Dear Fellow PepsiCo Shareholders:

You are invited to attend our 2013 Annual Meeting of Shareholders, which will be held on Wednesday, May 1, 2013 at 9:00 a.m. Eastern Daylight Time at the North Carolina History Center at Tryon Palace, 529 South Front Street, New Bern, North Carolina 28562. For the second consecutive year, we are pleased to return to New Bern, North Carolina, the birthplace of Pepsi, for our Annual Meeting. For your convenience, we will offer a live webcast of our Annual Meeting on our website at www.pepsico.com under *Investors* *Investor Presentations*.

2012 was a significant year for PepsiCo. The Company embarked on a number of important strategic initiatives to serve its shareholders today and in the long term. These initiatives included increasing investment in our iconic global brands, implementing structural and operational changes that are expected to generate \$3 billion in productivity savings over three years and intensifying focus on capital spending and working capital management. The Company returned \$6.5 billion to shareholders through repurchases and dividends while successfully launching these transformational initiatives.

To position itself for future success, PepsiCo continues to be guided by Performance with Purpose, our goal to deliver sustained financial performance by providing a wide range of foods and beverages from treats to healthy eats; finding innovative ways to minimize our impact on the environment and lower our costs through energy and water conservation, as well as reduced use of packaging material; providing a safe and inclusive workplace for our employees globally; and by respecting, supporting and investing in the local communities in which we operate. We are pleased to again be named by Corporate Responsibility Magazine as one of the world's 100 Best Corporate Citizens, and be listed on the Dow Jones World Sustainability Index for the 6th consecutive year.

At the Annual Meeting, we will ask you to elect our Board of Directors, ratify the appointment of KPMG LLP as our independent registered public accountants and provide your advisory approval of our executive compensation. We will review the Company's progress during the past year and discuss any other business matters properly brought before the meeting. The attached Proxy Statement explains our voting procedures, describes the business we will conduct and provides information about the Company that you should consider when you vote your shares.

We are pleased to again take advantage of the Securities and Exchange Commission rules that allow issuers to furnish proxy materials to their shareholders on the Internet. We believe these rules allow us to provide you with the information you need while lowering the costs of delivery and reducing the environmental impact of our Annual Meeting.

Your vote is very important to us. Whether or not your plan to attend the Annual Meeting in person, we encourage you to vote promptly. You may vote by telephone or over the Internet, or by completing, signing, dating and returning the enclosed proxy card or vote instruction form if you requested to receive printed proxy materials.

Thank you for your ongoing support of PepsiCo.

Cordially,

Indra K. Nooyi
Chairman of the Board and Chief Executive Officer

EXECUTIVE COMPENSATION PROGRAMS

Our Executive Compensation Programs are Designed to Attract and Retain Global Talent and Align the Interests of Our Executives and Our Shareholders

Our compensation philosophy is to provide market-competitive programs, with pay directly linked to the achievement of short- and long-term business results.

PepsiCo's Compensation Committee has a practice of reviewing the program components, targets and payouts on an annual basis, to ensure the strength of our pay for performance alignment. Our performance is evaluated against short-term goals that support PepsiCo's long-term business strategy and long-term goals that measure the creation of sustainable long-term shareholder value.

Our programs are designed to incentivize responsible achievement of multiple operating goals over one- and three-year periods, with targets and metrics selected because they are directly linked to our strategic goals. Additionally, our long-term incentives measure the creation of shareholder value, rewarding the delivery of both absolute stock price growth and relative total shareholder return.

Our Executive Compensation Programs Incorporate Strong Governance Features

No Employment Agreements with Executive Officers

No Supplemental Executive Retirement Plans for Executive Officers

Long-Term Incentive Awards are Subject to Double-Trigger Vesting upon Change of Control

Annual and Long-Term Incentive Programs Contain a Balanced Mix of Top-Line and Bottom-Line, External and Internal Performance Metrics

Clawback Policy Applies to Executive Officer Annual Incentive, Long-Term Incentive and Deferral Programs

Executive Officers are Subject to Strong Stock Ownership Guidelines

Executives Prohibited from Hedging or Pledging Company Stock

No Backdating or Repricing of Equity Awards

Financial Targets for Performance Awards Never Reset

In 2012, PepsiCo again received strong support for its Executive Compensation Program with 93% of votes cast approving our advisory resolution in May 2012. As in prior years, the Committee considered input from our shareholders and other stakeholders as part of its annual review of PepsiCo's Executive Compensation Program. Following this review, the Committee implemented refinements to the 2013 Long-Term Incentive Program design to further align executive pay and shareholder value.

Please see the Compensation Discussion and Analysis section beginning on page 27 of this Proxy Statement for a detailed description of our executive compensation.

Q: Why am I receiving these proxy materials?

A: Our Board of Directors has made these materials available to you on the Internet or has delivered printed versions of these materials to you by mail in connection with the Board of Directors' solicitation of proxies for use at our Annual Meeting of Shareholders. As a shareholder, you are invited to attend the Annual Meeting and are requested to vote on the items of business described in this Proxy Statement.

Q: What is included in these materials?

A: These proxy materials include:

 this Proxy Statement for the Annual Meeting; and

 our Annual Report for the fiscal year ended December 29, 2012.

If you received printed versions of these materials by mail, these materials also include the proxy card or vote instruction form for the Annual Meeting.

Q: Why did I receive a Notice in the mail regarding the Internet availability of proxy materials instead of a full set of printed proxy materials?

A: In accordance with Securities and Exchange Commission (**SEC**) rules, instead of mailing a printed copy of our proxy materials to all of our shareholders, we have elected to furnish such materials to selected shareholders by providing access to these documents over the Internet. Accordingly, on March 22, 2013, we sent a Notice of Internet Availability of Proxy Materials (the **Notice**) to most of our shareholders.

These shareholders have the ability to access the proxy materials on a website referred to in the Notice or request to receive a printed set of the proxy materials by calling the toll-free number found on the Notice. We encourage you to take advantage of the availability of the proxy materials on the Internet in order to help reduce the environmental impact of the Annual Meeting.

Q: How can I get electronic access to the proxy materials?

A: The Notice provides you with instructions regarding how to:

 view our proxy materials for the Annual Meeting on the Internet;

 vote your shares after you have viewed our proxy materials;

request a printed copy of the proxy materials; and

instruct us to send our future proxy materials to you electronically by email.

Choosing to receive your future proxy materials by email will lower our costs of delivery and will reduce the environmental impact of our Annual Meeting.

Copies of the proxy materials are available for viewing at www.pepsico.com/proxy13.

You may have received proxy materials by email. Even if you received a printed copy of our proxy materials, you may choose to receive future proxy materials by email. If you do so, you will receive an email next year with instructions containing a link to view those proxy materials and a link to the proxy voting site. Your election to receive proxy materials by email will remain in effect until you terminate it or for so long as the email address provided by you is valid.

A: Only shareholders of record of our Common Stock and Convertible Preferred Stock as of the close of business on our record date, March 7, 2013, are entitled to receive notice of and to vote at the Annual Meeting and at any postponement or adjournment of the meeting. A: If you are a **shareholder of record** (that is, if **your shares are registered in your own name** with our transfer agent), you can vote any one of four ways:

Via the Internet. If you received a Notice, you may vote by proxy via the Internet by visiting <http://www.investorvote.com/pep> and entering the control number found in the Notice. If you received or requested printed copies of the proxy materials by mail, you may vote via the Internet by following the instructions on your proxy card.

By Telephone. If you received or requested printed copies of the proxy materials by mail, you may vote by proxy by calling the toll-free number found on the proxy card.

By Mail. If you received or requested printed copies of the proxy materials by mail, you may vote by proxy by filling out the proxy card and sending it back in the envelope provided.

In Person. Attend the Annual Meeting and vote in person. Bring your printed proxy card if you received one by mail. Otherwise, the Company will give shareholders of record a ballot at the Annual Meeting.

Q: If I am a beneficial owner of shares held in street name, how do I vote?

A: If you are a **beneficial owner of shares held in street name** (that is, if you **hold your shares through a broker, bank or other holder of record**), you can vote in one of four ways:

Via the Internet. If you received a Notice, you may vote by proxy via the Internet by visiting the website indicated in the Notice and following the simple instructions on the website using the control number found in the Notice. By Telephone. If you received or requested printed copies of the proxy materials by mail, you may vote by proxy by calling the toll-free number found on the vote instruction form.

By Mail. If you received or requested printed copies of the proxy materials by mail, you may vote by proxy by filling out the vote instruction form and sending it back in the envelope provided.

In Person. You must obtain a legal proxy from the organization that holds your shares if you wish to attend the Annual Meeting and vote in person.

If you do not give instructions to your bank or brokerage firm, it will nevertheless be entitled to vote your shares with respect to routine items, but it will not be permitted to vote your shares with respect to non-routine items. In the case of a non-routine item, your shares will be considered broker non-votes on that proposal.

PepsiCo 2013 Proxy Statement 3

Table of Contents

Q: Which items are considered routine or non-routine ?

A: Proposal No. 2 (ratification of the appointment of the independent registered public accountants) is a matter that we believe will be designated routine.
Proposal No. 1 (election of directors) and Proposal No. 3 (advisory approval of our executive compensation) are matters the Company believes will be considered non-routine.

Q: Can employees who participate in PepsiCo's Savings Plan/PepsiCo Hourly 401(k) Plan vote?

A: Yes, if you are an employee who participates in the PepsiCo Savings Plan/PepsiCo Hourly 401(k) Plan (a portion of which constitutes an Employee Stock Ownership Plan), you can vote the shares (if any) that are deemed to be in your account in the PepsiCo Savings Plan/PepsiCo Hourly 401(k) Plan as of the close of business on March 7, 2013. To do so, you must sign and return the proxy card or vote by the Internet or telephone, as instructed in the Notice or proxy materials you received in connection with these shares in the PepsiCo Savings Plan/PepsiCo Hourly 401(k) Plan. If you do not provide voting instructions, the trustee will vote your PepsiCo Savings Plan/PepsiCo Hourly 401(k) Plan shares in the same proportion as the PepsiCo Savings Plan/PepsiCo Hourly 401(k) Plan shares of other participants for which the trustee has received proper voting instructions.

Q: What constitutes a quorum in order to hold and transact business at the Annual Meeting?

A: The presence in person or by proxy of the holders of record of a majority of the votes entitled to be cast on a matter constitutes a quorum for action on that matter. Votes for and against, abstentions and broker non-votes will all be counted as present to determine whether a quorum has been established. Once a share of the Company's Common Stock or Convertible Preferred Stock is represented for any purpose at a meeting, it is deemed present for quorum purposes for the remainder of the meeting and any adjournments of the meeting unless a new record date is or must be set for the adjourned meeting. If a quorum is not present, the holders of record of a majority of such shares present and entitled to vote may adjourn the meeting until a quorum is obtained.

Q: Can I revoke my proxy or change my vote after I have voted?

A: You may revoke your proxy and change your vote at any time before the final vote at the Annual Meeting by voting again via the Internet or by telephone, by completing, signing, dating and returning a new proxy card or vote instruction form with a later date, or by attending the Annual Meeting and voting in person. Only your latest dated proxy we receive prior to the Annual Meeting will be counted. However, your attendance at the Annual Meeting will not automatically revoke your proxy unless you vote again at the Annual Meeting or specifically request that your prior proxy be revoked by delivering to PepsiCo's Corporate Secretary at 700 Anderson Hill Road, Purchase, NY 10577 a written notice of revocation prior to the Annual Meeting.

Q: What is the voting requirement to approve each of the proposals?

A: Assuming the existence of a quorum at the Annual Meeting:

Election of Directors. For Proposal No. 1, the affirmative vote of a majority of the votes cast with respect to the director is required to elect each director.

We have also implemented a Director Resignation Policy under our Corporate Governance Guidelines. Under this policy, if a director nominee in an uncontested election receives a greater number of votes against his or her election than votes for his or her election, the director nominee is required to offer his or her irrevocable resignation to the Board of Directors following certification of the shareholder vote. The Nominating and Corporate Governance Committee will consider the resignation offer and make a recommendation to the Board of Directors. Within 90 days following certification of the

4 PepsiCo 2013 Proxy Statement

shareholder vote, the independent members of the Board will make a final determination as to whether to accept the director's resignation, and will promptly publicly disclose the determination. A director who tenders his or her resignation under this provision shall not be present during the deliberations or voting by the Committee or the Board regarding whether to accept the resignation offer.

Ratification of Independent Registered Public Accountants. For Proposal No. 2, the affirmative vote of a majority of the votes cast on the proposal at the Annual Meeting in person or by proxy is required to ratify the appointment of the independent registered public accountants.

Provide Advisory Approval of our Executive Compensation. For Proposal No. 3, the affirmative vote of a majority of the votes cast on the proposal at the Annual Meeting in person or by proxy is required to approve, by non-binding vote, executive compensation.

Note on Abstentions and Broker Non-Votes. Abstentions and broker non-votes are not treated as cast either for or against a matter, and therefore will not affect the outcome of the vote.

Note on Broker Non-Votes. Under New York Stock Exchange rules, a broker may cast a vote on behalf of a beneficial owner on routine matters, such as Proposal No. 2, when the broker does not receive specific voting instructions from that beneficial owner. On non-routine Proposals No. 1 and 3, a broker may not cast a vote absent specific voting instructions from the beneficial owners. If you are a beneficial owner holding shares through a broker, bank or other holder of record and you do not vote on certain matters, your broker may cast a vote on your behalf for Proposal No. 2 but not Proposals No. 1 or 3.

Q: Who will serve as the inspectors of election?

A: Representatives from Computershare Trust Company, N.A. will serve as the inspectors of election.

Q: Where can I find the voting results of the Annual Meeting?

A: We expect to announce preliminary voting results at the Annual Meeting. We will also disclose voting results on a Form 8-K filed with the SEC within four business days after the Annual Meeting.

Q: How are proxies solicited and what is the cost?

A: We are providing these proxy materials in connection with the solicitation by our Board of Directors of proxies to be voted at our Annual Meeting. We bear all expenses incurred in connection with the solicitations of proxies. We have engaged Innisfree M&A Incorporated to solicit proxies for an estimated fee of \$18,500, plus expenses.

In addition to the solicitation of proxies by mail and electronically, PepsiCo intends to ask brokers and bank nominees to solicit proxies from their principals and will pay the brokers and bank nominees their expenses for the solicitation. Our directors, officers and employees also may solicit proxies by mail, telephone, electronic or facsimile transmission or in person. They will not receive any additional compensation for these activities.

Q: How can I attend the Annual Meeting in Person?

- A: Attendance at the Annual Meeting is limited to shareholders of record as of the close of business on March 7, 2013. Admission to the Annual Meeting will be on a first-come, first-served basis and will require an admission ticket. The Board is particularly interested in maintaining a mix of skills and qualifications that include the following:

Directors Skills and Qualifications

However, if any of these nominees becomes unavailable, the persons named in the proxy intend to vote for any alternate designated by the current Board. BOARD OF DIRECTORS

Our business and affairs are overseen by our Board of Directors pursuant to the North Carolina Business Corporation Act and our By-Laws. Members of the Board of Directors are kept informed of the Company's business through discussions with the Chairman and CEO and with key members of management, by reviewing materials provided to them and by participating in Board and Committee meetings. All members of the Board of Directors are elected annually by the shareholders.

Regular attendance at Board meetings and the Annual Meeting is required of each director. Our Board of Directors held seven meetings during 2012. Average director attendance at Board and applicable standing Committee meetings (held during the period that such director served) in 2012 was 95%. No director attended fewer than 75% of the total number of Board and applicable Committee meetings (held during the period that such director served) in 2012. The independent directors met in executive session at six Board meetings in 2012. All current directors (excluding Dr. Buckley, who joined the Board in September 2012) attended the 2012 Annual Meeting of Shareholders.

Strong corporate governance is and has been a long-standing priority at PepsiCo. In 2002, the Board of Directors adopted Corporate Governance Guidelines for the Company, which Guidelines are periodically amended. Our Corporate Governance Guidelines are available at www.pepsico.com under Company Corporate Governance and are available in print to any shareholder who requests a copy.

PepsiCo is also proud of its commitment to be a socially, environmentally and ethically responsible company. This commitment is evidenced in part by our robust Global Code of Conduct. Our Code is available on the Company's website at www.pepsico.com under Company Global Code of Conduct. Annually, all of PepsiCo's directors and executives, including each executive

officer, complete certifications with respect to their compliance with our Global Code of Conduct.

In 2012, we revised our Global Code of Conduct to address changing areas of law that impact our business. Our Code is designed to provide our employees with guidance on how to act legally and ethically while performing work for PepsiCo.

BOARD LEADERSHIP STRUCTURE

PepsiCo's governing documents allow the roles of Chairman and CEO to be filled by the same or different individuals. This approach allows the Board flexibility to determine whether the two roles should be separate or combined based upon the Company's needs and the Board's assessment of the Company's leadership from time to time. A majority of the votes cast at our 2012 Annual Shareholders' Meeting voted against a proposal that our Board adopt a policy requiring our Chairman to be an independent director. Although our Board regularly considers and is open to different structures as circumstances may warrant, the Board believes that the current arrangement of having a strong independent Presiding Director combined with the leadership of our Chair and CEO is currently in the best interests of PepsiCo and its shareholders.

Presiding Director

Our Corporate Governance Guidelines provide that if the Chairman of the Board is not an independent director, an independent director shall be designated as the Presiding Director by the independent members of the Board based on the recommendation of the Nominating and Corporate Governance Committee. The position of Presiding Director rotates among the independent directors of the Board for a three-year term, and the Board evaluates the Presiding Director's performance annually under the guidance of the Nominating and Corporate Governance Committee.

Table of Contents

Presiding Director Duties:

Preside at all meetings of the Board at which the Chairman is not present, including executive sessions of the independent directors

Serve as a liaison between the Chairman and the independent directors

Have authority to approve information sent to the Board

Approve meeting agendas for the Board

Approve meeting schedules to assure that there is sufficient time for discussion of all agenda items

Have the authority to call meetings of the independent directors

If requested by major shareholders, ensure that he or she is available for consultation and direct communication

Based on feedback received from our shareholders, our Board recently determined to amend PepsiCo's Corporate Governance Guidelines to clarify that our Presiding Director has authority to approve information sent to the Board, rather than only provide advice with respect to such information. The amended Corporate Governance Guidelines are available on our website at www.pepsico.com under Company Corporate Governance.

In May 2010, the Board of Directors appointed James J. Schiro as the Presiding Director of the Board to serve a three-year term. Mr. Schiro continued in the role throughout 2012 and performed the above duties in addition to assisting the Board of Directors in the fulfillment of its responsibilities in general. In February 2013, the independent members of our Board of Directors designated Ian M. Cook to serve as the Presiding Director of the Board for a three-year term beginning in May 2013, upon expiration of Mr. Schiro's term as Presiding Director.

Chairman of the Board

Each year, our Board of Directors elects one of its own members as Chairman by considering the best interests of PepsiCo and its shareholders. This is a topic of great importance to our Board, as the Board believes the determination of PepsiCo's leadership structure is one of its primary responsibilities. In making this critical determination, our Board carefully considers various factors, including: the strategic goals of the Company; the unique opportunities and challenges PepsiCo is facing; the various capabilities of our Directors; the dynamics of our Board; best practices in the market; and feedback from our shareholders and other constituents.

As part of its most recent Board leadership assessment, the Board gave thorough consideration to the results of the Independent Chairman proposal voted on at our 2012 Annual Shareholders Meeting and to each of the other factors outlined above, among others. The Board determined that the most effective leadership structure for PepsiCo at the present time is to strike the right balance between effective

independent oversight of PepsiCo's business and Board activities with a strong, independent Presiding Director and consistent corporate leadership in the form of our combined Chairman and CEO.

DIRECTOR INDEPENDENCE

The Company's Corporate Governance Guidelines provide that an independent director is a director who meets the New York Stock Exchange definition of independence, as determined by the Board. This definition is included in the Corporate Governance Guidelines, which are available at www.pepsico.com under *Company Corporate Governance*. In making a determination of whether a director is independent, the Board of Directors considers all relevant facts and circumstances, including but not limited to the director's commercial, industrial, banking, consulting, legal, accounting, charitable and familial relationships.

Consistent with these considerations, the Board of Directors has reviewed certain relationships and transactions between the Company and the members of the Board (and their respective affiliated companies) and has affirmatively determined that the non-management directors standing for election listed below are independent within the meaning of the rules of the New York Stock Exchange. In addition, the Board previously

Table of Contents

determined that Arthur C. Martinez (who retired from the Board of Directors effective as of the 2012 Annual Meeting) was an independent director.

Independent Directors	
Shona L. Brown	Alberto Ibarguen
George W. Buckley	Sharon Percy Rockefeller
Ian M. Cook	James J. Schiro
Dina Dublon	Lloyd G. Trotter
Victor J. Dzau	Daniel Vasella
Ray L. Hunt	Alberto Weisser

In arriving at the foregoing independence determination, the Board of Directors considered transactions and relationships between each director or any member of his or her immediate family and the Company, its subsidiaries or its affiliates, including transactions between PepsiCo and Bunge Limited, where Mr. Weisser serves as Chairman and Chief Executive Officer. PepsiCo purchased raw materials from subsidiaries of Bunge Limited through arm's-length, ordinary course commercial transactions during 2012. The aggregate amounts involved in these commercial transactions during 2012 were significantly less than the greater of \$1 million or 1% of the consolidated gross revenues of either PepsiCo or Bunge.

COMMUNICATIONS TO THE BOARD OF DIRECTORS

The PepsiCo Corporate Law Department reviews all communications sent to the Board of Directors and regularly provides a summary of communications to the Board that relate to the functions of the Board or a Board Committee or that otherwise require Board attention. Directors may at any time discuss the Board communications received by the Company and request copies or summaries of such communications. In addition, the Corporate Law Department may forward certain communications only to the Presiding Director, the Chair of the relevant Committee or the individual Board member to whom a communication is directed. Concerns relating to PepsiCo's accounting, internal control over financial reporting or auditing matters will be referred directly to members of the Audit Committee. Those items that are unrelated to a director's duties and responsibilities as a Board member may not be provided to the Board by the Corporate Law Department, including, without limitation, solicitations and advertisements; junk mail; product-related communications; job referral materials such as resumes; surveys; and material that is determined to be illegal or otherwise inappropriate.

Shareholders and other interested parties may send communications directed to the Board of Directors, a Committee of the Board, the Presiding Director, the independent directors as a group or an individual member of the Board by any of the following means:

POLITICAL CONTRIBUTIONS POLICY

In 2005, the Board of Directors adopted a Political Contributions Policy for the Company, which is amended from time to time. The Political Contributions Policy, together with other policies and procedures of the Company, guides PepsiCo's approach to political contributions. As specified in its Charter, our Nominating and Corporate

Governance Committee oversees this Policy and annually reviews the Company's key public policy issues, its engagement in the public policy process and its political activities and expenditures. In keeping with our goal of transparency, our Political Contributions Policy and our annual U.S. political contributions are posted at www.pepsico.com under [Company](#) [Corporate Governance](#) [Statements and Policies](#).

THE NOMINATING AND CORPORATE GOVERNANCE COMMITTEE

The Nominating and Corporate Governance Committee, which was established in 1997 and renamed in 2002, held six meetings in 2012. The responsibilities of the Nominating and Corporate Governance Committee include: (a) identifying, reviewing and recommending to the Board of Directors for election and/or appointment qualified candidates for membership on the Board and the Committees of the Board; (b) developing and recommending to the Board corporate governance principles and other corporate policies and otherwise performs a leadership role in shaping the Company's corporate governance policies and practices; (c) developing and monitoring Board succession plans; (d) overseeing the development and implementation of succession plans for the Company's CEO and other executive officers; (e) developing and recommending to the Board criteria and qualifications for selecting director candidates; (f) making recommendations to the Board concerning the composition, size, structure and activities of the Board and its Committees; (g) assessing and reporting to the Board on the performance and effectiveness of the Board and its Committees; and (h) reviewing and reporting to the Board with respect to director compensation and benefits. The Nominating and Corporate Governance Committee Charter is available on the Company's website at www.pepsico.com under *Company Corporate Governance* and is also available in print to any shareholder who requests a copy. The Nominating and Corporate Governance Committee is comprised entirely of directors who meet the independence requirements of the New York Stock Exchange.

Process for Selection and Nomination of Directors; Consideration of Director Diversity

In fulfilling its responsibility to identify and recommend to the Board qualified candidates for membership on the Board, the Nominating and Corporate Governance Committee considers the following attributes of candidates for the Board of Directors: (i) relevant knowledge, diversity of background and experience in areas including business, finance, accounting, technology, marketing, international business and government; (ii) personal qualities of leadership, character, judgment and whether the candidate possesses a reputation in the community at large of integrity, trust, respect, competence and adherence to the highest ethical standards; (iii) roles and

contributions valuable to the business community; and (iv) whether the candidate is free of conflicts and has the time required for preparation, participation and attendance at meetings. In addition, while not a formal policy, PepsiCo's director nomination processes call for the Nominating and Corporate Governance Committee, during the review and selection process, to seek diversity within the Board of Directors and adhere to the Company's philosophy of maintaining an environment free from discrimination based upon race, color, religion, national origin, sex, age, disability, sexual orientation, marital status or any unlawful factor. The Nominating and Corporate Governance Committee annually assesses the effectiveness of these factors in the director selection and nomination process.

The Nominating and Corporate Governance Committee will consider recommendations for director nominees made by shareholders and evaluates them using the same criteria as for other candidates. Recommendations received from shareholders are reviewed by the Chairman of the Nominating and Corporate Governance Committee to determine whether the candidate meets the Board's minimum membership criteria set forth in the Corporate Governance Guidelines, and if so, whether the candidate's expertise and particular set of skills and background fit the current needs of the Board of Directors.

Any shareholder recommendation must be sent to the Corporate Secretary of PepsiCo at 700 Anderson Hill Road, Purchase, New York 10577 and must include detailed background information regarding the suggested candidate that demonstrates how the individual meets the Board membership criteria.

From time to time, the Nominating and Corporate Governance Committee engages consulting firms to perform searches for director candidates who meet the current needs of the Board. If a consulting firm is retained to assist in the search process for a director, a fee is paid to such firm.

THE AUDIT COMMITTEE

The Audit Committee, which was established in 1967, held eleven meetings in 2012. The Audit Committee's primary responsibilities are to retain the Company's independent registered public accountants (taking into account the vote on

Table of Contents

shareholder ratification) and to assist the Board's oversight of: (a) the quality and integrity of the Company's financial statements and its related internal controls over financial reporting; (b) the Company's compliance with legal and regulatory requirements; (c) the independent registered public accountants' qualifications and independence; and (d) the performance of the Company's internal audit function and the independent registered public accountants. The report of the Audit Committee is set forth beginning on page 25 of this Proxy Statement. The Audit Committee Charter is available on the Company's website at www.pepsico.com under *Company Corporate Governance* and is also available in print to any shareholder who requests a copy.

Financial Expertise and Financial Literacy

The Board of Directors has determined that Dina Dublon and Alberto Weisser, members of our Audit Committee, satisfy the criteria adopted by the SEC to serve as audit committee financial experts. In addition, the Board of Directors has determined that Shona L. Brown, George W. Buckley, Ian M. Cook, Dina Dublon, Alberto Ibarguen, and Alberto Weisser, constituting all members of our Audit Committee, as well as Victor J. Dzau, who will begin serving on the Audit Committee effective as of May 2013, are independent directors pursuant to the requirements under the Exchange Act and the New York Stock Exchange Listing Standards, and are financially literate within the meaning of the New York Stock Exchange Corporate Governance Listing Standards.

DIRECTORS ON MULTIPLE AUDIT COMMITTEES

None of the Company's directors serves on the audit committee of more than three public companies.

THE COMPENSATION COMMITTEE

The Compensation Committee, which has been active since 1955, held six meetings during 2012. The Compensation Committee: (a) oversees the policies of the Company relating to compensation of the Company's executives and makes recommendations to the Board with respect to such policies; (b) produces a report on executive compensation for inclusion in the Company's Proxy Statement; (c) oversees the design of all employee benefit plans and programs of the Company, its subsidiaries and divisions; (d) meets at least annually with the CEO to discuss the CEO's self-

assessment in achieving individual and corporate performance goals and objectives; (e) oversees the evaluation of the executive officers and other key executives deemed to be under the Compensation Committee's purview and evaluates and approves the individual elements of total compensation for such officers; and (f) evaluates its relationship with any compensation consultant for any conflicts of interest. Additional information on the roles and responsibilities of the Compensation Committee is provided in the Compensation Discussion and Analysis beginning on page 27 of this Proxy Statement.

The Compensation Committee is comprised entirely of independent members of the Board of Directors who are also outside directors for purposes of Section 162(m) of the Internal Revenue Code and non-employee directors for purposes of Section 16 of the Exchange Act. The Compensation Committee Report is set forth on page 57 of this Proxy Statement. The Compensation Committee Charter is available on the Company's website at www.pepsico.com under *Company Corporate Governance* and is also available in print to any shareholder who requests a copy.

The Compensation Committee has engaged Frederic W. Cook & Co. (**Cook**) as its independent external advisor. The Compensation Committee reviewed its relationship with Cook, considered Cook's independence and the existence of potential conflicts of interest, and determined that the engagement of Cook did not raise any conflict of interest. In reaching this conclusion, the Compensation Committee considered various factors, including the following six factors set forth in the SEC rules regarding compensation advisor independence: (i) the provision of other services to the Company by Cook; (ii) the amount of fees received from the Company by Cook as a percentage of Cook's total revenue; (iii) Cook's policies and procedures that are designed to prevent conflicts of interest; (iv) any business or personal relationship of an individual advisor employed by Cook that provides advice to the Compensation Committee with a member of the Compensation Committee; (v) any stock of the Company owned by an individual advisor employed by Cook that provides advice to the Compensation Committee; and (vi) any business or personal relationship of Cook or an individual advisor employed by Cook that provides advice to the Compensation Committee with an executive officer of the Company.

RELATED PERSON TRANSACTIONS

The Board of Directors has adopted written Related Person Transaction Policies and Procedures that apply to, where determined by the General Counsel:

any transaction or series of transactions in which the Company or a subsidiary is a participant;

where the amount involved exceeds or is expected to exceed \$120,000 since the beginning of the Company's last completed fiscal year; and

the related person (i.e. a director, director nominee, executive officer, greater than five percent beneficial owner and any immediate family member of any such person) has a direct or indirect interest.

Review and Approval of Transactions with Related Persons

Transactions with related persons are reviewed in advance by the Audit Committee whenever possible, or as soon as possible thereafter. The Audit Committee will review all relevant facts and circumstances and approve or disapprove of the entry into a transaction. The Audit Committee will take into account, among other factors:

whether the transaction is on terms no less favorable than terms generally available to an unaffiliated third-party under the same or similar circumstances;

whether the transaction would impair the independence of an outside director; and

whether the transaction would present an improper conflict of interest for any director or executive officer of the Company.

The Audit Committee has considered and adopted standing pre-approvals under the policy for limited transactions with related persons. On an annual basis, the General Counsel will provide the Chair of the Audit Committee with the list of transactions deemed pre-approved under the policy.

Transactions with Related Persons

There are no related person transactions that require reporting under SEC rules.

COMPENSATION COMMITTEE INTERLOCKS AND INSIDER PARTICIPATION

No member of the Compensation Committee is now, or was during 2012, an officer or employee of the Company. No member of the Compensation Committee had any relationship with the Company or any of its subsidiaries during 2012 pursuant to which disclosure would be required under applicable rules of the SEC pertaining to the disclosure of transactions with related persons. None of the executive officers of the Company currently serves or served during 2012 on the board of directors or compensation committee of another company at any time during which an executive officer of such other company served on PepsiCo's Board of Directors or Compensation Committee.

BOARD OF DIRECTORS' ROLE IN RISK OVERSIGHT

The Company's risk management process is intended to ensure that risks are acknowledged and taken knowingly and purposefully. As such, both of the Company's senior management, including the CEO, and its Board of Directors, are involved in PepsiCo's integrated risk management framework, which is designed to identify, assess, prioritize, address, manage, monitor and communicate risks across the Company's operations. The Board of Directors has ultimate responsibility for risk oversight under this framework. Consistent with this approach, one of the Board's primary responsibilities is overseeing and interacting with senior management with respect to key aspects of the Company's business, including risk assessment and risk mitigation. In addition, the Board has delegated oversight of certain categories of risk to designated Board committees. The Audit Committee assists the Board in overseeing the Company's risk management processes as well as the Board's oversight of financial, employee safety and compliance risks facing the Company. The Compensation Committee assists the Board in overseeing potential risks that may be associated with the Company's compensation programs, as discussed further below. The Committees report to the Board regularly on matters relating to the specific areas of risk the Committees oversee. In addition, throughout the year, the Board and the relevant Committees receive updates from management with respect to various enterprise risk management issues and dedicate a portion of their

Table of Contents

meetings to reviewing and discussing specific risk topics in greater detail.

The Company's integrated risk management framework also includes both division level and geographically diverse senior-management level risk committees that are cross-functional and that work together to identify, assess, prioritize and address strategic, financial, operating, business, compliance, safety, reputational and other risks to the Company and its divisions. The Company's senior management engages with and/or reports to PepsiCo's Audit Committee and/or Board of Directors on a regular basis to address high priority risks.

At its February 2013 meeting, the Compensation Committee reviewed the results of the 2012 annual compensation risk assessment and concluded that the risks arising from the Company's overall compensation programs are not reasonably likely to have a material adverse effect on the Company.

SHAREHOLDER ENGAGEMENT

We believe that building positive relationships with our shareholders is critical to PepsiCo's long-term success. We value the views of our shareholders and other stakeholders, and we solicit input throughout the year on topics such as portfolio strategy, capital allocation, corporate governance, transparent public disclosure, executive compensation, sustainability and corporate social responsibility. Our engagement activities have resulted in our receiving valuable feedback from shareholders and other stakeholders, who have provided important external viewpoints that inform our decisions and our strategy. For example:

Based on feedback received from our shareholders, in February 2013, our Board determined to amend PepsiCo's Corporate Governance Guidelines to clarify that our Presiding Director has authority to approve information sent to the Board, rather than only provide advice with respect to such information.

In response to shareholder input, our Compensation Committee implemented refinements to the 2013 design of our long-term incentive program for our senior executives to enhance the alignment between executive pay and shareholder returns.

Based on feedback we received from certain shareholders, our Audit Committee determined to provide disclosure in its Audit Committee Report included in this Proxy Statement regarding the Committee's periodic consideration of whether there should be a rotation of PepsiCo's independent registered public accountants.

Over the years, PepsiCo has significantly enhanced its website disclosure of political spending and lobbying activities. In 2012, we updated our website to add a link to PepsiCo's quarterly federal lobbying reports and the total annual amount of PepsiCo's federal lobbying-related expenditures. We also added additional information about our key lobbying priorities and our Board's oversight of political spending and lobbying activities. In 2013, we will begin listing on our website U.S. trade associations that lobby on behalf of PepsiCo to which PepsiCo contributes over \$25,000 annually, as well as the names of the lobbyists with which we directly contract.

PepsiCo regularly hosts meetings with stakeholders in partnership with Ceres, a prominent network of institutional investors and public interest groups that works with companies to address sustainability challenges. During these meetings, our shareholders and other stakeholders engage on such topics as environmental priorities, human rights and sustainability initiatives.

PepsiCo has had an ongoing dialogue with various stakeholders on the important topic of the use and labeling of genetically modified crops, which are widely used in the United States.

PepsiCo's Audit Committee reports to and acts on behalf of the Board of Directors by providing oversight of the Company's independent auditors and the Company's financial management and financial reporting procedures. The Audit Committee operates under a written charter adopted by the Board of Directors, which is reviewed annually and is available on the Company's website at www.pepsico.com under *Company Corporate Governance*.

Management has primary responsibility for preparing PepsiCo's financial statements and establishing effective internal financial controls. KPMG LLP (KPMG), the Company's independent registered public accountants, is responsible for auditing those financial statements and expressing an opinion on the conformity of PepsiCo's audited financial statements with generally accepted accounting principles and on the effectiveness of PepsiCo's internal controls over financial reporting based on criteria established by the Committee of Sponsoring Organizations of the Treadway Commission.

In this context, the Audit Committee has met with management and KPMG to review and discuss the Company's audited financial statements. The Audit Committee discussed with management and KPMG the critical accounting policies applied by PepsiCo in the preparation of its financial statements. The Audit Committee discussed with KPMG the matters required to be discussed by applicable requirements of the Public Company Accounting Oversight Board, and had the opportunity to ask KPMG questions relating to such matters. The discussions included the quality, and not just the acceptability, of the accounting principles utilized, the reasonableness of significant accounting judgments, and the clarity of disclosures in the financial statements.

The Audit Committee reviewed with KPMG and PepsiCo's internal auditors the overall scope and plans for their respective audits for 2012. The Audit Committee also received regular updates from PepsiCo's General Auditor on internal control and business risks and PepsiCo's Chief Compliance & Ethics Officer on compliance and ethics issues. In addition, the Audit Committee received an update on the Company Law Department's compliance with Part 205 of Section 307 of the Sarbanes-Oxley Act of 2002 regarding standards of professional conduct for attorneys. The Audit Committee meets with the internal auditors and independent registered public accountants, with and without management present, to discuss their evaluations of PepsiCo's internal controls and the overall quality of the Company's financial reporting. The Audit Committee also meets independently with PepsiCo's General Counsel, and PepsiCo's Chief Compliance & Ethics Officer, with and without other members of management present, to discuss PepsiCo's compliance with laws and regulations.

KPMG has provided the Audit Committee with the written disclosures and the letter required by applicable requirements of the Public Company Accounting Oversight Board regarding the independent registered public accountants' communications with the Audit Committee concerning independence, and the Audit Committee has discussed with KPMG that firm's independence. The Audit Committee is also responsible for the negotiation of audit fees associated with the retention of the Company's independent registered public accountants and reviewed and pre-approved all fees paid to KPMG. These fees are described in the next section of this Proxy Statement. The Audit Committee also considered whether KPMG's provision of non-audit services to PepsiCo was compatible with the independence of the independent registered public accountants. The Audit Committee has adopted a formal policy for Pre-Approval of Audit, Audit-Related and Non-Audit Services, which is briefly described in the next section of this Proxy Statement. The Audit Committee concluded that the independent registered public accountants are independent from the Company and its management.

In reliance on the reviews and discussions referred to above, the Audit Committee recommended to the Board of Directors that the audited financial statements be included in the Annual Report on Form 10-K for the fiscal year ended December 29, 2012, for filing with the SEC. The Audit Committee has also retained KPMG as the Company's independent registered public accountants for the fiscal year 2013. The Audit Committee and the Board believe that the continued retention of KPMG to serve as the Company's independent public accountants is in the best interests of the Company and its shareholders and have recommended that shareholders ratify the appointment of KPMG as the Company's independent registered public accountants for the fiscal year 2013. In order to help ensure auditor independence, the Audit

Table of Contents

Committee periodically considers whether there should be a rotation of the independent registered public accounting firm. Further, in conjunction with the mandated rotation of the independent registered public accounting firm's lead engagement partner, the Audit Committee Chair, as representative of the Audit Committee, will continue to be directly involved in the selection of the new lead engagement partner. In determining whether to reappoint KPMG, the Audit Committee took into consideration a number of factors, including the length of time KPMG has served as the Company's independent public accountants, the breadth and complexity of the Company's business and its global footprint and the resulting demands placed on its auditing firm in terms of expertise in the Company's businesses, the quantity and quality of staff and its global reach.

The following table presents fees billed for professional audit services rendered by KPMG, the Company's independent registered public accountants, for the audit of the Company's annual financial statements for 2011 and 2012, and fees billed for other services rendered by KPMG.

	2011	2012
Audit fees	\$ 25,728,000	\$ 24,104,000
Audit-related fees ⁽¹⁾	\$ 3,051,000	\$ 1,954,000
Tax fees ⁽²⁾	\$ 887,000	\$ 442,000
All other fees ⁽³⁾	\$ 982,000	\$ 151,000

(1) Audit-related fees for 2011 and 2012 consisted primarily of the audits of certain employee benefit plans, due diligence reviews and other procedures performed in connection with business transactions, agreed upon procedures reports and the issuance of comfort letters.

(2) Tax fees for 2011 and 2012 consisted primarily of international tax compliance services.

(3) All other fees consisted of fees for assistance with an assessment of accounting standards and regulations for 2011 and for assessments of technology risk, contract compliance, and business process outsourcing alternatives for 2012.

We understand the need for the independent registered public accountants to maintain their objectivity and independence, both in appearance and in fact, in their audit of PepsiCo's financial statements. Accordingly, the Audit Committee has adopted the PepsiCo Policy for Pre-Approval of Audit, Audit-Related and Non-Audit Services. The policy provides that the Audit Committee will engage the independent registered public accountants for the audit of PepsiCo's consolidated financial statements and other audit-related, tax and other non-audit work. The policy provides that on an annual basis the independent registered public accountants' Global Lead Audit Partner will review with the Audit Committee

Edgar Filing: PEPSICO INC - Form DEF 14A

the services the independent registered public accountants expect to provide in the coming year and the related fee estimates, and that the Audit Committee will consider for pre-approval a schedule of such services. The policy further provides that the Audit Committee will specifically pre-approve engagements for services that are not pre-approved through the annual process. The Audit Committee Chair is authorized under the policy to pre-approve any audit, audit-related, tax, or other non-audit services between Audit Committee meetings, provided such interim pre-approvals are reviewed with the full Audit Committee at its next meeting. In addition, PepsiCo provides the Audit Committee with a status report at each of its regularly scheduled meetings regarding the Audit Committee's pre-approval of audit, audit-related, tax or other non-audit services that the independent registered public accountants have been pre-approved to perform, have been asked to provide or may be expected to provide during the balance of the year.

Table of Contents**COMPENSATION DISCUSSION AND ANALYSIS**

PepsiCo's executive compensation programs are designed to align the interests of PepsiCo's executive officers with those of our shareholders. Our compensation philosophy is to provide market-competitive programs that ensure we attract and retain world-class talent, with pay directly linked to the achievement of short- and long-term business results.

PepsiCo's Compensation Committee has a practice of reviewing the program components, targets and payouts on an annual basis, to ensure the strength of our pay-for-performance alignment. Our performance is evaluated against short-term goals that support PepsiCo's long-term business strategy and long-term goals that measure the creation of sustainable long-term shareholder value.

*Our programs are designed to incentivize responsible achievement of multiple operating goals over one- and three-year periods, with targets and metrics selected because they are directly linked to our strategic goals. Additionally, our long-term incentives measure the creation of shareholder value, rewarding the delivery of both absolute stock price growth and relative total shareholder return (**TSR**).*

At our 2012 Annual Meeting, shareholders showed strong support for our executive compensation program, with 93% of the votes cast approving our advisory resolution.

The Compensation Discussion and Analysis describes the compensation of the following NEOs:

Name	Title
Indra K. Nooyi	Chairman and Chief Executive Officer
Hugh F. Johnston	Chief Financial Officer
Brian C. Cornell	CEO, PepsiCo Americas Foods (PAF)
Saad Abdul-Latif	CEO, PepsiCo Asia, Middle East, Africa (AMEA)
Zein Abdalla	President, PepsiCo

In early 2012, Brian Cornell rejoined PepsiCo as CEO, PAF. Compensation reported for Mr. Cornell in the Summary Compensation Table, which exceeds compensation reported for our other NEOs (other than our Chairman and CEO), reflects one-time awards that partially replace amounts forfeited in connection with his departure from his former employer. Details regarding the vesting and forfeiture provisions to these one-time awards are provided on page 43 of this Proxy Statement.

EXECUTIVE SUMMARY***2012 Business Highlights***

In 2012, PepsiCo undertook a number of key actions to serve its shareholders today and in the long term. These actions included the implementation of comprehensive restructuring and productivity initiatives, stepping up strategic brand investments and increasing focus on capital spending and working capital management. As a result, we planned a decline in core constant currency Earnings Per Share (**EPS**) of 5% versus 2011 and delivered organic revenue (**Organic Revenue**) growth of 5%. We believe that our significant increase in marketplace investments, coupled with successful productivity programs, will position us to deliver top tier sustainable long-term growth for our shareholders.

⁽¹⁾ Organic Revenue, core constant currency results, and management operating cash flow are non-GAAP financial measures that exclude certain items. Please refer to Exhibit A to this Proxy Statement for a reconciliation of these measures relative to reported GAAP financial results, and to pages 45-47 of PepsiCo's 2012 Form 10-K for a more detailed description of the items excluded from these measures. To ensure that performance is evaluated in a manner that more accurately reflects the Company's operating results, the Compensation Committee applies business performance metrics that are measured on an organic or core constant currency basis to both long-term and annual incentive awards. Constant currency financial measures assume constant foreign currency exchange rates for comparing year-over-year results to ensure that executives are incentivized to grow non-U.S. operations with respect to the applicable local currency,

and do not receive windfall incentive payouts as a result of currency fluctuations.

Table of Contents

For 2012, PepsiCo's Compensation Committee included the following financial goals as performance targets under our annual incentive plans:

Company Performance Measures	Target to Prior Year	Actual
Organic Revenue	5%	5%
Core Constant Currency Net Income	(6)%	(6)%
Core Constant Currency EPS	(5)%	(5)%
Management Operating Cash Flow Excluding Certain Items	0%	20%
Other notable performance accomplishments included:		

Generating \$7.4 billion in management operating cash flow excluding certain items (\$1.2 billion above our target);

Delivering more than \$1 billion of productivity savings during 2012 through disciplined cost management programs;

Returning approximately \$6.5 billion to shareholders through share repurchases and dividends; and

Achieving TSR of 6.4% as of 2012 year-end.

2012 Chairman and CEO Pay Decisions

As noted above, under Ms. Nooyi's leadership, PepsiCo met or exceeded its 2012 financial commitments. In addition, Ms. Nooyi made significant progress against a number of critical business imperatives such as increasing the Company's presence in emerging and developing markets, driving sustainable product and platform innovation anchored in key consumer trends, re-shaping PepsiCo's business operating model to improve agility and deliver incremental productivity savings and developing, with the Board, a robust succession plan while ensuring a deep bench for critical senior management roles.

In recognition of these accomplishments, the Board approved a 2012 annual incentive award for Ms. Nooyi of \$3.3 million, an increase of 32% over the annual incentive award she received for 2011 performance. In addition, the Board approved a long-term incentive (LTI) award of \$12.5 million, consistent with the LTI award she received in the prior year. As more fully explained on page 30 of this Proxy Statement, the LTI award is designed to incentivize the creation of shareholder value, with 60% of the payout subject to absolute stock price and relative TSR performance, and 40% subject to performance against key internal operating metrics, over an extended three-year period.

The table below summarizes the Board's decisions regarding the Chairman and CEO's year-over-year total direct compensation:

Chairman and CEO Total Direct Compensation (2011 - 2012)

Performance Year	Base Salary (MM)	Annual Incentive Award (MM)	PepsiCo Performance Unit (PEPunit) Value (MM)**	Long-Term Cash Award (LTC) Value (MM)***	Total Direct Compensation

2011	\$1.6	\$2.5	\$7.5	\$5.0	\$16.6

28 **PepsiCo 2013 Proxy Statement**

Table of Contents

Impact of 2012 Performance on 2012 NEO Pay

PepsiCo's performance was reflected in the compensation earned by the NEOs in 2012 as follows:

Long-Term Incentive Awards

The most significant element of our NEOs' target total annual compensation is the long-term incentive award, which, prior to 2012, consisted of a combination of 50% **stock options** and 50% **Performance Stock Units (PSUs)**.

The 2010 PSUs, which vest and pay out in early 2013, were not subject to 2012 performance, but were subject to an additional year of service vesting. As disclosed in our 2012 Proxy Statement, for the 2010-2011 two-year performance period, PepsiCo's performance was below target for the two-year average core constant currency EPS growth metric and above target for the two-year core constant currency International Net Revenue growth² as a multiple of two-year core constant currency North America Net Revenue growth³ metric (with a minimum floor of 2% North America Net Revenue growth), for a combined payout of 104.4% of target.

The 2011 PSUs, which vest and pay out in early 2014, are based on 2011-2012 two-year average performance. Payout for this award will be reduced by 37.5% because PepsiCo's 2011-2012 two-year average core constant currency EPS growth of 0.2% was lower than the target range of 7% to 9% growth set by the Compensation Committee. Although the Board of Directors approved the 2012 business transformation initiatives noted above that reduced our 2012 core constant currency EPS, PepsiCo performance targets have never been adjusted or reset. The 2011 PSUs remain subject to an additional year of service-based vesting, and will pay out in early 2014.

As of year-end 2012, the intrinsic value of stock options granted to our NEOs in 2010 that vest in early 2013 was approximately 12% of their target intrinsic value, and the intrinsic value of stock options granted in 2011 that vest in 2014 was approximately 29% of their target intrinsic value.

The table below reflects the PSUs earned as a percentage of target and stock option gains, as of fiscal year-end 2012, as a percentage of expected intrinsic value:

Summary of Long-Term Incentive Award Payout and Vesting Schedule for 2010-2011

Award Year	PSUs (50%)	Stock Options (50%)	Total Value as % of Target (Estimated)	Vesting Date
2010	104.4%	12%	68%	April 2013
2011	62.5%	29%	54%	March 2014

Annual Incentive Awards

Consistent with our pay-for-performance philosophy, all of our NEOs are awarded annual incentives that reflect the achievement of business objectives against pre-approved targets. The business objectives reflect a combination of key financial drivers as well as strategic objectives based on an executive's role and accountabilities aligned with Performance with Purpose, our strategy for driving sustainable growth while continuing to deliver strong and consistent financial results. Annual incentive award payments for our NEOs were, on average, at target, in line with achievement of our financial goals for 2012.

(2) Reflects core constant currency Net Revenue growth for all countries other than Canada and the United States, adjusted for merger and acquisition activities.

(3) Reflects core constant currency Net Revenue growth for Canada and the United States, adjusted for merger and acquisition activities.

Table of Contents

The list of financial targets and 2012 performance accomplishments are described in further detail on page 35 of this Proxy Statement. As reflected in the Summary Compensation Table on page 44, the Board awarded Ms. Nooyi an annual incentive award payment of \$3.3 million, slightly above target for the 2012 performance year.

Changes to 2013 Program to Reinforce Our Pay-for-Performance Philosophy

In 2012, PepsiCo again received strong support for its Executive Compensation Program with 93% of votes cast approving our advisory resolution in May 2012. As in prior years, the Committee considered input from our shareholders and other stakeholders as part of its annual review of PepsiCo's Executive Compensation Program. Following this review, the Committee implemented refinements to the 2013 LTI Program design to further align executive pay and shareholder value.

PepsiCo 2013 Senior Officer Long-Term Incentive Design

Beginning in 2012, the annual LTI award is comprised of PepsiCo Equity Performance Units (**PEPunits**) representing 60% of the award value, and a Long-Term Cash Award (**LTC Award**) representing 40% of the award value. The LTI program is designed to reward business operating performance and market-based performance as measured through both absolute stock price performance and relative TSR.

PEPunit Award Updates: Enhanced Alignment with Shareholder Returns

PEPunits provide our NEOs with an opportunity to earn shares of PepsiCo Common Stock with a share payout that ranges from 0-150% of target based on PepsiCo's stock price performance over a three-year performance period.

The final number of shares that are earned at the end of the three-year performance period is subject to a Relative TSR Adjustment, which may increase the number of shares paid out by up to 25% for TSR performance above the 50th percentile of the S&P 500, and reduce the number of shares paid out by up to 25% for performance at or below the 50th percentile.

Beginning with grants awarded in 2013, PEPunits have been enhanced to require positive TSR (assuming an annual dividend yield of approximately 3%) or delivery of above-median TSR performance relative to the S&P 500 in order to pay out any shares. In other words, PepsiCo TSR of zero (assuming an annual dividend yield of approximately 3%) which is at or below median performance relative to the S&P 500 will result in a zero payout.

Table of Contents

Additionally, PEPunits now incorporate a stock price performance hurdle of 5% growth compounded annually (or approximately 16% cumulatively for the three-year performance period) in order to achieve target payout, assuming median TSR performance relative to the S&P 500.

The following example illustrates PEPunit payouts at various levels of performance, assuming an annual dividend yield of approximately 3% and median TSR performance relative to the S&P 500:

LTC Award Updates: Focus on Operating Performance

We believe that the LTC Award complements PEPunits by incentivizing our executive officers to focus on critical operating performance objectives not included in the annual performance incentive. The LTC Award is denominated and paid in cash, subject to the level of performance achieved with respect to two financial metrics, and for 2013 will have payouts that range from 0 – 175% of target.

Beginning in 2013, core net return on invested capital (**Core Net ROIC**) has been chosen as one of the performance metrics, representing 50% of the award. We believe that Core Net ROIC is well-aligned with our commitment to shareholders to improve both capital spending and working capital management, ensuring that we continue to improve the efficiency of our asset base. Core Net ROIC replaces the International Net Revenue growth metric. The LTC Award will continue to use core constant currency EPS as the second, equally weighted, operating metric.

NEO PAY MIX

To align pay levels for NEOs with the Company's performance, our pay mix places the greatest emphasis on performance-based incentives. Approximately 90% of our Chairman and CEO's target total compensation, and approximately 80%–85% of the average target total compensation of our other NEOs, is performance-based:

COMPONENTS OF OUR EXECUTIVE COMPENSATION AND BENEFITS PROGRAMS

The primary components of our executive compensation and benefits programs are summarized in the following table:

Type	Component	Objective
Performance-Based Compensation	Long-Term Incentive	- Align executive officers' interests with those of PepsiCo's shareholders
	Awards	- Incent achievement of both critical operating performance objectives (adding ROIC as a key metric in 2013) and TSR as defined by stock price performance and annual dividend yield
	Annual Cash	- Drive Company and business unit performance including growth in revenue and profitability, management operating cash flow, and share of retail sales
	Incentive	- Deliver individual performance against specific business imperatives such as improving operating efficiencies, driving sustainable innovation, increasing customer satisfaction and development of a diverse and talented workforce
Fixed Compensation	Base Salary	- Provide reasonable and market-competitive fixed pay reflective of an executive's role, responsibilities and individual performance
	Retirement	- Provide opportunity for financial security in retirement at market-competitive levels consistent with programs for our broad-based employee population
	Benefits and Perquisites	- Provide market-competitive benefits

Table of Contents

1. Long-Term Incentive Compensation. To motivate senior executives to deliver sustained long-term performance and to promote an ownership culture, the annual LTI award is weighted more heavily than any other component of total compensation for NEOs.

Target LTI award levels vary by position and are determined based on competitive benchmarking. Target award levels are expressed in dollars (rather than as a percentage of base salary). The actual size of awards granted ranged from 0% to 125% of target in 2012 and were determined for each executive officer based on prior year business performance, individual performance and potential for future contributions to PepsiCo, as determined by the Compensation Committee. The Compensation Committee directly approves individual awards to executive officers.

The annual LTI award is comprised of PEPunits representing 60% of the award value, and a LTC Award representing 40% of the award value. The LTI program is designed to reward business operating performance and market-based performance as measured through absolute share price improvement as well as relative shareholder returns.

Both the PEPunits and the LTC Award are granted under the shareholder-approved 2007 Long-Term Incentive Plan and are intended to qualify as performance-based compensation deductible under Section 162(m) of the Internal Revenue Code. The Compensation Committee has authority to decrease, but not increase, the award payable based on satisfaction of the objective pre-established business performance metrics.

I(a). 2012 PEPunit Awards. For the 2012 PEPunit award, the number of shares that are earned at the end of the 2012–2014 performance period is determined by multiplying the target number of PEPunits awarded by the following adjustments:

The Absolute Stock Price Adjustment is determined based on the growth or decline in the value of PepsiCo Common Stock over the 2012–2014 three-year performance period. The Absolute Stock Price Adjustment at the end of the performance period is reduced to zero if PepsiCo's share price declines by 50% or more, and is capped at 150%.

The Relative TSR Adjustment ranges from 75% to 125%, with a 75% multiplier corresponding with PepsiCo performance at or below the 25th percentile of the S&P 500, a 100% multiplier corresponding with PepsiCo performance at the 50th percentile of the S&P 500, and a 125% multiplier corresponding with PepsiCo performance at or above the 75th percentile of the S&P 500, with values interpolated between these points.

The level of performance achieved with respect to the 2012 PEPunit awards will be determined in early 2015, after the end of the applicable three-year performance period. PEPunits do not earn or pay out dividends.

I(b). 2012 LTC Awards. The LTC Award is denominated and paid in cash, subject to the level of performance achieved with respect to two equally-weighted three-year operating performance metrics. For the 2012–2014 performance period, the performance metrics are core constant currency EPS growth and core constant currency International Net Revenue growth as a multiple of core constant currency North America Net Revenue growth (with a minimum floor of 2% North America Net Revenue growth). The potential payout is capped at 150% of the dollar amount awarded on the grant date.

The level of performance achieved with respect to the 2012 LTC Awards will be determined in early 2015, after the end of the applicable three-year performance period.

I(c). Performance Stock Units (PSUs). Through 2011, NEOs received annual grants of PSU awards that are paid in shares of PepsiCo Common Stock, subject to the attainment of operating performance targets over each award's performance period. Vesting of PSUs awarded in 2010 and 2011 is subject to the following two equally-weighted financial performance metrics:

Edgar Filing: PEPSICO INC - Form DEF 14A

two-year average core constant currency EPS growth; and

two-year average core constant currency International Net Revenue growth as a multiple of two-year average core constant currency North America Net Revenue growth (with a minimum floor of 2% North America Net Revenue growth).

2010 PSU Performance and Payout. In March 2010, the Compensation Committee set two-year (2010 – 2011) average core constant currency EPS growth of between 10% and 12% and two-year (2010 – 2011) average core constant currency International Net Revenue growth as a multiple of

Table of Contents

two-year average core constant currency North America Net Revenue growth of 2.0-2.5x (with a minimum floor of 2% North America Net Revenue growth) as the financial performance levels necessary for executive officers to earn the target number of shares under the 2010 PSU award. PepsiCo's actual two-year average core constant currency EPS growth of 9% was below target, and our actual two-year average core constant currency International Net Revenue growth as a multiple of two-year average core constant currency North America Net Revenue growth of 4.7x exceeded target. As a result, 104.4% of the PSUs awarded to executive officers in 2010, reflecting 2010 and 2011 performance, will vest and be paid out as set forth in the following table:

Name ¹	2010 PSUs Granted	2010 PSUs Vested and Paid Out in '13
Indra K. Nooyi	90,226	94,195
Hugh F. Johnston	10,964	11,446
Saad Abdul-Latif	13,684	14,286
Zein Abdalla	13,684	14,286

(1) Mr. Cornell did not receive a 2010 PSU award because he was not a PepsiCo employee at the time of grant.

2011 PSU Performance. In March 2011, the Compensation Committee set two-year (2011–2012) average core constant currency EPS growth of between 7% and 9% and 2.0-2.5x two-year (2011–2012) average core constant currency International Net Revenue growth as a multiple of two-year average core constant currency North America Net Revenue growth (with minimum North America Net Revenue growth of 2%) as the financial performance levels necessary for executive officers to earn the target number of shares under the 2011 PSU award. As a result of the planned 2012 decline

in core constant currency EPS noted on page 27, PepsiCo's actual two-year average core constant currency EPS growth of 0.2% was below the performance target range, and our actual two-year average core constant currency International Net Revenue growth as a multiple of North America core constant currency Net Revenue growth of 4.0x exceeded target. As a result, 37.5% of the 2011 PSUs awarded to executive officers, reflecting 2011 and 2012 performance, will be forfeited due to performance results.

2011 PSUs remain subject to an additional year of service-based vesting, and will be paid out in early 2014. As noted above, PepsiCo has never adjusted performance targets applicable to any incentive award.

2. Annual Incentive Compensation. We provide annual cash incentive opportunities to our NEOs under the Executive Incentive Compensation Plan (EICP). Awards granted under the EICP are designed to drive Company, business unit and individual performance.

Each executive officer's target annual incentive opportunity (expressed as a percentage of base salary) is based on job responsibility, alignment with internally comparable positions and peer company market data. If financial performance with respect to a specific measure is above or below target, the actual payout will be above or below the target annual incentive opportunity.

When determining the actual annual incentive award payable to each executive officer, the Compensation Committee considers both business and individual performance. Weighting of performance metrics for NEOs other than the Chairman and CEO are illustrated below:

Table of Contents

Business Performance Metrics: Our annual incentive plan utilizes business performance metrics that executives directly influence to ensure a link between performance and actual incentive payments. In 2012, a cash flow growth metric was introduced for NEOs below the CEO-level to incentivize accelerated conversion of operating profit to cash to fund future growth and deliver increased returns for shareholders through dividends. The business performance metrics used by the Compensation Committee in 2012 are listed in the table below:

Name	Weighting	Business Performance Metrics
Indra K. Nooyi	100% PepsiCo	Organic Revenue ¹ , EPS ² , NOPBT ³ , Cash Flow ⁴ and Core Net ROIC ⁵
Hugh F. Johnston	100% PepsiCo	Organic Revenue, Net Income and Cash Flow
Brian Cornell	100% PAF	NOPBT, Cash Flow and Share of Retail Sales ⁶
Saad Abdul-Latif	100% AMEA	Organic Revenue, NOPBT, Cash Flow and Share of Retail Sales
Zein Abdalla	67% PepsiCo Europe/33% PepsiCo	Organic Revenue, NOPBT, Cash Flow, Share of Retail Sales and Productivity Goals ⁷

- (1) Organic Revenue represents Organic Revenue growth, as calculated in accordance with the reconciliation included in Exhibit A to this Proxy Statement.
- (2) Measured on a core constant currency basis.
- (3) NOPBT represents net operating profit before taxes, excluding net interest expense and corporate unallocated expenses.
- (4) Cash Flow represents Management Operating Cash Flow growth adjusted for the items reflected in the reconciliation included in Exhibit A to this Proxy Statement.
- (5) Core Net ROIC represents Net Income attributable to PepsiCo plus after-tax net interest expense, divided by the average of year-end 2011 and year-end 2012 invested capital less cash, cash equivalents and short-term investments, adjusted, in each case, for the non-core items reflected in the Net Income Attributable to PepsiCo reconciliation included in Exhibit A to this Proxy Statement.
- (6) Share of Retail Sales represents food and beverage share of retail sales in certain categories in which PepsiCo operates.
- (7) Productivity Goals reflect savings derived from restructuring activities and improved operating efficiencies.
- The business performance measures used in the annual incentive program relate to Company-wide performance or business unit performance depending on the NEO's position and scope of responsibility.

Business Results: In determining annual incentive awards for 2012, the Compensation Committee considered actual Company performance against the pre-established performance targets noted in the table below:

Edgar Filing: PEPSICO INC - Form DEF 14A

Company Performance Measures	Target to Prior Year	Actual
Organic Revenue	5%	5%
Core Constant Currency Net Income	(6)%	(6)%
Core Constant Currency Division NOPBT	(2)%	(3)%
Core Constant Currency EPS	(5)%	(5)%
PepsiCo Core Net ROIC	15.6%	15.7%
Management Operating Cash Flow Excluding Certain Items	0%	20%

PepsiCo's Share of Retail Sales targets for each business unit, Mr. Abdalla's productivity goals, and Mr. Abdalla's, Mr. Abdul-Latif's, and Mr. Cornell's business unit Cash Flow and NOPBT performance targets, which were intended to be challenging, are not disclosed because such disclosure would result in competitive harm to PepsiCo. Consistent with external disclosures, business unit targets were set at levels necessary to deliver long-term high-single-digit core constant currency EPS growth prior to the impact of strategic and macroeconomic factors, including an increase in marketplace investments, excess commodity inflation and higher pension costs, interest and taxes, offset by incremental productivity.

Table of Contents

Individual Performance Metrics: The Compensation Committee evaluates individual performance based on metrics related to an individual's contribution to PepsiCo's strategic business imperatives, such as improving operating efficiencies, driving sustainable innovation, increasing customer satisfaction and management and development of a diverse and talented workforce. The strategic business imperatives are intended to be challenging. They can be both qualitative and quantitative and vary for each executive officer.

Individual Results: In determining annual incentive awards for 2012, the Compensation Committee considered the following individual accomplishments by NEOs other than the Chairman and CEO, with no specific weighting applied (individual performance of our Chairman and CEO is described on page 28 of this Proxy Statement):

Mr. Johnston: Mr. Johnston developed a strategic framework partnering closely with each of our Business Unit CEOs and the Corporate Functions to assess all areas of our cash management process. As a result of his efforts, PepsiCo delivered an increase of 20% in Management Operating Cash Flow Excluding Certain Items for 2012, which exceeded our target by \$1.2 billion. In his role as CFO, Mr. Johnston continues to sponsor Finance University that is focused on building the capability of PepsiCo's Finance Leadership team.

Mr. Cornell: Mr. Cornell re-joined PepsiCo in March 2012 to lead our PAF business. Under his leadership, PAF made significant investments in key brands, launched the Doritos Locos Tacos innovation with Taco Bell, and generated significant productivity gains to fund growth by reducing costs through business restructuring and driving efficiencies in core processes. Mr. Cornell has developed a strong partnership with the Global Snacks Group ensuring comprehensive brand strategies and a strong innovation pipeline, and most recently, drove fourth quarter 2012 growth at Frito-Lay and Quaker that was the strongest in recent years.

Mr. Abdul-Latif: Mr. Abdul-Latif continued to drive strong results in our AMEA business during 2012, exceeding all 2012 financial goals. Mr. Abdul-Latif partnered with each of PepsiCo's Global Groups to lead the successful rollout of global marketing campaigns in AMEA's 10 key markets. Mr. Abdul-Latif continues to drive successful growth in emerging and developing markets, increasing both the volume and revenue contributions of these businesses to the overall portfolio for AMEA. Lastly, Mr. Abdul-Latif executed the refranchising of our bottling operations in China.

Mr. Abdalla: Mr. Abdalla spent most of 2012 leading our European business before he transitioned to his current role as President, PepsiCo. The Europe Sector experienced very significant macroeconomic challenges, specifically in Southern and Central Europe. As a result of Mr. Abdalla's leadership, the business has developed into a diverse portfolio, both geographically and categorically, delivering solid performance and meeting key financial targets for the year. Since his appointment to the position of President, PepsiCo, Mr. Abdalla has played an instrumental role in supporting the delivery of the Company's 2012 productivity savings.

Overall Results: The following table summarizes the actual annual incentive awards paid to the NEOs in March 2013 based on 2012 business and individual performance in the context of the target annual incentive opportunity and the potential range of payouts:

Name	Target Annual Incentive (% of Base Salary)	Range of Potential Payouts Based on Business & Individual Results (\$000)*	Actual Annual Incentive Award (\$000)	Actual Annual Incentive as a % of Target Incentive
Indra K. Nooyi	200%	0 - 6,400	3,300.0	103%
Hugh F. Johnston	140%	0 - 2,016	1,241.2	111%
Brian Cornell**	150%	1,000 - 2,430	1,040.3	77%
Saad Abdul-Latif	150%	0 - 2,160	1,449.8	121%

* Under the EICP, a plan intended to qualify certain performance-based compensation as deductible under Section 162(m) of the Internal Revenue Code, the Compensation Committee set the maximum 2012 annual incentive award for all executive officers based on a scale that ranged from no award (\$0) for core constant currency Net Income of \$0 to a \$9 million award opportunity for core constant currency Net Income of \$6.6 billion. Based on PepsiCo's 2012 actual core constant currency Net Income of \$6.6 billion, the maximum 2012 award for each executive officer was \$9 million. The Compensation Committee then exercised its negative discretion in determining actual incentive awards based on business and individual performance measures as described above. Please refer to Exhibit A to this Proxy Statement for a reconciliation of core

constant currency results to reported GAAP financial results and to pages 45-47 of PepsiCo's 2012 Form 10-K for a more detailed description of the items excluded from these measures.

** Subject to certain performance conditions, Mr. Cornell's annual incentive bonus was guaranteed at a minimum of \$1 million for 2012. PepsiCo exceeded these performance conditions and Mr. Cornell's actual EICP bonus for 2012 was based entirely on actual performance rather than his bonus guarantee.

3. Base Salary. The Compensation Committee annually reviews NEO salaries, and annual salary increases are not automatic or guaranteed. When considering any adjustments, the Compensation Committee takes into account data for similar positions among our peer group and other Fortune 500 companies, internal pay equity, and the underlying accountabilities and scope of responsibility for each position. The base salaries paid to our NEOs in 2012 are presented in the Summary Compensation Table on page 44 of this Proxy Statement. The Compensation Committee approved the following changes to NEO base salaries for 2012 and 2013:

In recognition of Mr. Abdalla's promotion from CEO, PepsiCo Europe to President, PepsiCo in September 2012, the Committee approved an annual salary increase from \$800,000 to \$900,000.

In connection with his appointment as CEO, PAF, the Committee approved an annual base salary rate of \$900,000 for Mr. Cornell.

As part of the 2012 year-end review process, the Compensation Committee increased Mr. Abdul-Latif's base salary from \$800,000 to \$860,000.

4. Retirement Programs. The Company's retirement programs are designed to facilitate the retirement of employees who have performed at PepsiCo over the long term. The Company maintains a qualified defined benefit pension plan for the majority of U.S. salaried employees hired before January 1, 2011, and a non-qualified defined benefit pension plan, the PepsiCo Pension Equalization Plan (**PEP**), for those employees with annual compensation or pension benefits in excess of the limits imposed by the Internal Revenue Service (**IRS**). The PEP provides for a benefit under the same formula as provided under the qualified plan, but without regard to the IRS limits. The terms of these plans are substantially the same for all participating employees and are described in the narrative to the 2012 Pension Benefits Table on page 53 of the Proxy Statement. Ms. Nooyi, Mr. Johnston, Mr. Abdalla and Mr. Abdul-Latif have accrued pension benefits under these plans, and they also participate, along with Mr. Cornell, in the

PepsiCo Savings Plan, the same tax-qualified savings plan provided to other U.S. salaried employees. Mr. Cornell has grandfathered benefits in both the qualified and non-qualified defined benefit plans based on his prior service with PepsiCo. These benefits will not grow with any additional earnings or service.

Until his relocation to the United States in September 2012, Mr. Abdalla participated in the PepsiCo International Retirement Plan (**PIRP**), a separate international non-qualified defined benefit pension plan that provides a pension benefit to designated executives who live and work outside of their home country. The pension benefit provided under the PIRP is substantially the same as that provided to U.S. salaried employees under the U.S. qualified salaried pension plan and PEP and is offset by amounts paid to the executive by the Company under any other Company-sponsored retirement plan or government mandated retirement or severance programs.

Generally, all U.S. salaried employees hired or rehired on or after January 1, 2011 are eligible to receive company-provided automatic retirement contributions (**ARC**) under the PepsiCo Savings Plan equal to a percentage of pay based on age and years of service. Eligible employees whose participation in the ARC portion of the PepsiCo Savings Plan is limited due to Internal Revenue Code limitations on qualified plan compensation and benefits are also eligible to participate in the PepsiCo Automatic Retirement Contribution Equalization Plan (**ARC-E**), a non-qualified, non-elective defined contribution deferred compensation plan. Total ARC and ARC-E contributions are capped at the Internal Revenue Code Section 401(a)(17) limit. Because Mr. Cornell was re-hired by the Company after January 1, 2011, he participates in the ARC portion of the PepsiCo Savings Plan and the

ARC-E.

Our NEOs are also eligible for retiree medical coverage on the same terms as our other employees. PepsiCo does not provide executive officers any special benefit plans such as executive life insurance, and the Company does not provide any enhanced retirement benefit formulas to our NEOs.

Table of Contents
5. Benefits and Perquisites

5(a). Benefits. Executive officers receive the same healthcare benefits as other employees. U.S.-based medical benefits are the same for all participants in the Company's healthcare program; however, our executive officers are required to pay three times as much as non-executive employees for their coverage. International medical benefits plans vary, but executives typically receive the benefits offered in the relevant broad-based plan.

The Global Mobility Program facilitates the assignment of employees to positions in other countries by minimizing any financial detriment or gain to the employee from the international assignment. Under the program, Mr. Abdul-Latif's compensation package and Mr. Abdalla's compensation package through September 2012 were linked to the U.S. compensation structure as a result of being considered global talent with continued PepsiCo assignments outside of their home countries. Mr. Abdalla and Mr. Abdul-Latif economically paid taxes at a U.S. income tax rate on compensation and received housing and other allowances to reflect the incremental cost of living in Geneva, Switzerland and Dubai, United Arab Emirates, respectively, as compared to the U.S.

Beginning in September 2012, in connection with his promotion to President, PepsiCo, Mr. Abdalla was transitioned to a U.S. local pay package. Mr. Abdalla continues to receive housing, cost-of-living and educational benefits during the transition period of his family's relocation to the United States following the current school term. In addition, Mr. Abdalla is eligible for periodic home leave flights to Geneva until his family's relocation is completed. To assist with expenses related to his move to the United States, the Compensation Committee approved transition payments of \$200,000 in September 2013 and \$100,000 in September 2014, in each case subject to applicable taxes and Mr. Abdalla's continued employment through such dates.

5(b). Perquisites. Consistent with our pay-for-performance philosophy, we limit executive perquisites to a company car allowance, an annual physical and limited personal use of company aircraft and ground transportation.

As an internationally recognized business leader and public figure, the Compensation Committee requires Ms. Nooyi to use company aircraft and ground transportation for all travel. This requirement serves to enhance her security and personal safety,

and to increase her time available for business purposes. The Committee reaffirmed this requirement following an exhaustive independent security study completed in 2010. This independent study identified real and present risks for Ms. Nooyi due to her considerable visibility in multimedia venues as the leader and identifiable face of PepsiCo, one of the largest and most recognized U.S. corporations.

In 2012, as in prior years, the Committee reviewed her personal aircraft usage and deemed it suitable. The Committee will continue its ongoing assessment of Ms. Nooyi's perquisites to ensure they remain appropriate. Ms. Nooyi is fully responsible for personal income tax liability associated with her perquisites.

Personal use of Company aircraft is made available to other executive officers on a limited basis. Executives are fully responsible for personal income tax liability associated with personal use of Company ground transportation and Company aircraft. Business Unit CEOs must reimburse PepsiCo for the full variable operating cost of personal flights in excess of a limited number of hours per year as established by the Compensation Committee. Personal use of Company ground transportation and Company aircraft for other executive officers must be approved by the Chairman and CEO on a case-by-case basis.

5(c). Change-in-Control Provisions. All employees, including NEOs, and non-employee directors, are provided change-in-control protection for their LTI awards under our shareholder-approved long-term incentive plans. For outstanding unvested awards, stock options and RSUs vest, and PSUs and PEPunits are paid at target, even if earned scores are above target, if the participant is terminated without cause or resigns for good reason within two years following a change-in-control of PepsiCo (i.e., double trigger vesting) or if the acquiring entity fails to assume the awards. We utilize double trigger vesting to ensure management talent will be available to assist in the successful integration following a change-in-control and to align with prevailing governance practices.

NEOs are not eligible to receive any cash severance, continued health and welfare benefits, pension service credit, tax gross-ups or any other change-in-control benefits other than the change-in-control protections under our long-term incentive plans described in the preceding paragraph.

5(d). Executive Deferral. Under the PepsiCo Executive Income Deferral Program, most U.S.-based executives can elect to defer up to 75% of their base salary and up to 100% of their annual cash incentive awards into phantom investment funds on a tax-deferred basis. Executives have the opportunity to invest their deferrals into market-based funds, including the PepsiCo Common Stock Fund. The executive deferral program does not guarantee a rate of return, and none of the funds provide above market earnings. PepsiCo does not match any executive's deferrals.

The PepsiCo Executive Income Deferral Program is a non-qualified and unfunded program in which account balances are unsecured and at-risk. This means that the participants' balances may be forfeited in the event of the Company's bankruptcy. The narrative accompanying the 2012 Non-Qualified Deferred Compensation Table on pages 54-55 of this Proxy Statement describes the material features of the executive deferral program.

HOW WE DETERMINE COMPENSATION

Our Compensation Philosophy. It is critical to our long-term success and growth that our businesses are managed by highly capable leaders with the experience, skills and dedication to oversee a growing and changing global organization. To achieve this objective, we have designed our compensation programs to:

recruit, retain and motivate talented and diverse domestic and international employees;

reward sustained Company performance and individual achievements by aligning a significant portion of total compensation to PepsiCo's financial results and strategic objectives;

deliver total compensation above the peer group median when our financial performance exceeds the peer group median, and below the peer group median if our financial performance falls below the peer group median; and

motivate our employees to act as long-term business owners who are accountable for business results and who take responsibility for the assets of the business and its employees.

Role of the Compensation Committee. The Compensation Committee oversees the design and administration of PepsiCo's compensation programs and evaluates these programs against competitive practices, legal and regulatory developments and corporate governance trends. As part of its processes and procedures for determining executive compensation, the Compensation Committee periodically:

reviews and approves compensation-related performance goals and other objectives of our Chairman and CEO, and recommends compensation to the independent members of the Board based on performance;

evaluates and approves executive officer compensation to ensure that a significant portion is performance-based, while creating incentives for above-target performance and consequences for below-target performance;

reviews and establishes the peer group companies used as a reference to benchmark Company performance and executive officer compensation;

Edgar Filing: PEPSICO INC - Form DEF 14A

references tally sheets, which provide a comprehensive overview of the aggregate value of the compensation and benefits for executive officers as well as the total value they would receive upon a variety of termination scenarios (such as resignation, retirement, long-term disability, death and change-in-control);

sets the specific performance targets for incentive awards to govern the compensation paid to our executive officers;

confirms with the Compensation Committee's independent external advisor that total compensation paid to each executive officer is appropriate based on comparing the Company's financial performance relative to the peer group as measured by financial metrics including shareholder returns and operating performance;

approves base salary adjustments to the extent they are warranted by changes in market pay data; and

approves annual and long-term incentive award payouts based on performance achieved relative to the pre-established performance targets.

Table of Contents

Role of the Independent External Advisor. The Compensation Committee has engaged Frederic W. Cook & Co. (**Cook**) as its independent external advisor. The Compensation Committee considers analysis and advice from Cook when making compensation decisions and recommendations for the Chairman and CEO and the executive officers, and when making decisions on plan design. Cook provides recommendations on Chairman and CEO pay directly to the Compensation Committee without consulting the Chairman and CEO or management.

Cook attends the Compensation Committee meetings, and Compensation Committee members have direct access to the advisor without management involvement. The Compensation Committee has the sole authority to hire and terminate the advisor. The advisor sometimes obtains input from management to ensure that the recommendations and advice reinforce PepsiCo's business strategy, principles and values.

The services performed by Cook have been limited to executive compensation consulting. Cook is prohibited from undertaking any other work with PepsiCo management or employees, and undertook no such work in 2012.

Role of Management. The Compensation Committee and Board of Directors determine the compensation of the Chairman and CEO without management input. The Compensation Committee meets with the Chairman and CEO at the beginning of the year to agree upon her performance objectives for the year. At the end of the year, the Chairman and CEO provides the Compensation

Committee with a self-assessment based on her achievement of the agreed-upon objectives and other leadership accomplishments. This self-assessment, in addition to Company performance, is used by the Compensation Committee in determining the Chairman and CEO's compensation.

The Compensation Committee solicits input from the Chairman and CEO to obtain her evaluation of performance and her recommendation in determining pay for other executive officers. No executive officer is present when his or her compensation is discussed by the Compensation Committee or the Board of Directors.

Peer Group. The Compensation Committee utilizes a peer group to evaluate whether executive officer pay levels are aligned with Company performance and to benchmark PepsiCo's compensation design and governance features. The Compensation Committee primarily identifies companies that are of comparable size (based on revenue and market capitalization), maintain strong consumer brands, have an innovative culture, compete with PepsiCo for executive talent and possess significant international operations.

The Compensation Committee reaffirmed in 2012 that the current peer group companies used for pay and performance benchmarking continued to meet the above criteria. The only change to the peer group during 2012 reflects the spin-off of Kraft Foods Inc. into two independent companies, Kraft Foods Group, Inc. and Mondelēz International, Inc. This change will be effective for the 2013 performance year.

GOVERNANCE FEATURES OF OUR EXECUTIVE COMPENSATION PROGRAM

We believe that PepsiCo's compensation programs should ensure that our executives remain accountable for business results and take responsibility for the assets of the business and its employees. Consistent with this objective, our Board of Directors has incorporated the following governance features into our executive compensation programs:

Risk Mitigation. PepsiCo's executive compensation programs include features intended to discourage employees from taking unnecessary and excessive risks that would threaten the financial health and viability of the Company, including:

Balanced Performance Metrics. The annual cash incentive program utilizes balanced financial metrics consisting of top-line metrics, such as Organic Revenue, bottom-line metrics, such as NOPBT, market-based metrics, such as Share of Retail Sales, which reinforces the importance of growing PepsiCo's share of retail sales in certain categories in which we operate, and metrics designed to enhance capital management such as Cash Flow.

Accountability for Prior Business Unit Results. Half of the annual incentive award for any executive officer who assumes a new leadership position in a different business unit is determined based on the prior business unit's results. This ensures the executive officer remains accountable for the results of the long-term strategies he or she established in the prior business unit.

Emphasis on Long-Term Shareholder Value Creation. Long-term incentive awards are the most significant element of executive officer pay and focus executives on creating long-term shareholder value, measured in terms of absolute share price growth, share price changes relative to the broader equity market, and delivering exceptional long-term operating results.

Clawback Provisions. Under PepsiCo's annual incentive, long-term incentive and executive deferral programs, the Company has the right to cancel and recoup awards and gains from an executive if he or she: (i) violates PepsiCo's Global Code of Conduct; (ii) engages in gross misconduct; (iii) violates applicable non-compete, non-solicitation or confidentiality provisions; or (iv) causes or contributes to the need for an accounting adjustment to the Company's financial results through gross negligence or misconduct.

Table of Contents

Stock Ownership Requirements. Under PepsiCo's stock ownership guidelines, executive officers are required to own shares of PepsiCo Common Stock equal to a specified multiple of their annual base salary, as set forth below:

CEO	8x annual salary
CFO & Business Unit CEOs	4x annual salary
All Other Executive Officers	2x annual salary

Shares of PepsiCo Common Stock or equivalents held by the executive officer (or immediate family members) in the 401(k) plan, in a deferred compensation account, or in a trust for the benefit of immediate family members count towards satisfying the requirement. Unexercised stock options and unvested PSUs, RSUs and PEPunits do not count towards satisfying the requirement.

Executive officers have five years from the date they first become subject to a particular level of stock ownership to meet the ownership requirement. All of our executive officers have met or are on track to meeting their ownership requirements within the five-year period. Executive officers who terminate or retire from PepsiCo are required to continue to hold 100% of the shares needed to meet the applicable level of stock ownership until at least six months after termination or retirement and to continue to hold at least 50% of the shares needed to meet the applicable level of stock ownership until at least twelve months after termination or retirement.

Share Retention Policy. To ensure that our executive officers exhibit a strong commitment to PepsiCo share ownership, the Board of Directors adopted a Share Retention Policy in 2002. This policy limits the proceeds that an executive officer may receive in cash upon exercise of stock options during each calendar year to 20% of the aggregate value of all of the executive officer's in-the-money vested stock options. Any proceeds in excess of this 20% limit must be held in shares of PepsiCo Common Stock for at least one year after the date of exercise. In 2012, the Committee introduced an additional requirement that executive officers hold at least 50% of the shares, net of applicable tax withholding, received upon the vesting and payout of PEPunits in furtherance of PepsiCo's stock ownership guidelines.

Executive officers who maintain the required level of stock ownership are exempt from the share retention requirements.

No Employment Contracts. None of our NEOs has an employment contract or separation agreement. Consistent with our approach of rewarding performance, employment is not guaranteed, and either the Company or the NEO may terminate the employment relationship at any time. In some cases, the Compensation Committee or Board of Directors may agree to provide separation payments to departing executives upon their termination to obtain an extended non-compete, non-solicitation and non-disclosure agreement and a release of claims.

Prohibition on Hedging and Pledging. Our insider trading policy prohibits executive officers from using any strategies or products (such as derivative securities or short-selling techniques) to hedge against the potential changes in the value of PepsiCo Common Stock. In addition, executive officers may not hold PepsiCo securities in a margin account or pledge PepsiCo stock or PepsiCo stock options as collateral for a loan.

Limited Trading Windows. Executive officers can only purchase and sell PepsiCo Common Stock and exercise stock options during approved trading windows, which generally open two business days after PepsiCo issues its quarterly earnings release. Trading windows typically close one month after the opening of the window.

Responsible Equity Grant Practices. PepsiCo's equity grant practices ensure all grants are made on fixed grant dates and at exercise prices or grant prices equal to the Fair Market Value of PepsiCo Common Stock on such dates.

Stock option and PSU grants are awarded under our shareholder-approved long-term incentive plans at Fair Market Value, defined as the average of the high and low stock prices rounded up to the nearest quarter on the date of grant. Further, PEPunit values are defined as the average share price for the 90 days prior to the grant and vesting date. These formulas mitigate the impact of our stock price's intra-day volatility when setting the grant price of equity awards.

Edgar Filing: PEPSICO INC - Form DEF 14A

PepsiCo does not backdate, reprice or grant equity awards retroactively. Repricing of awards would require shareholder approval under our shareholder-approved long-term incentive plans.

NEW HIRE ARRANGEMENTS

Offer Letter with Mr. Cornell. On March 9, 2012, PepsiCo executed a new hire offer letter with

Mr. Cornell in connection with his appointment as CEO, PAF. To partially replace the value of unvested equity awards and other compensation forfeited by Mr. Cornell in connection with his acceptance of employment with PepsiCo, the Company awarded him a \$2.5 million cash sign-on bonus paid on his start date, a \$2.5 million new hire RSU award which vests in three equal installments on each of the first, second and third anniversaries of the date of grant, and a \$3.0 million new hire PEPunit award which vests 50% on the second anniversary and 50% on the third anniversary of the date of grant. Similar to the 2012 PEPunit awards for other NEOs discussed above, Mr. Cornell's new hire PEPunit award is subject to a maximum payout of 187.5% of target. The RSU and PEPunit awards are subject to Mr. Cornell's continued employment through each vesting date. The sign-on bonus is subject to expanded clawback provisions requiring Mr. Cornell to repay a pro-rated amount of any paid portion upon a voluntary termination or an involuntary termination for cause prior to the second anniversary of his start date. In addition to the standard clawback definition in the annual incentive plan, Mr. Cornell's expanded clawback also covers violations of PepsiCo's Insider Trading Policy and unlawfully trading in PepsiCo securities. Subject to certain performance conditions, Mr. Cornell's annual incentive bonus was guaranteed at a minimum of \$1 million for 2012. PepsiCo exceeded these performance conditions and Mr. Cornell's actual ECIP bonus for 2012 was based entirely on actual performance rather than this bonus

guarantee. As a result of PepsiCo's requiring Mr. Cornell to immediately relocate to New York at his time of hire, the Company provided him with standard relocation benefits under the Company's relocation program for salaried employees. Like all PepsiCo executive officers, Mr. Cornell's offer letter does not guarantee employment and does not provide for separation payments upon his termination. Please refer to the Summary Compensation Table on page 44 of this Proxy Statement for additional information regarding Mr. Cornell's 2012 compensation.

TAX CONSIDERATIONS

In establishing total compensation for the executive officers, the Compensation Committee considers the effect of Section 162(m) of the Internal Revenue Code. Section 162(m) generally disallows a tax deduction for compensation over \$1 million paid for any fiscal year to the Chief Executive Officer and the three other highest paid executive officers other than the Chief Financial Officer unless the compensation qualifies as performance-based. While the Compensation Committee generally seeks to preserve the deductibility of most compensation paid to executive officers, the primary objective of the compensation program is to support the Company's business strategy. Thus, the Compensation Committee believes it should have flexibility in awarding compensation, even though some compensation awards may result in non-deductible compensation expenses.

Table of Contents**2012 SUMMARY COMPENSATION TABLE**

The following table summarizes the compensation of the NEOs for the fiscal year ended December 29, 2012. The NEOs are the Company's Chief Executive Officer, Chief Financial Officer and certain other executive officers who were most highly compensated in fiscal year 2012 by reference to their total compensation in the table below (excluding amounts disclosed in the Change in Pension Value and Non-Qualified Deferred Compensation Earnings column).

- (1) Mr. Cornell and Mr. Abdul-Latif were not NEOs for 2010 and 2011, and as a result only their 2012 compensation information is included.
- (2) Mr. Abdalla was not an NEO for 2010, and as a result only his 2011 and 2012 compensation information is included. Mr. Abdalla's 2011 compensation included a one-time PSU award of \$5 million that was disclosed in the 2011 Proxy Statement. Mr. Abdalla's year-over-year compensation, excluding this one-time PSU award, has increased by 12%.
- (3) The salary amounts reflect the actual base salary payments made to the NEOs. Mr. Cornell was hired on March 12, 2012 at an annual salary of \$900,000; accordingly his reported salary reflects the pro-rated amount earned in 2012. Mr. Abdalla was promoted from CEO, PepsiCo Europe to President, PepsiCo effective September 2012 and his salary increased from \$800,000 to \$900,000.
- (4) Bonus refers to non-performance-based annual cash incentive payments. The new hire bonus is subject to clawback provisions requiring Mr. Cornell to repay a pro-rated amount of any paid portion upon a voluntary termination or an involuntary termination for cause (as defined in the offer letter) prior to the second anniversary of his start date.

Table of Contents

The amounts reported in this column assume target-level performance for the annual PEPunit awards and the new hire PEPunit award for Mr. Cornell. If PepsiCo were to exceed its performance targets, grant recipients may earn up to 187.5% of the target number of PEPunits granted. The following table reflects the grant date fair value of the PEPunit awards at target and maximum earn-out levels:

Name	Value of 2012 PEPunit Awards (\$)	
	At Target Level	At Maximum 187.5% Level
Indra K. Nooyi	7,527,736	14,114,465
Hugh F. Johnston	1,836,793	3,443,931
Brian Cornell	4,697,360	8,807,486
Saad Abdul-Latif	1,324,906	2,484,151
Zein Abdalla	1,444,121	2,707,678

For a discussion of the assumptions and methodologies used in calculating the grant date fair value of the PEPunits and RSUs, please see Note 6 to the Company's consolidated financial statements in the Company's Annual Report on Form 10-K for the applicable fiscal year.

- (6) The amounts reported for option awards represent the aggregate grant date fair value of the stock option awards granted in 2011 and 2010 calculated in accordance with the accounting guidance on share-based payments.

For a discussion of the assumptions and methodologies used in calculating the grant date fair value of the option awards, please see Note 6 to the Company's consolidated financial statements in the Company's Annual Report on Form 10-K for the applicable fiscal year.

- (7) As described in the Annual Incentive Compensation section of the Compensation Discussion and Analysis on pages 34-37 of this Proxy Statement, the amounts reported reflect compensation earned for performance under the annual incentive compensation program for that year, paid in March of the subsequent year.
- (8) The amounts reported reflect the aggregate change in the actuarial present value of each NEO's accumulated benefit under the defined benefit pension plans in which they participate. The change in pension value reflects changes in age, service and earnings during 2012, and the effect of a change in the discount rate from 4.6% on December 30, 2011 to 4.2% on December 28, 2012 used to determine the present value. During 2012, 2011 and 2010, PepsiCo did not pay above-market or preferential rates on non-qualified deferred compensation.
- (9) The following table provides the details for the amounts reported for 2012 for each NEO:

Name	Personal						Total
	Personal Use of Company Aircraft (A) (\$)	Use of Ground Transportation (A) (\$)	Car Allowance (B) (\$)	Company Contributions to Defined Contribution Plans (C) (\$)	Global Mobility (D) (\$)	Tax Reimbursement (E) (\$)	
Indra K. Nooyi	109,008	35,329		5,042			149,379
Hugh F. Johnston			25,350	2,246			27,596
Brian Cornell	44,721		18,375	62,308	198,591	31,650	355,645
Saad Abdul-Latif			29,973		73,624	614,863	718,760
Zein Abdalla	8,830		40,863		463,037	360,545	873,575

- (A) Personal use of Company aircraft and ground transportation is valued based on the aggregate incremental cost to the Company. The aggregate incremental cost is calculated based on the variable operating costs that were incurred as a result of personal use of the aircraft (such as fuel, maintenance, landing fees and crew expenses) or ground transportation (such as fuel and the driver's compensation). The NEOs are fully responsible for all personal income taxes associated with any personal use of Company aircraft and ground transportation.

As an internationally recognized business leader and public figure, the Compensation Committee requires Ms. Nooyi to use Company aircraft and ground transportation for all personal travel. This requirement serves to enhance her security and personal safety, and to increase her time available for business purposes. The Committee reaffirmed this security requirement following an exhaustive independent security study completed in 2010. The Committee will continue to assess Ms. Nooyi's use of Company provided transportation to ensure that it remains appropriate.

Table of Contents

Beginning in 2009, Business Unit CEOs must reimburse PepsiCo for the full variable operating cost of personal flights in excess of a limited number of hours per year as established by the Compensation Committee. Personal use of Company ground transportation and Company aircraft for other executive officers must be approved by the Chairman and CEO on a case-by-case basis.

- (B) Mr. Abdalla's car allowance is paid in Swiss Francs and converted into U.S. dollars based on an average daily exchange rate of 1.00 CHF = 1.0667 USD for 2012.
- (C) Amounts reported for NEOs other than Messrs. Abdul-Latif and Abdalla reflect Company matching contributions to the PepsiCo Savings Plan, a tax-qualified defined contribution plan. Effective January 30, 2012, PepsiCo discontinued company matching contributions under the PepsiCo Savings Plan for salaried exempt employees who are currently earning a benefit under a defined benefit pension plan with PepsiCo. Accordingly, NEOs other than Mr. Cornell are no longer eligible for matching contributions.

Amounts reported for Mr. Cornell reflect ARC contributions under the PepsiCo Savings Plan, and contributions under the ARC-E, a nonqualified, non-elective defined contribution deferred compensation plan that provides benefits to employees whose participation in the ARC portion of the PepsiCo Savings Plan is limited because of Internal Revenue Code limitations on qualified compensation and benefits. Mr. Cornell is eligible for these benefits because he was re-hired by the Company after January 1, 2011 and is accordingly not eligible to accrue any additional benefits under any defined benefit pension plan maintained by the Company.

- (D) The amounts reported include the following:

For Mr. Cornell, relocation benefits related to PepsiCo requiring Mr. Cornell to move to New York from Arkansas at the time of hire, including assistance with temporary living, moving of household goods and travel under the Company's salaried employee relocation program.

For Messrs. Abdul-Latif and Abdalla, the expense for benefits provided pursuant to PepsiCo's Global Mobility Program as a result of their international assignments in Dubai, United Arab Emirates and Geneva, Switzerland respectively. These benefits include housing, cost-of-living and home-leave allowances, reimbursement of child educational expenses and tax preparation services. The Global Mobility Program facilitates the assignment of employees to positions outside their home country by minimizing any financial detriment to the employee from the international assignment. Mr. Abdalla's Global Mobility Program benefits are paid in Swiss Francs and converted into U.S. dollars based on an average daily exchange rate of 1.00 CHF = 1.0667 USD for 2012.

For Mr. Abdalla, reported amounts also include the following transition benefits, which were approved by the Compensation Committee in connection with his immediate relocation to the United States upon his appointment as President, PepsiCo, in September 2012: (i) continuation of housing, cost-of-living and educational benefits provided to his family as part of his Geneva, Switzerland-based international assignment until his family is able to relocate to the United States in July 2013; (ii) reimbursement of Mr. Abdalla's periodic home leave flights to Geneva until his family's relocation; and (iii) reimbursement of immigration fees.

- (E) For Mr. Cornell, the amount reported reflects reimbursement of all federal, state and local tax obligations directly related to relocation assistance, and taxes incurred in connection with such assistance. For Messrs. Abdul-Latif and Abdalla, the amount reported reflects tax equalization designed to cover taxes on their compensation in excess of the taxes they would have incurred in the United States. Mr. Abdalla's tax reimbursements are paid in Swiss Francs and converted into U.S. dollars based on an average daily exchange rate of 1.00 CHF = 1.0667 USD for 2012.
- (F) The total also includes an annual physical exam for Messrs. Abdul-Latif and Abdalla.

- (1) Consistent with prior years, 2012 PEPunit and LTC Awards were approved by the Compensation Committee at its regularly-scheduled meeting in February. The approval date for the awards was February 2, 2012 and the grant date was April 2, 2012.
- (2) The amounts reported reflect the potential range of 2012 annual cash incentive awards under the shareholder-approved EICP, as described in the Compensation Discussion and Analysis beginning on page 27 of this Proxy Statement.
- (3) The amounts reported reflect the potential range of 2012 LTC Award payouts under the shareholder-approved PepsiCo, Inc. 2007 Long-term Incentive Plan, as described in the Compensation Discussion and Analysis beginning on page 27 of this Proxy Statement. The actual cash award earned is determined based on the level of achievement attained with respect to the pre-established performance targets over the three-year performance period and will be paid out on the third anniversary of the grant date.
- (4) The actual number of shares of PepsiCo Common Stock that are earned for the annual 2012 PEPunits award is determined based on the level of achievement attained with respect to absolute stock price performance and relative TSR consistent with the pre-established payout scale determined for the three-year performance period. If PepsiCo performs below the pre-established performance targets, the number of PEPunits earned will be reduced below the target number. The amounts reported in the target column reflect the number of PEPunits that may be paid out if the performance targets are achieved at 100%, and the amounts reported in the maximum column reflect the maximum number of PEPunits that will be paid out if the performance targets are exceeded.

Table of Contents

The PEPunits earned by NEOs will vest and be paid out in shares of PepsiCo Common Stock on the third anniversary of the grant date subject to pro-rata vesting upon retirement between ages 55 and 61, inclusive, with at least 10 years of service, and full vesting upon retirement at age 62 and older with at least 10 years of service, in each case subject to achievement of the applicable performance targets over the full three-year performance period. Ms. Nooyi and Mr. Abdul-Latif are currently eligible for pro-rata vesting. Notwithstanding the level of performance achieved, the Compensation Committee retains the discretion to reduce the number of shares issued in settlement of the 2012 PEPunit awards.

For additional information regarding these awards, please see the PEPunits section of the Compensation Discussion and Analysis 2012 PEPunit Awards section on page 33 of this Proxy Statement.

- (5) The amount reported reflects a new hire PEPunit award. 50% of the award is scheduled to vest on the second anniversary of the grant date and 50% on the third anniversary of the grant date, subject to the achievement of absolute and relative stock price growth consistent with the pre-established payout scale determined for a three-year period.
- (6) The amount reported reflects a new hire RSU award which vests in three equal installments on each of the first, second and third anniversaries of the grant date, subject to continued employment through each vesting date.
- (7) The amounts reported represent the aggregate grant date fair value of all PEPunits and RSUs granted to NEOs in 2012 calculated in accordance with the accounting guidance on share-based payments. (1) With the exception of the awards discussed in footnotes (4), (5), (6), and (8) below, each of the stock option, PEPunit and PSU awards listed in the table vests three years after the grant date, subject to continued service with PepsiCo through the vesting date and, in the case of PEPunits and PSUs, achievement of applicable performance targets. Each of the awards that are not retention awards will vest on a pro-rata basis upon retirement between ages 55 and 61, inclusive, with at least 10 years of service, and will vest in full upon retirement at age 62 or older with at least 10 years of service, subject to achievement of applicable performance targets.

Edgar Filing: PEPSICO INC - Form DEF 14A

- (2) The market value of unvested PEPunits, PSUs and RSUs reflected in columns (g) and (i) have been valued by multiplying the number of unvested PEPunits, PSUs and RSUs reflected in columns (f) and (h) by \$68.02, PepsiCo's closing stock price on December 28, 2012, the last trading day of the 2012 fiscal year.
- (3) The reported awards reflect grants of PEPunits and PSUs that will vest and be earned based on the achievement of financial performance targets during a two-year performance period for the 2010 and 2011 PSU awards, and a three-year performance period for the 2012 PEPunit awards, and require the NEO to continue to provide service to PepsiCo through the end of a three-year vesting period. Awards vest on a pro-rata basis upon retirement between ages 55 and 61, inclusive, with at least 10 years of service, and vest in full upon retirement at age 62 or older with at least 10 years of service, subject, in each case, to achievement of applicable performance targets. Ms. Nooyi and Mr. Abdul-Latif are currently eligible for pro-rata vesting. For the 2012, 2011 and 2010 awards, the number displayed in column (h) reflects the target number of PEPunits and PSUs awarded. Notwithstanding the level of performance achieved, the Compensation Committee retains the discretion to reduce the number of shares issued in settlement of these awards.
- (4) The reported award reflects Mr. Cornell's new hire RSU award which vests in three equal installments on each of the first, second and third anniversaries of the grant date, subject to his continued employment through each vesting date.
- (5) The reported award reflects Mr. Cornell's new hire PEPunit award which vests in two equal installments on each of the second and third anniversaries of the grant date, subject to the achievement of pre-established performance targets over a three-year period.
- (6) The reported award reflects Mr. Abdul-Latif's 2007 retention RSU award. 50% of the award vested on November 16, 2010 and the remaining 50% will vest on November 16, 2013, subject to his continued employment through such date.

2012 PENSION BENEFITS

PepsiCo Salaried Employees Retirement Plan

The PepsiCo Salaried Employees Retirement Plan (**Salaried Plan**), which is a qualified defined benefit pension plan under the Internal Revenue Code, provides retirement benefits to eligible U.S. salaried employees of the Company hired prior to January 1, 2011. Ms. Nooyi and Messrs. Johnston, Abdul-Latif and Abdalla participate in the Salaried Plan. Benefits for the NEOs who participate in the Salaried Plan are determined using the same formula as for other eligible employees. NEOs receive no additional years of credited service or other enhancements in determining their benefits that are not available to other employees in the Salaried Plan.

Mr. Cornell has grandfathered benefits in both the qualified and non-qualified defined benefit plans based on his prior service with PepsiCo. These benefits will not grow with any additional earnings or service.

Prior to his relocation to the United States in September 2012, Mr. Abdalla participated in the PIRP, a separate international non-qualified defined benefit pension plan. The PIRP generally covers non-U.S. citizens who are on their second assignment outside their home country and are designated for participation by PepsiCo. The pension benefit provided under the PIRP is substantially the same as the basic formula under the Salaried Plan and the PEP described below, without the social security offset. The PIRP benefit is reduced by any pension or termination benefits paid to a participant by the Company including benefits paid under any other Company-provided retirement plan or pursuant to any government mandated retirement or severance plan.

Normal retirement benefits under the Salaried Plan are payable at age 65 with five years of service. Unreduced early retirement benefits are payable as early as age 62 with 10 years of service. Reduced early retirement benefits are payable as early as age 55 with 10 years of service and are determined by reducing the normal retirement benefit by 4% for each year prior to age 62. Currently, Ms. Nooyi and Mr. Abdul-Latif have met the eligibility requirements for early retirement.

Upon retirement, pension plan benefits are payable as a single life annuity, a single lump sum distribution, a joint and survivor annuity, or a 10-year certain annuity or a combination of a partial lump sum and an annuity. The single life annuity beginning at an NEO's normal retirement date is determined by the following basic formula:

3% for each year of service up to 10 years, plus 1% for each year of service in excess of 10, multiplied by the executive's highest consecutive five-year average monthly earnings;

reduced by 0.43% of the executive's highest consecutive five-year average monthly earnings up to his or her monthly Social Security covered compensation, multiplied by the executive's years of service up to 35.

Pensionable earnings include base salary and annual incentive compensation. Other bonus awards, stock options, PEPunits, PSUs, RSUs and LTC Awards are not considered when determining pension benefits.

All Salaried Plan participants, including NEOs, who become disabled after 10 years of service and remain disabled until retirement, receive service credit under the pension plan for their period of disability. All Salaried Plan participants, including NEOs, are entitled to the following benefits if they die before payments are scheduled to begin:

The spouse of an employee who is retirement-eligible is entitled to a pension equal to the survivor benefit under the 50% joint and survivor annuity option.

Edgar Filing: PEPSICO INC - Form DEF 14A

The surviving spouse or estate of active employees who are retirement-eligible are also entitled to a one-time payment equal to the lump sum benefit accrued at death, offset by the lump sum value of any surviving spouse's pension that might be payable. (This special death benefit is paid by the Company; it is not an accrued benefit payable from the Salaried Plan.)

A participant with five or more years of service who terminates employment prior to attaining age 55 and completing 10 years of service is entitled to a deferred vested pension benefit. The deferred vested benefit is equal to the basic formula amount calculated using the potential years of credited service had the participant remained employed to age 65 pro-rated by a fraction, the numerator of

Table of Contents

which is the participant's credited years of service at termination of employment and the denominator of which is the participant's potential years of credited service had the participant remained employed to age 65. Deferred vested benefits are payable commencing at age 65. However, a participant may elect to commence benefits as early as age 55 on an actuarially reduced basis to reflect the longer payment period.

Eligible salaried employees hired or re-hired on or after January 1, 2011 and who are not eligible to participate in a defined benefit pension plan receive an ARC contribution under the PepsiCo Savings Plan between 2% and 9% of eligible pay based on age and years of service. As stated above, Mr. Cornell, who was re-hired by the Company after January 1, 2011, is not entitled to any ongoing pension accrual beyond the grandfathered benefit that he earned during his prior employment with the Company, and he accordingly receives an ARC contribution under the PepsiCo Savings Plan. The amount of Mr. Cornell's ARC contribution is reported as compensation in the All Other Compensation column of the Summary Compensation Table.

Pension Equalization Plan

The PEP is an unfunded, non-qualified defined benefit pension plan that restores benefits that may not be paid from the Salaried Plan due to limitations imposed by the Internal Revenue Code on qualified plan compensation or benefits. PEP benefits are payable to any eligible Salaried Plan participant whose Salaried Plan benefits are affected by these limits. The PEP benefit is equal to the Salaried Plan benefit (as determined without regard to the Internal Revenue Code's limitations on compensation and benefits) less the actual benefit payable under the Salaried Plan. Generally, for benefits accrued and vested on or before December 31, 2004, a participant's PEP benefit is payable under the same terms and conditions as the Salaried Plan. The benefits accrued and vested under the PEP after December 31, 2004 are paid in the form of a single lump sum distribution upon retirement. Deferred vested benefits accrued or vested under the PEP after December 31, 2004 are automatically paid in the form of an annuity at the later of age 55 or termination of employment. Distributions to specified employees are subject to a six-month delay under Section 409A of the Internal Revenue Code.

The present value of the accumulated retirement benefits reported in column (d) of the following 2012 Pension Benefits table represents the accumulated benefit obligation for benefits earned to date, based on age, service and earnings through the plan's measurement date of December 29, 2012.

Table of Contents

- (1) These amounts have been calculated using actuarial methods and assumptions shown below in the fiscal year-end valuation under the guidance on employers accounting for pensions with the assumption, required by SEC disclosure rules, that each NEO remains in service until retirement at the earliest date when unreduced retirement benefits would be available (i.e., age 62 or older):

Discount rate of 4.2%; and

Benefits will be converted to lump sums based on interest rates that grade up to 6% at retirement.

- (2) Mr. Cornell is currently participating in the ARC, and his pension values are based on his grandfathered benefits accrued during his previous employment with PepsiCo.

- (3) Effective September 2012, Mr. Abdalla ceased participation in the PIRP and commenced participation in the Salaried Plan and the PEP. Accordingly, Mr. Abdalla no longer accrues benefits under the PIRP.

2012 NON-QUALIFIED DEFERRED COMPENSATION

Executive Income Deferral Program

The Executive Income Deferral Program is a non-qualified and unfunded program. This means that PepsiCo does not set aside funds for the program in a trust or otherwise, and that a participant's balances may be lost in the event of the Company's bankruptcy. Under the current terms of the program, eligible executives may elect to defer up to 75% of their base salary and 100% of their annual incentive compensation. At the time of election to defer, executives are required to choose to receive future payments on either a specific date or upon separation from service. Executives earn a return based on investments in the phantom funds selected by the executives (listed in footnote (3) below) from a list of phantom funds made available by the Company. The Company does not provide a matching contribution on any deferrals or guarantee a return.

Payouts from the program are made in cash and may be received as a lump sum or in installments (quarterly, semi-annually or annually) over a period up to 20 years. Notwithstanding a participant's payment election, deferrals made after 2000 are paid in a lump sum at the time of separation from service in cases in which separation (other than retirement) occurs prior to the elected payment date. Payments of deferrals made after 2004 to executives who are specified employees under Section 409A of the Internal Revenue Code that are triggered by a separation from service are delayed six months following separation. Executives have one opportunity to voluntarily delay their original payment date, provided payment of amounts subject to Section 409A of the Internal Revenue Code is delayed for at least five years and the

election to defer is made at least 12 months prior to the date the payment was originally scheduled to be made. For additional detail on PepsiCo's Executive Income Deferral Program, refer to the Executive Deferral section of the Compensation Discussion and Analysis on page 39 of this Proxy Statement.

Supplemental Savings Program

The ARC-E is a nonqualified, non-elective defined contribution deferred compensation plan sponsored by PepsiCo to provide benefits to employees whose participation in the ARC portion of the PepsiCo Savings Plan is limited due to Internal Revenue Code limitations on qualified plan compensation and benefits. The Company credits a notional amount equal to between 2% and 9% of eligible pay based on age and years of service, subject to a limit on the aggregate annual ARC and ARC-E contributions equal to the Internal Revenue Code section 401(a)(17) limit. Only U.S. salaried employees who are not eligible to accrue defined benefit pension benefits are eligible for the ARC under the PepsiCo Savings Plan or the ARC-E. Other than Mr. Cornell, the NEOs are each eligible to accrue defined benefit pension benefits and, therefore, are not eligible for the ARC or the ARC-E.

Edgar Filing: PEPSICO INC - Form DEF 14A

Each participant's account, including hypothetical earnings, is vested after the participant has three years of service, but continues to be subject to forfeiture in the event of misconduct, as defined in the ARC-E for up to two years following separation from service. The ARC-E is unfunded and payments to participants are at all times subject to the claims of the Company's general creditors.

54 **PepsiCo 2013 Proxy Statement**

Table of Contents

Participants select phantom investment options from those available under the ARC-E, which are a subset of the funds available under the PepsiCo Savings Plan, and amounts credited to participants' accounts are subject to investment gains and losses. A participant's vested account balance is paid in a single lump sum as soon as practicable following the last day of the month in which the participant separates from service, provided that specified employees under Section 409A may not receive a distribution for at least six months following separation from service.

- (1) The amount reported for Mr. Cornell represents notional Company contributions to the ARC-E account and is reported as compensation in the All Other Compensation column of the Summary Compensation Table. Mr. Cornell is not eligible to accrue any additional benefits under any defined benefit pension plan maintained by the Company. During 2012, these contributions were invested in the Blkrck LifePath 2025 fund which earned an annual rate of return of 12.12%.
- (2) Since 2009, PepsiCo has not provided above-market or preferential rates and as a result, the earnings on non-qualified deferred compensation are not included in the Summary Compensation Table.
- (3) Except for the contributions reported in column (c) for Mr. Cornell, none of the amounts reported in this column are reflected in the Summary Compensation Table. Deferral balances of NEOs under the Executive Income Deferral Program were invested in the following phantom funds and earned the following rates of return in 2012: (i) PepsiCo Common Stk: 6.35%, (ii) Defined AFR Fund: 2.96% and (iii) Blkrck LRG Eqty Indx: 16.06%.

POTENTIAL PAYMENTS ON TERMINATION OR CHANGE IN CONTROL**Termination of Employment/Retirement**

None of our active NEOs have any arrangement that provides for severance payments or benefits.

In the event a NEO retires, terminates or resigns from PepsiCo for any reason as of the fiscal year end, he or she would be entitled to:

the pension benefit disclosed in column (d) of the 2012 Pension Benefits table on page 53 of this Proxy Statement; and

the non-qualified deferred compensation balance disclosed in column (f) of the 2012 Non-Qualified Deferred Compensation table, above. Our NEOs' unvested annual long-term incentive awards vest on a pro-rata basis upon retirement between ages 55 and 61, inclusive, and fully vest upon death, disability or retirement on or after age 62. In order to be retirement eligible, an executive must be at least age 55 with 10 or more years of service. For retention awards, no accelerated vesting occurs upon retirement, and only a pro-rata portion would accelerate in the event of death or long-term disability. Even after vesting, PEPunit, PSU and LTC Awards remain subject to achievement of pre-established

performance targets.

Table of Contents

The following table sets forth, for each NEO, the value of the unvested stock option and PEPunit, PSU, RSU and LTC Awards and accrued dividend equivalents on PSUs and RSUs that would vest and would be forfeited if the NEO's employment terminated on December 29, 2012, the last day of the 2012 fiscal year, due to termination without cause, retirement, death or long-term disability:

(1) The stock options, PEPunits, PSUs, and RSUs were valued at a price of \$68.02, PepsiCo's closing stock price on December 28, 2012, the last trading day of the 2012 fiscal year. Amounts do not include the value of vested stock options that have already been earned or unvested stock options, PEPunits, PSUs and RSUs that an executive may have earned due to fulfilling the retirement eligibility criteria. Currently, Ms. Nooyi and Mr. Abdul-Latif are eligible for pro-rata vesting. For a list of earned vested stock options, see the 2012 Outstanding Equity Awards at Fiscal Year-End table beginning on page 49 of this Proxy Statement.

Change in Control

Since 2007 PepsiCo has implemented "double trigger" vesting. This means that unvested stock option and PEPunit, PSU, RSU and LTC Awards only vest if the participant is terminated without cause or resigns for good reason within two years following a change in control of PepsiCo or if the acquirer fails to assume or replace the outstanding awards.

For each NEO, the following table illustrates:

the value of stock option, PEPunit, PSU, RSU, LTC Awards and accrued dividend equivalents on PSUs and RSUs that would vest upon a change in control of PepsiCo without termination of employment reflecting target level of payout; and

the incremental value of the stock options, PEPunits, PSUs, RSUs, LTC Awards and accrued dividend equivalents on PSUs and RSUs that would vest upon a NEO's termination without cause or resignation for good reason at the time of the change in control plus the excess of the Black-Scholes value above the intrinsic value of vested options awarded prior to 2007 that would become payable at that time.

(1) The amounts reported in this column assume that both the change in control and termination occurred on December 29, 2012, the last day of the 2012 fiscal year. The stock options, PEPunits, PSUs and RSUs were valued based on PepsiCo's \$68.02 closing stock price on December 28, 2012. Amounts do not include vested options that have already been earned due to continued service other than the excess of the Black-Scholes value above the intrinsic value on

vested options granted prior to 2007. For a list of earned vested stock options, please see the 2012 Outstanding Equity Awards at Fiscal Year-End table on page 49 of this Proxy Statement.

Directors who are employees of the Company receive no additional compensation for serving as directors. Non-employee directors are compensated for their service on the Board as described below.

ANNUAL COMPENSATION

All active non-employee directors receive an annual cash retainer of \$100,000 and an annual equity award of \$150,000. To reflect their additional responsibilities, the Nominating and Corporate Governance Committee Chair receives an additional \$30,000 annual cash retainer, the Audit Committee Chair and the Compensation Committee Chair each receive an additional \$40,000 annual cash retainer, and the Presiding Director receives an additional \$50,000 annual cash retainer. Effective June 1, 2013, any and all annual cash retainers will be paid in arrears in December and June of each year for the immediately preceding six-month period, with the first payment in arrears to be made in December 2013 for service during the period June 1, 2013 through November 30, 2013.

Directors may elect to defer their cash retainer into phantom units of PepsiCo Common Stock that are payable at the end of the deferral period selected by the directors. The \$150,000 annual equity award consists of phantom units of PepsiCo Common Stock that are payable on the first day of the calendar quarter following the first anniversary of the director's retirement or resignation from PepsiCo's Board of Directors. The number of phantom units of PepsiCo Common Stock granted to each director on October 1, 2012 was determined by dividing the \$150,000 equity award value by the closing price of PepsiCo Common Stock on the grant date, which was \$70.65. As such, each active director was granted 2,123 phantom units. Each phantom unit represents the right to receive one share of PepsiCo Common Stock and dividend equivalents. Dividend equivalents are reinvested in additional phantom units.

Directors are reimbursed for expenses incurred to attend Board and Committee meetings. Directors do not receive any meeting fees. Directors do not have a retirement plan or receive any benefits such as life or medical insurance. Directors do receive business travel and accident insurance coverage. Directors are eligible for matching of charitable contributions through the PepsiCo Foundation,

which is generally available to all PepsiCo employees.

INITIAL SHARE GRANT

Each newly appointed non-employee director receives a one-time grant of 1,000 shares of PepsiCo Common Stock when he or she joins the Board. These shares are immediately vested but must be held until the director leaves the Board.

GOVERNANCE FEATURES

Our compensation program for non-employee directors operates with the following governance features which are similar to programs for executive officer:

Stock Ownership. To reinforce our ownership philosophy, non-employee directors are currently required to own shares of PepsiCo stock equal to \$500,000 (five times the annual cash retainer). Shares or phantom units of PepsiCo Common Stock held either directly by the non-employee director (or immediate family members), in the director's deferred compensation account, or in a trust for the benefit of immediate family members, count towards satisfying the requirement. Unexercised stock options do not count towards satisfying the requirement.

Non-employee directors have five years from their appointment to meet their ownership guideline requirement. All of our non-employee directors have met or are on track to meet their objectives within the five-year time requirement.

Exercise and Hold Policy. To ensure that non-employee directors exhibit a strong commitment to PepsiCo share ownership, the Board of Directors adopted an Exercise and Hold Policy. This policy limits the aggregate amount of proceeds that a director may receive in cash upon exercise of options during each calendar year to 20% of the aggregate value of all the director's in-the-money vested options as of January 1 of that year. Any proceeds in excess of this 20% limit must be held in PepsiCo shares for at least one year after the date of exercise. This 20% limit is applied to the proceeds remaining after payment of taxes and the exercise price for the option. The Exercise and Hold Policy for directors is waived once ownership guidelines are met.

Clawback Provision. Under the terms of our long-term incentive plans, non-employee directors who violate PepsiCo's Global Code of Conduct, who violate our non-compete, non-solicitation and non-disclosure policies or who engage in gross misconduct may be subject to financial consequences. Our long-term incentive plans permit PepsiCo to cancel a non-employee director's outstanding equity awards if PepsiCo determines that the non-employee director has committed any such violation. The long-term incentive plans also permit PepsiCo to claw back all gains from exercised stock options and vested RSUs received within the 12 months preceding the violation.

Hedging. Our insider trading policy prohibits non-employee directors from using any strategies or products (e.g., derivative securities or short-selling techniques) to hedge against the potential changes in the value of PepsiCo stock.

Trading Windows. Non-employee directors can only purchase and sell PepsiCo stock and exercise stock options during approved trading windows.

Total ⁽⁵⁾	75,622,623	\$ 60.30 ⁽⁶⁾	123,724,614

(1) Includes the 2007 Long-Term Incentive Plan (the **2007 Plan**), the 2003 Long-Term Incentive Plan (the **2003 Plan**) and the 1994 Long-Term Incentive Plan.

(2) This amount includes 367,995 PEPunits and 11,972,321 PSUs and RSUs that, if and when vested, will be settled in shares of PepsiCo Common Stock. This amount also includes 272,019 phantom units under the PepsiCo Director Deferral Program that will be settled in shares of Common Stock pursuant to the 2007 Plan at the end of the applicable deferral period.

(3) The shareholder-approved 2007 Plan is the only equity compensation plan under which PepsiCo currently issues equity awards. As of May 2, 2007, the 2007 Plan superseded the Company's prior plan, the shareholder-approved 2003 Plan, and no further awards were made under the 2003 Plan. The 2007 Plan permits the award of stock options, stock appreciation rights, restricted and unrestricted shares, restricted stock units and performance shares and units. The 2007 Plan authorizes a number of shares for issuance equal to 195,000,000 plus the number of shares underlying awards under the Company's prior equity compensation plans that are cancelled or expire after May 2, 2007 without delivery of shares. Under the 2007 Plan, any stock option granted reduces the available number of shares on a one-to-one basis, any RSU or other full value award granted before May 5, 2010 reduces the available number of shares on a one-to-one basis and any RSU or other full value award granted on or after May 5, 2010 reduces the available number of shares on a one-to-three basis.

(4) Includes the SharePower Stock Option Plan (the **SharePower Plan**). The SharePower Plan was adopted by the Board of Directors on July 1, 1989. Under the SharePower Plan, options were generally granted each year to virtually all of our full-time employees based on a formula tied to annual earnings and tenure. Each year, the Board of Directors authorized the number of shares required to grant options under the SharePower formula. SharePower options were granted with an exercise price equal to the fair market value of PepsiCo Common Stock on the date of grant. SharePower options generally become exercisable after three years and have a ten-year term. As of May 7, 2003, no further awards were made under the SharePower Plan and it was superseded by the 2003 LTIP. SharePower awards are currently made under the 2007 LTIP. The SharePower Plan is included as Exhibit 10.13 in our 2002 Annual Report on Form 10-K, filed with the Securities and Exchange Commission on March 7, 2003.

(5) The table does not include information for equity compensation plans assumed by PepsiCo in connection with PepsiCo's merger with The Quaker Oats Company (**Quaker**) in 2001 and acquisitions of The Pepsi Bottling Group, Inc. (**PBG**) and PepsiAmericas Inc. (**PAS**) in 2010.

As of December 29, 2012, 16,368 shares of PepsiCo Common Stock, which are related to awards issued under the Quaker plans prior to the merger, have been deferred and will be issued in the future. No additional options or other awards may be granted under the Quaker plans.

Edgar Filing: PEPSICO INC - Form DEF 14A

No additional stock options or other awards may be granted under the PBG plans.

As of December 29, 2012, 168,238 shares of PepsiCo Common Stock were issuable upon the exercise of outstanding options granted under the PAS plans prior to the acquisition of PAS at a weighted average exercise price of \$33.19. No additional stock options or other awards may be granted under the PAS plans.

The Audit Committee has appointed KPMG LLP as PepsiCo's independent registered public accountants for fiscal year 2013. KPMG has served as PepsiCo's independent registered public accountants since 1990. While we are not required to seek shareholder ratification of the selection of KPMG as our independent registered public accountants, we are doing so as a matter of good corporate governance. If the shareholders do not ratify the selection, the Audit Committee will take the vote into consideration when determining whether or not to retain KPMG.

Representatives of KPMG are expected to be present and available to answer appropriate questions at the Annual Meeting and will have an opportunity to make statements during the meeting if they desire to do so.

Our Board of Directors recommends that shareholders vote FOR the ratification of the appointment of KPMG as PepsiCo's independent registered public accountants for fiscal year 2013.

In response to the preference expressed by a majority of our shareholders at our 2011 Annual Meeting, PepsiCo's Board of Directors determined in May 2011 that the Company would hold an annual vote on the compensation of its NEOs. Accordingly, pursuant to Section 14A of the Exchange Act, we are asking shareholders to cast an advisory vote to approve the compensation of our NEOs disclosed in the Executive Compensation section beginning on page 27 of this Proxy Statement. While this vote is non-binding, PepsiCo values the opinions of its shareholders and, consistent with our record of shareholder engagement, will consider the outcome of the vote when making future compensation decisions.

In considering your vote, we invite you to review the Compensation Discussion and Analysis beginning on page 27 of this Proxy Statement. As described in the Compensation Discussion and Analysis, we believe that PepsiCo's executive compensation programs effectively align the interests of our executive officers with those of our shareholders by tying a significant portion of their compensation to PepsiCo's performance and by providing a competitive level of compensation needed to recruit, retain and motivate talented executives critical to PepsiCo's long-term success.

We are asking our shareholders to vote FOR, in a non-binding vote, the following resolution:

Resolved, the shareholders of PepsiCo approve, on an advisory basis, the compensation of the Company's Named Executive Officers as disclosed pursuant to Item 402 of Regulation S-K, including

Table of Contents

the Compensation Discussion and Analysis, the Summary Compensation Table, the other compensation tables and the related notes and narratives on pages 27-57 of this Proxy Statement for the 2013 Annual Meeting of Shareholders.

The next advisory vote to approve our executive compensation will occur at the 2014 Annual Meeting of Shareholders, unless the Board of Directors modifies its policy on the frequency of holding such advisory votes.

Our Board of Directors recommends that shareholders vote FOR the compensation of our Named Executive Officers.

The Board of Directors knows of no other matters to be brought before the Annual Meeting. If any other business should properly come before the Annual Meeting or any postponement or adjournment thereof, the persons named in the proxy will vote on such matters according to their best judgment.

PepsiCo welcomes comments or suggestions from its shareholders. If a shareholder wants to have a proposal formally considered at the 2014 Annual Meeting, and included in the Proxy Statement for that meeting, we must receive the proposal in writing on or before the close of business on November 22, 2013 and the proposal must otherwise comply with Rule 14a-8 under the Exchange Act. Proposals must be addressed to the Corporate Secretary of PepsiCo at 700 Anderson Hill Road, Purchase, New York 10577.

Under our By-Laws, if a shareholder wishes to present other business at the 2014 Annual Meeting of Shareholders, or nominate a director candidate, we must receive proper written notice of any such business or nominations no earlier than January 1, 2014 and no later than January 31, 2014. If the 2014 Annual Meeting is not within thirty days before or sixty days after the anniversary date of this year's Annual Meeting, we must receive notice no earlier than the 120th day prior to such annual meeting and not later than the close of business on the later of the 90th day prior to such meeting or the 10th day following the public announcement of the meeting date. Any notice must include the information specified in the By-Laws and must be addressed to the Corporate Secretary of PepsiCo at 700 Anderson Hill Road, Purchase, New York 10577.

Organic Revenue and core constant currency results are non-GAAP financial measures as they exclude certain items noted below. However, we believe investors should consider these measures as they are more indicative of our ongoing performance and with how management evaluates our operational results and trends. Additionally, management operating cash flow excluding certain items is the primary measure management uses to monitor cash flow performance. Management operating cash flow is not a measure defined by GAAP. Since net capital spending is essential to our product innovation initiatives and maintaining our operational capabilities, we believe that it is a recurring and necessary use of cash. As such, we believe investors should also consider net capital spending when evaluating our cash from operating activities.
