**Item 1.01 Entry into a Material Definitive Agreement.  
Purchase Agreement Amendment**

Effective December 28, 2012, Pernix Therapeutics Holdings, Inc., a Maryland corporation (the Company), entered into the First Amendment to Securities Purchase Agreement (the Purchase Agreement Amendment) with Cypress Pharmaceuticals, Inc., a Mississippi corporation (Cypress), all of the stockholders of Cypress (the Sellers), and for limited purposes set forth therein, an individual as agent of the Sellers, to amend certain terms of the Securities Purchase Agreement (the Purchase Agreement) between the Company, on the one hand, and Cypress and the Sellers, on the other hand, dated November 13, 2012. The Purchase Agreement Amendment amends the Purchase Agreement to, among other things, provide for an aggregate purchase price of up to \$102 million, consisting of \$52 million in cash, 4,427,084 shares of common stock of the Company having an aggregate market value equal to approximately \$34.0 million based on the volume-weighted average price per share as reported on the NYSE MKT LLC for the thirty (30) trading days ending November 12, 2012 (the Stock Consideration), \$5.5 million (the Holdback Payment) payable in cash on December 15, 2013 (the Holdback Date), \$4.5 million in cash to be deposited in escrow on the Holdback Date and \$5 million in shares of common stock of the Company (the Milestone Shares) payable upon the occurrence of a milestone event and valued as of the date that such milestone occurs. The Holdback Payment may increase to \$6.5 million in the event that Cypress gross sales for 2013 increase by 10% or more over 2012. With respect to the Stock Consideration, the Company also granted a put right such that the Sellers may put such shares to the Company at approximately \$5.38 per share, with such put being exercisable from January 1, 2014 until January 31, 2014. In addition, with respect to the Milestone Shares, the Company granted a put right such that the Sellers may put such shares to the Company at a price equal to 50% of the amount at which such shares were issued, with such put being exercisable for a 30-day period beginning on the one year anniversary from the date of their issuance.

The description set forth above is qualified in its entirety by reference to the Purchase Agreement Amendment, which is filed hereto as Exhibit 2.1 and is incorporated herein by reference.

**Credit Agreement**

Effective December 31, 2012, the Company, together with its subsidiaries, entered into the Credit and Guaranty Agreement (the Credit Agreement) with MidCap Funding V, LLC, as Administrative Agent, as a Lender and as Co-Bookrunner and Sole Lead Arranger, Business Development Corporation of America, as Co-Bookrunner, and additional lenders from time to time party thereto.

The Credit Agreement provides for a term credit facility of \$42 million. Subject to certain permitted liens, the obligations under this facility are secured by a first priority perfected security interest in substantially all of the assets of the Company and its subsidiaries. The proceeds from this facility were used to fund a portion of the cash consideration of the acquisition of Cypress.

The term loan under this facility will bear interest at a rate equal to the sum of the LIBOR rate plus an applicable margin of 6.50% per annum. In connection with the execution of the Credit Agreement, the Company paid certain customary fees to the administrative agent.

The Company is required to make quarterly repayments on the term loan beginning on March 31, 2012 and ending on December 31, 2017, when all remaining principal is due and payable. In addition, the Company is able to voluntarily repay outstanding loans at any time without premium or penalty.

The Credit Agreement includes customary covenants for a secured credit facility, which include, among other things, (a) restrictions on (i) the incurrence of indebtedness, (ii) the creation of or existence of liens, (iii) the incurrence or existence of contingent obligations, (iv) making certain dividends or other distributions, (v) certain consolidations, mergers or sales of assets, (vi) purchases of assets, investments and acquisitions and (vii) capital expenditures; (b) requirements to deliver financial statements, reports and notices to the administrative agent and other lenders and (c) requirements to maintain a fixed charge coverage ratio and leverage ratio, provided that, the restrictions described in (a)(i)-(vii) above are subject to certain exceptions and permissions limited in scope and dollar value. The Credit Agreement also contains customary representations and warranties and event of default provisions for a secured credit facility.

The description set forth above is qualified in its entirety by reference to the Credit Agreement, which is filed hereto as Exhibit 10.1 and is incorporated herein by reference.

**Item 1.02 Termination of a Material Definitive Agreement**

As previously disclosed, on September 2, 2010, the Company entered into a Loan Agreement with Regions Bank ( Regions ). The Loan Agreement provided for a \$5 million secured revolving line of credit and a \$5 million secured guidance line of credit. In consideration for Regions entering into the Loan Agreement, the Company granted Regions a first priority security interest in substantially all of its assets except for patents and certain trademarks owned by the Company. On December 31, 2012, the term of the Loan Agreement expired. At the time of the termination of the Loan Agreement, there were no amounts drawn under the revolving line of credit or the guidance line of credit.

**Item 2.01 Completion of Acquisition or Disposition of Assets.**

On December 31, 2012, the Company completed the acquisition (the Closing ) of Cypress and Hawthorn Pharmaceuticals, Inc., a Mississippi corporation and wholly-owned subsidiary of Cypress, through the purchase of all of Cypress outstanding capital stock (the Cypress Shares ).

The acquisition was consummated pursuant to the terms of the Purchase Agreement, as amended by the Purchase Agreement Amendment. In exchange for the Cypress Shares, the Company paid \$52 million in cash, issued the Stock Consideration, and agreed to pay up to \$6.5 million on the Holdback Date, \$4.5 million to be deposited in escrow on the Holdback Date and

\$5.0 million in Milestone Shares upon the occurrence of the milestone event, for an aggregate purchase price of up to \$102 million. The Company agreed to file a registration statement on Form S-3 by January 15, 2013 covering a resale of the common stock issued to the former stockholders of Cypress and thereafter use its commercially reasonable efforts to cause the registration statement to become effective for a period of up to two years.
