**DEREGISTRATION OF SECURITIES**

This Post-Effective Amendment No. 1 relates to the Registration Statement on Form S-3 (Reg. No. 333-171301) previously filed by Sprint Communications, Inc. a Kansas corporation (the Registrant or Old Sprint and, formerly, Sprint Nextel Corporation ), on December 20, 2010 (the Registration Statement ).

The Registrant is party to that certain Agreement and Plan of Merger, dated as of October 15, 2012, as amended (the Merger Agreement ), by and among the Registrant, SoftBank Corp., a Japanese *kabushiki kaisha* ( SoftBank ), Starburst I, Inc., a Delaware corporation and a direct wholly owned subsidiary of SoftBank ( HoldCo ), Starburst II, Inc., a Delaware corporation and a direct wholly owned subsidiary of HoldCo ( New Sprint ), and Starburst III, Inc., a Kansas corporation and a direct wholly owned subsidiary of New Sprint ( Merger Sub ). On July 10, 2013, pursuant to the Merger Agreement, and upon the effective time of the Merger, the Merger Sub was merged with and into Old Sprint (the Merger ), with Old Sprint continuing after the Merger as the surviving corporation. Additionally, Old Sprint became a wholly owned subsidiary of New Sprint and New Sprint was re-named Sprint Corporation.

On July 10, 2013, pursuant to the terms of the Bond Purchase Agreement between Old Sprint and New Sprint dated as of October 15, 2012 and amended as of June 10, 2013 (as amended, the Bond Purchase Agreement ) and in connection with the consummation of the Merger, New Sprint converted the \$3.1 billion Sprint Nextel bond issued thereunder (the Bond ) at a rate of 190.476190322581 shares of Old Sprint Common Stock (as defined below) for each \$1,000 of principal of the Bond, subject to certain adjustments, with cash paid in lieu of any fractional shares. Following the conversion of the Bond, the Bond Purchase Agreement, upon consummation of the Merger, was automatically terminated pursuant to its terms.

Pursuant to the terms of the Merger Agreement, each share of Old Sprint s Series 1 common stock, par value \$2.00 per share (the Old Sprint Common Stock ) outstanding immediately prior to the effective time of the Merger was canceled and (with the exception of shares held by HoldCo, Merger Sub, or any other wholly owned subsidiary of HoldCo or held by Old Sprint or any of its wholly owned subsidiaries and treasury shares held by Old Sprint) automatically converted into the right to receive, as a result of the elections made by Old Sprint s stockholders and the applicable proration and allocation rules contained in the Merger Agreement, (a) for stockholders that elected to receive shares of New Sprint as merger consideration, one share of New Sprint s common stock (the New Sprint Common Stock ), and (b) for stockholders that elected to receive cash or that made no election, the right to receive a combination of (i) \$5.647658 in cash without interest and (ii) 0.261744048 shares of New Sprint Common Stock. Upon the consummation of the Merger, former Old Sprint stockholders collectively became entitled to receive a total of approximately 850,899,628 shares of New Sprint Common Stock, (excluding the effect of dissenting shares and fractional shares cashed out pursuant to the Merger Agreement), and HoldCo s shares of Class B Common Stock, par value \$0.01 per share of Starburst II, Inc. were automatically reclassified pursuant to the terms of New Sprint s Amended and Restated Certificate of Incorporation in effect as of the closing date of the Merger (the Amended and Restated Certificate of Incorporation ) in consideration for the aggregate amount of \$21.64 billion contributed by it to New Sprint (\$3.1 billion of which was contributed to acquire the Bond issued under the Bond Purchase Agreement), with the result that HoldCo holds a total of 3,076,525,523 shares of New Sprint Common Stock, and SoftBank obtained indirect beneficial ownership of approximately 78% of the fully diluted shares of New Sprint (excluding shares of New Sprint Common Stock issuable upon exercise of the Warrant, as defined below). To the extent that any Old Sprint s stockholders seek appraisal of their Old Sprint Common Stock, such dissenting stockholders who perfect their dissenters rights will not receive the combination of cash and shares of New Sprint Common Stock to which they would otherwise be entitled, and will instead have the right to receive the fair value of their shares as determined under Kansas law, which could be more than, the same as, or less than the value of the merger consideration they would have received had they not sought appraisal with respect to their Old Sprint Common Stock in the Merger.

Pursuant to the Merger Agreement, concurrent with the consummation of the Merger, New Sprint issued to HoldCo a warrant (the Warrant ) to purchase up to 54,579,924 fully paid and nonassessable shares of New Sprint Common Stock (subject to anti-dilution adjustments), at an exercise price of \$5.25 per share (subject to anti-dilution adjustments). The Warrant is exercisable at HoldCo s option, in whole or in part, at any time, until July 10, 2018. The aggregate purchase price of the Warrant may be paid by either cash or, at HoldCo s option, through a customary cashless exercise process.

As a result of the Merger, the Registrant has terminated all offerings of securities pursuant to its existing registration statements under the Securities Act of 1933, as amended, including the Registration Statement. In accordance with an undertaking made by the Registrant to remove from registration, by means of a post-effective amendment, any securities registered under the Registration Statement that remain unsold at the termination of the offering, the Registrant hereby removes from registration all securities registered under the Registration Statement that remain unsold as of the effective time of the Merger.
