnishing this Proxy Statement on behalf of the Board of Directors (the "Board of Directors") of Bankrate, Inc., a Delaware corporation, for use at our 2012 Annual Meeting of Stockholders, or at any adjournments or postponements of the meeting (the "Annual Meeting"), for the purposes set forth below and in the accompanying Notice of Annual Meeting. The Annual Meeting will be held at Marriott Singer Island, 3800 North Ocean Drive, Singer Island, Florida 33404, at 9:00 a.m. local time, on June 13, 2012.

As used in this Proxy Statement, the terms "us", "we", "our", refer to Bankrate, Inc., and, where appropriate, Bankrate, Inc., and its subsidiaries. The term "Common Stock" means shares of our common stock, par value, \$.01 per share.

Stockholders Entitled to Notice and to Vote; Quorum

Only holders of record of our Common Stock at the close of business on May 3, 2012, which the Board of Directors has set as the record date, are entitled to notice of, and to vote at, the Annual Meeting. As of April 27, 2012, we had 99,982,900 shares of Common Stock outstanding and entitled to vote at the Annual Meeting, and our shares of Common Stock were held by approximately 323 stockholders of record. Each stockholder of record of Common Stock on the record date will be entitled to one vote for each share held on all matters to be voted upon at the Annual Meeting. There are no cumulative voting rights in the election of directors.

The presence, in person or by proxy, of a majority of the votes entitled to be cast on a matter to be voted on at the Annual Meeting constitutes a quorum for action on that matter. The shares of Common Stock represented by properly executed proxy cards or properly authenticated voting instructions recorded electronically through the Internet or by telephone, will be counted for purposes of determining the presence of a quorum at the Annual Meeting. Abstentions and broker non-votes will be counted toward fulfillment of quorum requirements. A broker non-vote occurs when a nominee holding shares for a beneficial owner does not vote on a particular proposal because the nominee does not have discretionary voting power with respect to that proposal and has not received instructions from the beneficial owner.

Distinction Between Holding Shares as a Stockholder of Record and as a Beneficial Owner

Some of our stockholders hold their shares through a broker, trustee, or other nominee rather than directly in their own name. As summarized below, there are some distinctions between shares held of record and those shares owned beneficially.

Table of Contents

Stockholder of Record. If your shares are registered directly in your name with our transfer agent, Computershare Trust Company, N.A., then you are considered, with respect to those shares, the stockholder of record. As the stockholder of record, you have the right to grant your voting proxy directly to us or to a third party, or to vote in person at the Annual Meeting.

Beneficial Owner. If your shares are held in a brokerage account, by a trustee or, by another nominee, then you are considered the beneficial owner of those shares. As the beneficial owner of those shares, you have the right to direct your broker, trustee, or nominee how to vote and you also are invited to attend the Annual Meeting. However, because a beneficial owner is not the stockholder of record, you may not vote these shares in person at the Annual Meeting unless you obtain a legal proxy from the broker, trustee or nominee that holds your shares, giving you the right to vote the shares at the Annual Meeting.

If you are not a stockholder of record, please understand that we do not know that you are a stockholder, or how many shares you own.

Voting Deadline

If you are a stockholder of record on the record date, then your proxy must be received no later than 11:59 p.m. on June 12, 2012 to be counted. If you are the beneficial owner of your shares held through a broker, trustee, or other nominee, please follow the instructions of your broker, trustee, or other nominee in determining the deadline for submitting your proxy.

Voting Without Attending the Annual Meeting

Whether you hold shares directly as a stockholder of record or through a broker, trustee, or other nominee, you may direct how your shares are voted without attending the Annual Meeting. You may give voting instructions by the Internet, by telephone, or by mail. Instructions are on the proxy card. The proxy holders will vote all properly executed proxies that are delivered in response to this solicitation, and not later revoked, in accordance with the instructions given by you.

Voting In Person

Shares held in your name as the stockholder of record on the record date may be voted in person at the Annual Meeting. Shares for which you are the beneficial owner but not the stockholder of record may be voted in person at the Annual Meeting only if you obtain a legal proxy from the broker, trustee, or other nominee that holds your shares giving you the right to vote the shares. Even if you plan to attend the Annual Meeting, we recommend that you vote by proxy as described below so that your vote will be counted if you later decide not to attend the Annual Meeting.

The vote you cast in person will supersede any previous votes that you may have submitted, whether by Internet, telephone, or mail.

Voting Requirements

At the Annual Meeting, stockholders will consider and act upon (1) the election of three directors, (2) the ratification of the appointment of our independent registered public accounting firm, (3) the approval, on a non-binding, advisory basis, of named executive officer compensation, (4) a non-binding, advisory vote on the frequency of future advisory votes on named executive officer compensation, and (5) such other business as may properly come before the Annual Meeting.

Our Bylaws provide that directors are elected by a plurality of the votes cast. This means that the director nominee with the most votes for a particular seat on the Board of Directors is elected for that seat. Only votes

Table of Contents

actually cast will be counted for purposes of determining whether a director nominee received the most votes for a particular seat on the Board of Directors. Abstentions and the withholding of authority by a stockholder (including broker non-votes) as to the election of directors (Proposal 1) are not treated as votes cast and thus have no effect on the results of the election.

Under our Bylaws, the ratification of the appointment of our independent registered public accounting firm (Proposal 2), the approval, on non-binding, advisory basis, of named executive officer compensation (Proposal 3), which we refer to as the say-on-pay proposal, and the non-binding, advisory vote on the frequency of future say-on-pay proposal voting (Proposal 4), which we refer to as the say-on-frequency proposal, must be approved by the affirmative vote of a majority of the votes cast. Abstentions and broker non-votes are not treated as votes cast and thus have no effect on the vote for Proposals 2, 3 or 4.

Under current New York Stock Exchange (the NYSE) rules, a broker, bank or other nominee may exercise discretionary voting power for the ratification of the selection of Grant Thornton LLP. However, the election of directors, the say-on-pay proposal and the say-on-frequency proposal are non-routine matters and the NYSE does not permit a broker, bank or other nominee to exercise discretionary voting power with regard to such proposals. Therefore, if you are a beneficial owner and do not provide your broker, bank or other nominee with voting instructions on the election of directors, the say-on-pay proposal or the say-on frequency proposal, then your vote will not count either for or against the election of the nominees, the say-on-pay proposal or the say-on-frequency proposal.

As of April 27, 2012, our directors and executive officers owned or controlled the power to vote 6,535,983 shares of Common Stock eligible to be voted at the Annual Meeting (excluding options not exercisable prior to the record date), constituting approximately 6.5% of the outstanding Common Stock. In addition, Ben Holding S.à r.l., our majority stockholder, owns 53,803,694 shares of Common Stock, constituting approximately 53.8% of the outstanding Common Stock. We believe that our directors, executive officers and Ben Holding S.à r.l. will vote all of their shares of Common Stock in favor of the election of each of the director nominees, in favor of Proposals 2 and 3, and in favor of a 3-year frequency of future say-on-pay proposal voting, and, therefore, the outcome of these matters is reasonably assured.

Treatment of Voting Instructions

If you provide specific voting instructions, your shares will be voted as instructed.

If you hold shares as the stockholder of record and sign and return a proxy card or vote by Internet or telephone without giving specific voting instructions, then your shares will be voted in accordance with the recommendations of our Board of Directors. Our Board of Directors recommends (1) a vote for the election of Mr. Bruce Nelson, Mr. Richard Pinola and Mr. James Tieng to our Board of Directors, (2) a vote for the ratification of the appointment of Grant Thornton LLP as our independent registered public accounting firm, (3) a vote for approval, on a non-binding, advisory basis, of the compensation of our named executive officers, as disclosed in this proxy statement and (4) a vote for the approval of holding an advisory say-on-pay vote on the compensation of our named executive officers every three years. In the event that any director nominee is unavailable for election, such shares may be voted for the election of such substitute nominee or nominees, if any, as the Board of Directors may select.

You may have granted to your broker, trustee, or other nominee discretionary voting authority over your account. Your broker, trustee, or other nominee may be able to vote your shares depending on the terms of the agreement you have with your broker, trustee, or other nominee.

The persons identified as having the authority to vote the proxies granted by the proxy card will also have discretionary authority to vote, in their discretion, to the extent permitted by applicable law, on such other business as may properly come before the Annual Meeting and any postponement or adjournment. The Board of Directors is not aware of any other matters that are likely to be brought before the Annual Meeting. If any other

Table of Contents

matter is properly presented for action at the Annual Meeting, including a proposal to adjourn or postpone the Annual Meeting to permit us to solicit additional proxies in favor of any proposal, the persons named in the proxy card will vote on such matter in their own discretion.

Revocability of Proxies

A stockholder of record who has given a proxy may revoke it at any time prior to its exercise at the Annual Meeting by either (i) giving written notice of revocation to our Corporate Secretary, (ii) properly submitting a duly executed proxy bearing a later date, or (iii) appearing in person at the Annual Meeting and voting in person.

If you are the beneficial owner of shares held through a broker, trustee, or other nominee, you must follow the specific instructions provided to you by your broker, trustee, or other nominee to change or revoke any instructions you have already provided to your broker, trustee, or other nominee.

Costs of Proxy Solicitation

Proxies will be solicited from our stockholders by mail and through the Internet. We will pay all expenses in connection with the solicitation, including postage, printing and handling, and the expenses incurred by brokers, custodians, nominees and fiduciaries in forwarding proxy material to beneficial owners. We may engage a proxy solicitation firm to solicit proxies in connection with the Annual Meeting, and we estimate that the fee payable for such services would be less than \$10,000. It is possible that our directors, officers and other employees may make further solicitations personally or by telephone, facsimile or mail. Our directors, officers and other employees will receive no additional compensation for any such further solicitations.

**PROPOSAL 2: RATIFICATION OF SELECTION OF INDEPENDENT
REGISTERED PUBLIC ACCOUNTING FIRM**

Appointment of Independent Registered Public Accounting Firm

The Audit Committee of the Board of Directors has appointed the accounting firm of Grant Thornton LLP to serve as Bankrate's independent registered public accounting firm for the fiscal year ending December 31, 2012. A proposal to ratify that appointment will be presented at the Annual Meeting. Representatives of Grant Thornton LLP are expected to be present at the meeting. They will have the opportunity to make a statement if they desire to do so and will be available to respond to appropriate questions from stockholders.

Stockholder ratification of the selection of Grant Thornton LLP as our independent public accountants is not required by our bylaws or other applicable legal requirement. However, the Board of Directors is submitting the selection of Grant Thornton LLP to the stockholders for ratification as a matter of good corporate practice. If the stockholders fail to ratify the selection, the Audit Committee will reconsider whether or not to retain that firm. Even if the selection is ratified, the Audit Committee at its discretion may direct the appointment of a different independent accounting firm at any time during the year if it determines that such a change would be in our best interests and our stockholders best interests.

The affirmative vote of the holders of a majority of the shares of Common Stock entitled to vote on this matter at the Annual Meeting, whether in person or represented by proxy, will approve the proposal to ratify Grant Thornton as our independent auditors for the fiscal year ending December 31, 2012.

The Board of Directors unanimously recommends a vote FOR the ratification of our appointment of Grant Thornton LLP as our independent registered public accounting firm for the current fiscal year.

PROPOSAL 3: NON-BINDING, ADVISORY APPROVAL OF NAMED EXECUTIVE

OFFICER COMPENSATION (SAY-ON-PAY)

The Dodd-Frank Wall Street Reform and Consumer Protection Act of 2010 (known as the Dodd-Frank Act) added provisions to Section 14A of the Securities and Exchange Act of 1934 to provide that a public company s proxy statement in connection with the annual meeting of stockholders must, at least once every three years, allow stockholders to cast a non-binding, advisory vote to approve the compensation of the company s named executive officers as disclosed pursuant to Item 402 of Regulation S-K, including the Compensation Discussion and Analysis, compensation tables and narrative discussion. In accordance with the Dodd-Frank Act and rules adopted by the U.S. Securities and Exchange Commission required thereunder, at the 2012 Annual Meeting, we are providing stockholders with an opportunity to cast an advisory vote to approve our compensation program for our named executive officers. This vote is referred to as a Say-on-Pay vote.

As described in the Compensation Discussion and Analysis section and the related compensation tables and narrative discussion that follow on pages 15 through 28 of this proxy statement, our executive compensation programs are designed to achieve various objectives, including aligning named executive officer and stockholder interests, attracting and retaining quality leadership, supporting a pay-for-performance philosophy, and maintaining a level of equity grants to avoid excess dilution and expense over time.

The Board recommends that stockholders vote in favor of the following resolution:

RESOLVED, that the stockholders hereby approve, on an advisory basis, the compensation paid to Bankrate s named executive officers, as disclosed in Bankrate s Proxy Statement for the 2012 Annual Meeting of Stockholders pursuant to Item 402 of Regulation S-K, including the Compensation Discussion and Analysis, compensation tables and narrative discussion included in this proxy statement.

Because the vote is advisory, it will not be binding upon the Board of Directors and Bankrate will not be required to take any action as a result of the outcome of the vote. However, our Board of Directors values the opinions of our stockholders and, to the extent there is any significant vote against the name executive officer compensation as disclosed in this proxy statement, our Board of Directors will consider the stockholders concerns and evaluate whether any actions are necessary to address those concerns.

Our Board of Directors unanimously recommends a vote FOR approval of the compensation of our named executive officers, on an advisory, non-binding basis, as disclosed in this proxy statement pursuant to Item 402 of Regulation S-K, including the Compensation Discussion and Analysis, compensation tables, and narrative discussion.

**PROPOSAL 4: NON-BINDING, ADVISORY VOTE ON THE FREQUENCY OF
FUTURE SAY-ON-PAY VOTING**

Section 14A of the Securities and Exchange Act of 1934, as amended by the Dodd-Frank Act, also requires us, not less frequently than once every six years, to provide our stockholders the opportunity to vote on a non-binding, advisory basis regarding whether a stockholder Say-on-Pay vote with respect to the compensation of our named executive officers should be held every one, two or three years. Accordingly, under this Proposal 4, we are asking stockholders to vote on whether the Say-on-Pay vote on executive compensation should occur every one, two, or three years.

After careful consideration, our Board of Directors has determined that a Say-on-Pay advisory vote on executive compensation that occurs every three years is the most appropriate alternative for our company. Therefore, the Board recommends that you vote for having the Say-on-Pay advisory vote occur every three years.

Submitting a Say-on-Pay advisory vote to stockholders every three years will allow our stockholders to provide us with input on executive compensation information with a longer-term perspective. In addition, submitting a Say-on-Pay vote to stockholders every three years will allow us sufficient time to carefully review our executive compensation programs in light of the result of such vote before the next Say-on-Pay vote, and will also allow us sufficient time to engage with stockholders to understand and respond to the vote results.

We ask for your advisory vote for your preferred frequency of the submission of future Say-on-Pay votes to stockholders by indicating your choice that future submissions of Say-on-Pay votes to stockholders should occur every year, every two years, or every three years, or you may choose to abstain from voting on this issue. The option of every year, every two years, or every three years that receives a majority of the votes present and entitled to vote at the Annual Meeting will be the frequency of the submission of future Say-on-Pay votes selected by stockholders.

This vote is advisory, and will not be binding on Bankrate or our Board of Directors. Although our Board of Directors will consider the voting results, it may ultimately decide that it is in the best interests of our stockholders and Bankrate to hold a Say-on-Pay vote on executive compensation more or less frequently than the option approved by our stockholders.

Our Board of Directors unanimously recommends a vote for the say-on-pay advisory vote on executive compensation to occur once every 3 YEARS.

CORPORATE GOVERNANCE

Board of Directors Meetings and Committees

During 2011, the Board of Directors held seven meetings. Each incumbent director attended at least 75% of the aggregate number of meetings of the Board of Directors and committees of the Board of Directors on which he served, except for Mr. Tieng, who attended two of the three board meetings that took place in the portion of 2011 during which he served as a director.

Our Board of Directors has determined that Mr. Nelson and Mr. Pinola are independent directors under the rules of the New York Stock Exchange.

Pursuant to the phase-in provisions of the New York Stock Exchange rules and Rule 10A-3 promulgated by the SEC under the Exchange Act, our Audit Committee is composed of three directors, of which two directors are independent. By June 16, 2012, we intend to cause our Audit Committee to have at least three members, all of whom will be independent.

The members of the Audit Committee are Mr. Pinola (Chairman), Mr. Nelson and Mr. Truwit. Our Board of Directors has determined that Mr. Pinola is an audit committee financial expert as defined by the SEC, and that Messrs. Pinola and Nelson meet the additional criteria for independence of audit committee members set forth in Rule of 10A-3(b)(1) under the Exchange Act. The Audit Committee's primary function is to assist the Board of Directors in fulfilling its oversight responsibilities by reviewing the financial reports and other financial information provided by us to governmental bodies or the public; our systems of internal controls regarding finance, accounting, legal compliance and ethics established by management and the Board of Directors; and our accounting and financial reporting process. The Audit Committee encourages continuous improvement of, and fosters adherence to, our policies, procedures and practices at all levels.

Because Ben Holding S.à r.l. holds a majority of Bankrate's common stock, we are a controlled company for purposes of the New York Stock Exchange rules. Accordingly, we do not currently intend to establish a separate compensation or nominating and corporate governance committee, and compensation, nomination, and corporate governance functions will be managed by the full Board of Directors until the rules change, we cease to be a controlled company or we otherwise determine to do so.

Board Leadership Structure and Risk Oversight

Our governance processes, including the Board's involvement in developing and implementing strategy, active oversight of risk, regular review of business results and thorough evaluation of the Chief Executive Officer's performance and compensation, provide rigorous Board oversight of the Chief Executive Officer as he fulfills his various responsibilities.

The Board believes that it should have the flexibility to make determinations as to whether the same individual should serve as both the Chief Executive Officer and the Chairman of the Board. In determining the appropriate leadership structure, the Board considers, among other things, the current composition of the Board and challenges and opportunities specific to Bankrate.

Currently, the positions of Chairman and Chief Executive Officer have been separated. The Chairman of our Board of Directors is Peter C. Morse, who has served in that capacity since 2002, and has been with Bankrate for 17 years. We believe that Mr. Morse's leadership skills, coupled with his intimate knowledge of the company, make him well qualified to serve as our Chairman at this time.

Management of risk is the direct responsibility of the Chief Executive Officer and other executive officers. Our Board of Directors has responsibility for the oversight of risk management on an enterprise-wide basis,

making the assessment that management has appropriately identified the risks faced by the company, determined how those risks will evolve over time, and developed the proper actions for risk mitigation. The Board’s approach is designed to support the achievement of our organizational and strategic objectives, supporting sound financial management and sustainable growth, while at the same time creating enhanced stockholder value. The Board evaluates the risk management practices developed and implemented by management and gauges whether these practices are operating as intended. The Board frequently reviews information regarding operations, cash and financial management, productivity, growth initiatives, and the risks associated with each. In addition, the Board develops an annual operating plan with management that takes into account key risks and opportunities. Several review sessions between management and the Board are conducted as part of the process to develop the operating plan, during which a thorough discussion of these risks and adequate risk mitigation efforts are undertaken.

The chairman, by leading Board meetings, facilitates reporting by the Audit Committee to the Board of its activities in risk oversight assistance to the Board. The chief executive officer’s collaboration with the Board allows him to gauge whether management is providing adequate information for the Board to understand the interrelationships of our various business and financial risks. He is available to the Board to address any questions from directors regarding executive management’s ability to identify and mitigate risks and weigh them against potential rewards.

We do not believe that there are any material compensation arrangements that provide meaningful incentives for employees, including the named executive officers and additional executive officers, to take risks that would be reasonably likely to have a material adverse effect on us.

Nomination of Directors

The Fourth Amended and Restated Stockholders Agreement, by and among Bankrate, Ben Holding S.à r.l., those Bankrate directors and executives who hold Bankrate common stock and certain other holders of Bankrate common stock, which we refer to as the Stockholders Agreement, provides Ben Holding S.à r.l. or any of its direct or subsequent transferees (other than pursuant to a widely distributed public sale or open market purchase) with special rights to designate directors to our Board of Directors. See Certain Relationships and Related Party Transactions Stockholders Agreement for further information. Pursuant to the Stockholders Agreement, as Ben Holding S.à r.l. currently holds a majority of Bankrate’s common stock, Ben Holding S.à r.l. is entitled to nominate a majority of our Board, although currently only four of our eight directors were designated by Ben Holding S.à r.l. Our certificate of incorporation provides further that Ben Holding S.à r.l. may remove any director designated by Ben Holding S.à r.l. with or without cause. Ben Holding S.à r.l. is in turn beneficially owned by Apax US VII, L.P., Apax Europe VII-A, L.P., Apax Europe VII-B, L.P. and Apax Europe VII-I, L.P.

With respect to directors not nominated by Ben Holding S.à r.l., the Board of Directors identifies nominees by first evaluating the current members of the Board of Directors willing to continue in service. Current members of the Board of Directors with skills and experience that are relevant to our business and who are willing to continue in service are considered for re-nomination. If any member of the Board of Directors does not wish to continue in service or if the Board of Directors decides not to re-nominate a member for re-election, the Board of Directors then identifies the desired skills and experience of a new nominee in light of the criteria above. Current members of the Board of Directors are polled for suggestions as to individuals meeting the criteria described above. The Board of Directors may also engage in research to identify qualified individuals. In evaluating a director nominee, the Board of Directors considers the following factors:

the appropriate size of our Board of Directors;

our needs with respect to the particular talents and experience of our directors;

the nominee’s knowledge, skills and experience, including experience in finance, administration or public service, in light of prevailing business conditions and the knowledge, skills and experience already possessed by other members of the Board of Directors;

Table of Contents

whether the nominee is independent, as that term is defined under New York Stock Exchange listing standards;

the familiarity of the nominee with our industry;

the nominee's experience in political affairs;

the nominee's experience with accounting rules and practices; and

the desire to balance the benefit of continuity with the periodic injection of the fresh perspective provided by new Board of Directors members.

Our goal is to assemble a Board of Directors that brings together a variety of perspectives and skills derived from high quality business and professional experience. In doing so, the Board of Directors will also consider candidates with appropriate non-business backgrounds.

Other than the foregoing, there are no stated minimum criteria for director nominees, except that our Bylaws further provide that no person of age 72 or older is eligible for nomination to the Board of Directors. The Board of Directors may also consider such other factors as it may deem in our best interests and the best interest of our stockholders. We also believe it may be appropriate for key members of our management to participate as members of the Board of Directors.

Subject to the rights of our majority stockholder, stockholders may nominate directors for election to the Board of Directors. In order to nominate a director for election to the Board of Directors, stockholders must follow the procedures set forth in our Bylaws, including timely receipt by the secretary of Bankrate of notice of the nomination and certain required disclosures with respect both to the nominating stockholder and the recommended director nominee.

Directors may be elected by a plurality of votes at any meeting called for the election of directors at which a quorum is present. The presence of a majority of the holders of our Common Stock, whether in person or by proxy, constitutes a quorum. The Board of Directors did not receive any recommendations from stockholders requesting that the Board of Directors consider a candidate for inclusion among the nominees in our Proxy Statement for this Annual Meeting. The absence of such a recommendation does not mean, however, that a recommendation would not have been considered had one been received.

Stockholder Communications with the Board of Directors

Every effort is made to ensure that the Board of Directors or individual directors, as applicable, hear the views of stockholders and that appropriate responses are provided to stockholders in a timely manner. Any matter intended for the Board of Directors, or for any individual member or members of the Board of Directors, should be directed to Edward J. DiMaria, our Senior Vice President-Chief Financial Officer, with a request to forward the matter to the intended recipient. All such communications will be forwarded unopened.

Director Attendance at Annual Meeting of Stockholders

We encourage all incumbent directors, as well as all nominees for election as director, to attend the Annual Meeting of Stockholders.

EXECUTIVE COMPENSATION

Compensation Discussion and Analysis

Bankrate is the Web's leading aggregator of financial rate information. We operate in a highly competitive environment and in order to compete we must attract, motivate and retain executives to lead our business. Our named executive officers for the 2011 fiscal year (who appear in the Summary Compensation Table below) were:

Thomas R. Evans, our President and Chief Executive Officer;

Edward J. DiMaria, Senior Vice President and our Chief Financial Officer;

Donaldson M. Ross, Senior Vice President and our Chief Revenue Officer;

Michael J. Ricciardelli, Senior Vice President, Business Development & Consumer Marketing; and

Daniel P. Hoogterp, Senior Vice President and our Chief Technology Officer.

Objectives of Our Executive Compensation Program

The primary objective of our compensation program is the same objective that we have for our overall operations: to create long-term value for our stockholders. We are also acutely aware of the competitive nature of our industry and design our compensation programs to attract motivate and retain our executives, including our named executive officers. Management and the Board of Directors work together to establish, review and evaluate our compensation plans, policies and programs. The Board of Directors approves the total compensation package awarded to each of our named executive officers, including the Chief Executive Officer. The Board of Directors works directly with the Chief Executive Officer to ensure the compensation objectives are aligned with our mission and overall objectives and to provide a decision-making framework for use in formulating recommendations for each named executive officer's compensation.

Our overall objective is to establish a compensation policy that will:

align the interests of named executive officers with those of our long-term stockholders;

attract, retain and provide incentives to highly-named qualified executive officers who drive our performance and help us achieve our business objectives; and

motivate our named executive officers to consistently deliver outstanding performance.

In addition, our compensation program is intended to reward individual performance in a way that emphasizes strategic thinking necessary to create long-term value while balancing rewards for short-term increases in operating results.

We compensate named executive officers with a combination of salary and incentives designed to focus their efforts on maximizing both our near-term and long-term financial performance. Compensation levels are determined based on a variety of factors. Typically, the most heavily weighted factor centers on our performance, as the Board of Directors believes that placing primary emphasis on performance most closely aligns the interests of management and stockholders. Our executive compensation packages are comprised primarily of base salary, incentive cash bonus program, and long-term incentive awards that were granted in connection with the initial public offering of our common stock.

Edgar Filing: Bankrate, Inc. - Form DEF 14A

The Board of Directors believes that each element of the total compensation program serves an important function in achieving the overall objectives of our compensation program. The Board of Directors strives to pay a base salary that is generally competitive within our industry to attract and retain top-level talent in a highly competitive market. The Board of Directors considers historical compensation information and the experiences that certain members of the Board of Directors have in our industry in determining what constitutes competitive

compensation. The year-end cash incentive bonuses that are paid in connection with our management incentive program are designed to provide named executive officers with a strong incentive to achieve individual and Bankrate, Inc. financial and operational goals, all of which are intended to drive year over year growth in a key performance metric. Finally, the long-term incentive awards granted to named executive officers in connection with our initial public offering are designed to closely align the named executive officers' interests with those of our stockholders.

Setting Executive Compensation

Our current compensation program for named executive officers is largely based on individual employment arrangements that were entered into prior to the acquisition of Bankrate by Apax in 2009, with certain modifications in connection with that transaction. Mr. Ricciardelli is the only named executive officer who entered into an employment agreement following the acquisition of Bankrate, however, his employment agreement is substantially similar to the employment agreements with our other named executive officers.

Role of the Board of Directors

The Board of Directors is responsible for setting compensation for our named executive officers. While some of the parameters of each named executive officer's compensation are set forth in the applicable employment agreement, the Board of Directors sets performance goals for incentive compensation and reviews all other compensation and benefits for the named executive officers on an annual basis. None of our named executive officers participate in the setting or determination of their own compensation.

Role of Compensation Consultant; Benchmarking

We did not engage a compensation consultant in 2011. In addition, the Board of Directors does not currently use benchmarking or peer group analysis in making compensation decisions.

Named Executive Officer Compensation

Compensation Mix

The compensation package for our named executive officers aims to provide a strong link between the compensation of our named executive officers and the success of Bankrate and our stockholders. Base salary and annual incentive cash bonuses collectively represent what we believe is appropriate pay for performance during the year. The long-term incentive compensation component, is designed to encourage high long-term performance by closely aligning a named executive officer's pay with the interests of our stockholders. It is intended that our named executive officers earn a significant portion of their cash and equity compensation from sources that are at risk based on the results of the operations, the overall performance of Bankrate or the return on investment to our stockholders. Base salary, which generally represents less than 50% of annual cash compensation paid to our named executive officers, is the only portion of the compensation for our named executive officers that is not at risk. The annual bonus, which generally represents more than 50% of annual cash compensation, as well as the long-term incentive awards, are at risk and determined based on our performance.

Table of Contents

Principal Components of Compensation of Our Named Executive Officers

The compensation package offered to our executive officers, including our named executive officers, consists of:

Base Salary. Base salary levels for each of our named executive officers, including the Chief Executive Officer, are generally set within a range of base salaries that the Board of Directors believes are competitive based on the Board of Directors' experience in the industry and with similar companies, as well as appropriate given our overall financial, operational, and strategic objectives and the qualifications and experience of the individual required for the job. In addition, the Board of Directors will generally review our past financial performance and future expectations, as well as the responsibilities and performance of each of our named executive officers. The initial annual base salary we have agreed to pay each named executive officer is specified in his employment agreement, but in most cases the annual base salary has been increased by the Board of Directors since entering into the employment agreements to reflect changes in the marketplace, increases in the cost of living and the increase in responsibilities for each of the named executive officers. Base salary is reviewed on an annual basis and decisions regarding base salary increases take into account the named executive officer's current base salary, the competitive marketplace, retention and other factors as described above. Our Chief Executive Officer is responsible for assessing the contributions and performance of each of the other named executive officers and reviewing his assessment with the Board of Directors. The Board of Directors reviews and assesses the performance of our Chief Executive Officer and also considers the recommendations that the Chief Executive Officer provides regarding the other named executive officers.

Incentive Cash Bonuses. Our named executive officers are expected to lead and grow our organization and as such we believe that a significant portion of our named executive officer's compensation should be tied to our overall performance. We maintain an incentive cash bonus program, the Management Incentive Program, which emphasizes pay-for-performance by providing our named executive officers with the opportunity to earn bonuses only if we achieve or exceed certain targets relating to our EBITDA.

The EBITDA goal is established at the beginning of each fiscal year by the Chief Executive Officer in consultation with each named executive officer and approved by the Board of Directors. Based on this performance objectives and the business plan and budget approved by the Board of Directors, the Board of Directors establishes threshold minimum and target financial performance goals, for the purposes of paying incentive bonuses. For awards to be payable under the program, the minimum EBITDA performance threshold, which is based on year-over-year EBITDA growth, must be achieved, higher amounts are payable if we meet or exceed the established target. The Board of Directors determines the incentive bonus financial performance goal taking into account various factors, including management's assessment of the probability of achieving higher levels of financial performance within the fiscal year. For 2011, the minimum EBITDA threshold for payment of bonuses was \$105.08 million, and the target level was \$118.4 million. Once these targets are set by the Board of Directors, the Board of Directors retains the discretion to adjust the targets to account for extraordinary corporate events such as an acquisition. Actual 2011 EBITDA for the purposes of the management incentive program, which does not include synergies, was \$135.44 million, resulting in a payout percentage of 185.5%.

Target bonus opportunities are established for our named executive officers in their respective employment agreements, subject to adjustment by the Board of Directors. The target bonus opportunities established for our named executive officers in 2011 ranged from \$175,000 to \$300,000. The target bonus opportunities are individually communicated to the named executive officers and there is currently no formal document for the Management Incentive Program. In certain limited circumstances, the Board of Directors may also pay a discretionary bonus to a named executive officer for extraordinary individual achievement, service or dedication to us. Discretionary bonuses, if any, are evaluated and awarded by the Board of Directors on a case by case basis and are heavily influenced by the circumstances giving rise to the award.

Long-Term Incentive Compensation. In connection with our initial public offering, we adopted the 2011 Equity Compensation Plan, pursuant to which we grant equity incentive awards to our employees, including each of our named executive officers. We use equity incentive awards to provide stock-based incentives to improve

Table of Contents

our financial performance and to recruit, retain and motivate professional, managerial and other personnel. Our equity incentive awards are designed to align the interests of our named executive officers with those of our stockholders by encouraging named executive officers to enhance our value.

The Board of Directors decided to generally grant a mix of stock options and restricted stock in connection with the completion of our initial public offering because each type of equity award serves a somewhat different purpose. Stock options provide our named executive officers with the opportunity to realize value solely from increases in our stock price, thus aligning their interests with those of our stockholders. Furthermore, if our stock price does not increase, vesting over the applicable vesting period (four years in the case of awards granted in 2011) helps to retain our named executive officers. By contrast, while the value of restricted stock does depend on our stock price, time-vested restricted stock have some value regardless of whether our stock price increases or decreases. As a result, restricted stock helps retain our named executives during the applicable vesting period (one year in the case of restricted stock awards granted in 2011), regardless of whether our stock price increases or decreases. Restricted stock also has the benefit of being less dilutive than stock options.

Stock Options. In connection with the completion of the public offering we granted stock options to each of our named executive officers. We anticipate continuing to grant stock options from time to time in the future. Performance of our named executive officers is reviewed annually and the number of stock options, if any, awarded to a named executive officer is determined by the Board of Directors based on a number of factors, including the named executive officer's prior performance, their role and responsibilities with us, and the performance and demonstrated leadership of each named executive officer. In addition, the Board of Directors has a deep understanding and knowledge of our industry and are aware of the factors impacting on compensation decisions in the market place and considers those factors when determining the size of the equity grants. The exercise price of stock options is set at the closing price of our common stock on the date of grant and the stock options granted to named executive officer in 2011 vest over four years following the date of grant, with one quarter of the stock option vesting on the first anniversary of the date of grant and the remaining three quarters of the stock option vesting in equal monthly installments over the three years beginning on the first anniversary of the date of grant and ending on the fourth anniversary of the date of grant. The stock options granted in 2011 have a seven-year term.

Restricted Stock. In connection with the completion of the public offering, we granted restricted stock to each of our named executive officers, other than Mr. Evans. It was determined that Mr. Evans already had significant ownership in the company and his stock option grant adequately aligned his compensation with our performance. The restricted stock was granted by the Board of Directors based on each named executive officer's roles and responsibilities with us and the performance and leadership shown by the named executive officer in connection with the management of the company and our performance leading up to the initial public offering.

Severance. Each of our named executive officers is entitled to severance upon certain terminations of employment in accordance with the terms of his employment agreement. The terms of the severance are more fully described in the narrative to the Summary Compensation Table below.

Limited Perquisites and Other Benefits. We maintain certain broad-based benefit plans in which our employees, including our named executive officers, are entitled to participate. These plans include health and life insurance and a qualified 401(k) savings plan. We make a safe harbor contribution equal to 3% for the qualified 401(k) savings plan (up to a maximum of \$7,350), subject to Internal Revenue Code limitations. Our named executive officers also participate in an executive medical benefit program.

Management Fees. At the time of our acquisition by Apax in 2009, we entered into an advisory agreement with Apax Partners, L.P., for certain persons, including all of our named executive officers, to provide advisory services to Bankrate relating to refinancing, recapitalization, public offerings and other exit events, advice relating to acquisitions and divestitures and certain other services. In connection with providing these services, each of our named executive officers earned management fees in 2011.

Table of Contents*2011 Named Executive Officer Compensation*

The specific decisions made for each of our named executive officers in 2011 reflect our overall compensation objectives described above, as well as our 2011 performance.

Base Salary. The Board of Directors conducted its annual review and evaluation of the compensation levels of our senior executive team and determined the following base salaries for 2011:

Named Executive Officer	Initial 2011 Base Salary	Post-IPO 2011 Base Salary
Thomas R. Evans	\$ 450,000	\$ 475,000
Edward J. DiMaria	\$ 375,000	\$ 400,000
Donaldson M. Ross	\$ 350,000	\$ 375,000
Michael J. Ricciardelli	\$ 300,000	\$ 325,000
Daniel P. Hoogterp	\$ 275,000	\$ 300,000

The annual base salaries for each of the named executive officers were increased by \$25,000 in connection with the initial public offering. The Board of Directors determined that, given that there had not been a base salary increase for most of the named executive officers since 2009, and to reflect the additional responsibility resulting from our becoming a publicly traded company.

Incentive Cash Bonus. As described above, employment agreements with our named executive officers provide for the named executive officers to participate in our annual bonus program. Our EBITDA for 2011 exceeded the target level and based on such performance, it was determined by our Board of Directors that the performance objective was achieved at 185.5% for 2011. The following table summarizes the target bonus opportunities and actual bonus payment for each of our named executive officers in 2011:

Named Executive Officer	2011 Target	Actual 2011 Bonus Payment
	Bonus Opportunity	
Thomas R. Evans	\$ 300,000	\$ 556,500
Edward J. DiMaria	\$ 225,000	\$ 417,375
Donaldson M. Ross	\$ 225,000	\$ 417,375
Michael J. Ricciardelli	\$ 175,000	\$ 324,625
Daniel P. Hoogterp	\$ 175,000	\$ 324,625

No discretionary bonuses were granted to named executive officers in 2011.

Long-Term Incentive-Based Compensation. As described above, in connection with the completion of our initial public offering in 2011, we granted stock options to all of our named executive officers and shares of restricted stock to all of our named executive officers except Mr. Evans. One quarter of the stock options granted to the named executive officers vest over a four-year period following the date of grant, with one quarter of the stock option vesting on the first anniversary of the date of grant and the remaining three quarters of the stock option vesting in equal monthly installments over the three-year period beginning on the first anniversary of the date of grant and ending on the fourth anniversary of the date of grant and has a seven year term, in each case subject to continued employment through the applicable vesting date. The restricted stock granted to named executive officers in connection with the completion of our initial public offering vests on the first anniversary of the date of grant.

In 2011, in connection with our initial public offering, we granted stock options and restricted stock to our named executive officers in the following amounts:

Mr. Evans stock option to acquire 995,000 shares of common stock;

Mr. DiMaria stock option to acquire 550,000 shares of common stock and 2,706 shares of restricted stock;

Table of Contents

Mr. Ross stock option to acquire 400,000 shares of common stock and 2,706 shares of restricted stock;

Mr. Ricciardelli stock option to acquire 300,000 shares of common stock and 2,706 shares of restricted stock; and

Mr. Hoogterp stock option to acquire 300,000 shares of common stock and 2,706 shares of restricted stock.

In addition, unvested Class B Common Stock held by each of the named executive officers vested immediately prior to the completion of our initial public offering. The Class B Common Stock was acquired by the named executive officers at the time of that we were acquired by Apax in 2009 and vested based on the named executive officer's continued service and the achievement of certain performance goals. Accordingly, the vesting of the Class B Common Stock accelerated by its terms in connection with the completion of the initial public offering, resulting in the following value realized on vesting to the named executive officers at the time of the completion of our initial public offering:

Mr. Evans: \$16,801,957

Mr. DiMaria: \$6,720,783

Mr. Ross: \$6,734,278

Mr. Ricciardelli: \$3,367,139

Mr. Hoogterp: \$3,367,139

Management Fees

In 2011, each of our named executive officers earned management fees for advice provided to Apax Partners L.P. during the period prior to our initial public offering. Messrs. Evans, DiMaria, Ross, Ricciardelli and Hoogterp earned \$304,839, \$11,080, \$6,688, \$2,341 and \$8,361, respectively for 2011.

Employment Agreements

We have entered into employment agreements with each of our named executive officers in order to secure their continued service and dedication. These employment agreements generally establish minimum salary commitments and target bonus opportunities. These employment agreements also restrict the named executive officer's ability to engage in or perform any activities that are competitive with our business or to solicit our employees away from our service while we employ the executive and for a period of one year thereafter. Our termination payments are generally structured such that the executive is entitled to one year of base salary at the time of termination if the executive is terminated by us without cause or if the executive terminates the agreement with cause. The termination benefits that each named executive officer is entitled to receive are more fully described in "Payments upon Termination or Change of Control" below.

Equity Grant Policy

In January 2012 we adopted an Equity Grant Policy, which identifies who is authorized to grant equity awards and clarifies the timing of the grant of equity awards. Pursuant to the Equity Grant Policy, annual grants are made on the first business day of the month following the day such grant is approved. With respect to off-cycle grants to current employees, such grants will be effective the first business day of the month following the date on which such grant was approved, unless the grant was approved on the first business day of the month, in which case the grant date will be the date the grant is approved. With respect to grants to newly hired employees, the date of grant is the first business day after the start date, unless the start date is the first business day of a month, in which case it is granted as of the start date.

Table of Contents**Section 162(m)**

From and after the time that our compensation programs become subject to Section 162(m) of the Internal Revenue Code, we intend to consider the structure of base salary and bonus compensation in order to maintain the deductibility of compensation under Section 162(m) of the Internal Revenue Code. However, the Board of Directors will take into consideration other factors, together with Section 162(m) considerations, in making executive compensation decisions and could, in certain circumstances, approve and authorize compensation that is not fully tax deductible. Transition provisions under Section 162(m) may apply for a period of approximately three years following the consummation of this offering to certain compensation arrangements that were entered into by a corporation before it was publicly held.

Board of Directors Report

The Board of Directors has reviewed the Compensation Discussion and Analysis required by Item 402(b) of Regulation S-K and discussed it with the Company's management. Based on the Board of Director's review and discussions with management, the Board of Director has determined that the Compensation Discussion and Analysis be included in this Proxy Statement.

CERTAIN RELATIONSHIPS AND RELATED PARTY TRANSACTIONS

Initial Public Offering and Subsequent Offering

On June 22, 2011, Bankrate consummated its initial public offering of its common stock, followed by an exercise of the underwriters' option to acquire additional shares consummated on June 29, 2011. Ben Holding S.à r.l. and certain of our directors and executive officers sold shares of the Bankrate's common stock in the initial public offering. After expenses, Ben Holding S.à r.l. and Messrs. Morse, Evans, DiMaria, Hoogterp, Ricciardelli and Ross received proceeds of \$130,213,965, \$8,861,512, \$2,519,346, \$665,647, \$684,569, \$646,894 and \$1,306,351, respectively, from the sale of their shares of common stock in the initial public offering. In addition, on December 12, 2011, Bankrate consummated another public offering of its common stock, in which Ben Holding S.à r.l. and Mr. Evans received proceeds of \$236,424,250 and \$4,692,189.60, respectively.

The Recapitalization and Merger

Prior to June 21, 2011, Bankrate was wholly owned by BEN Holdings, Inc., and the shares of common and preferred stock of BEN Holdings, Inc. were owned by Ben Holding S.à r.l. and current and former members of our Board of Directors and management. On June 21, 2011, the day prior to the consummation of the initial public offering of our common stock, each holder of shares of Class A Common Stock, Class B Common Stock, and preferred stock of BEN Holdings, Inc., exchanged such shares for a number of newly issued shares of common stock of BEN Holdings, Inc. based on the value of Bankrate implied by the initial public offering price, which we refer to as the Recapitalization. Following the Recapitalization and prior to the consummation of the initial public offering, BEN Holdings, Inc. merged with and into Bankrate, with Bankrate surviving, which we refer to as the Merger. In the Merger, each share of common stock of BEN Holdings, Inc. outstanding immediately prior to the Merger was converted into shares of common stock of Bankrate, and all outstanding shares of Bankrate common or preferred stock outstanding immediately prior to the Merger were cancelled. The consummation of the initial public offering was premised on the prior consummation of the Recapitalization and the Merger.

In the Recapitalization and Merger, each of the preferred shares of BEN Holdings, Inc. was valued at its liquidation preference of \$1,000 per share, plus a yield of 15% from the date of such share's issuance through the date of the Recapitalization, plus an early distribution premium equal to the present value of \$1,070 plus the yield that would have accrued on such BEN Holdings, Inc. preferred share through August 25, 2011, discounted at an applicable treasury rate plus 50 basis points, less \$1,000. Depending on the date of issuance, each BEN Holdings, Inc. preferred share was ultimately exchanged for between 80.1 and 83.6 new shares of Bankrate common stock. Each share of Class A Common Stock of BEN Holdings, Inc. was valued at its initial purchase price, plus a yield of 15.10% from the date of such share's issuance through the date of the Recapitalization, plus a proportionate share of the residual implied value of Bankrate. Depending on the date of issuance, each share of Class A Common Stock of BEN Holdings, Inc. was ultimately exchanged for between 157.6 and 171.0 new shares of Bankrate common stock. Each share of Class B Common Stock of BEN Holdings, Inc. was valued at its initial purchase price, plus a proportionate share of fees, yields, and early distribution premiums realized by holders of BEN Holdings, Inc. preferred shares and shares of Class A Common Stock of BEN Holdings, Inc., plus a proportionate share of the residual implied value of Bankrate. Depending on the number of shares sold, each share of Class B Common Stock was ultimately exchanged for between 31.9 and 32.1 new shares of Bankrate common stock. As a result of the Recapitalization and Merger, Ben Holding S.à r.l. and Messrs. Morse, Evans, DiMaria, Hoogterp, Ricciardelli and Ross received 77,111,599, 5,247,708, 1,788,972, 472,673, 243,055, 229,678 and 463,815 shares of common stock of Bankrate, respectively.

Stockholders Agreement

In connection with the Merger, Bankrate entered into the Stockholders Agreement with Ben Holding S.à r.l., those Bankrate directors and executives who hold Bankrate common stock and certain other holders of Bankrate common stock. The Stockholders Agreement provides that Ben Holding S.à r.l. or any of its direct or subsequent

transferees (other than pursuant to a widely distributed public sale or open market purchase), which we refer to collectively as the Apax Holders, are entitled to designate nominees for election to our board of directors as follows: (i) a majority of the total number of directors comprising our board of directors for so long as the Apax Holders, directly or indirectly, collectively beneficially own 50% or more of the outstanding voting power of all shares of our capital stock entitled to vote generally in the election of our directors; (ii) 30% of the total number of directors comprising our board of directors for so long as the Apax Holders, directly or indirectly, collectively beneficially own 30% or more of the outstanding voting power of all shares of our capital stock entitled to vote generally in the election of our directors; and (iii) 15% of the total number of directors comprising our board of directors for so long as the Apax Holders, directly or indirectly, collectively beneficially own 5% or more of the outstanding voting power of all shares of our capital stock entitled to vote generally in the election of our directors. Thereafter the Apax Holders will no longer be entitled to designate any nominees for election to the board of directors except pursuant to our general director nomination process generally applicable to all stockholders, which is described below. For purposes of calculating the number of directors that the Apax Holders are entitled to designate pursuant to the formulas described above, any fractional amounts will be rounded up to the nearest whole number and the calculation will be made taking into account the increase in the size of our board of directors (e.g., one and one quarter (1 1/4) directors will equate to two (2) directors). All parties to the Stockholders Agreement are obligated to vote in favor of the Apax Holders nominees. In addition, the Apax Holders have the right to remove and replace any or all of its director-nominees at any time and for any reason and to designate any individual(s) to fill any such vacancies.

In addition, (i) for so long as the Apax Holders, directly or indirectly, beneficially own a majority of the outstanding voting power of all shares of our capital stock entitled to vote generally in the election of our directors, at the Apax Holders' option, a majority of the members of each committee of our board of directors will be directors nominated by the Apax Holders, and (ii) for so long as the Apax Holders, directly or indirectly, beneficially own 5% or more of the outstanding voting power of all shares of our capital stock entitled to vote generally in the election of our directors, at the Apax Holders' option, at least one member of each committee of our board of directors will be a director nominated by the Apax Holders, in each case to the extent permitted by law and applicable stock exchange rules. At the option of the Apax Holders, Bankrate will cause the board of directors of any of its subsidiaries (and any committees of such board) to have the same proportionate representation as our board of directors and of each committee of our board of directors.

The Stockholders Agreement also provides that the following actions by us or any of our subsidiaries require the approval of the Apax Holders for so long as the Apax Holders beneficially own, directly or indirectly, at least 35% or more of the outstanding voting power of all shares of our capital stock entitled to vote generally in the election of our directors:

the hiring and removal of our Chief Executive Officer;

any change of control as defined in the Stockholders Agreement or initiating any liquidation, dissolution or winding up or other bankruptcy proceeding;

entering into any agreement providing for the acquisition or divestiture of assets for aggregate consideration in excess of \$100 million;

any issuance of equity securities for an aggregate consideration in excess of \$100 million; and

declaring any extraordinary dividends or making any pro rata share repurchases.

The Stockholders Agreement also includes registration rights providing that the Apax Holders and Mr. Peter Morse may require registration under the Securities Act of all or any portion of the common stock or certain stock equivalents of Bankrate held by such persons. Bankrate is obligated to effectuate a maximum of four registrations at the request of the Apax Holders on Form S-1 and an unlimited number of registrations on Form S-3, as well as a maximum of two registrations at the request of Mr. Morse on Form S-3. If a registration is demanded, Bankrate must provide written notice to other holders of registrable securities who may then elect to

include their registrable securities in such a registration. The Stockholders Agreement also includes piggyback registration rights providing that whenever Bankrate proposes to register shares of common stock of Bankrate for its own account or for the account of any holder of registrable securities (other than a registration the primary purpose of which is to register debt securities or in connection with a business acquisition or combination or an employee benefit plan) any holder of registrable securities party to the Stockholders Agreement, including certain of the current directors and all of the executive officers of Bankrate, is entitled to include their shares in the registration, subject to customary cutback provisions. Bankrate will be responsible for all fees and expenses incurred in connection with the filing of a registration statement required under the Stockholders Agreement. Bankrate must also indemnify all holders of registrable securities for any losses incurred or arising out of any untrue or alleged untrue statement of a material fact contained in any registration statement or related document or any violation of any applicable law or regulation applicable to registrable securities in connection with a registration, other than arising out of statements provided by selling stockholders for inclusion in the registration statement or arising primarily out of actions of the selling stockholders.

SECTION 16(A) BENEFICIAL OWNERSHIP REPORTING COMPLIANCE

Section 16(a) of the Exchange Act requires our directors and executive officers and any persons who own more than 10% of our common stock to file reports with the SEC with respect to their ownership of common stock. Directors, executive officers and persons owning more than 10% of our common stock are required to furnish us with copies of all Section 16(a) reports they file.

REPORT OF THE AUDIT COMMITTEE

The Audit Committee operates under a written charter adopted by the Board of Directors that is published on the investor relations section of Bankrate's Web site at www.bankrate.com. This report reviews the actions taken by the Audit Committee with regard to Bankrate's financial reporting process during 2011 and particularly with regard to Bankrate's audited consolidated financial statements as of December 31, 2011 and 2010 and for the three years ended December 31, 2011.

The Audit Committee selects Bankrate's independent registered public accounting firm and meets with Bankrate's independent registered public accounting firm to discuss the scope and review the results of the annual audit. The Audit Committee has implemented procedures to ensure that during the course of each fiscal year it devotes the attention that it deems necessary or appropriate to each of the matters assigned to it under the Committee's Charter. The Audit Committee met twice during 2011.

Two of the directors who serve on the Audit Committee are independent for purposes of the New York Stock Exchange listing standards. That is, the Board of Directors has determined that two of the members of the Committee have no relationship to Bankrate that may interfere with his independence from Bankrate and its management. By June 16, 2012, we intend to cause all members of our Audit Committee to be independent.

The Audit Committee reviewed Bankrate's 2011 financial statements and met with both management and Grant Thornton LLP, Bankrate's independent registered public accounting firm for 2011, to discuss those financial statements. Management represented to us that the financial statements were prepared in conformity with accounting principles generally accepted in the United States of America. The Committee also received from and discussed the written disclosures and the letter from Grant Thornton LLP required by the Public Company Accounting Oversight Board, and has discussed with Grant Thornton LLP their independence. The Audit Committee also discussed with Grant Thornton LLP any matters required to be discussed by Statement on Auditing Standards No. 61, as amended (AICPA, Professional Standards, Vol. 1, AU section 380), as adopted by the Public Company Oversight Board in Rule 3200 T.

Policy on Audit Committee Pre-Approval of Audit and Non-Audit Services of Independent Auditor

The Audit Committee of the Board of Directors has implemented procedures under our Audit Committee Pre-Approval Policy for Audit and Non-Audit Services to ensure that all audit and permitted non-audit services provided to us are pre-approved by the Audit Committee. Specifically, the Audit Committee pre-approves the use of an independent accountant for specific audit and non-audit services, within approved monetary limits. If a proposed service has not been pre-approved pursuant to the Pre-Approval Policy, then it must be specifically pre-approved by the Audit Committee before it may be provided by our independent accountant. Any pre-approved services exceeding the pre-approved monetary limits require specific approval by the Audit Committee. The Audit Committee may delegate pre-approval authority to one or more of its members when expedition of services is necessary.

All of the audit-related, tax and all other services provided by Grant Thornton LLP to us in 2011 were approved by the Audit Committee by means of specific pre-approvals or pursuant to the procedures contained in the Pre-Approval Policy. The Audit Committee has determined that all non-audit services provided by Grant Thornton LLP in 2011 were compatible with maintaining its independence in the conduct of its auditing functions.

STOCKHOLDER PROPOSALS

Rules of the SEC require that any proposal by a stockholder for consideration at the 2013 Annual Meeting of Stockholders must be received by us no later than 120 calendar days before the one-year anniversary of the date of our proxy statement released to stockholders in connection with the 2012 Annual Meeting, or February 13, 2013, if it is to be eligible for inclusion in the proxy materials for our 2013 Annual Meeting of Stockholders. However, in the event that we hold our 2013 Annual Meeting of Stockholders more than 30 days before or 30 days after the one-year anniversary date of the 2012 Annual Meeting, we will disclose the new deadline by which stockholder proposals must be received on Form 10-Q or, if impracticable to do so, by any means reasonably calculated to inform stockholders. Proposals submitted for consideration should be addressed to us at 11760 U.S. Highway One, Suite 200, North Palm Beach, Florida 33408, Attention: Corporate Secretary. Under applicable SEC rules, we are not required to include stockholder proposals in our proxy materials unless certain other conditions specified in such rules are met.

of our Second Amended and Restated Bylaws, including delivery of notice to us in sufficient time prior to the Annual Meeting of Stockholders. Pursuant to these provisions, notice of nomination or proposal must be received by us neither earlier than 120 days nor later than 90 days prior to the anniversary of the 2012 Annual Meeting of Stockholders; provided, however, that in the event the date of the 2013 annual meeting is more than 30 days earlier or 60 days after the anniversary of the 2012 Annual Meeting of Stockholders, then notice must be received neither earlier than 120 days nor later than 90 days prior to the 2013 Annual Meeting of Stockholders; provided further, that in the event that less than 100 days notice or prior public disclosure of the date of the annual meeting is given to stockholders, notice must be received not later than the close of business on the 10th day following the day on which such notice of the date of the meeting was mailed or such public disclosure was made.

HOUSEHOLDING

If you and other persons in your household own shares of our Common Stock as the beneficial owner, your broker or bank may have given notice that your household will receive only one copy of our annual report and proxy statement. This practice is known as householding. Unless you responded to that notice that you did not wish to participate in householding, you would be deemed to have consented to participating, and only one copy of our annual report and Proxy Statement would be sent to your address (however, each stockholder would continue to receive a separate proxy card). This procedure reduces our printing costs and postage fees.

Any stockholder who wishes to receive his or her own set of our annual reports and proxy statements, or who shares an address with another stockholder of Bankrate and together would like to receive only one set of annual disclosure documents, should contact us at 11760 U.S. Highway One, Suite 200, North Palm Beach, Florida 33408, Attention: Corporate Secretary, being sure to supply the names of all stockholders at the same address, the name of the bank or brokerage firm, and the account number(s). You can also reach us at (561) 630-2400. The revocation of a consent to householding should be effective 30 days after the notice is received.

By Order of the Board of Directors,

Edward J. DiMaria

Senior Vice President Chief Financial

Officer and Secretary
