**Item 1.01. Entry into a Material Definitive Agreement.**

On May 7, 2012, Luna Innovations Incorporated (the Company) and Philips Healthcare, acting through Philips Medical Systems Nederland BV (Philips), entered into a Development Agreement dated effective April 25, 2012 (the Development Agreement). Under the Development Agreement, the Company will conduct certain development work during 2012 in cooperation with Philips to advance the Company's fiber-optic shape sensing technology towards commercialization in the non-robotic medical field. Philips will pay the Company monthly on a time and materials basis, less a specified holdback amount, in accordance with corresponding milestones and estimated resource requirements. In addition, under the Development Agreement, Philips has agreed to purchase specified prototype systems from the Company.

The foregoing description of the Development Agreement is not complete and is qualified in its entirety by reference to the Development Agreement to be filed as an exhibit to the Company's Form 10-Q for the quarter ending June 30, 2012.

**Item 7.01. Regulation FD Disclosure.**

On May 8, 2012, the Company issued a press release announcing the execution of the Development Agreement with Philips. A copy of this press release is furnished herewith as Exhibit 99.1 to this Current Report.
