Amended and Restated 1998 Employee Stock Purchase Plan (the "1998 Plan") and the eBay Inc. Employee Stock Purchase Plan, which constitutes an amendment and restatement of the 1998 Plan and will become effective on November 1, 2012 (the "Restated Plan"), by reason of any stock dividend, stock split, recapitalization or other similar transaction effected without the receipt of consideration that results in an increase or decrease in the number of outstanding shares of the registrant's common stock.
- (2) Estimated solely for the purpose of calculating the amount of the registration fee pursuant to Rule 457(h) under the Securities Act. The offering price per share and aggregate offering price are based upon the average of the high and low prices of the registrant's common stock on May 17, 2012 as reported on the Nasdaq Global Select Market for an additional 3,389,763 shares of common stock pursuant to the 1998 Plan and 35,000,000 shares of common stock pursuant to the Restated Plan.
- (3) Represents 3,389,763 additional shares that are available for issuance under the "evergreen" provision of the 1998 Plan, which was originally approved by the registrant's stockholders by written consent dated August 20, 1998, as amended by the amendment approved by the registrant's stockholders on June 14, 2007.
- (4) Represents 35,000,000 shares that are available for grant effective November 1, 2012 under the Restated Plan, as approved by the registrant's stockholders at the registrant's Annual Meeting of Stockholders held on April 26, 2012.

EXPLANATORY NOTE

The eBay Inc. Amended and Restated 1998 Employee Stock Purchase Plan (the "1998 Plan") reserved a total of 7,200,000 shares of our common stock for issuance when it was originally adopted and approved by our stockholders by written consent dated August 20, 1998. The evergreen provision of the 1998 Plan provides that the total number of shares reserved for issuance under the 1998 Plan shall be increased automatically on each January 1 by the total number of shares purchased under the 1998 Plan in the preceding calendar year, provided that the aggregate number of shares reserved for issuance under the 1998 Plan may not exceed 36,000,000 shares. The amendment to the 1998 Plan approved by our stockholders on June 14, 2007 did not change the evergreen provision. We initially registered 7,200,000 shares of our common stock reserved for issuance under the 1998 Plan on a registration statement on Form S-8 filed with the Securities and Exchange Commission (the "Commission") on September 24, 1998, and subsequently registered an additional 2,768,564 shares, 6,235,813 shares, 3,529,775 shares, 4,424,626 shares and 4,749,035 shares reserved for issuance under the evergreen provision of the 1998 Plan on registration statements on Form S-8 filed with the Commission on August 4, 2004, February 8, 2008, June 5, 2009, March 12, 2010 and July 8, 2011, respectively. We are registering an additional 3,389,763 shares that have been reserved for issuance pursuant to the evergreen provision of the Plan with the filing of this registration statement on Form S-8. Effective as of the Effective Date (as defined below), the remaining shares of our common stock reserved for issuance but not granted under the 1998 Plan (including under the evergreen provision) will no longer be granted or reserved for issuance under the 1998 Plan or the Restated Plan (as defined below).

At our 2012 Annual Meeting of Stockholders held on April 26, 2012, our stockholders approved the eBay Inc. Employee Stock Purchase Plan (the "Restated Plan"), which constitutes an amendment and restatement of the 1998 Plan and will become effective on November 1, 2012 (the "Effective Date"). Among other changes, the Restated Plan eliminates the evergreen provision of the 1998 Plan, so that from and after the Effective Date, the total number of shares reserved for issuance under the Restated Plan will no longer be automatically increased by a certain number of shares each year. We are registering 35,000,000 shares of our common stock for issuance under the Restated Plan for future offering periods beginning on or after the Effective Date.

All historical share numbers in this registration statement have been adjusted, as appropriate, to give retroactive effect to all of our stock splits effected prior to the date hereof.

ITEM 6. INDEMNIFICATION OF DIRECTORS AND OFFICERS

As permitted by Section 145 of the Delaware General Corporation Law (the DGCL), the Company's Amended and Restated Bylaws (the Bylaws) provide that (i) the Company is required to indemnify its directors and officers to the fullest extent permitted by the DGCL; provided, however, that the Company is required to provide indemnification with respect to a proceeding (or part thereof) initiated by one of such persons only if the proceeding (or part thereof) is authorized by the Company's board of directors, (ii) the Company may, in its discretion, indemnify other persons as set forth in the DGCL, (iii) to the fullest extent permitted by the DGCL, the Company is required to advance all expenses incurred by its directors and officers in connection with a legal proceeding (subject to certain exceptions), (iv) the rights conferred in the Bylaws are not exclusive, (v) the Company is authorized to enter into indemnification agreements with its directors, officers, employees and agents and (vi) the Company may not retroactively amend the Bylaws provisions relating to indemnity.

The Company has entered into agreements with its directors and executive officers that require the Company to indemnify such persons against expenses, judgments, fines, settlements and other amounts that such person becomes legally obligated to pay (including expenses of a derivative action) in connection with any proceeding, whether actual or threatened, to which any such person may be made a party by reason of the fact that such person is or was a director or officer of the Company or any of its affiliated enterprises, provided such person acted in good faith and in a manner such person reasonably believed to be in or not opposed to the best interests of the Company. The indemnification agreements also set forth certain procedures that will apply in the event of a claim for indemnification thereunder.

ITEM 9. UNDERTAKINGS

1. The undersigned registrant hereby undertakes:

(a) To file, during any period in which offers or sales are being made, a post-effective amendment to this registration statement:

(i) To include any prospectus required by Section 10(a)(3) of the Securities Act;

(ii) To reflect in the prospectus any facts or events arising after the effective date of the registration statement (or the most recent post-effective amendment thereof) which, individually or in the aggregate, represent a fundamental change in the information set forth in the registration statement. Notwithstanding the foregoing, any increase or decrease in volume of securities offered (if the total dollar value of securities offered would not exceed that which was registered) and any deviation from the low or high end of the estimated maximum offering range may be reflected in the form of prospectus filed with the Commission pursuant to Rule 424(b) if, in the aggregate, the changes in volume and price represent no more than a 20% change in the maximum aggregate offering price set forth in the Calculation of Registration Fee table in the effective registration statement.

(iii) To include any material information with respect to the plan of distribution not previously disclosed in the registration statement or any material change to such information in the registration statement; *provided, however*, that paragraphs (a)(i) and (a)(ii) do not apply if the information required to be included in a post-effective amendment by those paragraphs is contained in reports filed with or furnished to the Commission by the registrant pursuant to Section 13 or 15(d) of the Exchange Act that are incorporated by reference herein.

(b) That, for the purpose of determining any liability under the Securities Act, each such post-effective amendment shall be deemed to be a new registration statement relating to the securities offered herein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

(c) To remove from registration by means of a post-effective amendment any of the securities being registered which remain unsold at the termination of the offering.

2. The undersigned registrant hereby undertakes that, for purposes of determining any liability under the Securities Act, each filing of the registrant's annual report pursuant to Section 13(a) or 15(d) of the Exchange Act (and, where applicable, each filing of an employee benefit plan's annual report pursuant to Section 15(d) of the Exchange Act) that is incorporated by reference in the registration statement shall be deemed to be a new registration statement relating to the securities offered herein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

3. Insofar as indemnification for liabilities arising under the Securities Act may be permitted to directors, officers and controlling persons of the registrant pursuant to the foregoing provisions, or otherwise, the registrant has been advised that in the opinion of the Securities and Exchange Commission such indemnification is against public policy as expressed in the Securities Act and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by the registrant of expenses incurred or paid by a director, officer or controlling person of the registrant in the successful defense of any action, suit or proceeding) is asserted by such director, officer or controlling person in connection with the securities being registered, the registrant will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by it is against public policy as expressed in the Securities Act and will be governed by the final adjudication of such issue.
