and
when

a
reserve
is
established
for
a
major
contingency.
Reported
results
may
therefore,
appear
to
be
volatile
in
certain
accounting
periods.

PHASE 1: 1999-2007

United begins operations in Florida in 1999 and records profits every year, even in the wake of 8 hurricanes in 2004-2005

PHASE 2: 2008-2011

United becomes a public company; growth slows as regulatory and market changes impact Florida, but underlying operations remain strong and expansion outside Florida commences

PHASE 3: 2012-

Growth and profitability resume upward trajectory with revamped Board and management team leading business expansion in Florida and other states
