**FORWARD-LOOKING STATEMENTS**

Some of the information included or incorporated by reference into this prospectus contains forward-looking statements that is, statements related to future, not past, events. In this context, forward-looking statements often address our expected future business and financial performance and financial condition, and often contain words such as expect, anticipate, intend, plan, believe, seek, see, or will. Forward-looking statements by their nature address matters that are, to different degrees, uncertain. For us, particular uncertainties that could cause our actual results to be materially different than those expressed in our forward-looking statements include:

current economic and financial conditions, including volatility in interest and exchange rates, commodity and equity prices and the value of financial assets;

potential market disruptions or other impacts arising in the United States or Europe from developments in the European sovereign debt situation;

the impact of conditions in the financial and credit markets on the availability and cost of our funding and on our ability to reduce our asset levels as planned;

the impact of conditions in the housing market and unemployment rates on the level of commercial and consumer credit defaults;

changes in Japanese consumer behavior that may affect our estimates of liability for excess interest refund claims (Grey Zone);

pending and threatened litigation against WMC, including increased activity by securitization trustees;

our ability to maintain our current credit rating and the impact on our funding costs and competitive position if we do not do so;

**Table of Contents**

our ability to pay dividends to our parent, General Electric Company, at the planned level;

the level of demand and financial performance of the major industries we serve, including, without limitation, air transportation, real estate and healthcare;

the impact of regulation and regulatory, investigative and legal proceedings and legal compliance risks, including the impact of financial services regulation;

strategic actions, including acquisitions, joint ventures and dispositions and our success in completing announced transactions and integrating acquired businesses;

the impact of potential information technology or data security breaches; and

numerous other matters of national, regional and global scale, including those of a political, economic, business and competitive nature. These uncertainties may cause our actual future results to be materially different than those expressed in our forward-looking statements. Accordingly, we caution you against relying on forward-looking statements. We do not undertake to update our forward-looking statements.

We provide greater detail regarding some of these factors in our annual report on Form 10-K for the year ended December 31, 2011, filed with the SEC and available on the SEC's website at [www.sec.gov](http://www.sec.gov), including the Risk Factors section of that report, as such discussions may be amended or supplemented in other reports filed by us with the SEC and elsewhere in this prospectus and any accompanying prospectus supplement. Our forward-looking statements may also be subject to other risks and uncertainties, including those discussed elsewhere in this prospectus and any accompanying prospectus supplement or in our other filings with the SEC.

**THE COMPANY**

General Electric Capital Corporation ( GECC ) was incorporated in 1943 in the State of New York under the provisions of the New York Banking Law relating to investment companies, as successor to General Electric Contracts Corporation, which was formed in 1932. Until November 1987, our name was General Electric Credit Corporation. On July 2, 2001, we changed our state of incorporation to Delaware. As of December 31, 2011, all of our outstanding common stock was owned by General Electric Capital Services, Inc. ( GECS ), formerly General Electric Financial Services, Inc., the common stock of which was in turn wholly-owned by General Electric Company ( GE ). Financing and services offered by GECC are diversified, a significant change from the original business of GECC, which was financing distribution and sale of consumer and other GE products. Currently, GE manufactures few of the products financed by GECC.

On February 22, 2012, our parent, GECS, was merged with and into GECC. The merger simplified GE's financial services corporate structure by consolidating financial services entities and assets within its organization and simplifying SEC and regulatory reporting. Upon the merger, GECC became the surviving corporation and assumed all of GECS' rights and obligations and became

**Table of Contents**

wholly-owned directly by GE. GECC's continuing operations now include the run-off insurance operations previously held and managed in GECS. References to GECS or GECC in this prospectus prior to February 22, 2012 relate to the entities as they existed prior to that date and do not reflect the February 22, 2012 merger.

GECC operates in five segments: Commercial Lending and Leasing, Consumer, Real Estate, Energy Financial Services and GE Capital Aviation Services. These operations are subject to a variety of regulatory regimes in their respective jurisdictions. Our operations are located in North America, South America, Europe, Australia and Asia.

GECC's principal executive offices are located at 901 Main Avenue, Norwalk, Connecticut 06851-1168, and its telephone number is (203) 840-6300. At December 31, 2011, GECC's employment totaled approximately 52,000.

**CONSOLIDATED RATIO OF EARNINGS TO FIXED CHARGES\***

Three months ended	Year ended December 31,				
March 31, 2012	2011**	2010**	2009**	2008**	2007**
1.60x***	1.52x	1.13x	0.83x	1.26x	1.62x

\* For purposes of computing the consolidated ratio of earnings to fixed charges, earnings consist of net earnings adjusted for the provision for income taxes, minority interest, interest capitalized (net of amortization) and fixed charges. Fixed charges consist of interest on all indebtedness and one-third of rentals, which we believe is a reasonable approximation of the interest factor of such rentals.

\*\* The ratio of earnings to fixed charges for the years ended December 31, 2011, 2010, 2009, 2008 and 2007, respectively, do not reflect the February 22, 2012 merger of GECS with and into GECC.

\*\*\* The ratio of earnings to fixed charges for the three months ended March 31, 2012 reflect the February 22, 2012 merger of GECS with and into GECC from that date.

**USE OF PROCEEDS**

Net proceeds from the sale of the Notes will be used for general corporate purposes.

**CERTAIN TERMS OF THE NOTES**

**Indenture**

The Notes are issued under a First Amended and Restated Indenture dated as of January 25, 2001, between GE Capital and The Bank of New York Mellon (successor to The Chase Manhattan Bank), as Trustee. The statements under this heading are subject to the detailed provisions of the Indenture, a copy of which is an exhibit to the Registration Statements filed with the SEC covering the offering of Notes. Wherever particular provisions of the Indenture or terms defined therein are

## **Table of Contents**

referred to, such provisions or definitions are incorporated by reference as a part of the statements made and the statements are qualified in their entirety by such reference.

### **Agent Bank and Servicing Agent**

We have engaged Open Solutions, Inc., as a servicing agent, to perform recordkeeping, investor servicing and other services in connection with the Notes. The Huntington National Bank, as an agent bank, has also been engaged to process funds receipts and disbursements and related services. For these services, we pay Open Solutions, Inc. and The Huntington National Bank an administrative fee. We refer to Open Solutions, Inc., or any successor agent, as the Servicing Agent in this prospectus. We refer to The Huntington National Bank, or any successor agent, as the Agent Bank in this prospectus. In the future, we may engage a different Servicing Agent and/or Agent Bank to perform such services in connection with the Notes. We would expect to pay administrative fees to any successor agent we engage.

### **General**

The Notes are issuable in any amount and will mature on demand by you. GE Interest Plus and GE Interest Plus For Businesses constitute the same series of debt securities for all purposes of the Indenture. The Notes are unsecured and rank equally and ratably with all other unsecured and unsubordinated indebtedness of GE Capital. GE Capital had outstanding indebtedness of approximately \$349.2 billion as of March 31, 2012, excluding subordinated notes and debentures payable after one year. Neither the Indenture, nor any other instrument to which GE Capital is a party, limits the principal amount of the Notes or any other indebtedness of GE Capital that may be issued. The Notes will not be subject to any sinking fund. The Notes will be issued in uncertificated form and you will not receive any certificate or other instrument evidencing the Notes other than the confirmation of your initial investment and periodic statements sent to you. All funds invested in Notes, together with interest accrued thereon, and redemptions, if any, will be recorded on a register maintained by the Servicing Agent.

### **Modification of the Indenture**

The Indenture permits us and the trustee for the Notes, with the consent of the holders of not less than 66<sup>2</sup>/<sub>3</sub>% in aggregate principal amount of the Notes at the time outstanding:

to add any provisions to or change in any manner or eliminate any of the provisions of the Indenture, or

to modify in any manner the rights of the holders of Notes.

However, the Indenture provides that, unless each holder agrees, we cannot:

change the character of the Notes from being payable upon demand,

**Table of Contents**

reduce the principal amount of any Note, or

reduce the 66<sup>2</sup>/<sub>3</sub> percentage of the aggregate principal amount of Notes needed to make any addition or modification.

**Events of Default**

An event of default with respect to the Notes is defined in the Indenture as being:

default for 20 days in payment of any principal or interest on any Note which is not due to administrative error. An administrative error shall not be considered an event of default unless such error shall have continued uncorrected for a period of 30 days after written notice to the Agent Bank and the trustee for the Notes (with a copy to GE Capital). The trustee for the Notes will be the sole judge of whether an administrative error has been corrected;

default for 60 days after written notice to GE Capital in the performance of any other covenant with respect to the Notes; or

certain events of bankruptcy, insolvency or reorganization.

Each year, the Indenture requires us to file with the trustee for the Notes a written statement as to the presence or absence of certain defaults under the Indenture. The trustee for the Notes shall, within 90 days after the occurrence of a default in respect of the Notes, give to the holders thereof notice of all uncured and unwaived defaults known to it (the term default to mean the events specified above without grace periods). The trustee for the Notes shall be protected in withholding such notice if it in good faith determines that the withholding of such notice is in the interests of the holders of the Notes except in the case of default in the payment of principal or interest on any of the Notes. The Indenture provides that during the continuance of an event of default, either the trustee for the Notes or the holders of 25% in aggregate principal amount of the outstanding Notes may declare the principal of all such Notes to be due and payable immediately. However, under certain conditions such declaration may be annulled by the holders of a majority in principal amount of such Notes then outstanding. The holders of a majority in principal amount of Notes then outstanding may also waive on behalf of all holders past defaults with respect to the Notes except, unless previously cured, a default in payment of principal of or interest on any of the Notes.

**Concerning the Trustee**

We, GE and other affiliates of GE maintain various commercial and investment banking relationships with The Bank of New York Mellon and its affiliates in their ordinary course of business. The Bank of New York Mellon acts as Trustee under the Indenture. The Bank of New York Mellon also acts as trustee under certain other indentures with us. A number of our series of senior and subordinated unsecured notes are presently outstanding under indentures with The Bank of New York Mellon, and additional debt securities may be issued under any of the such indentures. The Bank of New York Mellon also acts as trustee under an indenture and subordinated indenture with GE.

### **Termination, Suspension or Modification**

We expect that you will be able to invest in the Notes indefinitely, but we reserve the right at any time to suspend or terminate the Notes offering entirely, or from time to time to modify the procedures for investing in or redeeming the Notes in part. We also reserve the right to modify, suspend or terminate particular investment options and redemption methods. Written notice of any material modification, suspension or termination will be provided to you at least fifteen calendar days prior to the effective date.

### **Governing Law**

The Indenture and the Notes are governed by, and construed in accordance with, the laws of the State of New York.

### **GE Interest Plus Committee**

The GE Interest Plus Committee consists of officers of GE Capital designated by our Board of Directors. The Committee has the full power and authority to amend procedures and options for investing in and redeeming the Notes as described above under Termination, Suspension, or Modification. The Committee may also interpret applicable provisions, adopt rules and regulations and make certain determinations regarding the Notes. The members of the Committee are our Senior Vice President Corporate Treasury and Global Funding Operation and two of our Vice Presidents and Assistant Treasurers. Alternate members of the Committee may also serve from time to time. Members of the Committee receive no additional compensation for Committee services.

### **Taxes**

Payments of interest on the Notes will be taxable in the year in which such interest is accrued or received (in accordance with the holder's method of tax accounting), regardless of whether such interest is reinvested. No part of such interest is excludible from taxable income. Backup withholding and information reporting requirements may apply to certain non-corporate U.S. holders. The interest income also may be subject to taxation by some state and local governments. Holders of Notes that are not corporations will receive a statement from the Servicing Agent each year that states the full amount reported to the Internal Revenue Service as taxable income.

The U.S. federal income tax discussion set forth above is included for general information only and may not be applicable depending upon a holder's particular situation. Holders should consult their own tax advisors with respect to the tax consequences to them of the ownership and disposition of the Notes, including the tax consequences under state, local, foreign and other tax laws and the possible effects of changes in federal or other tax laws.

## **PLAN OF DISTRIBUTION**

The Notes are offered in the United States, on a continuing basis by GE Capital. GE Capital has designated GE Capital Markets, Inc., a broker-dealer registered with the SEC and a wholly-owned subsidiary of GE Capital, to act as agent on behalf of GE Capital in offering the Notes in certain

## **Table of Contents**

jurisdictions. No commissions will be paid to such agent for any sales of the Notes. We will pay the agent's expenses incurred in connection with the offering of the Notes. GE Capital Markets, Inc. may be deemed to be an underwriter within the meaning of the Securities Act of 1933, as amended (the Securities Act). We have agreed to indemnify the agent against certain liabilities, including liabilities under the Securities Act, or to contribute to payments that they may be required to make in connection with such indemnification. We also may from time to time designate other agents through whom Notes may be offered.

The Notes are being offered only to persons or businesses whose registered addresses are in the United States. If at any time your registered address is outside of the United States, we may redeem all of your Notes. We reserve the right to withdraw, cancel or modify the offer to sell Notes at any time. We have the sole right to accept offers to purchase Notes and may reject any proposed purchase of Notes in whole, or in part.

GE Capital Markets, Inc. is an affiliate of GE Capital and may participate in certain jurisdictions as a selling agent in the distribution of securities issued pursuant to this prospectus. Rule 5121 of the Financial Industry Regulatory Authority, Inc. (FINRA) imposes certain requirements when a FINRA member such as GE Capital Markets, Inc. distributes an affiliated company's securities. As a result, we will conduct any offering in which GE Capital Markets, Inc. acts as a selling agent in compliance with the applicable requirements of FINRA Rule 5121. The maximum compensation we will pay to the selling agents or underwriters in connection with any offering of the securities will not exceed 8% of the maximum proceeds of such offering.

## **LEGAL OPINION**

Unless otherwise specified in the prospectus supplement accompanying this prospectus, Fred A. Robustelli, Associate General Counsel Treasury of GE Capital will provide an opinion for us regarding the validity of the Notes. Mr. Robustelli beneficially owns or has rights to acquire an aggregate of less than 0.01 % of GE Company's common stock.

**Item 17. Undertakings.**

(a) The undersigned registrant hereby undertakes:

(1) To file, during any period in which offers or sales are being made, a post-effective amendment to this registration statement (i) to include any prospectus required by Section 10(a)(3) of the Securities Act of 1933; (ii) to reflect in the prospectus any facts or events arising after the effective date of the registration statement (or the most recent post-effective amendment thereof) which, individually or in the aggregate, represent a fundamental change in the information set forth in the registration statement; notwithstanding the foregoing, any increase or decrease in volume of securities offered (if the total dollar value of securities offered would not exceed that which was registered) and any deviation from the low or high end of the estimated maximum offering range may be reflected in the form of prospectus filed with the Commission pursuant to Rule 424(b) if, in the aggregate, the changes in volume and price represent no more than a 20% change in the maximum aggregate offering price set forth in the Calculation of Registration Fee table in the effective registration statement; and (iii) to include any material information with respect to the plan of distribution not previously disclosed in the registration statement or any material change to such information in the registration statement; provided, however, that clauses (i),(ii) and (iii) do not apply if the registration statement is on Form S-3 and the information required to be included in a post-effective amendment by those paragraphs is contained in reports filed with or furnished to the Commission by the registrant pursuant to Section 13 or Section 15(d) of the Securities Exchange Act of 1934 that are incorporated by reference in the registration statement, or is contained in a form of prospectus filed pursuant to Rule 424(b) that is part of the registration statement;

(2) That, for the purpose of determining any liability under the Securities Act of 1933, each such post-effective amendment shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial *bona fide* offering thereof;

(3) To remove from registration by means of a post-effective amendment any of the securities being registered which remain unsold at the termination of the offering;

(4) That, for the purpose of determining liability under the Securities Act of 1933 to any purchaser:

(A) Each prospectus filed by the registrant pursuant to Rule 424(b)(3) shall be deemed to be part of the registration statement as of the date the filed prospectus was deemed part of and included in the registration statement; and

(B) Each prospectus required to be filed pursuant to Rule 424(b)(2), (b)(5) or (b)(7) as part of a registration statement in reliance on Rule 430B relating to an offering made pursuant to Rule 415(a)(1)(i), (vii) or (x) for the purpose of providing the information required by Section 10(a) of the Securities Act of 1933 shall be deemed to be part of and included in the registration statement as of the earlier of the date such form of prospectus is first used after

effectiveness or the date of the first contract of sale of securities in the offering described in the prospectus. As provided in Rule 430B, for liability purposes of the issuer and any person that is at that date an underwriter, such date shall be deemed to be a new effective date of the registration statement relating to the securities in the registration statement to which the prospectus relates, and the offering of such securities at that time shall be deemed to be the initial *bona fide* offering thereof. Provided, however, that no statement made in a registration statement or prospectus that is part of the registration statement or made in a document incorporated or deemed incorporated by reference into the registration statement or prospectus that is part of the registration statement will, as to a purchaser with a time of contract of sale prior to such effective date, supersede or modify any statement that was made in the registration statement or prospectus that was part of the registration statement or made in any such document immediately prior to such effective date;

(5) That, for the purpose of determining liability of the registrant under the Securities Act of 1933 to any purchaser in the initial distribution of the securities, the undersigned registrant undertakes that in a primary offering of securities of the undersigned registrant pursuant to this registration statement, regardless of the underwriting method used to sell the securities to the purchaser, if the securities are offered or sold to such purchaser by means of any of the following communications, the undersigned registrant will be a seller to the purchaser and will be considered to offer or sell such securities to such purchaser:

(i) Any preliminary prospectus or prospectus of the undersigned registrant relating to the offering required to be filed pursuant to Rule 424;

(ii) Any free writing prospectus relating to the offering prepared by or on behalf of the undersigned registrant or used or referred to by the undersigned registrant;

(iii) The portion of any other free writing prospectus relating to the offering containing material information about the undersigned registrant or its securities provided by or on behalf of the undersigned registrant; and

(iv) Any other communication that is an offer in the offering made by the undersigned registrant to the purchaser.

(b) The undersigned registrant hereby undertakes that, for purposes of determining any liability under the Securities Act of 1933, each filing of the registrant's annual report pursuant to Section 13(a) or Section 15(d) of the Securities Exchange Act of 1934 that is incorporated by reference in this registration statement shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial *bona fide* offering thereof.

(c) Insofar as indemnification for liabilities arising under the Securities Act of 1933 may be permitted to directors, officers and controlling persons of the registrant pursuant to the provisions described under Item 15 above, or otherwise, the registrant has been advised that in the opinion of the Securities and Exchange Commission such indemnification is against public policy as expressed

in the Act and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by the registrant of expenses incurred or paid by a director, officer or controlling person of the registrant in the successful defense of any action, suit or proceeding) is asserted by such director, officer or controlling person in connection with the securities being registered, the registrant will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by it is against public policy as expressed in the Act and will be governed by the final adjudication of such issue.
