**Item 1.01. Entry into a Material Definitive Agreement.**

On August 8, 2013, affiliates of Medical Properties Trust, Inc. (the Company) entered into a purchase and sale agreement (the Agreement) with affiliates of IASIS Healthcare LLC (IASIS) (the Seller) for the acquisition of the real estate associated with three general acute care hospitals for an aggregate purchase price of \$283.3 million, which will be leased back to IASIS. The leases will have 15-year terms with renewal options, and provide for annual increases based on the consumer price index, limited to a 2.5% ceiling.

The table below sets forth pertinent details with respect to the three facilities as of August 14, 2013:

Property	State	Beds	Square Feet
Mountain Vista Medical Center, LP	AZ	178	405,011
IASIS Glenwood Regional Medical Center, LP	LA	268	330,323
The Medical Center of Southeast Texas, LP	TX	224	349,461

The acquisition is subject to customary real estate, regulatory and other closing conditions.

Pursuant to the Agreement, the Company has made good faith deposits in an aggregate amount of \$14.1 million. If the acquisition is not consummated due to the Company's material default or breach, the Seller will be entitled to terminate the Agreement and retain the good faith deposit. If the acquisition is not consummated due to the Seller's material default or breach, the Company will be entitled to either (i) sue for the specific performance or (ii) the return of the good faith deposit.

In addition to the pending relationships described in the Agreement, an affiliate of the Company is presently lessor of a separate hospital facility, Pioneer Valley Hospital in West Valley City, UT, to a separate affiliate of IASIS. In connection with closing of the transactions contemplated by the Agreement, the lease with respect to this facility will be amended to provide, among other things, for approximately \$2.0 million in funding from the lessor for property improvements, and an extension of its term from 2019 to 2028.
