This Current Report on Form 8-K is filed by CBRE Group, Inc., a Delaware corporation (the Company), in connection with the matters described herein.

Item 1.01 Entry into a Material Definitive Agreement

On March 11, 2013, the Company, CBRE Services, Inc., a Delaware corporation and wholly-owned subsidiary of the Company (Services), and certain of Services' subsidiaries, entered into an underwriting agreement (the Underwriting Agreement) with Merrill Lynch, Pierce, Fenner & Smith Incorporated, Credit Suisse Securities (USA) LLC and J.P. Morgan Securities LLC, for themselves and on behalf of the several underwriters listed in Schedule A thereto (collectively, the Underwriters), relating to the public offering of \$800,000,000 in aggregate principal amount of Services' 5.00% senior unsecured notes due 2023 (the Notes).

The Notes were offered pursuant to the Company's Registration Statement on Form S-3 (File No. 333-178800) (as amended, the Registration Statement) filed with the Securities and Exchange Commission (the SEC), as supplemented by the prospectus supplement, dated March 11, 2013.

The proceeds from the sale of the Notes will be used to repay a portion of Services' outstanding indebtedness under its senior secured credit facilities.

The Notes are governed by an Indenture, dated as of March 14, 2013 (the Base Indenture), among Services, the Company, the subsidiary guarantors parties thereto and Wells Fargo Bank, National Association, as trustee (the Trustee), as amended and supplemented by the First Supplemental Indenture, dated as of March 14, 2013 (the First Supplemental Indenture) and, together with the Base Indenture, the Indenture), among Services, the Company, the subsidiary guarantors parties thereto and the Trustee.

The Notes will mature on March 15, 2023 and will bear interest at a rate of 5.00% per annum, payable semi-annually in arrears on March 15 and September 15 of each year, beginning on September 15, 2013. Prior to March 15, 2016, Services may redeem up to 35% of the original principal amount of the Notes using the proceeds of certain equity offerings. In addition, Services may redeem the Notes, in whole or in part, at any time prior to March 15, 2018 at a price equal to 100% of the principal amount, plus accrued and unpaid interest, if any, to the date of redemption, plus a make-whole premium. At any time and from time to time on or after March 15, 2018, Services may redeem the Notes, in whole or in part, at the redemption premium as described in the Notes, together with accrued and unpaid interest, if any, to the date of redemption. Upon the occurrence of a change of control of the Company as defined in the Indenture, Services must offer to purchase the Notes at 101% of the principal amount of the Notes, plus accrued and unpaid interest, if any, to the date of purchase.

The Company and each subsidiary of Services that guarantees the Company's obligations under Services' senior secured credit agreement fully and unconditionally guarantees the Notes on a senior unsecured basis. The guarantees by the guarantors of the Notes will rank *pari passu* to all existing and future senior indebtedness of the guarantors.

The Notes are senior unsecured obligations of Services. The Notes rank equal in right of payment with Services' existing and future senior indebtedness and senior in right of payment to any of Services' existing and future subordinated indebtedness. The Notes and guarantees will be effectively subordinated to all of the Services' secured debt to the extent of the value of the assets securing such debt and structurally subordinated to all of the existing and future liabilities of our subsidiaries that do not guarantee the Notes.

The Indenture contains covenants that limit the Company's ability and the ability of the Company's subsidiaries to (i) create certain liens, (ii) enter into sale/leaseback transactions, and (iii) enter into mergers or consolidations. These covenants are subject to a number of important qualifications and exceptions contained in the Indenture.

Events of default under the Indenture include, among others, the following (subject in certain cases to grace and cure periods): nonpayment, breach of covenants in the Indenture, default of payment of principal or premium, if any, at final maturity, acceleration of certain indebtedness, failure to pay certain judgments and cessation of the guarantees.

The foregoing description is not complete and is qualified in its entirety by reference to the complete text of the Indenture.

Wells Fargo Bank, National Association, and its affiliates have provided in the past to the Company and its affiliates, and may provide to the Company and its affiliates from time to time in the future, certain commercial banking, financial advisory, investment banking and other services in the ordinary course of business, for which they have received and may receive customary payments of interest, fees and commissions.
