To All Globecomm Customers:

We are excited to announce that Globecomm Systems has entered into a definitive merger agreement with a fund sponsored by Wasserstein & Co., a leading independent private equity and investment firm.

We believe that this transaction is in the best interest of our shareholders, customers, partners and employees. Wasserstein & Co. has a proven track record of helping companies build on their success. We look forward to partnering with Wasserstein & Co. and taking advantage of its extensive experience, analytical skills and financial strength to more fully execute our strategic vision.

There will be no changes to our relationship with our customers. We will still be Globecomm, with all of the same resources, businesses and products as before. We will continue to serve and nurture all of our customers as before.

The merger is subject to a variety of closing conditions. We expect business as usual both up to and following the closing of the transaction.

More information on the transaction can be found in the news release, located at <http://phx.corporate-ir.net/phoenix.zhtml?c=77373&p=irol-newsArticle&ID=1849754&highlight>.
